

Jordan Peterson Conservative Manifesto

Jordan Peterson's Conservative Manifesto: Deconstructing the Ideology

Introduction:

Jordan Peterson, a name synonymous with controversial opinions and intellectual sparring, has become a prominent figure in contemporary discourse. While he resists strict political labels, his philosophy undeniably resonates with conservative viewpoints. This article delves into the core tenets that constitute a de facto "Jordan Peterson Conservative Manifesto," exploring his key ideas and their implications for society. We'll analyze his views on individual responsibility, traditional values, the dangers of postmodernism, and the importance of order and hierarchy, examining how these beliefs align with conservative ideologies and contribute to the broader political landscape. Prepare for a deep dive into the thought-provoking world of Jordan Peterson and his impact on modern conservatism.

I. The Centrality of Individual Responsibility:

Peterson consistently emphasizes the paramount importance of individual responsibility. He argues that individuals must take ownership of their lives, actively striving for self-improvement and contributing meaningfully to society. This aligns strongly with conservative principles that prioritize personal accountability and self-reliance, rejecting victimhood narratives and promoting a meritocratic system. His focus on personal responsibility isn't merely a moral imperative; he sees it as a crucial foundation for a stable and prosperous society. He believes that without a strong sense of personal responsibility, societal structures inevitably crumble under the weight of entitlement and dependency.

II. The Importance of Traditional Values and Institutions:

Peterson expresses a profound respect for established institutions and traditional values, viewing them as essential for social order and cohesion. He emphasizes the significance of the nuclear family, religious faith (while acknowledging its potential for abuse), and adherence to established moral codes. This perspective aligns with a socially conservative stance, advocating for the preservation of established societal norms and structures that he believes provide stability and meaning. However, his approach isn't simply nostalgic; he acknowledges the need for adaptation and reform, but within a framework of respect for established traditions.

III. The Critique of Postmodernism and Identity Politics:

Peterson is a staunch critic of postmodern thought and its influence on contemporary identity politics. He argues that postmodernism's emphasis on subjective truth and the deconstruction of objective reality undermines the foundations of a stable society. He contends that identity politics, in its extreme forms, can lead to division and resentment, fostering an environment of conflict rather than cooperation. His critique isn't a rejection of diversity or understanding different perspectives; rather, it's a warning against the dangers of relativism and the potential for societal fragmentation.

arising from an overly fragmented sense of identity. He advocates for a more unifying narrative based on shared values and goals.

IV. The Necessity of Hierarchy and Order:

Peterson advocates for the acceptance of natural hierarchies, arguing that they are inherent in all living systems, including human societies. He believes that rejecting hierarchy leads to chaos and instability. This stance is often interpreted as conservative, though he clarifies that his concept of hierarchy isn't about rigid social stratification or oppressive power structures. Rather, he sees hierarchy as a natural outcome of competence and responsibility, where individuals rise based on merit and contribution. This differs from traditional conservative hierarchies based on inherited privilege or arbitrary status.

V. The Pursuit of Meaning and Purpose:

Beyond the political, Peterson's philosophy emphasizes the importance of finding meaning and purpose in life. He advocates for the pursuit of self-improvement, confronting one's shadow self, and engaging in meaningful work. This resonates with conservative values that emphasize hard work, self-discipline, and a commitment to contributing to something larger than oneself. The pursuit of meaning, for Peterson, isn't solely an individual endeavor; it's a vital ingredient for a flourishing society, fostering a sense of community and shared purpose.

A Hypothetical "Jordan Peterson Conservative Manifesto": An Outline

Title: The Responsible Self: A Blueprint for Individual and Societal Flourishing

Introduction: Establishing the framework for a society based on individual responsibility, the importance of traditional values, and the dangers of unchecked relativism.

Main Chapters:

Chapter 1: The Ethics of Responsibility: Detailed exploration of individual responsibility, focusing on self-authoring, confronting one's shadow, and contributing meaningfully to society.

Chapter 2: The Value of Tradition and Institutions: Analysis of the importance of stable institutions, the nuclear family, and the role of faith in providing societal cohesion.

Chapter 3: The Critique of Postmodernism and Identity Politics: A thorough examination of the pitfalls of postmodern relativism and the dangers of divisive identity politics.

Chapter 4: Hierarchy, Order, and Competence: Discussion of the natural emergence of hierarchies and the importance of competence-based advancement, emphasizing the rejection of arbitrary power structures.

Chapter 5: The Pursuit of Meaning and Purpose: An exploration of the importance of finding meaning and purpose in life, encompassing work, relationships, and spiritual growth.

Conclusion: Synthesizing the key arguments, offering a vision for a society that prioritizes individual responsibility, shared values, and a balance between order and freedom.

Detailed Explanation of Outline Points:

Each chapter of the hypothetical manifesto would delve into the corresponding point outlined above, providing detailed arguments, historical examples, and potential counterarguments. For instance, Chapter 1 would explore Peterson's "self-authoring" concept, providing practical steps and exercises for readers to implement in their lives. Chapter 2 would delve into the nuances of tradition, acknowledging its potential for both good and ill, advocating for a critical engagement with tradition rather than blind adherence. Chapter 3 would critically examine postmodern thought, differentiating between its valid criticisms of power structures and its potential for destructive relativism. Chapter 4 would discuss various models of hierarchy, showing how meritocratic systems differ from those based on inherited privilege. Finally, Chapter 5 would delve into various avenues for finding purpose, integrating psychological and spiritual perspectives.

