adulterous synonym: The Understanding of Adultery in the Hebrew Bible Alexander Izuchukwu Abasili, 2016-06-09 Adultery, though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible, enjoys a certain pride of place. Remarkably, it is the one sexual prohibition attested in all biblical genres, which makes it very representative in the Hebrew Bible. It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue. A solid understanding of Hebrew biblical adultery, therefore, is an important step towards grasping the vital role of human sexuality in the Hebrew Bible, both in terms of inter-human relationships and the relationship between the human and the divine. Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries, this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible: its meaning, punishments and the implications thereof. Among others, it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible, and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for today's couples.

adulterous synonym: Sexual and Marital Metaphors in Hosea, Jeremiah, Isaiah, and Ezekiel Sharon Moughtin, 2008-06-05 Sharon Moughtin-Mumby explores the complex, and potentially subversive, power of metaphor as a tool of persuasion in the prophetic books of the Hebrew Bible. Often such language is used to speak of the worship of gods other than Yhwh, of undesirable cultic practices, or of political alliances with foreign nations. Evaluating several schools of language and biblical criticism, including a Traditional approach, a Feminist critique and a Literary-historical investigation, Moughtin-Mumby brings lucid new readings with a fresh perspective to these dramatic texts. The study emphasises the importance of context for understanding metaphorical meaning and challenges previous scholarship which has read such language in terms of the traditional concept of 'the marriage metaphor' and the hypothetical

background of cultic prostitution.

adulterous synonym: One Flesh Joe Fogle, 2007-05-05 On the sixth day of creation, God formed Adam from the dust of the earth. God then formed Eve from Adam's side. From this day forward man was to leave his father and mother and cleave to his wife. The two are joined together by God in a permanent one-flesh relationship. After man fell, the sins of adultery, fornication, polygamy, and divorce altered God's intention for marriage. This was true of those both outside and inside God's covenant community. By the time the Lord Jesus Christ came in the flesh, the traditions of Judaism had either changed or nullified God's command for marriage. The Lord Jesus Christ came and stated God's original intent for marriage: 1. Permanence. The husband and wife are one flesh. They are permanently joined in a covenant relationship for life. No person has the legal or moral authority to end what God has joined together. No sin or legal document can dissolve the one-flesh bond. 2. Forgiveness. This is Christ's emphasis in dealing with sin. When one spouse fails, the love of Christ compels the other to forgive. Hardness of heart is the cause of unforgiveness and results in divorce. Because of the biblical teachings of Jesus and Paul, the early church held to the permanence of marriage. Over the centuries, Christ's commands on the permanence of marriage have been either changed or nullified. They have been replaced with the traditions of men. In theory, Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them. In practice, many evangelical Christians are divorcing and remarrying for almost any reason. The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce. The Word of God has not changed. What God has joined together, let no man separate (Mark 10:9).

adulterous synonym: *The Motif of Adultery in Elizabethan, Jacobean, and Caroline Tragedy* Ilse Born-Lechleitner, 1995

adulterous synonym: The New Testament David Bentley Hart, 2023-03-14 The second edition of David Bentley Hart's critically acclaimed New Testament translation David Bentley Hart's translation of the New Testament, first published in 2017, was hailed as a "remarkable feat" and as a "strange, disconcerting, radical version of a strange, disconcerting manifesto of profoundly radical values." In this second edition, which includes a powerful new preface and more than a thousand changes to the text, Hart's purpose remains the same: to render the original Greek texts faithfully, free of doctrine and theology, awakening readers to the uncanniness that often lies hidden beneath doctrinal layers. Through his startling translation, with its raw, unfinished quality, Hart reveals a world conceptually quite unlike our own. "It was a world," he writes, "in which the heavens above were occupied by celestial spiritual potentates of questionable character, in which angels ruled the nations of the earth as local gods, in which demons prowled the empty places, . . . and in which the entire cosmos was for many an eternal divine order and for many others a darkened prison house." He challenges readers to imagine it anew: a God who reigned on high, appearing in the form of a slave and dying as a criminal, only then to be raised up and revealed as the Lord of all things.

adulterous synonym: *Divorce and Remarriage in the Bible* David Instone-Brewer, 2002-06-07 To many, the New Testament's teaching on divorce and remarriage seems to be both impractical and unfair. The plain meaning of the texts allows for divorce only in cases of adultery or desertion, and it does not permit remarriage until the death of one's former spouse. But are these proscriptions the final word for Christians today? Are we correctly reading the scriptures that address these issues?

