kingdom hearts 1 final mix walkthrough: BAMBI FELIX SALTEN, 2024-01-22 BAMBI is a delicious book. For delicacy of perception and essential truth I hardly know any story of animals that can stand beside this life study of a forest deer. Felix Salten is a poet. He feels nature deeply, and he loves animals. I do not, as a rule, like the method which places human words in the mouths of dumb creatures, and it is the triumph of this book that, behind the conversation, one feels the real sensations of the creatures who speak. Clear and illuminating, and in places very moving, it is a little masterpiece. I read it in galley proof on the way from Paris to Calais, before a channel crossing. As I finished each sheet I handed it to my wife, who read, and handed it to my nephew's wife, who read, and handed it to my nephew. For three hours the four of us read thus in silent absorption. Those who know what it is to read books in galley proof, and have experienced channel crossings, will realize that few books will stand such a test. BAMBI is one of them. I particularly recommend it to sportsmen. March 16th, 1928 John Galsworthy
