### **Understanding LancasterOnline Deeds Recorded**

LancasterOnline is a valuable resource for accessing public records in Lancaster County, Pennsylvania. Its "Deeds Recorded" section provides a digital portal to a wealth of information about property transfers, ownership history, and legal descriptions. This readily available information is crucial for a wide range of purposes, including:

**Real Estate Transactions:** Buyers and sellers rely on deed records to verify ownership, identify potential issues, and ensure a smooth closing process.

**Property Research:** Researchers, historians, and genealogists use deed records to trace property ownership over time, uncovering historical connections and family lineages.

**Legal Disputes:** Attorneys and legal professionals utilize deed records as evidence in property-related litigation.

**Property Tax Assessments:** Understanding the history of a property can help determine fair market value and potential tax implications.

**Due Diligence:** Investors and developers utilize this information during the due diligence phase of property acquisitions.

### **Navigating the LancasterOnline Deeds Recorded Interface**

While LancasterOnline aims for user-friendliness, effectively navigating the system requires a methodical approach. Here's a step-by-step guide:

1. **Accessing the Website:** Begin by visiting the LancasterOnline website. The specific URL for deeds recorded might vary slightly over time, so it's best to use a search engine like Google and search for "LancasterOnline deeds recorded" to ensure you are accessing the most current link.

2. Search Options: The search interface likely offers several search options, including:

Grantee/Grantor Search: This allows you to search by the name of the person or entity that bought (grantee) or sold (grantor) the property. Be meticulous with spelling, as even slight variations can yield inaccurate results. Experiment with variations of names and potentially include middle initials or former names.

Property Address Search: This allows you to search using the property's full address. Again, ensure accuracy.

Document Number Search: This allows you to search using the document number if you already possess it.

Date Range Search: Refining your search by a specific date range will significantly narrow down the results.

3. Interpreting the Results: The results page usually displays a list of relevant documents with key information like the document date, parties involved, and property address. Clicking on a document typically provides access to a PDF of the scanned deed.

4. Understanding Deed Terminology: Deeds often use specific legal terminology that may seem confusing to the uninitiated. Familiarize yourself with common terms like:

Grantor: The person or entity selling the property.

Grantee: The person or entity buying the property.

Legal Description: A precise description of the property's boundaries and location.

Consideration: The amount paid for the property.

Covenants: Restrictions or limitations on the property's use.

## **Advanced Search Techniques and Tips**

To maximize your search efficiency, consider these advanced techniques:

Wildcard Characters: Use wildcard characters like asterisks (\*) to search for variations in spelling or partial names. For example, searching for "John Smith" will return results for John Smith, John J. Smith, etc.

Boolean Operators: Employ Boolean operators such as "AND," "OR," and "NOT" to refine your search criteria. For example, "Smith AND Lancaster" will only return results containing both "Smith" and "Lancaster."

Date Range Precision: Specify precise date ranges to pinpoint specific transactions.

Multiple Searches: If your initial search yields no results, try different search combinations using variations in names, addresses, and dates.

## **Beyond LancasterOnline: Supplementing Your Research**

While LancasterOnline is a valuable resource, it's important to remember that it may not contain every single record. Supplement your research with these additional avenues:

Lancaster County Recorder of Deeds Office: The official county office holds the original records. You

can visit in person or contact them for assistance.

**Third-Party Property Records Websites:** Numerous commercial websites compile property data, sometimes offering additional information or easier navigation. However, be mindful of potential costs associated with these services.

**lancasteronline deeds recorded: Bonnet Strings** Saloma Miller Furlong, 2014-02-03 At age

twenty, Saloma Miller left behind her Amish community in Burton, Ohio, and boarded a night train for Vermont, where she knew no one. In this poignant coming-of-age memoir, Saloma's new life of freedom includes work as a waitress and plans to continue her education. Romance also blossoms with a Yankee toymaker. Soon, however, a vanload of people from her community, including the Amish bishop, arrive to take her back into the fold. Saloma's freedom comes to an abrupt end when she goes back home to Ohio with them. Thus begins a years-long struggle of feeling torn between two worlds: will she remain Amish and embrace the sense of belonging and community her Amish life offers, or will she return to the newfound freedom she tasted in Vermont? Saloma settles into teaching in an Amish school and does her best to fit back into Amish ways, but a legacy of childhood abuse, struggles with an eating disorder, and questions of identity plague her. Her ties to the outside world remain, mostly through the quiet perseverance of the toymaker from Vermont. He keeps sending her cards, never giving up hope that their love could survive the strain of living in two different worlds. *Bonnet Strings* by Saloma Miller Furlong offers a universal story of overcoming adversity and a rare look inside an Amish community. Readers of Amish fiction and viewers of the PBS documentaries such as *The Amish* and *The Amish: Shunned* will find in it a true story: of woundedness and healing, of doubt and faith, and of the often competing desires for freedom and belonging.