By looking closely at the biblical texts on divorce and remarriage in light of the first-century Jewish and Greco-Roman world, this book shows that the original audience of the New Testament heard these teachings differently. Through a careful exploration of the background literature of the Old Testament, the ancient Near East, and especially ancient Judaism, David Instone-Brewer constructs a biblical view of divorce and remarriage that is wider in scope than present-day readings. Among the important findings of the book are that both Jesus and Paul condemned divorce without valid grounds and discouraged divorce even for valid grounds; that both Jesus and Paul affirmed the Old Testament grounds for divorce; that the Old Testament allowed divorce for adultery and for neglect or abuse; and that both Jesus and Paul condemned remarriage after an invalid divorce but not after a valid divorce. Instone-Brewer shows that these principles are not only different from the traditional church interpretation of the New Testament but also directly relevant to modern relationships. Enhanced with pastoral advice on how to apply the biblical teaching in today's context, this volume will be a valuable resource for anyone seeking serious answers about married life.

adulterous synonym: *Where No Man Has Gone Before* Lucie Armitt, 2012 How do women writers use science fiction to challenge assumptions about the genre and its representations of women? To what extent is the increasing number of women writing science fiction reformulating the expectations of readers and critics? From Mary Shelley onwards, women writers have played a central role in the shaping and reshaping of this genre, irrespective of its undeniably patriarchal image. Essays on the work of writers such as Doris Lessing and Ursula Le Guin, Katherine Burdekin, C. L. Moor, Suzette Elgin, Gwyneth Jones, Maureen Duffy and Josephine Saxton demonstrate that science fiction remains as particularly well-suited to the exploration of woman as 'alien' or 'other' in our culture today, as it was with the publication of *Frankenstein* in 1818.

adulterous synonym: *Biblical Ethics & Homosexuality* Robert Lawson Brawley, 1996-01-01 What are the most important biblical texts for modern Christians to read in order to arrive at responsible decisions regarding the ethics of human sexual behavior? How should the Bible be used in this enterprise? How should those texts be translated for today's reader? The contributors to this book, all noted biblical scholars, confront these questions as they deal with issues surrounding the ethics of sexual behavior, in general, and the divisive issue of gay/lesbian ordination, in particular. They provide for the reader a deeper understanding of the Bible, its intentions, and its variety. This book offers a challenge to the church to give heed to the multiplicity of voices that are engaged in

biblically responsible and constructive debates about the volatile issues regarding sexual behavior.

adulterous synonym: ***Traditions versus TRUTH*** E. Lobinowich, 2018-11-08 While on earth as a man, the Lord Jesus declared that the religious leaders of that day were guilty of serious infractions, namely: - Transgressing a commandment of God by their tradition (Matthew 15:3, Mark 7:8) - Rejecting God's Word and making His commandment of none effect by clinging to their tradition (Matthew 15:6, Mark 7:9, Mark 7:13) - Worshiping Him in vain by teaching commandments of men as doctrines (Matthew 15:9, Mark 7:7) In the almost two thousand years since that time, numerous religious traditions have developed which are unscriptural and very dangerous to spiritual welfare. Several of these traditions are identified and examined in the light of what the Word of God actually says. It is absolutely essential to correctly understand and appropriate God's truth, because the Lord Jesus himself confirmed that mankind shall not live by bread alone, but by every word that proceeds out of the mouth of God (Deuteronomy 8:3, Matthew 4:4, Luke 4:4).

adulterous synonym: *Menstrual Purity* Charlotte Elisheva Fonrobert, 2002 This book offers a new perspective on the extensive rabbinic discussions of menstrual impurity, female physiology, and anatomy, and on the social and religious institutions those discussions engendered. It analyzes the functions of these discussions within the larger textual world of rabbinic literature and in the context of Jewish and Christian culture in late antiquity.

