Manolo's internal conflict between fulfilling family expectations and following his own passions comes to a head. Joaquin's ambition and pride are tested as he confronts his mortality and the consequences of his actions. la noche book of life: *Benediction* Kent Haruf, 2013-02-26 From the beloved and best-selling author of *Plainsong* and *Eventide* comes a story of life and death, and the ties that bind, once again set out on the High Plains in Holt, Colorado. When Dad Lewis is diagnosed with terminal cancer, he and his wife, Mary, must work together to make his final days as comfortable as possible. Their daughter, Lorraine, hastens back from Denver to help look after him; her devotion softens the bitter absence of their estranged son, Frank, but this cannot be willed away and remains a palpable presence for all three of them. Next door, a young girl named Alice moves in with her grandmother and contends with the painful memories that Dad's condition stirs up of her own mother's death. Meanwhile, the town's newly arrived preacher attempts to mend his strained relationships with his wife and teenaged son, a task that proves all the more challenging when he faces the disdain of his congregation after offering more than they are accustomed to getting on a Sunday morning. And throughout, an elderly widow and her middle-aged daughter do everything they can to ease the pain of their friends and neighbors. Despite the travails that each of these families faces, together they form bonds strong enough to carry them through the most difficult of times. Bracing, sad and deeply illuminating, *Benediction* captures the fullness of life by representing every stage of it, including its extinction, as well as the hopes and dreams that sustain us along the way. Here Kent Haruf gives us his most indelible portrait yet of this small town and reveals, with grace and insight, the compassion,

the suffering and, above all, the humanity of its inhabitants.

la noche book of life: Everynight Life José Esteban Muñoz, 1997 The function of dance in Latin/o American culture is the focus of the essays collected in Everynight Life. The contributors interpret how Latin/o culture expresses itself through dance, approaching the material from the varying perspectives of literary, cultural, dance, performance, queer, and feminist studies. Viewing dance as privileged sites of identity formation and cultural resistance in Latin/o America, Everynight Life translates the motion of bodies into speech, and the gestures of dance into a provocative socio-political grammar. This anthology looks at many modes of dance—including salsa, merengue, cumbia, rumba, mambo, tango, samba, and norteño—as models for the interplay of cultural memory and regional conflict. Barbara Browning's essay on capoeira, for instance, demonstrates how dance has been used as a literal form of resistance, while José Piedra explores the meanings conveyed by women of color dancing the rumba. Pieces such as Gustavo Perez Fírmát's I Came, I Saw, I Conga'd and Jorge Salessi's Medics, Crooks, and Tango Queens illustrate the lively scope of this volume's subject matter. Contributors. la noche book of life: Fragmented Lives, Assembled Parts Alejandro Lugo, 2009-09-15 Southwest Book Award, Border Regional Library Association, 2008 Association of Latina and Latino Anthropologists Book Award, 2009 Established in 1659 as Misión de Nuestra Señora de Guadalupe de los Mansos del Paso del Norte, Ciudad Juárez is the oldest colonial settlement on the U.S.-Mexico border-and one of the largest industrialized border cities in the world. Since the days of its founding, Juárez has been marked by different forms of conquest and the quest for wealth as an elaborate matrix of gender, class, and ethnic hierarchies struggled for dominance. Juxtaposing the early Spanish invasions of the region with the arrival of late-twentieth-century industrial conquistadors, *Fragmented Lives, Assembled Parts* documents the consequences of imperial history through in-depth ethnographic studies of working-class factory life. By comparing the social and human consequences of recent globalism with the region's pioneer era, Alejandro Lugo demonstrates the ways in which class mobilization is itself constantly being unmade at both the international and personal levels for border workers. Both an inside account of maquiladora practices and a rich social history, this is an interdisciplinary survey of the legacies, tropes, economic systems, and gender-based inequalities reflected in a unique cultural landscape. Through a framework of theoretical conceptualizations applied to a range of facets—from multiracial mestizo populations to the notions of border crossings and inspections, as well as the recent brutal killings of working-class women in Ciudad Juárez—*Fragmented Lives, Assembled Parts* provides a critical understanding of the effect of transnational corporations on contemporary Mexico, calling for official recognition of the desperate need for improved working and living conditions within this community.

