how did nicki minaj meet her husband: *The Last Romantics* Tara Conklin, 2019-02-05 From the New York Times–bestselling author of *The House Girl* comes a novel about our most precious

and dangerous attachment: family In the spring of 1981, the young Skinner siblings—fierce Renee, dreamy Caroline, golden boy Joe and watchful Fiona—lose their father to a heart attack and their mother to a paralyzing depression, events that thrust them into a period they will later call “the Pause.” Caught between the predictable life they once led and an uncertain future that stretches before them, the siblings navigate the dangers and resentments of the Pause to emerge fiercely loyal and deeply connected. Two decades later, the Skinners find themselves again confronted with a family crisis that tests the strength of these bonds and forces them to question the life choices they’ve made and what, exactly, they will do for love. Narrated nearly a century later by the youngest sibling, the renowned poet Fiona Skinner, *The Last Romantics* spans a lifetime. It’s a story of sex and affection, sacrifice and selfishness, deeply held principles and dashed expectations, a lost engagement ring, a squandered baseball scholarship, unsupervised summers at the neighbourhood pond and an iconic book of love poems. But most of all it is the story of Renee, Caroline, Joe and Fiona: the ways they support each other, the ways they betray each other and the ways they knit back together bonds they have fractured. In the vein of *Commonwealth*, *Little Fires Everywhere* and *The Nest*, this is a panoramic, tenderly insightful novel about one devoted, imperfect family. *The Last Romantics* is an unforgettable exploration of the responsibilities we bear both gracefully and unwillingly, and the all-important, ever-complex definition of love.

how did nicki minaj meet her husband: *Butts* Heather Radke, 2023-06-13 "Winning, cheeky, and illuminating....What appears initially as a folly with a look-at-this cover and title becomes, thanks to Radke's intelligence and curiosity, something much meatier, entertaining, and wise." —The Washington Post "Lively and thorough, *Butts* is the best kind of nonfiction." —Esquire, Best Books of 2022 A "carefully researched and reported work of cultural history" (The New York Times) that explores how one body part has influenced the female—and human—experience for centuries, and what that obsession reveals about our lives today. Whether we love them or hate them, think they're sexy, think they're strange, consider them too big, too small, or anywhere in between, humans have a complicated relationship with butts. It is a body part unique to humans, critical to our evolution and survival, and yet it has come to signify so much more: sex, desire, comedy, shame. A woman's butt, in particular, is forever being assessed, criticized, and objectified, from anxious self-examinations trying on jeans in department store dressing rooms to enduring crass remarks while walking down a street or high school hallways. But why? In *Butts: A Backstory*, reporter, essayist, and RadioLab contributing editor Heather Radke is determined to find out. Spanning nearly two centuries, this "whip-smart" (Publishers Weekly, starred review) cultural history takes us from the performance halls of 19th-century London to the aerobics studios of the 1980s, the music video set of Sir Mix-a-Lot's "Baby Got Back" and the mountains of Arizona, where every year humans and horses race in a feat of gluteal endurance. Along the way, she meets evolutionary biologists who study how butts first developed; models whose measurements have defined jean sizing for millions of women; and the fitness gurus who created fads like "Buns of Steel." She also examines the central importance of race through figures like Sarah Bartmann, once known as the "Venus Hottentot," Josephine Baker, Jennifer Lopez, and other women of color whose butts have been idolized, envied, and despised. Part deep dive reportage, part personal journey, part cabinet of curiosities, *Butts* is an entertaining, illuminating, and thoughtful examination of why certain silhouettes come in and out of fashion—and how larger ideas about race, control, liberation, and power affect our most private feelings about ourselves and others.

how did nicki minaj meet her husband: Stories to Tell Richard Marx, 2021-07-06 *National Bestseller* Legendary musician Richard Marx offers an enlightening, entertaining look at his life and career. Richard Marx is one of the most accomplished singer-songwriters in the history of popular music. His self-titled 1987 album went triple platinum and made him the first male solo artist (and second solo artist overall after Whitney Houston) to have four singles from their debut crack the top three on the *Billboard* Hot 100. His follow-up, 1989's *Repeat Offender*, was an even bigger smash, going quadruple platinum and landing two singles at number one. He has written fourteen number one songs in total, shared a Song of the Year Grammy with Luther Vandross, and collaborated with a variety of artists including NSYNC, Josh Groban, Natalie Cole, and Keith Urban. Lately, he's also become a Twitter celebrity thanks to his outspokenness on social issues and his ability to out-troll his trolls. In *Stories to Tell*, Marx uses this same engaging, straight-talking style to look back on his life and career. He writes of how Kenny Rogers changed a single line of a song he'd written for him then asked for a 50% cut—which inspired Marx to write one of his biggest hits. He tells the uncanny story of how he wound up curled up on the couch of Olivia Newton-John, his childhood crush, watching *Xanadu*. He shares the tribulations of working with the all-female hair metal band Vixen and appearing in their video. Yet amid these entertaining celebrity encounters, Marx offers a more sobering assessment of the music business as he's experienced it over four decades—the challenges of navigating greedy executives and grueling tour schedules, and the rewards of connecting with

thousands of fans at sold-out shows that make all the drama worthwhile. He also provides an illuminating look at his songwriting process and talks honestly about how his personal life has inspired his work, including finding love with wife Daisy Fuentes and the mystery illness that recently struck him—and that doctors haven't been able to solve. *Stories to Tell* is a remarkably candid, wildly entertaining memoir about the art and business of music.