**lancasteronline deeds recorded: Timothy Matlack, Scribe of the Declaration of Independence** Chris Coelho, 2013-06-06 On July 4, 1776, the Declaration of Independence was read aloud to a crowd gathered outside the Pennsylvania State House. It was engrossed on vellum later in the month, and delegates began signing the finely penned document in early August. The man who read the Declaration and later embossed it--the man with perhaps the most famous penmanship in American history--was Timothy Matlack, a Philadelphia beer bottler who strongly believed in the American cause. A disowned Quaker and the grandson of an indentured servant, he rose from

obscurity to become a delegate to Congress. He led a militia battalion at Princeton during the Revolutionary War; his unflagging dedication earned him the admiration of men like Thomas Jefferson and Richard Henry Lee. Also in 1776 Matlack and his radical allies drafted the Pennsylvania Constitution, which has been described as the most democratic in America. This biography is a full account of an American patriot.

**lancastronline deeds recorded:** Unlearning God Philip Gulley, 2018-09-25 America's favorite Quaker storyteller explores the terrain of faith and doubt as shaped by family, church, and young love, finding his way to a less convenient but fully formed adult spirituality. Most of us grow up taking in whole belief systems with our mother's milk, only to discover later that what we received as being certain is actually nothing like it. And then we're faced with a choice--retreat to

spiritual security and the community that comes with it, or strike out into the unknown. With his trademark humor and down-home wisdom, Philip Gulley serves as just the spiritual director a wayward pilgrim could warm to, inviting readers into his own sometimes rollicking, sometimes daunting journey of spiritual discovery. He writes about being raised by a Catholic mother and a Baptist father across the street from a family of Jehovah's Witnesses--all three camps convinced the others are doomed. To nearly everyone's consternation, Philip grows up to be a Quaker and a pastor. In *Unlearning God*, Gulley showcases his well-loved gift as a storyteller and his acute sensibilities as a public theologian in conversations that will charm, provoke, encourage, and inspire.

**lancastronline deeds recorded: Soul Witness** William C. Costopoulos, 2015-04-13 Terrorism is war in a new form, expanding inexorably into the lives of peaceful citizens worldwide, rendering even mundane activities potentially dangerous. In this captivating tale of terrorism in America, complacency is challenged with the startling reality that these violent acts can actually happen in the United States. Set predominantly in South Central Pennsylvania, Manhattan, and Washington, DC with a side trip to Russia a marvelous cast of talented and unpredictable characters attempt to unravel a cluster of terrifying events that appear to involve one mysterious individual. The story takes astonishing turns during his apprehension and trial that ultimately lead to a provocative, sobering conclusion. The conundrum of free will and origins of good and evil in our society are the basis for this imaginative story. Readers will experience how an assemblage of skilled attorneys, judges, and other members of the US criminal justice system wrestle with moral, ethical, and legal issues surrounding a defendant who defies all known precedents and leaves them powerless to defend or convict. Readers will think about this book long after they have eagerly read it from cover to cover, including the poignant epilogue and authors note.