Spanish architect Ignacio Abel arrives at Penn Station, the final stop on his journey from war-torn Madrid, where he has left behind his wife and children, abandoning them to uncertainty. la noche book of life: *The Poetry of Juan Ramón Jiménez*. Julio Hans C. Jensen, 2012-07-01 The Spanish poet Juan Ramón Jiménez (1881-1958; Nobel laureate 1956) wrote at a key moment in literary history. Since Jiménez's lyrical output covers the poetic tradition from Romanticism through Symbolism to the Avant-Gardes, his work can be regarded as a condensation of the modern paradigm. Julio Jensen investigates the lyrical subject appearing in Jiménez's poetry as exemplary of the notion of modern subjectivity. He does so by assuming a historical correlation between literature and philosophy in the sense that if philosophical discourse conceptualizes the prevailing understanding of the human being at a given moment, literary discourse represents it. Modern thought does not accept any other foundation than subjectivity. At the same time, the awareness of the subject's finitude engenders pessimism with respect to its status as world-generating principle. One of the primary aims of this study, then, is to show how Jiménez poignantly enacts this vacillation between self-enthronement and self-eradication. With insightful readings of Jiménez's poetry, the author opens a rich vein in the work of a writer who would serve as a central reference for later Spanish-language poets such as Federico García Lorca, Pablo Neruda and Octavio Paz.

la noche book of life: *Please Talk to Me* Liliana Heker, 2015-05-26 Acclaimed for the gemlike perfection of her short stories, Liliana Heker has repeatedly received major literary awards in her native Argentina. Her work has some of the dark humor of Saki or Roald Dahl, and her versatility and range have earned her a wide, appreciative audience. This expertly translated volume brings to English-language readers the full compass of Heker's stories, from her earliest published volume (1966) through her most recent (2011). la noche book of life: *The Princeton Encyclopedia of Poetry and Poetics* Roland Greene, Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, Harris Feinsod, David Marno, Alexandra Slessarev, 2012-08-26 Rev. ed. of: *The Princeton encyclopedia of poetry and poetics* / Alex Preminger and T.V.F. Brogan, co-editors; Frank J. Warnke, O.B. Hardison, Jr., and Earl Miner, associate editors. 1993.

la noche book of life: *Stories That Make History* Lynn Stephen, 2021-09-20 From covering the massacre of students at Tlatelolco in 1968 and the 1985 earthquake to the Zapatista rebellion in 1994 and the disappearance of forty-three students in 2014, Elena Poniatowska has been one of the most important chroniclers of Mexican social, cultural, and political life. In *Stories That Make History*, Lynn Stephen examines Poniatowska's writing, activism, and political participation, using them as a lens through which to understand critical moments in contemporary Mexican history. In her crónicas—narrative journalism written in a literary style featuring firsthand testimonies—Poniatowska told the stories of Mexico's most marginalized people. Throughout, Stephen shows how Poniatowska helped shape Mexican politics and forge a multigenerational political community committed to social justice. In so doing, she presents a biographical and intellectual history of one of Mexico's most cherished writers and a unique history of modern Mexico.