how did nicki minaj meet her husband: *Where Do I Begin?* Elvis Duran, 2020-10-06 In this New York Times bestseller, host of one of the nation's top morning shows Elvis Duran shares his wildest stories and hardest-learned lessons with his trademark honesty and "bighearted, deliciously warm" (Barbara Corcoran, star of ABC's *Shark Tank*) humor. Elvis Duran's nationally syndicated radio program, *Elvis Duran and the Morning Show*, is America's most-listened-to Top 40 morning show and one of the 10 most-listened-to programs in all of radio, heard live by nearly ten million people every morning. But his success didn't happen overnight. Elvis spent years navigating the wild world of radio as a DJ for hire, working (and partying) in markets around the country before taking over the morning shift at the legendary Z100 in 1996. Over the last twenty years, he has become one of New York City's signature voices (Variety calls him "a permanent fixture of the area's daily commutes") thanks to his show's exciting mix of music, new artist discovery, interviews, gossip, and live listener interaction. Along the way, Elvis has become known not just for his incisive interviews (and occasional feuds) with pop music's biggest stars, but for the show's commitment to kindness and positivity and Elvis's own candor and openness with his audience. Bold, funny, and totally candid, *Where Do I Begin?* is sure to be loved by anyone who listens to Elvis live every morning—or anyone who wants to know what really goes on behind the scenes of the pop music machine from the "man who has been as big a part of the industry's success as anyone" (Ryan Seacrest).

how did nicki minaj meet her husband: *Fleishman Is in Trouble* Taffy Brodesser-Akner, 2019-06-18 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD LONGLIST • "A masterpiece" (NPR) about marriage, divorce, and the bewildering dynamics of ambition Coming soon as an FX limited series on Hulu, starring Claire Danes, Jesse Eisenberg, Lizzy Caplan, and Adam Brody ONE OF THE TEN BEST BOOKS OF THE YEAR—Entertainment Weekly, The New York Public Library ONE OF THE BEST BOOKS OF THE YEAR—The New York Times Book Review, Time, The Washington Post, USA Today Vanity Fair, Vogue, NPR, Chicago Tribune, GQ, Vox, Refinery29, Elle, The Guardian, Real Simple, Financial Times, Parade, Good Housekeeping, New Statesman, Marie Claire, Town & Country, Evening Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. Alma's Best Jewish Novel of the Year • Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book

how did nicki minaj meet her husband: *No Happy Endings* Nora McInerny, 2019-03-26 The author of *It's Okay to Laugh* and host of the popular podcast *Terrible, Thanks for Asking*—interviews that are "a gift to be able to listen [to]" (New York Times)—returns with more hilarious meditations on her messy, wonderful, bittersweet, and unconventional life. Life has a million different ways to kick you right in the chops. We lose love, lose jobs, lose our sense of self. For Nora McInerny, it was

losing her husband, her father, and her unborn second child in one catastrophic year. But in the wake of loss, we get to assemble something new from whatever is left behind. Some circles call finding happiness after loss “Chapter 2”—the continuation of something else. Today, Nora is remarried and mothers four children aged 16 months to 16 years. While her new circumstances bring her extraordinary joy, they are also tinged with sadness over the loved ones she’s lost. Life has made Nora a reluctant expert in hard conversations. On her wildly popular podcast, she talks about painful experiences we inevitably face, and exposes the absurdity of the question “how are you?” that people often ask when we’re coping with the aftermath of emotional catastrophe. She knows intimately that when your life falls apart, there’s a mad rush to be okay—to find a silver lining, to get to the happy ending. In this, her second memoir, Nora offers a tragicomic exploration of the tension between finding happiness and holding space for the unhappy experiences that have shaped us. No Happy Endings is a book for people living life after life has fallen apart. It’s a book for people who know that they’re moving forward, not moving on. It’s a book for people who know life isn’t always happy, but it isn’t the end: there will be unimaginable joy and incomprehensible tragedy. As Nora reminds us, there will be no happy endings—but there will be new beginnings.

