**lisa marie presley biography book: From here to the great unknown** Lisa Marie Presley, Riley Keough, 2024-10-11 Nederlandse editie van het onthullende verhaal van een van de meest legendarische families in de Amerikaanse geschiedenis Geboren als dochter van een Amerikaanse mythe en opgegroeid in de wildernis van Graceland, vertelt Lisa Marie Presley voor het eerst haar verhaal in deze rauwe, meeslepende, unieke memoir. Voltooid door haar dochter Riley Keough. Eind 2022 vroeg Lisa Marie Presley haar dochter om haar te helpen met het voltooiën van haar memoir. Een maand later overleed Lisa Marie, en zou de wereld nooit haar verhaal in haar eigen woorden kennen, nooit de gepassioneerde, vrolijke, zorgzame en gecompliceerde vrouw leren kennen van wie Riley zo had gehouden. Riley besloot om de opnames die haar moeder voor dit boek had ingesproken af te spelen. Liggend in bed luisterde ze naar verhalen over het crashen van golfkarretjes in Graceland, over de onvoorwaardelijke liefde van haar vader en de tijd die ze met z'n tweeën doorbrachten. Over gillend de badkamer uit gesleurd worden terwijl zijn lichaam op de vloer lag. Over wonen in Los Angeles met haar moeder, over keer op keer van school gestuurd worden en altijd in de problemen zitten. Over haar levenslange relatie met Danny Keough, over getrouwd zijn met Michael Jackson en wat ze gemeen hadden. Over het moederschap. Over verslavingen. Over de altijd aanwezige rouw. Riley wist dat ze de wens van haar moeder om deze herinneringen - hoe rauw en pijnlijk ook - te publiceren moest vervullen. Zodat de wereld haar moeder zou leren kennen. In dit buitengewone boek wisselen Lisa Marie en Riley elkaar af, als een gesprek tussen moeder en dochter - van deze wereld naar het hiernamaals - terwijl ze elkaar proberen te helen. From here to the great unknown is een prachtig, diep ontroerend en onthullend verhaal en de laatste woorden van het enige kind van een Amerikaans icoon. Lisa Marie Presley, dochter van Elvis Presley, was een zangeres en songwriter. Bekende albums zijn To Whom It May Concern, Now What en Storm & Grace. Ze overleed in januari 2023. Riley Keough is een bekroonde actrice, bekend van Daisy Jones & The Six, Zola en meer. Ze is co-regisseur van War Pony en medeoprichter van het productiebedrijf Felix Culpa. Ze is de oudste dochter van Lisa Marie Presley en de enige beheerder/gevolmachtigde van Graceland.

**lisa marie presley biography book:** *The Biography of Lisa Marie Presley* Paul Stones, 2024-10-14 In *The Biography of Lisa Marie Presley*, author Paul Stones takes readers on a captivating journey through the life of a woman born into rock 'n' roll royalty but who carved out her own identity in the world. With humor and professionalism, Stones unpacks the highs, lows, and everything in between that shaped Lisa Marie Presley, the only child of Elvis Presley, the King of Rock 'n' Roll. It's a story that blends fame, family, music, and personal challenges, showing a woman whose life was anything but ordinary. Born in the spotlight, Lisa Marie's childhood was filled with private jets, Graceland, and a media circus that never seemed to stop. Stones invites readers to peek behind the velvet ropes, offering humorous and heartfelt glimpses into her early years, living in a house where music was as common as breathing and every door opened to a chorus of flashing cameras. Yet, despite the glamour, Lisa Marie always sought something more than just being known as Elvis's daughter. Stones adds moments of lightness, like how as a teenager, she once dyed her hair black in rebellion, much to the shock of her iconic father's fans. These small acts of defiance hinted at the independent spirit that would later define her. As the book delves into her adult life, Stones balances humor with sensitivity, reflecting on the complex personal and professional challenges Lisa Marie faced. The narrative weaves through her musical career, where Lisa Marie took the Presley legacy head-on, releasing albums that showed she wasn't just a daughter of a legend, but an artist in her own right. Stones shares her trials of balancing the weight of

