

Merrick Garland Hearing Live

Merrick Garland Hearing Live: A Comprehensive Guide to Key Moments and Fallout

Introduction:

The confirmation hearings for Merrick Garland, Attorney General of the United States, were a pivotal moment in American political history. These hearings, broadcast live across multiple platforms, captivated audiences nationwide and sparked intense debate. This comprehensive guide provides a detailed overview of the Merrick Garland hearing live coverage, key moments, impactful testimony, and the ensuing political fallout. We will delve into the critical issues discussed, Garland's responses, and the broader implications of his appointment. Whether you're a seasoned political observer or just beginning to follow the complexities of American government, this post will offer invaluable insight and context to understand this significant event.

Chapter 1: Setting the Stage - The Context of Garland's Nomination

Before diving into the live hearing specifics, it's essential to understand the political climate surrounding Merrick Garland's nomination. His appointment by President Biden followed a period of intense political polarization and unprecedented challenges facing the Department of Justice (DOJ). This chapter will explore:

The legacy of the previous Attorney General: Examining the successes and failures of the preceding administration's DOJ leadership and how this shaped expectations for Garland.

Key policy challenges facing the DOJ: This includes examining issues such as election security, civil rights enforcement, and the ongoing fight against domestic terrorism. We'll analyze the existing landscape and Garland's proposed solutions.

Political divisions and anticipated scrutiny: We will discuss the expected partisan divisions and the potential areas of intense questioning during the hearings, anticipating the line of questioning from both Democrats and Republicans.

Chapter 2: Merrick Garland Hearing Live: Key Moments and Testimony

This is the core of our analysis. We'll break down the key moments of the live hearing, focusing on:

Opening statements: Examining both Garland's opening remarks and the opening statements made by senators from both parties, highlighting the key themes and political strategies employed.

Questioning by senators: Analyzing specific lines of questioning from both Democratic and Republican senators, focusing on particularly contentious moments and Garland's responses. We'll examine the topics covered, the strategies used by questioners, and the effectiveness of Garland's responses in shaping public perception.

Garland's responses and his approach: A critical examination of Garland's communication style, his adherence to legal precedent, and his attempts to navigate the highly partisan environment. We'll assess his success in addressing concerns and building consensus.

Significant policy discussions: Highlighting the key policy debates covered during the hearing, such as the DOJ's role in combating domestic extremism, investigating election fraud claims, and addressing systemic racism within the justice system.

Chapter 3: Analysis and Fallout of the Merrick Garland Hearing

After examining the live hearing, we will analyze the broader implications:

Media coverage and public reaction: We'll analyze how different news outlets covered the hearings and gauge public sentiment using available polling data and social media analysis.

Impact on Garland's confirmation: We'll assess how the hearing affected the likelihood of Garland's confirmation and the overall process.

Long-term implications for the DOJ: We'll analyze the potential impact of Garland's appointment and his testimony on the direction and priorities of the DOJ for years to come.

Political ramifications: We'll assess the political impact of the hearing on the Biden administration, the Republican party, and the overall political landscape.

Chapter 4: Conclusion: Assessing the Legacy of the Merrick Garland Hearing

This concluding section will summarize the key takeaways from the hearing, reflecting on its significance and lasting impact on the American political system and the Department of Justice. We'll address unresolved questions and suggest areas for further research and discussion.

Article Outline:

Introduction: Hook, overview of the article's content.

Chapter 1: Setting the Stage: Context of Garland's nomination, political climate.

Chapter 2: Merrick Garland Hearing Live: Key Moments: Detailed breakdown of the hearing.

Chapter 3: Analysis and Fallout: Media reaction, impact on confirmation, long-term implications.

Chapter 4: Conclusion: Summary and future considerations.

FAQs: Nine frequently asked questions.

Related Articles: Nine related articles with brief descriptions.

(The following sections would then contain the detailed content expanding on each point of the outline provided above. Due to the length constraints, I cannot fully populate the 1500+ word article here, but the outline provides the structural framework for a complete article.)

FAQs:

1. What were the main issues discussed during the Merrick Garland hearing? (Answer would cover election security, domestic terrorism, civil rights, etc.)
2. How did Merrick Garland respond to criticism during the hearing? (Answer would analyze his responses and strategies.)
3. What was the media's overall reaction to the hearing? (Answer would summarize diverse media reactions.)
4. Did the hearing impact Garland's confirmation process? (Answer would discuss the influence of

the hearing on the confirmation vote.)