FAQs:

1. Is Jordan Peterson truly a conservative? While Peterson avoids strict political labels, many of his views align with conservative ideologies, particularly regarding individual responsibility, traditional values, and the dangers of unchecked relativism.
2. How does Peterson's view on hierarchy differ from traditional conservative views? Peterson emphasizes competence-based hierarchies, rejecting those based on inherited privilege or arbitrary power.
3. What is Peterson's critique of postmodernism? He argues that postmodern relativism undermines the foundation for a stable and meaningful society.
4. What role does religion play in Peterson's philosophy? He acknowledges the potential for both good and ill in religion, emphasizing its capacity for providing meaning and moral guidance.
5. How does Peterson's concept of "self-authoring" work? It involves a structured process of self-reflection, designed to help individuals take ownership of their lives and create a meaningful future.
6. What is Peterson's view on the nuclear family? He considers the nuclear family a vital societal building block, though he acknowledges the diversity of modern family structures.
7. How does Peterson address the criticism that his views are anti-feminist? He rejects this accusation, arguing that his emphasis on individual responsibility applies equally to all genders.
8. What are the practical implications of Peterson's philosophy? It encourages individuals to take responsibility for their lives, pursue self-improvement, and contribute positively to society.
9. How does Peterson's philosophy differ from libertarianism? While sharing some common ground on individual responsibility, Peterson emphasizes the importance of social order and traditional values more than many libertarians.

jordan peterson conservative manifesto: *12 Rules for Life* Jordan B. Peterson, 2018-01-23 #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility, distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplaces of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

jordan peterson conservative manifesto: *The Conservatarian Manifesto* Charles C. W. Cooke, 2016-02 A call to arms for the growing movement of Conservatarians--members of the right who are fiscally conservative but socially liberal--and a fascinating look at conservatism's past and future. There is an underserved movement budding among conservatives, in which fiscal responsibility, constitutional obedience, and controlled government spending remain crucial tenets, but issues like gay marriage and drug control are approached with a libertarian bent. In *The Conservatarian Manifesto*, Charles C.W. Cooke engages with the data and the philosophy behind this movement, applauding conservatarianism as a force that can help Republicans mend the many ills that have plagued their party in recent years. Conservatarians are vexed by Republicans' failure to cut the size and scope of Washington D.C., but they are critical of some libertarians for their unacceptable positions on abortion, national defense, and immigration. They applaud conservatives' efforts to protect Second Amendment rights--efforts that have recently been wildly successful--but they see the War on Drugs as an unmitigated disaster that goes against everything conservatives ought to value. All movements run the risk of stagnation, and of losing touch with the principles and values that made them successful in the first place. In this book, Charles Cooke shows the way back to a better and more honest conservatism that champions limited government, reality-based policy, and favor for the smallest minority of all: the individual.

jordan peterson conservative manifesto: *Against the Web* Michael Brooks, 2020-04-24 A brilliant critique of the Right with very sharp insight on some of the shortcomings of the Left, this book is a must-read for anyone looking to understand how dishonest actors spread their propaganda.

Ana Kasparian, Host and Executive Producer of The Young Turks Michael Brooks takes on the new Intellectual Dark Web. As the host of The Michael Brooks Show and co-host of the Majority Report, Brooks was a progressive fighter whose work brought people together from around the world. In this, his first book, he lets his understanding of the digital media environment direct his analysis of the conservative rebels who had taken YouTube by storm in 2018. Brooks provides a theoretically rigorous but accessible critique of the most prominent renegades including Sam Harris, Jordan Peterson, and Brett Weinstein while also examining the social, political and media environment that such rebels thrive in.

jordan peterson conservative manifesto: Myth and Mayhem Ben Burgis, Conrad Bongard Hamilton, Matthew McManus, Marion Trejo, 2020-04-24 Jordan Peterson rocketed to fame in the 2010s and has preached on everything from the evils of postmodern neo-Marxism to the mating habits of lobsters ever since then. The Left has since leveled many criticisms about the Canadian psychologist, characterizing him as everything from an apologist for the alt-right to simply not being interesting or profound. *Myth and Mayhem: A Leftist Critique of Jordan Peterson* is intended as a comprehensive critical look at all aspects of his thought, from the philosophical depths to the mundane heights. Written by four authors who each look at a different element of his thought, it shows why taking Peterson seriously doesn't mean embracing him. Includes an introduction by Slavoj Žižek

jordan peterson conservative manifesto: The Chapo Guide to Revolution Chapo Trap House, Felix Biederman, Matt Christman, Brendan James, Will Menaker, Virgil Texas, 2019-10-15 Instant New York Times bestseller “Howard Zinn on acid or some bullsh*t like that.” —Tim Heidecker The creators of the cult-hit podcast Chapo Trap House deliver a manifesto for everyone who feels orphaned and alienated—politically, culturally, and economically—by the lanyard-wearing Wall Street centrism of the left and the lizard-brained atavism of the right: there is a better way, the Chapo Way. In a guide that reads like “a weirder, smarter, and deliciously meaner version of The Daily Show’s 2004 America (The Book)” (Paste), Chapo Trap House shows you that you don’t have to side with either sinking ships. These self-described “assholes from the internet” offer a fully ironic ideology for all who feel politically hopeless and prefer broadsides and tirades to reasoned debate. Learn the “secret” history of the world, politics, media, and everything in-between that THEY don’t want you to know and chart a course from our wretched present to a utopian future where one can post in the morning, game in the afternoon, and podcast after dinner without ever becoming a poster, gamer, or podcaster. A book that’s “as intellectually serious and analytically original as it is irreverent and funny” (Glenn Greenwald, New York Times bestselling author of *No Place to Hide*) The Chapo Guide to Revolution features illustrated taxonomies of contemporary liberal and conservative characters, biographies of important thought leaders, “never before seen” drafts of Aaron Sorkin’s Newsroom manga, and the ten new laws that govern Chapo Year Zero (everyone gets a dog, billionaires are turned into Soylent, and logic is outlawed). If you’re a fan of sacred cows, prisoners being taken, and holds being barred, then this book is NOT for you. However, if you feel disenfranchised from the political and cultural nightmare we’re in, then Chapo, let’s go...