la noche book of life: *The Book of Lalo* Lalo Dominguez, 2009-09 What drove me to write my story originally, was to leave for my children and grandchildren so that they may know me and their roots. Everyone has a story to tell, but this is our story. The why we are here, the struggles we have gone through, the adventures, the comedy, the tragedies and how we have fared in the end. The making of new Americans. But in the process, I realized how many learning experiences I had to go through. How difficult the school of hard knocks is. If I can help my children and grandchildren avoid making the same mistakes I made, maybe I can help others as well. I am sure there is a little bit for everyone to enjoy. I went from not speaking English to mastering it. I went from an angry young child to an adult still working on it. From pride to forgiveness. And from redemption to atonement. No one is all good, just like no one is all bad. No one is always right, just like no one is

always wrong. The different stages in our lives takes us through different roads, paths and alleys. We go through a preview of what's out there waiting for us. Like Dantes Inferno, where Virgil walks him through all the different hells and heavens. We make good choices some times. Other times, we make wrong choices. In the end, hopefully it balances out.

la noche book of life: Women and Power in Argentine Literature Gwendolyn Díaz, 2010-01-01 The astonishing talent of Argentine women writers belies the struggles they have faced—not merely as overlooked authors, but as women of conviction facing oppression. The patriarchal pressures of the Perón years, the terror of the Dirty War, and, more recently, the economic collapse that gripped the nation in 2001 created such repressive conditions that some writers, such as Luisa Valenzuela, left the country for long periods. Not surprisingly, power has become an inescapable theme in Argentine women's fiction, and this collection shows how the dynamics of power capture not only the political world but also the personal one. Whether their characters are politicians and peasants, torturers and victims, parents and children, or lovers male and female, each writer explores the effects of power as it is exercised by or against women. The fifteen writers chosen for *Women and Power in Argentine Literature* include famous names such as Valenzuela, as well as authors anthologized for the first time, most notably María Kodama, widow of Jorge Luis Borges. Each chapter begins with a verbal portrait, editor Gwendolyn Díaz's personal impression of the author at ease, formed through hours of conversation and interviews. A biographical essay and critical commentary follow, with emphasis on the work included in this anthology. Díaz's interviews, translated from Spanish, and finally the stories themselves—only three of which have been previously published in English—complete the chapters. The extraordinary depth of these chapters reflects the nuanced, often controversial portrayals of power observed by Argentine women writers. Inspiring as well as insightful, *Women and Power in Argentine Literature* is ultimately about women who, in Díaz's words, choose to speak their truth regardless of the consequences.

la noche book of life: Women, Creole Identity, and Intellectual Life in Early Twentieth-century Puerto Rico Magali Roy-Féquièrre, 2004 This work attempts to cast new light on the Generación del Treinta, a group of Creole intellectuals who situated themselves as the voice of a new cultural nationalism in Puerto Rico. Through a feminist lens, it focuses on the interlocking themes of nationalism, gender, class and race.

la noche book of life: Historical Dictionary of Latin American Literature and Theater Richard Young, Odile Cisneros, 2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single-volume reference tool covering Portuguese-speaking Brazil and the 16 Spanish-speaking countries of continental Latin America (Argentina, Bolivia, Chile, Colombia, Costa Rica, Ecuador, El Salvador, Guatemala, Honduras, Mexico, Nicaragua, Panama, Paraguay, Peru, Uruguay, and Venezuela). Entries for authors, ranging from the early colonial period to the present, give succinct biographical data and an account of the author's literary production, with particular attention to their most prominent works and where they belong in literary history. The introduction provides a review of Latin American literature and theater as a whole while separate dictionary entries for each country offer insight into the history of national literatures. Entries for literary terms, movements, and genres serve to complement these commentaries, and an extensive bibliography points the way for further reading. The comprehensive view and detailed information obtained from all these elements will make this book of use to the general-interest reader, Latin American studies students, and the academic specialist.

la noche book of life: Modernism, Rubén Darío, and the Poetics of Despair Alberto Acereda, Rigoberto Guevara, 2004 *Modernism, Ruben Darío, and the Poetics of Despair* presents a detailed study of a neglected facet of Ruben Darío, and in general, of Hispanic Modernism: metaphysical and existential dimensions as preludes to Modernity. Alberto Acereda and J. Rigoberto Guevara approach the life and death issues in Darío works with special emphasis on his poetry. The authors demonstrate how the Nicaraguan poet takes the first steps towards poetic modernity. The tragic component of Darío works are examined in the light of Nineteenth Century philosophy, especially the work of Arthur Schopenhauer. Various thematic proposals are also formulated for the study of

the works of Ruben Darío.