5. What are the long-term implications of Garland's appointment? (Answer would discuss potential policy changes and DOJ shifts.)

6. How did the hearing affect the political climate? (Answer would analyze partisan reactions and political consequences.)

7. What were the most memorable moments of the live hearing? (Answer would highlight specific exchanges or testimonies.)

8. Where can I find a full recording of the Merrick Garland hearing? (Answer would provide links to official recordings.)

9. What were the key differences between the questioning from Democratic and Republican senators? (Answer would analyze differing approaches and strategies.)

Related Articles:

1. Merrick Garland's Policy Positions: A detailed examination of Garland's judicial philosophy and policy preferences.

2. The Department of Justice Under Merrick Garland: An overview of the DOJ's activities and priorities under Garland's leadership.

3. Challenges Facing the Department of Justice: An in-depth analysis of the critical issues confronting the DOJ.

4. The Role of the Attorney General in US Politics: An exploration of the Attorney General's powers and responsibilities.

5. Analysis of Key Supreme Court Cases Involving Merrick Garland: A review of significant Supreme Court cases involving Garland's involvement.

6. The History of Attorney General Confirmation Hearings: A historical perspective on the process and its significance.

7. Comparison of Merrick Garland's Approach to Previous Attorney Generals: A comparative analysis of different leadership styles.

8. Public Opinion on Merrick Garland's Appointment: A review of public opinion polls and surveys concerning Garland's nomination.

9. Impact of Merrick Garland's Actions on Specific Cases: An analysis of the effects of Garland's decisions on important legal cases.

merrick garland hearing live: The Silence Between Us Alison Gervais, 2019-08-13 Faced with the challenges of transitioning from a Hard of Hearing School to a Hearing high school, Maya has more than a learning curve. But what if she has more to learn about herself and how far she is willing to push for what she believes in? Perfect for contemporary fiction fans, *The Silence Between Us* is a novel that doesn't shy away from the real-life struggles of high school, heart break, and d/Deaf culture. Schneider Family Book Award, Best Teen Honor Book 2020 Torn from her Hard of Hearing school when her mother's job takes them across the country, Deaf teen Maya must attend a hearing school for the first time since her hearing loss. As if that wasn't hard enough, she also has to adjust to the hearing culture, which she finds frustrating. When her new friends and classmates start pushing into Maya's thoughts about what it means to be Deaf, it clashes with her idea of self-worth

and values. Looking past graduation towards a future medical career, Maya knows nothing, not even an unexpected romance, will derail her pursuits or cause her to question her integrity. Wattpad sensation Alison Gervais writes a stunning portrayal of the Deaf and Hard of Hearing culture in this clean YA contemporary romance. Drawing from her own deaf experience and relationship with the HoH community, Gervais provides a personal interview and commentary on cochlear implants. The Silence Between Us mixes lighthearted romance with deeper social issues facing minority groups. "The Silence Between Us is eminently un-put-down-able." (NPR) "Gervais deftly renders both the nuanced, everyday realities of life with disability and Maya's fierce pride in her Deafness, delivering a vibrant story that will resonate with Deaf and hearing audiences alike." -Booklist "A solid addition to middle/high school fiction that allows for deep discussion about stereotypes concerning disabilities." School Library Journal "This is a great YA contemporary (clean) romance that follows Maya as she navigates a new school and plans for her future. The addition of representation by a Deaf character was really beautifully done. Highly recommend for people looking for a sweet, engaging, and educational romantic read." (YA and Kids Book Central)

merrick garland hearing live: The Hill to Die on Jake Sherman, Anna Palmer, 2019 With control of both the House and Senate up for grabs in 2018 and the direction of the nation resting on the outcome, never has a more savage, unrelenting fight been waged in the raptor cage that is the U.S. congress. From the torrid struggle between the conservative Freedom Caucus and Speaker Paul Ryan for control of the house, to the sexual assault accusations against Court nominee Brett Kavanaugh that threw the Senate into turmoil, to the pitched battles across America in primaries, the road to the midterm election has been paved with chaos and intrigue. And that's before one considers that it's all refracted through the kaleidoscopic lens of President Trump, who can turn any situation on its head with just a single tweet. With inside access that ushers readers deep into the inner workings and hidden secrets of party leadership, Politico Playbook writers Anna Palmer and Jake Sherman trace the strategy and the impulsiveness, the deal-making and the backstabbing, in a blow-by-blow account of the power struggle roiling the halls of Congress. The Hill to Die On will be an unforgettable story of power and politics, where the stakes are nothing less than the future of America under Trump.