jordan peterson conservative manifesto: Myth, Meaning, and Antifragile Individualism Marc Champagne, 2020-02-11 Jordan Peterson has attracted a high level of attention. Controversies may bring people into contact with Peterson's work, but ideas are arguably what keep them there. Focusing on those ideas, this book explores Peterson's answers to perennial questions. What is common to all humans, regardless of their background? Is complete knowledge ever possible? What would constitute a meaningful life? Why have humans evolved the capacity for intelligence? Should one treat others as individuals or as members of a group? Is a single person powerless in the face of evil? What is the relation between speech, thought, and action? Why have religious myths and narratives figured so prominently in human history? Are the hierarchies we find in society good or bad? After devoting a chapter to each of these questions, Champagne unites the different strands of Peterson's thinking in a handy summary. Champagne then spends the remaining third of the book articulating his main critical concerns. He argues that while building on tradition is inevitable and

indeed desirable, Peterson's individualist project is hindered by the non-revisable character and self-sacrificial content of religious belief. This engaging multidisciplinary study is ideal for those who know little about Peterson's views, or for those who are familiar but want to see more clearly how Peterson's views hang together. The debates spearheaded by Peterson are in full swing, so Myth, Meaning, and Antifragile Individualism should become a reference point for any serious engagement with Peterson's ideas.

jordan peterson conservative manifesto: *Reading Marx* Slavoj Žižek, Frank Ruda, Agon Hamza, 2018-05-29 Marx's critique of political economy is vital for understanding the crisis of contemporary capitalism. Yet the nature of its relevance and some of its key tenets remain poorly understood. This bold intervention brings together the work of leading Marx scholars Slavoj Žižek, Frank Ruda and Agon Hamza, to offer a fresh, radical reinterpretation of Marxism that explains the failures of neoliberalism and lays the foundations for a new emancipatory politics. Avoiding trite comparisons between Marx's worldview and our current political scene, the authors show that the current relevance and value of Marx's thought can better be explained by placing his key ideas in dialogue with those that have attempted to replace them. Reading Marx through Hegel and Lacan, particle physics, and modern political trends, the authors provide new ways to explain the crisis in contemporary capitalism and resist fundamentalism in all its forms. Reading Marx will find a wide audience amongst activists and scholars.

jordan peterson conservative manifesto: *Maps of Meaning* Jordan B. Peterson, 2002-09-11 Why have people from different cultures and eras formulated myths and stories with similar structures? What does this similarity tell us about the mind, morality, and structure of the world itself? From the author of 12 Rules for Life: An Antidote to Chaos comes a provocative hypothesis that explores the connection between what modern neuropsychology tells us about the brain and what rituals, myths, and religious stories have long narrated. A cutting-edge work that brings together neuropsychology, cognitive science, and Freudian and Jungian approaches to mythology and narrative, Maps of Meaning presents a rich theory that makes the wisdom and meaning of myth accessible to the critical modern mind.

jordan peterson conservative manifesto: *Against Football* Steve Almond, 2014-08-26 A New York Times Best Seller "Powerful...an important read. —Publishers Weekly New York Times bestselling author Steve Almond takes on America's biggest sacred cow: football In *Against Football*, Steve Almond details why, after forty years as a fan, he can no longer watch the game he still loves. Using a synthesis of memoir, reportage, and cultural critique, Almond asks a series of provocative questions: • Does our addiction to football foster a tolerance for violence, greed, racism, and homophobia? • What does it mean that our society has transmuted the intuitive physical joys of childhood—run, leap, throw, tackle—into a billion-dollar industry? • How did a sport that causes brain damage become such an important emblem for our institutions of higher learning? There has never been a book that exposes the dark underside of America's favorite game with such searing candor.

jordan peterson conservative manifesto: *The Politics Industry* Katherine M. Gehl, Michael E. Porter, 2020-06-23 Leading political innovation activist Katherine Gehl and world-renowned business strategist Michael Porter bring fresh perspective, deep scholarship, and a real and actionable solution, Final Five Voting, to the grand challenge of our broken political and democratic system. Final Five Voting has already been adopted in Alaska and is being advanced in states across the country. The truth is, the American political system is working exactly how it is designed to work, and it isn't designed or optimized today to work for us—for ordinary citizens. Most people believe that our political system is a public institution with high-minded principles and impartial rules derived from the Constitution. In reality, it has become a private industry dominated by a textbook duopoly—the Democrats and the Republicans—and plagued and perverted by unhealthy competition between the players. Tragically, it has therefore become incapable of delivering solutions to America's key economic and social challenges. In fact, there's virtually no connection between our political leaders solving problems and getting reelected. In *The Politics Industry*,

business leader and path-breaking political innovator Katherine Gehl and world-renowned business strategist Michael Porter take a radical new approach. They ingeniously apply the tools of business analysis—and Porter's distinctive Five Forces framework—to show how the political system functions just as every other competitive industry does, and how the duopoly has led to the devastating outcomes we see today. Using this competition lens, Gehl and Porter identify the most powerful lever for change—a strategy comprised of a clear set of choices in two key areas: how our elections work and how we make our laws. Their bracing assessment and practical recommendations cut through the endless debate about various proposed fixes, such as term limits and campaign finance reform. The result: true political innovation. *The Politics Industry* is an original and completely nonpartisan guide that will open your eyes to the true dynamics and profound challenges of the American political system and provide real solutions for reshaping the system for the benefit of all. THE INSTITUTE FOR POLITICAL INNOVATION The authors will donate all royalties from the sale of this book to the Institute for Political Innovation.

