housingwire loandepot: Money in the Streets Barry Habib, 2020-10-27 *Money in the Streets* is more than one man's journey in hard-knocks New York. It's more than the recounting of risking it all to win. Told with heart and laced with the sentiment of tremendous gratitude, Barry Habib deftly weaves tales of his upbringing to take the reader back in time. From his childhood, where he'd pick up the discarded toys of other children because he had so few of his own to play with on into the sales world, where Habib got creative as a sort-of street vendor, *Money in the Streets* blends humor and hardship through the incredulous moments of Habib's life. He wrote this book to answer a compulsion to share what worked for him as he scaled the ladder—creating multiple successful companies, growing into an international speaker, and frequenting major media networks as well as producing various entertainment productions—most notably as the driving force and lead producer of one of the longest-running shows on Broadway (later made into a film): *Rock of Ages*. Habib offers his life as proof that you can keep going no matter what. He shares some of his most painful memories while also exulting in personal and business triumphs to encourage everyone to aim for the same. Of particular note are the mindset tactics in *Money in the Streets* that are road-tested and personal practices of Habib, who treats each day as a reason to be thankful. No matter the struggle, whether self-doubt, negativity, loss, stress, or being “stuck” in life, *Money in the Streets* is a resolution roadmap. An easy read that will play on the reader's every emotion, this standout work and Habib's voice are unforgettable. He writes as if you are the only person in the room...because to Habib, you are.

Yet rather than offering fulfillment and confidence, this outwardly based quest is causing alarming rates of childhood stress, anxiety, and depression. *Life Ki-do Parenting* provides the antidote, giving you the techniques to help your child find true and lasting happiness from within. Integrating twenty years of experience teaching life skills and martial arts to thousands of children, twenty-five years of mindfulness and meditation study, and data and research from modern psychology and neuroscience, Jonathan Hewitt developed the Tools for Life system, made up of four powerful components: River Check-in for improving focus River Effort for building confidence and a strong sense of self A-B Formula for developing resilience when facing life's challenges My Shoes, Your Shoes, Our Shoes for cultivating social intelligence These four original tools empower children with the critical skills they need to thrive today and into adulthood. Going beyond concept and theory, they give you kid-friendly vocabulary and a simple process for helping your children look inward to monitor themselves rather than looking outward to others for their validation and self-worth. What greater peace can you have as a parent than knowing you have given your child the roots and wings to successfully navigate their way through life?

This is a give and take relationship between our sun and earth, heaven and earth, earth in general, and our entire world. These are micro and macro reflections of the same process we call life. The air we inhale begins this journey. Inhaling signifies acceptance, receiving, parenthood, enlightenment, mentorship, and love. Whereas the exhale signifies hardship, push back and fear of what is good. Growth is one word for the reader to take away with them. Growth is listening, speaking, reading and writing. Growth is love, hate, pain, pleasure, comfort and discomfort. Growth is life. It is inside our mind and mixed with the heart that makes us curious. Our souls are the observer and our minds are the rational interpreter. *Thirty Days of Thought* is your catalyst for purpose and will let you uncover your genius to create meaning from within. After you read this book, you will be thinking, dreaming, loving, articulating, leading, influencing, and radiating success from within and without fear of what doth not exist; failure. You are a genius and this book was written to help you uncover that. For the next thirty days, read an excerpt in the morning, afternoon and evening, write down your daily thoughts and make sure to film a video on what you read and or wrote. Do this daily for thirty days and the world you know will evolve through you because of you. Unlock the dark within the confines of internal and external conflict. Uncover your genius to bring forth the light that started with our sun. Similarly, to the sun, you have power to influence, lead, inspire and shine. This book will help you do that. Your culture matters, and it is time to get started so you can awaken your happiest potential and allow your journey to begin. See you on the bright side...

In an era with more access to the lives of others than ever before, it's easy to feel as if everyone else is more successful, in better shape, making more money and living their dreams. Anthony Trucks' *Identity Shift* gives motivated individuals the tools to make meaningful change where it counts: their identity. Anthony shares the secret to his success, framed with an honest examination of his own story and determination to move beyond his circumstances.