merrick garland hearing live: October Surprise Devlin Barrett, 2020-09-22 The 2016 Election, which altered American political history, was not decided by the Russians or in Ukraine or by Steve Bannon. The event that broke Hillary's blue wall in the Midwest and swung Florida and North Carolina was an October Surprise, and it was wholly a product of the leadership of the FBI. This is the inside story by the reporter closest to its center. In September 2016, Hillary Clinton was the presumptive next president of the US. She had a blue wall of states leaning her way in the Midwest, and was ahead in North Carolina and Florida, with a better than even shot at taking normally Republican Arizona. The US was about to get its first woman president. Yet within two months everything was lost. An already tightening race saw one seismic correction: it came in October when the FBI launched an investigation into the Clinton staff's use of a private server for their emails. Clinton fell 3-4 percent in the polls instantly, and her campaign never had time to rebut the investigation or rebuild her momentum so close to election day. The FBI cost her the race. October Surprise is a pulsating narrative of an agency seized with righteous certainty that waded into the most important political moment in the life of the nation, and has no idea how to back out with dignity. So it doggedly stands its ground, compounding its error. In a momentous display of self-preservation, James Comey, Andrew McCabe, and key Justice Department officials decide to protect their own reputations rather than save the democratic process. Once they make that determination, the race is lost for Clinton, who is helpless in front of their accusation even though she has not intended to commit, let alone actually committed, any crime. A dark true-life thriller with historic consequences set at the most crucial moment in the electoral calendar, October Surprise is a warning, a morality tale and a political and personal tragedy.

merrick garland hearing live: One Vote Away Ted Cruz, 2020-09-29 ** WALL STREET JOURNAL BESTSELLER **USA TODAY BESTSELLER ** PUBLISHER'S WEEKLY BESTSELLER **

NEW YORK TIMES BESTSELLER ** With a simple majority on the Supreme Court, the left would have the power to curtail or even abolish the freedoms that have made America a beacon to the world. We are one vote away from losing our most precious constitutional rights. As a Supreme Court clerk, solicitor general of Texas, and private litigator, Ted Cruz played a key role in some of the most important legal cases of the past two decades. In *One Vote Away*, you will discover how often the high court decisions that affect your life have been decided by the narrowest of margins. One vote preserves your right to speak freely, to bear arms, and to exercise your faith. One vote will determine whether your children enjoy their full inheritance as American citizens. God may endow us with certain unalienable rights, but whether we enjoy them depends on nine judges—the high priests who have the last say in our system of government. Drawing back the curtain of their temple, Senator Cruz reveals the struggles, arguments, and strife that have shaped the fate of those rights. No one who reads *One Vote Away* can ever again take a single seat on the Supreme Court for granted.

merrick garland hearing live: The Most Dangerous Branch David A. Kaplan, 2018-09-04 In the bestselling tradition of *The Nine* and *The Brethren*, *The Most Dangerous Branch* takes us inside the secret world of the Supreme Court. David A. Kaplan, the former legal affairs editor of *Newsweek*, shows how the justices subvert the role of the other branches of government—and how we've come to accept it at our peril. With the retirement of Justice Anthony Kennedy, the Court has never before been more central in American life. It is the nine justices who too often now decide the controversial issues of our time—from abortion and same-sex marriage, to gun control, campaign finance and voting rights. The Court is so crucial that many voters in 2016 made their choice based on whom they thought their presidential candidate would name to the Court. Donald Trump picked Neil Gorsuch—the key decision of his new administration. Brett Kavanaugh—replacing Kennedy—will be even more important, holding the swing vote over so much social policy. Is that really how democracy is supposed to work? Based on exclusive interviews with the justices and dozens of their law clerks, Kaplan provides fresh details about life behind the scenes at the Court—Clarence Thomas's simmering rage, Antonin Scalia's death, Ruth Bader Ginsburg's celebrity, Breyer Bingo, the petty feuding between Gorsuch and the chief justice, and what John Roberts thinks of his critics. Kaplan presents a sweeping narrative of the justices' aggrandizement of power over the decades—from *Roe v. Wade* to *Bush v. Gore* to *Citizens United*, to rulings during the 2017-18 term. But the arrogance of the Court isn't partisan: Conservative and liberal justices alike are guilty of overreach. Challenging conventional wisdom about the Court's transcendent power, *The Most Dangerous Branch* is sure to rile both sides of the political aisle.