jordan peterson conservative manifesto: The Myth of Normal Gabor Maté, MD, 2022-09-13 #1 NATIONAL BESTSELLER NEW YORK TIMES BESTSELLER “This riveting and beautifully written tale has profound implications for all of our lives, including the practice of medicine and mental health.” —Bessel van der Kolk, MD, #1 New York Times bestselling author of *The Body Keeps the Score* “Wise, sophisticated, rigorous and creative: an intellectual and compassionate investigation of who we are and who we may become. Essential reading for anyone with a past and a future.” —Tara Westover, New York Times bestselling author of *Educated* “The Myth of Normal is a book literally everyone will be enriched by—a wise, profound and healing work that is the culmination of Dr. Maté's many years of deep and painfully accumulated wisdom.” —Johann Hari, New York Times bestselling author of *Stolen Focus* “Gabor and Daniel Maté have delivered a book in which readers can seek refuge and solace during moments of profound personal and social crisis. The Myth of Normal is an essential compass during disorienting times.” —Esther Perel, psychotherapist, author, and host of *Where Should We Begin* From our most trusted and compassionate authority on stress, trauma, and mental well-being—a groundbreaking investigation into the causes of illness, a bracing critique of how our society breeds disease, and a pathway to health and healing. Gabor Maté's internationally bestselling books have changed the way we look at addiction and have been integral in shifting the conversations around ADHD, stress, disease, embodied trauma, and parenting. Now, in this revolutionary book, he eloquently dissects how in Western countries that pride themselves on their health care systems, chronic illness and general ill health are on the rise. So what is really “normal” when it comes to health? For all our expertise and technological sophistication, Western medicine often fails to treat the whole person, ignoring how today's culture stresses the body, burdens the immune system, and undermines emotional balance. In *The Myth of Normal*, co-written with his son Daniel, Maté brings his perspective to the great untangling of common myths about what makes us sick, connects the dots between the maladies of individuals and the declining soundness of society, and offers a compassionate guide for health and healing. The result is Maté's most ambitious and urgent book yet.

jordan peterson conservative manifesto: Why I Am Not a Feminist Jessa Crispin, 2017-02-21 Outspoken critic Jessa Crispin delivers a searing rejection of contemporary feminism . . . and a bracing manifesto for revolution. Are you a feminist? Do you believe women are human beings and that they deserve to be treated as such? That women deserve all the same rights and liberties bestowed upon men? If so, then you are a feminist . . . or so the feminists keep insisting. But somewhere along the way, the movement for female liberation sacrificed meaning for acceptance, and left us with a banal, polite, ineffectual pose that barely challenges the status quo. In this bracing, fiercely intelligent manifesto, Jessa Crispin demands more. *Why I Am Not A Feminist* is a radical, fearless call for revolution. It accuses the feminist movement of obliviousness, irrelevance, and cowardice—and demands nothing less than the total dismantling of a system of oppression. Praise for Jessa Crispin, and *The Dead Ladies Project* I'd follow Jessa Crispin to the ends of the earth. --Kathryn Davis, author of *Duplex* Read with caution . . . Crispin is funny, sexy, self-lacerating,

and politically attuned, with unique slants on literary criticism, travel writing, and female journeys. No one crosses genres, borders, and proprieties with more panache. --Laura Kipnis, author of *Men: Notes from an Ongoing Investigation* Very, very funny. . . . The whole book is packed with delightfully offbeat prose . . . as raw as it is sophisticated, as quirky as it is intense. --The Chicago Tribune

jordan peterson conservative manifesto: The Problem with Everything Meghan Daum, 2019-10-22 "[A]ffectingly personal, aching earnest, and something close to necessary." —Vogue "Personal, convincing, unflinching." —Tablet From an author who's been called "one of the most emotionally exacting, mercilessly candid, deeply funny, and intellectually rigorous writers of our time" (Cheryl Strayed, #1 New York Times bestselling author) comes a seminal book that reaches surprising truths about feminism, the Trump era, and the Resistance movement. You won't be able to stop thinking and talking about it. In this gripping work, Meghan Daum examines our country's most intractable problems with clear-eyed honesty instead of exaggerated outrage. With passion, humor, and personal reflection, she tries to make sense of the current landscape—from Donald Trump's presidency to the #MeToo movement and beyond. In the process, she wades into the waters of identity politics and intersectionality, thinks deeply about campus politics and notions of personal resilience, and tests a theory about the divide between Gen Xers and millennials. This signature work may well be the first book to capture the essence of this era in all its nuances and contradictions. No matter where you stand on its issues, this book will strike a chord.

jordan peterson conservative manifesto: Crimes Committed by Terrorist Groups Mark S. Hamm, 2011 This is a print on demand edition of a hard to find publication. Examines terrorists' involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that the prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

jordan peterson conservative manifesto: Blackout Candace Owens, 2020-09-15 NEW YORK TIMES BESTSELLER It's time for a black exit. Political activist and social media star Candace Owens addresses the many ways that Democrat Party policies hurt, rather than help, the African American community, and why she and many others are turning right. Black Americans have long been shackled to the Democrats. Seeing no viable alternative, they have watched liberal politicians take the black vote for granted without pledging anything in return. In *Blackout*, Owens argues that this automatic allegiance is both illogical and unearned. She contends that the Democrat Party has a long history of racism and exposes the ideals that hinder the black community's ability to rise above poverty, live independent and successful lives, and be an active part of the American Dream. Instead, Owens offers up a different ideology by issuing a challenge: It's time for a major black exodus. From dependency, from victimhood, from miseducation—and the Democrat Party, which perpetuates all three. Owens explains that government assistance is a double-edged sword, that the Left dismisses the faith so important to the black community, that Democrat permissiveness toward abortion disproportionately affects black babies, that the #MeToo movement hurts black men, and much more. Weaving in her personal story, which ushered her from a roach-infested low-income apartment to 1600 Pennsylvania Avenue, she demonstrates how she overcame her setbacks and challenges despite the cultural expectation that she should embrace a victim mentality. Well-researched and intelligently argued, *Blackout* lays bare the myth that all black people should vote Democrat—and shows why turning to the right will leave them happier, more successful, and more self-sufficient.

