actress uzo nyt crossword: Trouble in Mind Alice Childress, 2022-06-21 "A masterpiece . . . Trouble in Mind still contains astonishing power; it could have been written yesterday." —Vulture Ahead of its time, *Trouble in Mind*, written in 1955, follows the rehearsal process of an anti-lynching play preparing for its Broadway debut. When Wiletta, a Black actress and veteran of the stage, challenges the play's stereotypical portrayal of the Black characters, unsettling biases come to the forefront and reveal the ways so-called progressive art can be used to uphold racist attitudes. Scheduled to open on Broadway in 1957, Childress objected to the requested changes in the script that would "sanitize" the play for mainstream audiences, and the production was canceled as a result. Childress's final script is published here with an essay by playwright Branden Jacobs-Jenkins, editor of TCG Illuminations.

actress uzo nyt crossword: The Shield of Achilles W. H. Auden, 2024-05-07 Back in print for the first time in decades, Auden's National Book Award-winning poetry collection, in a critical edition that introduces it to a new generation of readers *The Shield of Achilles*, which won the National Book Award in 1956, may well be W. H. Auden's most important, intricately designed, and unified book of poetry. In addition to its famous title poem, which reimagines Achilles's shield for the modern age, when war and heroism have changed beyond recognition, the book also includes two sequences—"Bucolics" and "Horae Canonicae"—that Auden believed to be among his most significant work. Featuring an authoritative text and an introduction and notes by Alan Jacobs, this volume brings Auden's collection back into print for the first time in decades and offers the only critical edition of the work. As Jacobs writes in the introduction, Auden's collection "is the boldest and most intellectually assured work of his career, an achievement that has not been sufficiently acknowledged." Describing the book's formal qualities and careful structure, Jacobs shows why *The Shield of Achilles* should be seen as one of Auden's most central poetic statements—a richly imaginative, beautifully envisioned account of what it means to live, as human beings do, simultaneously in nature and in history.

actress uzo nyt crossword: In the Country We Love Diane Guerrero, Michelle Burford, 2016-05-03 The star of *Orange Is the New Black* and *Jane the Virgin* presents her personal story of the real plight of undocumented immigrants in this country. Diane Guerrero, the television actress from the megahit *Orange Is the New Black* and *Jane the Virgin*, was just fourteen years old on the day her parents were detained and deported while she was at school. Born in the U.S., Guerrero was able to remain in the country and continue her education, depending on the kindness of family friends who took her in and helped her build a life and a successful acting career for herself, without the support system of her family. *In the Country We Love* is a moving, heartbreaking story of one woman's extraordinary resilience in the face of the nightmarish struggles of undocumented residents in this country. There are over 11 million undocumented immigrants living in the US, many of whom have citizen children, whose lives here are just as precarious, and whose stories haven't been told. Written with bestselling author Michelle Burford, this memoir is a tale of personal triumph that also casts a much-needed light on the fears that haunt the daily existence of families like the author's and on a system that fails them over and over.

actress uzo nyt crossword: Let the People Pick the President Jesse Wegman, 2020-03-17 "Wegman combines in-depth historical analysis and insight into contemporary politics to present a cogent argument that the Electoral College violates America's 'core democratic principles' and should be done away with... —Publishers Weekly The framers of the Constitution battled over it. Lawmakers have tried to amend or abolish it more than 700 times. To this day, millions of voters, and even members of Congress, misunderstand how it works. It deepens our national divide and distorts the core democratic principles of political equality and majority rule. How can we tolerate the Electoral College when every vote does not count the same, and the candidate who gets the most votes can lose? Twice in the last five elections, the Electoral College has overridden the popular vote, calling the integrity of the entire system into question—and creating a false picture of a country divided into bright red and blue blocks when in fact we are purple from coast to coast. Even when the popular-vote winner becomes president, tens of millions of Americans—Republicans and Democrats alike—find that their votes didn't matter. And, with statewide winner-take-all rules, only a handful of battleground states ultimately decide who will become president. Now, as political passions reach a boiling point at the dawn of the 2020 race, the message from the American people is clear: The way we vote for the only official whose job it is to represent all Americans is neither fair nor just. Major reform is needed—now. Isn't it time to let the people pick the president? In this thoroughly researched and engaging call to arms, Supreme Court journalist and New York Times editorial board member Jesse Wegman draws upon the history of the founding era, as well as information gleaned from campaign managers, field directors, and other officials from twenty-first-century Democratic and Republican presidential campaigns, to make a powerful case for abolishing the antiquated and antidemocratic Electoral College. In *Let the People Pick the President* he shows how we can at long last make every vote in the United States count—and restore belief in our democratic system.

Its implications are both affecting and disturbing." -Los Angeles Times "In his exquisitely written dramatic lament for the decline of high culture. . . . [Shawn] offers a definition of the self that should rattle the defenses of intellectual snobs everywhere." -The New York Times Writer and performer Wallace Shawn's landmark 1996 play features three characters—a respected poet, his daughter, and her English-professor husband—suspected of subversion in a world where culture has come under the control of the ruling oligarchy. The play debuted at the Royal National Theatre in London, in a production directed by David Hare, who also directed the film version, starring Mike Nichols and Miranda Richardson. actress uzo nyt crossword: The Chinese Lady Lloyd Suh, 2019 Afong Moy is fourteen years old when she's brought to the United States from Guangzhou Province in 1834. Inspired by the true story of Afong Moy's life, THE CHINESE LADY is a dark, poetic, yet whimsical portrait of America through the eyes of a young Chinese woman.

actress uzo nyt crossword: Nerd Maya Phillips, 2023-07-04 In the vein of You're Never Weird on the Internet (Almost) and Black Nerd Problems, this witty, incisive essay collection from New York Times critic at large Maya Phillips explores race, religion, sexuality, and more through the lens of her favorite pop culture fandoms. From the moment Maya Phillips saw the opening scroll of Star Wars, Episode V: The Empire Strikes Back, her life changed forever. Her formative years were spent loving not just the Star Wars saga, but superhero cartoons, anime, Buffy the Vampire Slayer, Harry Potter, Tolkien, and Doctor Who—to name just a few. As a critic at large at The New York Times, Phillips has written extensively on theater, poetry, and the latest blockbusters—with her love of some of the most popular and nerdy fandoms informing her career. Now, she analyzes the mark these beloved intellectual properties leave on young and adult minds, and what they teach us about race, gender expression, religion, and more. Spanning from the nineties through to today, Nerd is a collection of cultural criticism essays through the lens of fandom for everyone from the casual Marvel movie watcher to the hardcore Star Wars expanded universe connoisseur. "In the same way that the fandoms Phillips addresses often provide community and a sense of connection, the experience of reading Nerd feels like making a new friend" (Karen Han, cultural critic and screenwriter).