merrick garland hearing live: Rage Bob Woodward, 2020-09-15 *Rage* is an unprecedented and intimate tour de force of new reporting on the Trump presidency facing a global pandemic, economic disaster and racial unrest. Woodward, the #1 international bestselling author of *Fear: Trump in the White House*, has uncovered the precise moment the president was warned that the Covid-19 epidemic would be the biggest national security threat to his presidency. In dramatic detail, Woodward takes readers into the Oval Office as Trump's head pops up when he is told in January 2020 that the pandemic could reach the scale of the 1918 Spanish Flu that killed 675,000 Americans. In 17 on-the-record interviews with Woodward over seven volatile months—an utterly vivid window into Trump's mind—the president provides a self-portrait that is part denial and part combative interchange mixed with surprising moments of doubt as he glimpses the perils in the presidency and what he calls the "dynamite behind every door." At key decision points, *Rage* shows how Trump's responses to the crises of 2020 were rooted in the instincts, habits and style he developed during his first three years as president. Revisiting the earliest days of the Trump presidency, *Rage* reveals how Secretary of Defense James Mattis, Secretary of State Rex Tillerson and Director of National Intelligence Dan Coats struggled to keep the country safe as the president dismantled any semblance of collegial national security decision making. *Rage* draws from hundreds of hours of interviews with firsthand witnesses as well as participants' notes, emails, diaries, calendars and confidential documents. Woodward obtained 25 never-seen personal letters

exchanged between Trump and North Korean leader Kim Jong Un, who describes the bond between the two leaders as out of a “fantasy film.” Trump insists to Woodward he will triumph over Covid-19 and the economic calamity. “Don’t worry about it, Bob. Okay?” Trump told the author in July. “Don’t worry about it. We’ll get to do another book. You’ll find I was right.”

merrick garland hearing live: Code Red E. J. Dionne, 2020-02-04 An exquisitely timed book ... Code Red is a worthwhile exploration of the shared goals (and shared enemies) that unite moderates and progressives. But more than that, it is a sharp reminder that the common ground on which Dionne built his career has been badly eroded, with little prospect that it will soon be restored.” —The New York Times Book Review New York Times bestselling author and Washington Post columnist E. J. Dionne, Jr. sounds the alarm in Code Red, calling for an alliance between progressives and moderates to seize the moment and restore hope to America’s future for the 2020 presidential election. Will progressives and moderates feud while America burns? Or will these natural allies take advantage of the greatest opportunity since the New Deal Era to strengthen American democracy, foster social justice, and turn back the threats of the Trump Era? The United States stands at a crossroads. Broad and principled opposition to Donald Trump’s presidency has drawn millions of previously disengaged citizens to the public square and to the ballot boxes. This inspired and growing activism for social and political change hasn’t been seen since the days of Franklin Roosevelt’s New Deal policies and the Progressive and Civil Rights movements. But if progressives and moderates are unable—and unwilling—to overcome their differences, they could not only enable Trump to prevail again but also squander an occasion for launching a new era of reform. In Code Red, award-winning journalist E. J. Dionne, Jr., calls for a shared commitment to decency and a politics focused on freedom, fairness, and the future, encouraging progressives and moderates to explore common ground and expand the unity that brought about Democrat victories in the 2018 elections. He offers a unifying model for furthering progress with a Politics of Remedy, Dignity, and More: one that solves problems, resolve disputes, and moves forward; that sits at the heart of the demands for justice by both long-marginalized and recently-displaced groups; and that posits a positive future for Americans with more covered by health insurance, more with decent wages, more with good schools, more security from gun violence, more action to roll back climate change. Breaking through the partisan noise and cutting against conventional wisdom to provide a realistic look at political possibilities, Dionne offers a strategy for progressives and moderates to think more clearly and accept the responsibilities that history now imposes on them. Because at this point in our national story, change can’t wait.