la noche book of life: Spanish Poetry of the Twentieth Century Andrew Debicki, 2014-10-17 Twentieth-century Spanish poetry has received comparatively little attention from critics writing in English. Andrew Debicki now presents the first English-language history published in the United States to examine the sweep of modern Spanish verse. More important, he is the first to situate Spanish poetry in the context of European modernity, to trace its trajectory from the symbolists to the postmodernists. Avoiding the rigid generational schemes and catalogs of names found in traditional Hispanic literary histories, Debicki offers detailed discussions of salient books and texts to construct an original and compelling view of his subject. He demonstrates that contemporary Spanish verse is rooted in the modern tradition and poetics that see the text as a unique embodiment of complex experiences. He then traces the evolution of that tradition in the early decades of the century and its gradual disintegration from the 1950s to the present as Spanish poetry came to reflect features of the postmodern, especially the poetics of text as process rather than as product. By centering his study on major periods and examining within each the work of poets of different ages, Debicki develops novel perspectives. The late 1960s and early 1970s, for example, were not merely the setting for a new aestheticist generation but an era of exceptional creativity in which both established and new writers engendered a profound, intertextual, and often self-referential lyricism. This book will be essential reading for specialists in modern Spanish letters, for advanced students, and for readers interested in comparative literature.

la noche book of life: The Blue Road, 2019-11-19 In this stunning graphic novel, Lacuna is a girl without a family, a past, or a proper home. She lives alone in a swamp made of ink, but with the help of Polaris, a will-o'-the-wisp, she embarks for the fabled Northern Kingdom, where she might find people like her. The only way to get there, though, is to travel the strange and dangerous Blue Road that stretches to the horizon like a mark upon a page. Along the way, Lacuna must overcome trials such as the twisted briars of the Thicket of Tickets and the intractable guard at the Rainbow Border. At the end of her treacherous journey, she reaches a city where memory and vision can be turned against you, in a world of dazzling beauty, divisive magic, and unlikely deliverance. Finally, Lacuna learns that leaving, arriving, returning -- they're all just different words for the same thing: starting all over again. *The Blue Road* -- the first graphic novel by acclaimed poet and prose writer Wayde Compton and illustrator April dela Noche Milne -- explores the world from a migrant's perspective with dreamlike wonder. la noche book of life: Projections of Power in the Americas Niels Bjerre-Poulsen, Helene Balslev Clausen, Jan Gustafsson, 2012 This book is a fascinating contribution to the study of politics and social relations in the Americas, as well as to the study of power. The nine essays describe different ways in which power is being exerted and projected in the Americas - by governments, by special interests, and by transnational criminal organizations. However, they also tell stories of collective and individual empowerment of citizens in the Americas.

la noche book of life: Jewish Writers of Latin America Darrell B. Lockhart, 2013-08-21 Jewish writing has only recently begun to be recognized as a major cultural phenomenon in Latin American literature. Nevertheless, the majority of students and even Latin American literary specialists, remain uninformed about this significant body of writing. This Dictionary is the first comprehensive bibliographical and critical source book on Latin American Jewish literature. It represents the research efforts of 50 scholars from the United States, Latin America, and Israel who are dedicated to the advancement of Latin American Jewish studies. An introduction by the editor is followed by entries on 118 authors that provide both biographical information and a critical summary of works. Argentina, Brazil, and Mexico-home to the largest Jewish communities in Latin

America-are the countries with the greatest representation, but there are essays on writers from Venezuela, Chile, Uruguay, Peru, Colombia, Costa Rica, and Cuba.
