Where to Watch Houston Astros Spring Training Games

Unfortunately, a precise, game-by-game TV schedule for the Houston Astros spring training is rarely released far in advance and varies across different regions and broadcasting partners. The official Astros website and MLB.com are your best resources for the most up-to-date information as the season approaches. However, we can give you some general information to help you plan your viewing:

1. Local TV Broadcasts:

Your local cable or satellite provider will likely carry many, if not most, of the Astros' spring training games. AT&T SportsNet Southwest is a primary regional sports network that often features Astros games, but check your local listings closer to the start of spring training to confirm which channel and specific game times will be televised.

2. National Broadcasts:

Major League Baseball (MLB) often picks up select spring training games for national broadcasts on networks like ESPN, FOX, or MLB Network. These games are usually high-profile matchups or showcase certain players or storylines. Check the MLB website and TV schedules for these national broadcasts.

3. Streaming Options:

MLB.tv is a subscription service that provides access to many spring training games, offering a convenient way to stream games online or through mobile devices. However, regional blackouts may apply, so be aware that your local games might not be available depending on your location. Other streaming platforms may offer specific games depending on broadcasting rights.

4. Radio Broadcasts:

For those who prefer the traditional radio experience, you can usually listen to Astros spring training games on local radio stations. Check the official Astros website for radio broadcast information as the season approaches.

Understanding the Spring Training Schedule: Key Considerations

Spring training isn't just about the games; it's about the build-up to the regular season. Understanding the nuances of the schedule can greatly enhance your viewing experience.

1. The Importance of Pre-Season Games:

While the results of spring training games don't count towards the regular season standings, they're crucial for evaluating player performance, experimenting with lineups, and getting the team ready for the challenges ahead. Watching these games offers a glimpse into the team's strengths, weaknesses, and potential surprises.

2. Varying Game Times:

Unlike the regular season, spring training games often have varying start times, depending on the venue, weather conditions, and broadcasting arrangements. Always refer to the official schedule closer to the start of spring training.

3. Split-Squad Games:

It's common for MLB teams to play split-squad games, meaning the team is split into two rosters that play simultaneously in different locations. This allows more players to receive valuable playing time. Be sure to check which squad features your favorite players!

4. Roster Fluctuations:

The roster during spring training is dynamic. Players are constantly being evaluated, and the lineup can change significantly from one game to the next. Be prepared for some roster surprises.

houston astros spring training tv schedule: *Ebbets to Veeck to Busch* Burton A. Boxerman, Benita W. Boxerman, 2010-06-25 Of baseball there have been countless books, but, surprisingly, relatively few about the owners, the men and women who invested their time--and, frequently, their fortunes--in baseball teams. What has been written tends to concentrate on the financial aspects of ownership or individual owners and their private lives, and pays less attention to the enduring contributions certain owners have made. Eight owners and their lasting influences on the game are the focus of this book. Charles Ebbets, Barney Dreyfuss, Helene Britton, Clark Griffith, Walter O'Malley, Bill Veeck, Charles Finley and August Busch were chosen for inclusion not only because of their larger contributions but also because they were hands-on owners who ran their teams decisively. For instance, Helene Britton proved that a knowledgeable woman could successfully run a ball club, even if she couldn't vote; Bill Veeck hired the first black player in the American League, introduced exploding scoreboards and was the first owner to put his players' names on the backs of their uniforms; Walter O'Malley relocated his Dodgers to the West Coast and convinced Giants owner Horace Stoneham to bring his team out too.