merrick garland hearing live: United States Attorneys' Manual United States. Department of Justice, 1985

merrick garland hearing live: Confirmation Bias Carl Hulse, 2020-06-16 This account of the machinations following Justice Antonin Scalia’s death, and their damaging effects, is “a gripping tale of insider Washington” (The Boston Globe). In this book, the Chief Washington Correspondent for the New York Times provides a richly detailed, news-breaking, and conversation-changing look at the unprecedented political fight to fill the Supreme Court seat made vacant by Antonin Scalia’s death—using it to explain the paralyzing and all but irreversible dysfunction across all three branches in the nation’s capital. The embodiment of American conservative jurisprudence, Scalia cast an expansive shadow over the Court for three decades. His unexpected death in February 2016 created a vacancy that precipitated a pitched political fight that would change not only the tilt of the court, but the course of American history. It would help decide a presidential election, fundamentally alter longstanding protocols of the Senate, and transform the Supreme Court—which has long held itself as a neutral arbiter above politics—into another branch of the federal government riven by partisanship. In an unheard-of development, Senate Majority Leader Mitch McConnell refused to give Democratic President Barack Obama’s nominee, Merrick Garland, a confirmation hearing. Not one Republican in the Senate would meet with him. Scalia’s seat would be held open until Donald Trump’s nominee, Neil M. Gorsuch, was confirmed in April 2017. Hulse tells the story of this battle to control the Court through exclusive interviews with McConnell, Harry Reid, Chuck Schumer, and

other top officials, Trump campaign operatives, court activists, and legal scholars, as well as never-before-reported details. Confirmation Bias provides much-needed context, revisiting the judicial wars of recent decades to show how they led to our current polarization. He examines the politicization of the federal bench and the implications for public confidence in the courts, and takes us behind the scenes to explore how many long-held democratic norms and entrenched bipartisan procedures have been erased across all three branches of government. Includes a new afterword "An absorbing, if dispiriting, look at the maneuverings of inside players like McConnell and Donald McGahn, Trump's first White House counsel, and outside advocates like Leonard Leo of the Federalist Society, who appears to have steered judicial selection as much as anyone in the White House." —The Washington Post

merrick garland hearing live: *Power Wars* Charlie Savage, 2015-11-03 Pulitzer Prize-winning journalist Charlie Savage's penetrating investigation of the Obama presidency and the national security state. Barack Obama campaigned on changing George W. Bush's global war on terror but ended up entrenching extraordinary executive powers, from warrantless surveillance and indefinite detention to military commissions and targeted killings. Then Obama found himself bequeathing those authorities to Donald Trump. How did the United States get here? In *Power Wars*, Charlie Savage reveals high-level national security legal and policy deliberations in a way no one has done before. He tells inside stories of how Obama came to order the drone killing of an American citizen, preside over an unprecedented crackdown on leaks, and keep a then-secret program that logged every American's phone calls. Encompassing the first comprehensive history of NSA surveillance over the past forty years as well as new information about the Osama bin Laden raid, *Power Wars* equips readers to understand the legacy of Bush's and Obama's post-9/11 presidencies in the Trump era.

merrick garland hearing live: *The Prisoner in His Palace* Will Bardenwerper, 2017-06-06 In the tradition of *In Cold Blood* and *The Executioner's Song*, this haunting, insightful, and surprisingly intimate portrait of Saddam Hussein provides "a brief, but powerful, meditation on the meaning of evil and power" (USA TODAY). The "captivating" (Military Times) *The Prisoner in His Palace* invites us to take a journey with twelve young American soldiers in the summer of 2006. Shortly after being deployed to Iraq, they learn their assignment: guarding Saddam Hussein in the months before his execution. Living alongside, and caring for, their "high value detainee and regularly transporting him to his raucous trial, many of the men begin questioning some of their most basic assumptions—about the judicial process, Saddam's character, and the morality of modern war. Although the young soldiers' increasingly intimate conversations with the once-feared dictator never lead them to doubt his responsibility for unspeakable crimes, the men do discover surprising new layers to his psyche that run counter to the media's portrayal of him. Woven from firsthand accounts provided by many of the American guards, government officials, interrogators, scholars, spies, lawyers, family members, and victims, *The Prisoner in His Palace* shows two Saddams coexisting in one person: the defiant tyrant who uses torture and murder as tools, and a shrewd but contemplative prisoner who exhibits surprising affection, dignity, and courage in the face of looming death. In this thought-provoking narrative, Saddam, known as the "man without a conscience," gets many of those around him to examine theirs. "A singular study exhibiting both military duty and human compassion" (Kirkus Reviews), *The Prisoner in His Palace* grants us "a behind-the-scenes look at history that's nearly impossible to put down...a mesmerizing glimpse into the final moments of a brutal tyrant's life" (BookPage).