adulterous synonym: ***Honor Related Violence*** Robert Ermers, 2018-02-02 Honor related violence is generally associated with crimes committed by people from the Middle East and adjacent areas. Perpetrators sometimes justify their deeds saying they 'had to' restore their honor. Theorists have argued that men from these populations exclusively correlate honor with the behaviour of their womenfolk, which they use as a pretext to further oppress and dominate women. Due to large-scale migration, western societies have become acquainted with honor related violence and honor killings. In this book, Robert Ermers addresses a number of questions related to honor related violence, including the use of predominantly negative frames regarding the cultural and social background of non-westerners and immigrants. In many publications, including the press, crimes committed by non-western individuals are often attributed to their cultural background rather than specific contexts or circumstances, in contrast to western cases. Vague and insufficiently defined concepts such as 'honor' and 'culture' strongly contribute to this bias. *Honor Related Violence* deals with honor and honor related violence, their background and contexts, what honor is, and what it is not. It examines stigma in relation to honor and based upon stigma research, reliably explains, analyses, and predicts honor related violence. The book argues that people all over the world can be stigmatized, excluded and ostracized when they commit misbehavior, and therefore find themselves in a state of dishonor which can lead to honor related violence. A timely intervention into the

psychology of honor related violence, this is an essential resource for students and researchers in the fields of social psychology, sociology, law, criminology and anthropology.

adulterous synonym: *Signs of Identity* Emilia Parpală, 2018-07-27 This volume conceives of identity constructs in a broader semiotic way, specifically within a communicational and comparative perspective. This implies a rethinking of “identity” in terms of the relationship between an individual’s “way of being” and performativity. The contributions here cover a variety of pre-texts, texts and contexts, periods and genres, from Medieval clothing to multicultural discourse, and from modern poetry to postcolonial narratives, among others. Integrating research from Germany, Greece, Iraq and Romania, this collection of fifteen chapters will be of interest to all those involved in the reevaluation of identity - a central term in the social and cultural space.

adulterous synonym: *Cancer Ascendant Secrets* Saket Shah, 2020-01-05 There are times when people just can’t identify with the attributes of their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

adulterous synonym: *Water and Water-Related Phenomena in the Old Testament Wisdom Literature* Kivatsi Jonathan Kavusa, 2019-10-17 Kivatsi Jonathan Kavusa addresses a gap in the field of ecological readings of the Old Testament, exploring the theme of water in the Wisdom books, including the often-ignored deuterocanonical works. Kavusa focuses on both the negative and positive potential of water, drawing in particular on four of the Earth Bible principles: intrinsic worth, interconnectedness, voice, and purpose. Kavusa begins with a summary of the extant studies and literature reviews on water and water-related motifs in the Old Testament. He then analyses the books of Job, Proverbs, Ecclesiastes and the Deutero-canonical wisdom, examining the various references to water as life-giving or life-threatening entities, and expanding upon the themes of water management and sustainability, the intrinsic worth of nature and the unpredictable, chaotic state of water. This volume concludes with several insights for ecological responsibility and valuable wisdom for an eco-theological perspective, both in Kavusa's African context and with a more universal application.

adulterous synonym: The Strange Woman Gail Corrington Streete, 1997-01-01 In the worlds of ancient Israel and early Christianity, political and religious laws limited women's options. But some women created options by participating in adultery, prostitution, and other sexual variances, thus resulting in a kind of independence not available to other women. These actions subverted the social system, leading to punishment for some women and power for others.

adulterous synonym: *The First Epistle to the Corinthians, Revised Edition* Gordon D. Fee, 2014-12 This landmark commentary, originally published in 1987, has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians. Writing primarily for pastors, teachers, and students, Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance. Fee's revised edition is based on the improved, updated (2011) edition of the NIV, and it takes into account the considerable scholarship on 1 Corinthians over the past twenty-five years. Fee has also eliminated chapter and verse language -- totally foreign to Paul's first-century letter -- relegating the necessary numbers for finding things to parentheses.

adulterous synonym: *A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature* Gordon Williams, 2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th-century English, this book draws especially on the more immediate literary modes: the theatre, broadside ballads, newsbooks and pamphlets. The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings; and more broadly, to chart, through illustrative quotation, shifting and recurrent linguistic patterns. Linguistic habit is closely bound up with the ideas and assumptions of a period, and the figurative language of sexuality across this period is highly illuminating of socio-cultural change as well as linguistic development. Thus the entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden.

adulterous synonym: *Outsider Designations and Boundary Construction in the New Testament* Paul R. Trebilco, 2017-10-26 The first book-length study of the outsider designations that early Christians used and what they reveal about the movement's identity, self-understanding and character.