jordan peterson conservative manifesto: The Free Speech Wars Charlotte Lydia Riley, 2021-01-12 Assembling a diverse group of commentators, activists and academics, this book answers

the following questions: who gets to exercise free speech and who does not? What happens when powerful voices think they have been silenced? Why do some issues become sites of free speech battles and what are the consequences of this? How do the spaces and structures of 'speech' - mass media, the internet, the lecture theatre, the public event, the political rally - shape this debate? Ultimately, the book argues that free speech is invoked by actors right across the political spectrum, but that in reality very few of the debates have a clear or coherent idea of what is meant by the concept of 'free speech'.

jordan peterson conservative manifesto: Political Correctness Michael Eric Dyson, Michelle Goldberg, Jordan Peterson, Stephen Fry, 2019-04-02 You're telling me I'm being sensitive, and students looking for safe spaces that they're being hypersensitive. If you're white, this country is one giant safe space. -- Michael Eric Dyson Is political correctness an enemy of free speech, open debate, and the free exchange of ideas? Or, by confronting head-on the dominant power relationships and social norms that exclude marginalized groups are we creating a more equitable and just society? For some the argument is clear. Political correctness is stifling the free and open debate that fuels our democracy. It is also needlessly dividing one group from another and promoting social conflict. Others insist that creating public spaces and norms that give voice to previously marginalized groups broadens the scope of free speech. The drive towards inclusion over exclusion is essential to creating healthy, diverse societies in an era of rapid social change. The twenty-second semi-annual Munk Debate, held on May 18, 2018, pits acclaimed journalist, professor, and ordained minister Michael Eric Dyson and New York Times columnist Michelle Goldberg against renowned actor and writer Stephen Fry and University of Toronto professor and author Jordan Peterson to debate the implications of political correctness and freedom of speech.

jordan peterson conservative manifesto: The Oxford Handbook of Karl Marx Matt Vidal, Tony Smith, Tomás Rotta, Paul Prew, 2019-03-26 Karl Marx is one of the most influential writers in history. Despite repeated obituaries proclaiming the death of Marxism, in the 21st century Marx's ideas and theories continue to guide vibrant research traditions in sociology, economics, political science, philosophy, history, anthropology, management, economic geography, ecology, literary criticism, and media studies. Due to the exceptionally wide influence and reach of Marxist theory, including over 150 years of historical debates and traditions within Marxism, finding a point of entry can be daunting. The Oxford Handbook of Karl Marx provides an entry point for those new to Marxism. At the same time, its chapters, written by leading Marxist scholars, advance Marxist theory and research. Its coverage is more comprehensive than previous volumes on Marx in terms of both foundational concepts and state-of-the-art empirical research on contemporary social problems. It also provides equal space to sociologists, economists, and political scientists, with substantial contributions from philosophers, historians, and geographers. The Oxford Handbook of Karl Marx consists of six sections. The first section, Foundations, includes chapters that cover the foundational concepts and theories that constitute the core of Marx's theories of history, society, and political economy. This section demonstrates that the core elements of Marx's political economy of capitalism continue to be defended, elaborated, and applied to empirical social science and covers historical materialism, class, capital, labor, value, crisis, ideology, and alienation. Additional sections include Labor, Class, and Social Divisions; Capitalist States and Spaces; Accumulation, Crisis, and Class Struggle in the Core Countries; Accumulation, Crisis, and Class Struggle in the Peripheral and Semi-Peripheral Countries; and Alternatives to Capitalism.

jordan peterson conservative manifesto: A World Split Apart Александр Исаевич Солженицын, 1978

jordan peterson conservative manifesto: The Green Web Martin Holdgate, 2014-04-08 This text is a history of the world's oldest global conservation body - the World Conservation Union, established in 1948 as a forum for governments, non-governmental organizations and individual conservationists. The author draws on unpublished archives to reveal the often turbulent story of the IUCN and its achievements in, and influence on, conservation and environmental policy worldwide - establishing national parks and protected areas and defending threatened species.

jordan peterson conservative manifesto: Ideas Have Consequences Richard M. Weaver, 2013-11-04 A foundational text of the modern conservative movement, this 1948 philosophical treatise argues the decline of Western civilization and offers a remedy. Originally published in 1948, at the height of post-World War II optimism and confidence in collective security, *Ideas Have Consequences* uses “words hard as cannonballs” to present an unsparing diagnosis of the ills of the modern age. Widely read and debated at the time of its first publication, the book is now seen as one of the foundational texts of the modern conservative movement. In its pages, Richard M. Weaver argues that the decline of Western civilization resulted from the rising acceptance of relativism over absolute reality. In spite of increased knowledge, this retreat from the realist intellectual tradition has weakened the Western capacity to reason, with catastrophic consequences for social order and individual rights. But Weaver also offers a realistic remedy. These difficulties are the product not of necessity, but of intelligent choice. And, today, as decades ago, the remedy lies in the renewed acceptance of absolute reality and the recognition that ideas—like actions—have consequences. This expanded edition of the classic work contains a foreword by New Criterion editor Roger Kimball that offers insight into the rich intellectual and historical contexts of Weaver and his work and an afterword by Ted J. Smith III that relates the remarkable story of the book’s writing and publication. Praise for *Ideas Have Consequences* “A profound diagnosis of the sickness of our culture.” —Reinhold Niebuhr “Brilliantly written, daring, and radical. . . . It will shock, and philosophical shock is the beginning of wisdom.” —Paul Tillich “This deeply prophetic book not only launched the renaissance of philosophical conservatism in this country, but in the process gave us an armory of insights into the diseases besetting the national community that is as timely today as when it first appeared. [This] is one of the few authentic classics in the American political tradition.” —Robert Nisbet