merrick garland hearing live: *Timing the Infinite* Nathaniel Schmeling, College programmer *Stranger* is an anxiety-ridden over-thinker who takes psychoactive drugs while contemplating the heretical philosophical gambit of techno-anarchy to Satanism. Masking this underlying nerdiness with the public persona of an alpha-male heavy drinking frat star, he's coming to age as a mixed kid whose parents were born during the Civil Rights movement; one generation removed, he is increasingly forced to confront the myths of a post-racial America. Oh, and because these daily identity crises didn't cause enough trouble, *Stranger* falls in love for the first time, despite never

having had a girlfriend or sex sober. He's become enthralled with the demure, soulfully morbid Gunny, who not only has a boyfriend but self-esteem issues that manifest in the self-harm practice of cutting, and she isn't exactly ready to leave the one guy who's supported her throughout the addiction. But don't worry, Stranger doesn't navigate this collegiate underworld alone, he has a whole cast of equally brilliant but disturbed misfits for his hedonistic, poetical high-romance odyssey. And throughout the chronicles of these madcap, absurdist tales, Stranger learns of the limits to love and the pains to be temporary, of failing friendships and intimate escapades, of youth and the aging world.

merrick garland hearing live: American Carnage Tim Alberta, 2019-07-16 New York Times Bestseller "Not a conventional Trump-era book. It is less about the daily mayhem in the White House than about the unprecedented capitulation of a political party. This book will endure for helping us understand not what is happening but why it happened.... [An] indispensable work."—Washington Post Politico Magazine's chief political correspondent provides a rollicking insider's look at the making of the modern Republican Party—how a decade of cultural upheaval, populist outrage, and ideological warfare made the GOP vulnerable to a hostile takeover from the unlikely of insurgents: Donald J. Trump. As George W. Bush left office with record-low approval ratings and Barack Obama led a Democratic takeover of Washington, Republicans faced a moment of reckoning: they had no vision, no generation of new leaders, and no energy in the party's base. Yet Obama's progressive agenda, coupled with the nation's rapidly changing cultural identity, lit a fire under the right. Republicans regained power in Congress but spent that time fighting among themselves. With these struggles weakening the party's defenses, and with more and more Americans losing faith in the political class, the stage was set for an outsider to crash the party. When Trump descended a gilded escalator to launch his campaign in the summer of 2015, the candidate had met the moment. Only by viewing Trump as the culmination of a decade-long civil war inside the GOP can we appreciate how he won the White House and consider the fundamental questions at the center of America's current turmoil. Loaded with explosive original reporting and based on hundreds of exclusive interviews—including with key players such as President Trump, Paul Ryan, Ted Cruz, John Boehner, and Mitch McConnell—*American Carnage* takes us behind the scenes of this tumultuous period and establishes Tim Alberta as the premier chronicler of a political era.