expectations with the desire to be authentically herself. There are lighter moments too, like how Lisa Marie, despite her tough exterior, would nervously laugh before each performance—a detail that makes her deeply relatable. Of course, no story of Lisa Marie Presley is complete without the whirlwind of her personal life. Stones touches on her highly publicized marriages, including her brief and highly talked-about union with Michael Jackson, with a mix of humor and professionalism that keeps the tone light without losing its gravity. His telling of her life's more dramatic turns, like navigating four marriages and raising her children in the eye of the paparazzi storm, is both entertaining and empathetic. Through it all, Lisa Marie emerges not as a tabloid caricature but as a deeply resilient woman with a dry sense of humor, a sharp wit, and a profound sense of loyalty to her family and friends. The Biography of Lisa Marie Presley offers an intimate and accessible portrait of a woman who lived in the shadow of a giant, yet forged her own path in life. Paul Stones's engaging writing style and storytelling will make you laugh, reflect, and perhaps even gain a new appreciation for this remarkable woman. If you're curious about the untold story of Lisa Marie Presley, filled with personal triumphs and struggles, pick up this book and discover the real person behind the headlines. **lisa marie presley biography book:** *From Here to the Great Unknown: Oprah's Book Club* Lisa Marie Presley, Riley Keough, 2024-10-08 OPRAH'S BOOK CLUB PICK • Born to an American myth and raised in the wilds of Graceland, Lisa Marie Presley tells her whole story for the first time in this raw, riveting, one-of-a-kind memoir faithfully completed by her daughter, Riley Keough. In 2022, Lisa Marie Presley asked her daughter to help finally finish her long-gestating memoir. A month later, Lisa Marie was dead, and the world would never know her story in her own words, never know the passionate, joyful, caring, and complicated woman that Riley loved and now grieved. Riley got the tapes that her mother had recorded for the book, lay in her bed, and listened as Lisa Marie told story after story about smashing golf carts together in the yards of Graceland, about the unconditional love she felt from her father, about being upstairs, just the two of them. About getting dragged screaming out of the bathroom as she ran toward his body on the floor. About living in Los Angeles with her mother, getting sent to school after school, always kicked out, always in trouble. About her singular, lifelong relationship with Danny Keough, about being married to Michael Jackson, what they had in common. About motherhood. About deep addiction. About ever-present grief. Riley knew she had to fulfill her mother's wish to reveal these memories, incandescent and painful, to the world. To make her mother known. This extraordinary book is written in both Lisa Marie's and Riley's voices, a mother and daughter communicating—from this world to the one beyond—as they try to heal each other. Profoundly moving and deeply revealing, *From Here to the Great Unknown* is a book like no other—the last words of the only child of an American icon.

**lisa marie presley biography book:** *The Seeker King* Gary Tillery, 2013-09-09 A woman in the audience once handed Elvis a crown saying, "You're the King." "No, honey," Elvis replied. "There is only one king — Jesus Christ. I'm just a singer." Gary Tillery presents a coherent view of Elvis's thoughts through such anecdotes and other recorded facts. We learn, for instance, that Elvis read thousands of books on religion; that his crisis over making bimbo movies like *Girl Happy* led him to writers such as Gurdjieff, Krishnamurti, and Helena Blavatsky; and that, while driving in Arizona, an epiphany he had inspired him to learn Hindu practice. Elvis came to believe that the Christ shines in everyone and that God wanted him to use his light to uplift people. And so he did. Elvis's excesses were as legendary as his generosity, yet, despite his lethal reliance on drugs, he remained ever spiritually curious. When he died, he was reading *A Scientific Search for the Face of Jesus*. This intimate, objective portrait inspires new admiration for the flawed but exceptional man who said, "All I want is to know and experience God. I'm a searcher, that's what I'm all about."

**lisa marie presley biography book:** *Me and a Guy Named Elvis* Jerry Schilling, Chuck Crisafulli, 2007-07-19 On a lazy Sunday in 1954, twelve-year-old Jerry Schilling wandered into a Memphis touch football game, only to discover that his team was quarterbacked by a nineteen-year-old Elvis Presley, the local teenager whose first record, *That's All Right*, had just debuted on Memphis radio. The two became fast friends, even as Elvis turned into the world's

biggest star. In 1964, Elvis invited Jerry to work for him as part of his Memphis Mafia, and Jerry soon found himself living with Elvis full-time in a Bel Air mansion and, later, in his own room at Graceland. Over the next thirteen years Jerry would work for Elvis in various capacities — from bodyguard to photo double to co-executive producer on a karate film. But more than anything else he was Elvis's close friend and confidant: Elvis trusted Jerry with protecting his life when he received death threats, he asked Jerry to drive him and Priscilla to the hospital the day Lisa Marie was born and to accompany him during the famous lost weekend when he traveled to meet President Nixon at the White House. Me and a Guy Named Elvis looks at Presley from a friend's perspective, offering readers the man rather than the icon — including insights into the creative frustrations that lead to Elvis's abuse of prescription medicine and his tragic death. Jerry offers never-before-told stories about life inside Elvis's inner circle and an emotional recounting of the great times, hard times, and unique times he and Elvis shared. These vivid memories will be priceless to Elvis's millions of fans, and the compelling story will fascinate an even wider audience.