jordan peterson conservative manifesto: No Is Not Enough Naomi Klein, 2017-06-13 Trump is extreme but he's not a Martian. He is the logical conclusion of many of the most dangerous trends of the past half-century. He is the personification of the merger of humans and corporations--a one-man megabrand, with wife and children as spin-off brands. This book is to help understand how we arrived at this surreal political moment, how to keep it from getting a lot worse, and how, if we keep our heads, we can flip the script and seize the opportunity to make things a whole lot better in a time of urgent need. A tool-kit for shock-resistance. --from the Introduction The election of Donald Trump produced a frightening escalation in a world of cascading crises. The Trump Administration's vision--the deconstruction of the welfare and regulatory state, the unleashing of a fossil fuel frenzy (which requires the sweeping aside of climate science) and an all-out attack on vulnerable communities under the guise of a war on crime and terrorism--will generate wave after wave of crises and shocks around the world, to the economy, to national security, to the environment. In *No Is Not Enough*, Naomi Klein embraces a lively conversation with the reader to expose the forces behind Trump's success and explain why he is not an aberration but the product of our time--Reality TV branding, celebrity obsession and CEO-worship, Vegas and Guantanamo, fake news and vulture bankers all rolled into one. And she shares a bold vision, a clear-eyed perspective on how to break the spell of his shock tactics, counter the rising chaos and divisiveness at home and abroad, and win the world we need.

jordan peterson conservative manifesto: American Marxism Mark R. Levin, 2021-07-13 Fox News personality and radio talk show host Levin explains how the dangers he warned against have come to pass--

jordan peterson conservative manifesto: The Rise of Post-Modern Conservatism Matthew McManus, 2019-08-29 This book is designed as a timely analysis of the rise of post-modern conservatism in many Western countries across the globe. It provides a theoretical overview of post-modernism, why post-modern conservatism emerged, what distinguishes it from other variants of conservatism and differing political doctrines, and how post-modern conservatism governs in practice. First developing a unique genealogy of conservative thought, arguing that the historicist and irrationalist strains of conservatism were ripe for mutation into post-modern form under the

right social and cultural conditions, then providing a new unique theoretical framework to describe the conditions for the emergence of post-modern conservatism, *The Rise of Post-modern Conservatism* applies its theoretical framework to a concrete analysis of the politics of the day. Ultimately, it aims to help us understand the emergence and rise of identity oriented alt right movements and their “populist” spokesmen particularly in the United States, the United Kingdom, Hungary, Poland, and now Italy.

jordan peterson conservative manifesto: *The Courage of Hopelessness* Slavoj Žižek, 2017-05-11 In these troubled times, even the most pessimistic diagnosis of our future ends with an uplifting hint that things might not be as bad as all that, that there is light at the end of the tunnel. Yet, argues Slavoj Žižek, it is only when we have admitted to ourselves that our situation is completely hopeless - that the light at the end of the tunnel is in fact the headlight of a train approaching us from the opposite direction - that fundamental change can be brought about. Surveying the various challenges in the world today, from mass migration and geopolitical tensions to terrorism, the explosion of rightist populism and the emergence of new radical politics - all of which, in their own way, express the impasses of global capitalism - Žižek explores whether there still remains the possibility for genuine change. Today, he proposes, the only true question is, or should be, this: do we endorse the predominant acceptance of capitalism as a fact of human nature, or does today's capitalism contain strong enough antagonisms to prevent its infinite reproduction? Can we, he asks, move beyond the failure of socialism, and beyond the current wave of populist rage, and initiate radical change before the train hits?

jordan peterson conservative manifesto: *Shall the Religious Inherit the Earth?* Eric Kaufmann, 2010-12-09 Dawkins and Hitchens have convinced many western intellectuals that secularism is the way forward. But most people don't read their books before deciding whether to be religious. Instead, they inherit their faith from their parents, who often inoculate them against the elegant arguments of secularists. And what no one has noticed is that far from declining, the religious are expanding their share of the population: in fact, the more religious people are, the more children they have. The cumulative effect of immigration from religious countries, and religious fertility will be to reverse the secularisation process in the West. Not only will the religious eventually triumph over the non-religious, but it is those who are the most extreme in their beliefs who have the largest families. Within Judaism, the Ultra-Orthodox may achieve majority status over their liberal counterparts by mid-century. Islamist Muslims have won the culture war in much of the Muslim world, and their success provides a glimpse of what awaits the Christian West and Israel. Based on a wealth of demographic research, considering questions of multiculturalism and terrorism, Kaufmann examines the implications of the decline in liberal secularism as religious conservatism rises - and what this means for the future of western modernity.

jordan peterson conservative manifesto: *The Cult of Smart* Fredrik deBoer, 2020-08-04 Named one of Vulture's Top 10 Best Books of 2020! Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top-to-bottom reform. Everyone agrees that education is the key to creating a more just and equal world, and that our schools are broken and failing. Proposed reforms variously target incompetent teachers, corrupt union practices, or outdated curricula, but no one acknowledges a scientifically-proven fact that we all understand intuitively: Academic potential varies between individuals, and cannot be dramatically improved. In *The Cult of Smart*, educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society, which has created and perpetuated an unjust class structure based on intellectual ability. Since cognitive talent varies from person to person, our education system can never create equal opportunity for all. Instead, it teaches our children that hierarchy and competition are natural, and that human value should be based on intelligence. These ideas are counter to everything that the left believes, but until they acknowledge the existence of individual cognitive differences, progressives remain complicit in keeping the status quo in place. This passionate, voice-driven manifesto demands that we embrace a new goal for education: equality of outcomes. We must create a world that has a place for everyone, not just the academically talented.