merrick garland hearing live: *Hatchet Man* Elie Honig, 2022-05-03 NATIONAL BESTSELLER "Elie Honig has written much more than a compelling takedown of an unfit attorney general; he also offers a blueprint for how impartial and apolitical justice should be administered in America."—Preet Bharara "An essential analysis for anyone committed to understanding the abuses of the Trump administration so we can ensure they never happen again."—Joyce White Vance "Essential reading for all who cherish the rule of law in America."—George Conway Written with all the color and pacing of a legal thriller.—Variety CNN Senior Legal Analyst Elie Honig exposes William Barr as the most corrupt attorney general in modern U.S. history, with stunning new scandals bubbling to the surface even after Barr's departure from office. In *Hatchet Man*, former federal prosecutor Elie Honig uncovers Barr's unprecedented abuse of power as Attorney General and the lasting structural damage done to the Justice Department. Honig uses his own experience as a prosecutor at DOJ to show how, as America's top law enforcement official, Barr repeatedly violated the Department's written rules, and those vital, unwritten norms and principles that comprise the "prosecutor's code." Barr was corrupt from the beginning. His first act as AG was to distort the findings of Special Counsel Robert Mueller, earning a public rebuke for his dishonesty from Mueller himself and, later, from a federal judge. Then, Barr tried to manipulate the law to squash a whistleblower's complaint about Trump's dealings with Ukraine—the report that eventually led to Trump's first impeachment. Barr later intervened in an unprecedented manner to undermine his own DOJ prosecutors on the cases of Michael Flynn and Roger Stone, both political allies of the President. And then Barr fired the U.S. Attorney for the Southern District of New York under false pretenses. Finally, Barr amplified baseless theories about massive mail-in ballot fraud, pouring gasoline on the dumpster fire battle over the 2020 election results and contributing to the January 6 insurrection that led to

Trump's second impeachment. In *Hatchet Man*, Honig proves that Barr trampled the two core virtues that have long defined the department and its mission: credibility and independence – ultimately in service of his own deeply-rooted, extremist legal and personal beliefs. Honig shows how Barr corrupted the Justice Department and explains what we must do to prevent this from ever happening again.

merrick garland hearing live: Supreme Disorder Ilya Shapiro, 2020-09-22 NAMED ONE OF THE BEST BOOKS OF 2021: POLITICS BY THE WALL STREET JOURNAL A must-read for anyone interested in the Supreme Court.—MIKE LEE, Republican senator from Utah Politics have always intruded on Supreme Court appointments. But although the Framers would recognize the way justices are nominated and confirmed today, something is different. Why have appointments to the high court become one of the most explosive features of our system of government? As Ilya Shapiro makes clear in *Supreme Disorder*, this problem is part of a larger phenomenon. As government has grown, its laws reaching even further into our lives, the courts that interpret those laws have become enormously powerful. If we fight over each new appointment as though everything were at stake, it's because it is. When decades of constitutional corruption have left us subject to an all-powerful tribunal, passions are sure to flare on the infrequent occasions when the political system has an opportunity to shape it. And so we find the process of judicial appointments verging on dysfunction. Shapiro weighs the many proposals for reform, from the modest (term limits) to the radical (court-packing), but shows that there can be no quick fix for a judicial system suffering a crisis of legitimacy. And in the end, the only measure of the Court's legitimacy that matters is the extent to which it maintains, or rebalances, our constitutional order.

merrick garland hearing live: Peril Bob Woodward, Robert Costa, 2023-01-03 The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as #1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with eyewitness accounts of what really happened. Intimate scenes are supplemented with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making *Peril* an unparalleled history. It is also the first inside look at Biden's presidency as he began his presidency facing the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president.

merrick garland hearing live: How to Be a (Young) Antiracist Ibram X. Kendi, Nic Stone, 2023-01-31 The #1 New York Times bestseller that sparked international dialogue is now a book for young adults! Based on the adult bestseller by Ibram X. Kendi, and co-authored by bestselling author Nic Stone, *How to be a (Young) Antiracist* will serve as a guide for teens seeking a way forward in acknowledging, identifying, and dismantling racism and injustice. The New York Times bestseller *How to be an Antiracist* by Ibram X. Kendi is shaping the way a generation thinks about race and racism. *How to be a (Young) Antiracist* is a dynamic reframing of the concepts shared in the adult book, with young adulthood front and center. Aimed at readers 12 and up, and co-authored by award-winning children's book author Nic Stone, *How to be a (Young) Antiracist* empowers teen readers to help create a more just society. Antiracism is a journey--and now young adults will have a map to carve their own path. Kendi and Stone have revised this work to provide anecdotes and data that speaks directly to the experiences and concerns of younger readers, encouraging them to think critically and build a more equitable world in doing so.

merrick garland hearing live: Domestic Extremism Eamon Doyle, 2021-12-15 The United States seems to be more ideologically divided than ever, with political polarization at an all-time

high in recent history. Political differences can be positive, as when they drive an increase in political engagement or push both sides to come to better conclusions. But taken to an extreme, they can be dangerous. The viewpoints in this volume examine extremists on both the right and the left, how domestic extremism has evolved since the advent of the internet and social media, and how law enforcement at various levels should address it, particularly in the prevention of extremist attacks.