**lancastronline deeds recorded: Pedagogy and Praxis in the Age of Empire** Peter McLaren, Nathalia Jaramillo, 2007-01-01 ONE OF THE FIRST EDUCATIONAL BOOKS TO CHALLENGE THE BUSH REGIME'S WAR ON TERROR, ITS EDUCATIONAL POLICY, ITS FOREIGN POLICY AND ITS ASSAULT ON THE POOR Written by two leading international exponents of critical pedagogy, this book is a pioneering attempt to create a Marxist humanist and feminist pedagogy for the new century. Critical pedagogy is discussed as an important revolutionary act in bringing about a socialist future. In their conclusion, McLaren and Jaramillo cite an observation made by Arundhati Roy (2004) who insists that there is no discussion taking place in the world today that is more crucial than the debate about strategies of resistance (p. 195). McLaren and Jaramillo have clearly contributed to such a conversation with *Pedagogy and Praxis in the Age of Empire* and their work must be understood as a relevant component in that ongoing dialogue. Moreover, they have been courageous enough to remind us (following Roy) that if we believe democracy should be something more than the free world's whore, something more than Empire's euphemism for neoliberal capitalism (Roy, 2004, p. 54, 56), we can no longer afford to remain indifferent to the horror and savagery unleashed by capitalism's barbaric machinations. . . . We believe that McLaren and Jaramillo have introduced in PPAE an important and highly productive framework that can help lay the groundwork for expanding human relationships with nature, or, for beginning to ask questions such as who or what should be considered democratic participants. Valerie Scatamburlo-D'Annibale, Ghada Chehade, Richard Kahn, Clayton Pierce and Sheila L. Macrine JCEPS: Vol. 5 No. 2 (November 2007) Perhaps this book is more than just a symbolic warning, since what has transpired during the past decade, perhaps longer, is a reversal in true social justice, often accompanied by blatant denial to the children of the lesser gods of everything that makes up human dignity. Ben Tanosborn <http://www.mwcnews.net/content/view/1696> Critical pedagogy reveals the social relations and institutional structures that mediate how educators approach the concept of curriculum, design, evaluation, and classroom instruction, in order to help students locate their agency so that they can act more coherently as individuals growing up in social conditions not of their own making. As McLaren and Jaramillo see it, a critical pedagogy against capitalism, empire, and imperialism is a pedagogy that works in the interests of working people, empowerment, and democracy. It is a pedagogy for socialism. Andrew Michael Lee, *Socialism and Democracy*, 2008

**lancastronline deeds recorded: Auntie Anne** Anne Beiler, 2002 Auntie Anne is the story of a girl who grows up in Pennsylvania's Amish country, and how a simple, unique pretzel recipe gives her life an unexpected twist.

**lancastronline deeds recorded: Life Together** Robert Wyble, 2021-06-05 As a boy growing up in a Mennonite farming community, Robert Wyble thought he had his faith all figured out. God was an all-knowing king who directly intervened in the lives of his subjects. If people worshipped him, obeyed his laws, and went to church every Sunday, he would protect them. But exposure to the wider world challenged Bob's straightforward belief system. He learned that our planet was far older than six thousand years, and that the evolution of its inhabitants took far longer than six days. He observed that God appeared to allow tragedies to befall some believers but not others. Seeking answers to these seeming contradictions, Bob gradually came to understand God not as an all-powerful meddler in human affairs, but as the ultimate manifestation of kindness and love. This understanding would prove critical when Bob's wife of over fifty years, Naomi, was diagnosed with early-onset Alzheimer's disease. Faced with the unendurable, both Bob and Naomi found solace in their church community, experiencing God in warm gestures and offers of support. Life Together provides a glimpse into one man's journey of faith and caregiving, inviting readers to discover the divine love that dwells in each of us.

**lancastronline deeds recorded: Somewhere Inside** Laura Ling, Lisa Ling, 2010-04-29 "A page-turning account of not only international geopolitics, sisterhood, and familial triumph, but also a portrait of humanity at its best." —Deepak Chopra On March 17, 2009, while filming a documentary on the Chinese-North Korean border, Laura Ling and her colleague Euna Lee were violently apprehended by North Korean soldiers, charged with trespassing and "hostile acts," and imprisoned by Kim Jong Il's notoriously secretive Communist state. Kept totally apart, they endured months of interrogations and a trial before North Korea's highest court that led to a sentence of twelve years of hard labor in a North Korean prison camp. When news of the arrest reached Laura's sister, journalist Lisa Ling, she immediately began a campaign to get Laura released. Her efforts led her from the State Department to the higher echelons of the media world and eventually to the White House. Lisa takes us deep into the drama between people in the highest levels of government, including Secretary of State Hillary Clinton, former Vice President Al Gore, and eventually former President Bill Clinton, who arrived in North Korea in mid-August for a suspenseful rescue. Somewhere Inside is a timely, inspiring, and page-turning tale of survival set against the canvas of international politics. Writing with their strong, poignant voices, both sisters go beyond the headlines to reveal the unique bond that has sustained them throughout the most horrifying ordeal of their lives. "A riveting story of captivity and the enduring faith, determination, and love of two sisters." —Booklist (starred review) "A gripping tale of family bonds and love, national pride, and precarious politics." —Times Record News (Wichita Falls, Texas)