how did nicki minaj meet her husband: The Dictator's Learning Curve William J. Dobson, 2013-03-12 In this riveting anatomy of authoritarianism, acclaimed journalist William Dobson takes us inside the battle between dictators and those who would challenge their rule. Recent history has seen an incredible moment in the war between dictators and democracy—with waves of protests sweeping Syria and Yemen, and despots falling in Egypt, Tunisia, and Libya. But the Arab Spring is only the latest front in a global battle between freedom and repression, a battle that, until recently, dictators have been winning hands-down. The problem is that today’s authoritarians are not like the frozen-in-time, ready-to-crack regimes of Burma and North Korea. They are ever-morphing, technologically savvy, and internationally connected, and have replaced more brutal forms of intimidation with subtle coercion. The Dictator’s Learning Curve explains this historic moment and provides crucial insight into the fight for democracy.

how did nicki minaj meet her husband: Betsey Betsey Johnson, Mark Vitulano, 2020-04-07 A memoir by the internationally famous fashion designer and style icon Mention the name Betsey Johnson and almost every woman from the age of 15 to 75 can rapturously recall a favorite dress or outfit; whether worn for a prom, a wedding, or just to stand out from the crowd in a colorful way. They may also know her as a renegade single mom who palled around with Edie Sedgwick, Twiggy, and The Velvet Underground, or even as a celebrity contestant on Dancing with the Stars. Betsey is also famous for her iconic pink stores (she had 65 shops across the US) and for her habit of doing cartwheels and splits down the runway at the close of her fashion shows. Throughout her decades-long career, she's taken pride in producing fun but rule-breaking clothing at an accessible price point. What they might not know is that she built an empire from scratch, and brought stretch clothing to the masses in the 80s and 90s. Betsey will take the reader behind the tutu and delve deeply into what it took to go from a white picket fence childhood in Connecticut to becoming an internationally known force in a tough, competitive business. The book will feature Betsey's candid memories of the fashion and downtown scene in the 60s and how she started her own business from the ground up after designing successfully for multiple other companies. She will discuss that business's ups and downs and reinventions (including bankruptcy), and her thoughts on body image, love, divorce, men, motherhood, and her bout with breast cancer. Betsey will be richly illustrated with many of her landmark clothes, fashion sketches, and personal photos--making the book the perfect memento and gift for every girl (of any age) for whom Betsey is, as a recent New York Times profile noted, a role model still.

how did nicki minaj meet her husband: *Defenseless Hearts* Mika Jolie, 2020-02-05 In the game of love, winning is harder than it looks. River Baldwin is sexy as puck. Carved abs, strong muscles. His talent with his hockey stick elevates him to godlike status. He's also in trouble. The center for the Brooklyn Cobras has a PR crisis only I can solve. But he's arrogant, stubborn, and used to getting his way—all things that make my job harder. His attitude should drive me away, but instead, attraction sizzles between us. Somehow, while I try to salvage his image, I fail to defend my heart. Can I risk letting the cocky player who dominates the game into my heart? Or are the moves River is using on and off the ice going to leave me defenseless and alone? Note: *Defenseless Hearts* is a standalone sports romance that will give you all the feels. It's filled with scorching banter, sexy scenes, and several laugh-out-loud moments. No cheating. No cliffhangers. Guaranteed HEA.

how did nicki minaj meet her husband: *I Wish I Knew This Earlier: Lessons on Love* Toni Tone, 2021-10-14 ****A SUNDAY TIMES BESTSELLER**** We've all been on promising dates that left us feeling worse in the long run, suffered from breakups we might have mishandled, or stayed in relationships which should have worked but didn't. So what are we missing?

how did nicki minaj meet her husband: *Woman Evolve* Sarah Jakes Roberts, 2021-04-06 A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In *Woman Evolve*, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in *Woman Evolve*, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

how did nicki minaj meet her husband: *The Pisces* Melissa Broder, 2019-02-05 **LONGLISTED FOR THE CENTER FOR FICTION FIRST NOVEL PRIZE LONGLISTED FOR THE WOMEN'S PRIZE FOR FICTION** "Bold, virtuosic, addictive, erotic – there is nothing like *The Pisces*. I have no idea how Broder does it, but I loved every dark and sublime page of it." —Stephanie Danler, author of *Sweetbitter* Lucy has been writing her dissertation on Sappho for nine years when she and her boyfriend break up in a dramatic flameout. After she bottoms out in Phoenix, her sister in Los Angeles insists Lucy dog-sit for the summer. Annika's home is a gorgeous glass cube on Venice Beach, but Lucy can find little relief from her anxiety — not in the Greek chorus of women in her love addiction therapy group, not in her frequent Tinder excursions, not even in Dominic the foxhound's easy affection. Everything changes when Lucy becomes entranced by an eerily attractive swimmer while sitting alone on the beach rocks one night. But when Lucy learns the truth about his identity, their relationship, and Lucy's understanding of what love should look like, take a very

unexpected turn. A masterful blend of vivid realism and giddy fantasy, pairing hilarious frankness with pulse-racing eroticism, *THE PISCES* is a story about falling in obsessive love with a merman: a figure of Sirenic fantasy whose very existence pushes Lucy to question everything she thought she knew about love, lust, and meaning in the one life we have.