**lisa marie presley biography book: A Little Thing Called Life** Linda Thompson, 2016-08-23 Award-winning songwriter Linda Thompson breaks her silence, sharing the extraordinary story of her life, career, and epic romances with two of the most celebrated, yet enigmatic, modern American superstars—Elvis Presley and Bruce Jenner For the last forty years, award-winning songwriter Linda Thompson has quietly led one of the most remarkable lives in show business. The longtime live-in love of Elvis Presley, Linda first emerged into the limelight during the 1970s when the former beauty pageant queen caught the eye of the King. Their chance late-night encounter at a movie theater was the stuff of legend, and it marked the beginning of a whirlwind that would stretch across decades, leading to a marriage with Bruce Jenner, motherhood, and more drama than she ever could have imagined. Now, for the first time, Linda opens up about it all, telling the full story of her life, loves, and everything in between. From her humble beginnings in Memphis to her nearly five-year relationship with Elvis, she offers an intimate window into their life together, describing how their Southern roots fueled and sustained Graceland's greatest romance. Going inside their wild stories and tender moments, she paints a portrait of life with the King, as raucous as it is refreshing. But

despite the joy they shared, life with Elvis also had darkness, and her account also presents an unsparing look at Elvis's twin demons—drug abuse and infidelity—forces he battled throughout their time together that would eventually end their relationship just eight months before his untimely death. It was in the difficult aftermath of Elvis's death that Linda found what she believed was her true home: the arms of Olympic gold medal—winner Bruce Jenner. Detailing her marriage to Bruce, Linda reveals the seemingly perfect life that they built with their two young sons—Brandon and Brody—before Bruce changed everything with a secret he'd been carrying his entire life, a secret that Linda herself kept for nearly thirty years, a secret that Bruce's transition to Caitlyn Jenner has finally laid bare for the world. Providing a candid look inside one of the most challenging moments of her life, Linda uncovers the struggles she went through as a woman and a mother, coming to terms with the reality of Bruce's identity and resolving to embrace him completely no matter what, even as it meant they could no longer be together. And yet, despite her marriage unraveling, her search for love was not over, eventually leading her to the legendary music producer and musician David Foster—a relationship that lasted for nineteen tumultuous years, resulting in a bond that spurred her songwriting career to new heights but also tested her like never before. Filled with compelling and poignant stories and sixteen pages of photographs, *A Little Thing Called Life* lovingly recounts Linda's incredible journey through the years, bringing unparalleled insight into three legendary figures.

Memmer, 2017-08-16 Elvis, Lisa Marie Presley & Human Dignity: Lights Out In Memphis is published in A4 format and numbers 268 pages of groundbreaking interviews, depositions and Aug. 16th, 1977 documentation - now available worldwide (\$14.95 \* e13.25 \* ♦11.75). This soft cover is dedicated to LMP's grandparents - Mr. Vernon and Mrs. Gladys Presley. The stunning content is 99% identical to Elvis, Miley Cyrus & Human Dignity: Miley's TLC For EP And HH (same publication date), ladies and gentlemen. And for good reason! Lisa Marie Presley is presented with useful knowledge and asked to permit Rebel DNA to guide her in a defense on behalf of her father's dignity. Featured amongst the unpublished material are: Ginger Alden, Dr. Jerry T. Francisco, Chief Medical Investigator For The State Of Tennessee Daniel D. Warlick, Dr. James S. Bell, Sgt. John C. Peel (MPD), Dr. George C. Nichopoulos, Kathy Westmoreland, Marian Justice Cocke, Larry Geller, Maurice Elliott (BMH), Charles L. Crosby (MFD) and Ulysses S. Jones, Jr. (MFD). An exclusive statement issued by Ginger Alden to the author, in addition to Darrin's exclusive interview with The Chief Medical Investigator For The State Of Tennessee Daniel Warlick (coupled with pages 72 & 73 of his Chancery Court deposition on 11/7/79), prove that Ernst Mikael Jørgensen and Peter Marson Guralnick's allegation (in EPE-endorsed/co-copyrighted Elvis Day By Day: The Definitive Record of His Life and Music) that places Elvis Presley lying facedown in a pool of vomit on August 16, 1977, is patently false; thus, a desecration. This degrading falsehood deprives Lisa Marie's father - who can no longer defend himself - of a fundamental element of Human Dignity: dignity in death. This cannot continue! With LMP joining Miley Cyrus and you, fellow Elvis fans, I shall end this desecration... with the TRUTH! Salient research resources spring from the Mississippi Valley Collection (MVC), which includes: MSS 135 The Jerry Hopkins Collection and MSS 411 Death of Elvis Presley Materials.