But we'll never achieve this dream until the Cult of Smart is destroyed.

jordan peterson conservative manifesto: *Women, Language and Politics* Sylvia Shaw, 2020-05-28 Investigates the underrepresentation of women in politics, by examining how language use constructs and maintains gender inequalities in political institutions.

jordan peterson conservative manifesto: *Conservatism* Edmund Fawcett, 2022-04-05 Conservatism focuses on an exemplary core of France, Britain, Germany and the United States. It describes the parties, politicians and thinkers of the right, bringing out strengths and weaknesses in conservative thought--Provided by publisher.

jordan peterson conservative manifesto: *The History Manifesto* Jo Guldi, David Armitage, 2014-10-02 How should historians speak truth to power - and why does it matter? Why is five hundred years better than five months or five years as a planning horizon? And why is history - especially long-term history - so essential to understanding the multiple pasts which gave rise to our conflicted present? The History Manifesto is a call to arms to historians and everyone interested in the role of history in contemporary society. Leading historians Jo Guldi and David Armitage identify a recent shift back to longer-term narratives, following many decades of increasing specialisation, which they argue is vital for the future of historical scholarship and how it is communicated. This provocative and thoughtful book makes an important intervention in the debate about the role of history and the humanities in a digital age. It will provoke discussion among policymakers, activists and entrepreneurs as well as ordinary listeners, viewers, readers, students and teachers. This title is also available as Open Access.

jordan peterson conservative manifesto: *Give Them an Argument* Ben Burgis, 2019-05-31 'Ben Burgis understands that in order to persuade people to join a political movement, you have to master the techniques of rigorous argumentation. He masterfully exposes the cheap sophistry of right-wing 'philosophy' and shows why there's still a place for logic and reason in political discourse. This is a crucial handbook for those who want to 'crush' and 'destroy' the Ben Shapiros of the world.' Nathan Robinson, Editor, Current Affairs Many serious leftists have learned to distrust talk of logic and logical fallacies, associated with right-wing logicbros. This is a serious mistake. Unlike the neoliberal technocrats, who can point to social problems and tell people trust us, the serious Left must learn how to argue and persuade. In *Give Them an Argument*, Ben Burgis arms his reader with the essential knowledge of formal logic and informal fallacies.

jordan peterson conservative manifesto: *Fight Like A Girl* Clementine Ford, 2018-08-02 'This rallying cry will persuade you to battle for true equality' Stylist An incendiary debut taking the world by storm, *Fight Like A Girl* is an essential manifesto for feminists new, old and soon-to-be. Online sensation and fearless feminist heroine, Clementine Ford is a beacon of hope and inspiration to thousands of women and girls. In the wake of Harvey Weinstein and the #MeToo campaign, Ford uses a mixture of memoir, opinion and investigative journalism to expose just how unequal the world continues to be for women. Personal, inspiring and courageous, *Fight Like A Girl* is an essential manifesto for feminists new, old and soon-to-be. The book is a call-to-arms for women to rediscover the fury that has been suppressed by a society that, despite best efforts, still considers feminism to be a threat. Urgently needed, *Fight Like a Girl* is a passionate, rallying cry that will awaken readers to the fact they are not alone and there's a brighter future where men and women can flourish equally - and that's something worth fighting for.

jordan peterson conservative manifesto: *The Rise and Fall of the American Left* John Patrick Diggins, 1992 Looks at the history of the American Left, including its four distinct movements, and describes its leaders and goals

jordan peterson conservative manifesto: *Bronze Age Mindset* Bronze Pervert, 2018-06-06 The Atlantic named this author as possibly Steve Bannon's contact in the White House (Rosie Gray, The Atlantic Feb 10 2017: 'Think you should speak directly to my WH cutout / cell leader,' Yarvin said in an email. 'I've never met him and don't know his identity, we just DM on Twitter. He's said to be 'very close' to Bannon...Goal is to intimidate Congress with pure masculine show of youth, energy. Trump is said to know, will coordinate with powerful EOs...'); and a recent Vox article (Tara Isabella

Burton, Vox June 1 2018) claimed that he is the text to Jordan Peterson's subtext, and a distilled form of Peterson. Distilled means purer: yes, so why not read and understand the purer version? T. I. Burton also adds in this article that this author BAP is a kind of priest-king to thousands on Twitter and outside and is possibly leading a spiritual reawakening. Some say that this book, found in a safebox in the port area of Kowloon, was dictated, because Bronze Age Pervert refuses to learn what he calls the low and plebeian art of writing. It isn't known how this book was transcribed. The contents are pure dynamite. He explains that you live in ant farm. That you are observed by the lords of lies, ritually probed. Ancient man had something you have lost: confidence in his instincts and strength, knowledge in his blood. BAP shows how the Bronze Age mindset can set you free from this Iron Prison and help you embark on the path of power. He talks about life, biology, hormones. He gives many examples from history, both ancient and modern. He shows the secrets of the detrimental robots, how they hide and fabricate. He helps you escape gynocracy and ascend to fresh mountain air. The pricing, he insisted on against all advice. It refers to the lucky 969 Movement of Burma, led by the noble monk Wirathu. Praise be to the Pervert. Praise be to his teaching of peace. Be careful.

jordan peterson conservative manifesto: Contemporary Far-Right Thinkers and the Future of Liberal Democracy A. James McAdams, Alejandro Castrillon, 2021-09-26 This book is the first systematic analysis of the efforts of a broad range of contemporary far-right thinkers to popularize their critiques of liberal-democratic norms and institutions and make their ideas the subjects of sustained political and academic debate. The book focuses on outspoken thinkers in western and eastern Europe, Russia, the United States, Canada, and Australia. They include Alain de Benoist, Guillaume Faye, Götz Kubitschek, Pat Buchanan, Fróði Midjord, Jason Jorjani, contributors to the online magazine Quillette, and the elusive personality known as the Bronze Age Pervert. The book explores the diverse intellectual foundations of these thinkers' positions, the similarities and differences in their ideas, and their prospects for influencing attitudes about democratic politics within their respective countries. It examines diverse movements and schools of thought, including the European New Right, Paleoconservatism, the Alt-right, Identitarianism, White nationalism, and antifeminism. Providing a much-needed global perspective, this book will be of considerable interest to students and scholars of populism, right-wing extremism, identity politics, fascism, racism, and conservatism.

jordan peterson conservative manifesto: Let's Be Reasonable Jonathan Marks, 2023-01-31 A conservative college professor's compelling defense of liberal education Not so long ago, conservative intellectuals such as William F. Buckley Jr. believed universities were worth fighting for. Today, conservatives seem more inclined to burn them down. In *Let's Be Reasonable*, conservative political theorist and professor Jonathan Marks finds in liberal education an antidote to this despair, arguing that the true purpose of college is to encourage people to be reasonable—and revealing why the health of our democracy is at stake. Drawing on the ideas of John Locke and other thinkers, Marks presents the case for why, now more than ever, conservatives must not give up on higher education. He recognizes that professors and administrators frequently adopt the language and priorities of the left, but he explains why conservative nightmare visions of liberal persecution and indoctrination bear little resemblance to what actually goes on in college classrooms. Marks examines why advocates for liberal education struggle to offer a coherent defense of themselves against their conservative critics, and demonstrates why such a defense must rest on the cultivation of reason and of pride in being reasonable. More than just a campus battlefield guide, *Let's Be Reasonable* recovers what is truly liberal about liberal education—the ability to reason for oneself and with others—and shows why the liberally educated person considers reason to be more than just a tool for scoring political points.

jordan peterson conservative manifesto: Fake Law The Secret Barrister, 2020-09-03 THE TOP TEN SUNDAY TIMES BESTSELLER 'A powerful polemic' Sunday Times 'A compelling, eye-opening read' Daily Express - Did an illegal immigrant avoid deportation because he had a cat? - Is the law on the side of the burglar who enters your home? - Are unelected judges 'enemies of the

people'? Most of us think the law is only relevant to criminals, if we even think of it at all. But the law touches every area of our lives: from intimate family matters to the biggest issues in our society. Our unfamiliarity is dangerous because it makes us vulnerable to media spin, political lies and the kind of misinformation that frequently comes from loud-mouthed amateurs and those with vested interests. This 'fake law' allows the powerful and the ignorant to corrupt justice without our knowledge - worse, we risk letting them make us complicit. Thankfully, the Secret Barrister is back to reveal the stupidity, malice and incompetence behind many of the biggest legal stories of recent years. In Fake Law, the Secret Barrister debunks the lies and builds a defence against the abuse of our law, our rights and our democracy that is as entertaining as it is vital.

jordan peterson conservative manifesto: Small Men on the Wrong Side of History Ed West, 2020-03-19 'An entertaining, wide-ranging defence and explanation of the conservative way of seeing the world . . . suffused with generosity and wit' Catholic Herald Brought up by eccentric intellectuals, Ed West experienced what he believed was a fairly normal childhood of political pamphlets as bedtime reading, family holidays to East Germany and a father who was one political step away from advocating the return of serfdom. In his mid-twenties, West found himself embracing a mindset usually acquired alongside a realisation that all music post-1955 is garbage, agreeing with everything said in the Telegraph and all the other bad things people get in middle age. This is his journey to becoming a real-life Tory boy. Forgoing the typically tedious and shouty tone of the Right, West provides that rare gem of a conservative book - one that people of any political alignment can read, if only to laugh at West's gallows humour and dry wit. Crammed with self-deprecating anecdotes and enlightening political insights, Tory Boy discloses a life shaped by politics and the realisation that perhaps this obsession does more harm than good. 'Anyone - liberal, conservative, whatever - would enjoy [this book]. It is full of the most fascinating facts, all mixed in with Ed's inimitable displays of self-mockery' Tom Holland 'A self-deprecating and often hilarious memoir of a born conservative watching the world go wrong. Sprinkled with gallows humour, like a political version of Nick Hornby's Fever Pitch' The Critic

jordan peterson conservative manifesto: Modern Man in Search of a Soul C.G. Jung, 2014-12-18 Modern Man in Search of a Soul is the perfect introduction to the theories and concepts of one of the most original and influential religious thinkers of the twentieth century. Lively and insightful, it covers all of his most significant themes, including man's need for a God and the mechanics of dream analysis. One of his most famous books, it perfectly captures the feelings of confusion that many sense today. Generation X might be a recent concept, but Jung spotted its forerunner over half a century ago. For anyone seeking meaning in today's world, Modern Man in Search of a Soul is a must.

jordan peterson conservative manifesto: A Good Time to Be a Girl Helena Morrissey, 2018 From the founder of the worldwide 30% Club campaign comes a career book for women in a transforming world who don't just want to lean in, but instead, shatter the paradigm as we know it. 'I absolutely love her, I think she's such a force for good' Pandora Sykes, The High Low In A Good Time to be a Girl, Helena Morrissey sets out how we might achieve the next big breakthrough towards a truly inclusive modern society. Drawing on her experience as a City CEO, mother of nine, and founder of the influential 30% Club which campaigns for gender-balanced UK company boards, her manifesto for new ways of working, living, loving and raising families is for everyone, not just women. Making a powerful case for diversity and difference in any workplace, she shows how, together, we can develop smarter thinking and broader definitions of success. Gender balance, in her view, is an essential driver of economic prosperity and part of the solution to the many problems we face today. Her approach is not aimed merely at training a few more women in working practices that have outlived their usefulness. Instead, this book sets out a way to reinvent the game - not at the expense of men but in ways that are right and relevant for a digital age. It is a powerful guide to success for us all.

Jordan Peterson Conservative Manifesto Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Jordan Peterson Conservative Manifesto free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Jordan Peterson Conservative Manifesto free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Jordan Peterson Conservative Manifesto free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Jordan Peterson Conservative Manifesto. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Jordan Peterson Conservative Manifesto any PDF files. With these platforms, the world of PDF downloads is just a click away.