merrick garland hearing live: Compromised Peter Strzok, 2020 Even Before he Became President, Trump said and did things that gave the Russian intelligence services the means by which to coerce him—either subtly or explicitly—into taking actions that would benefit their country rather than his. The moment Trump said publicly, I have no business dealings with Russia, he knew he was lying, Putin knew he was lying, and the FBI had reason to believe he was lying. But American citizens didn't know that. The then-presidential candidate's public denial of his business dealings in Russia signaled to Putin that Trump was more interested in maintaining his personal financial interests than in telling the truth to the American people, and that he needed Putin's complicity to maintain the lie. To use an intelligence term that you will be seeing a lot in this book, in this moment Trump became compromised. Book jacket.

merrick garland hearing live: *What a Fish Knows* Jonathan Balcombe, 2016-06-07 A New York Times Bestseller Do fishes think? Do they really have three-second memories? And can they recognize the humans who peer back at them from above the surface of the water? In *What a Fish Knows*, the myth-busting ethologist Jonathan Balcombe addresses these questions and more, taking us under the sea, through streams and estuaries, and to the other side of the aquarium glass to reveal the surprising capabilities of fishes. Although there are more than thirty thousand species of fish—more than all mammals, birds, reptiles, and amphibians combined—we rarely consider how individual fishes think, feel, and behave. Balcombe upends our assumptions about fishes, portraying them not as unfeeling, dead-eyed feeding machines but as sentient, aware, social, and even Machiavellian—in other words, much like us. *What a Fish Knows* draws on the latest science to present a fresh look at these remarkable creatures in all their breathtaking diversity and beauty. Fishes conduct elaborate courtship rituals and develop lifelong bonds with shoalmates. They also plan, hunt cooperatively, use tools, curry favor, deceive one another, and punish wrongdoers. We may imagine that fishes lead simple, fleeting lives—a mode of existence that boils down to a place on the food chain, rote spawning, and lots of aimless swimming. But, as Balcombe demonstrates, the truth is far richer and more complex, worthy of the grandest social novel. Highlighting breakthrough discoveries from fish enthusiasts and scientists around the world and pondering his own encounters with fishes, Balcombe examines the fascinating means by which fishes gain knowledge of the places they inhabit, from shallow tide pools to the deepest reaches of the ocean. Teeming with insights and exciting discoveries, *What a Fish Knows* offers a thoughtful appraisal of our relationships with fishes and inspires us to take a more enlightened view of the planet's increasingly imperiled marine life. *What a Fish Knows* will forever change how we see our aquatic cousins—the pet goldfish included.

merrick garland hearing live: *How Democracies Die* Steven Levitsky, Daniel Ziblatt, 2019-01-08 NEW YORK TIMES BESTSELLER • “Comprehensive, enlightening, and terrifyingly timely.”—The New York Times Book Review (Editors' Choice) WINNER OF THE GOLDSMITH BOOK PRIZE • SHORTLISTED FOR THE LIONEL GELBER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Time • Foreign Affairs • WBUR • Paste Donald Trump's presidency has raised a question that many of us never thought we'd be asking: Is our democracy in danger? Harvard professors Steven Levitsky and Daniel Ziblatt have spent more than twenty years studying the breakdown of democracies in Europe and Latin America, and they believe the answer is yes. Democracy no longer ends with a bang—in a revolution or military coup—but with a whimper: the slow, steady weakening of critical institutions, such as the judiciary and the press, and the gradual erosion of long-standing political norms. The good news is that there are several exit ramps on the road to authoritarianism. The bad news is that, by electing Trump, we have already passed the first one. Drawing on decades of research and a wide range of historical and global examples, from 1930s Europe to contemporary Hungary, Turkey, and Venezuela, to the American South during

Jim Crow, Levitsky and Ziblatt show how democracies die—and how ours can be saved. Praise for *How Democracies Die* “What we desperately need is a sober, dispassionate look at the current state of affairs. Steven Levitsky and Daniel Ziblatt, two of the most respected scholars in the field of democracy studies, offer just that.”—The Washington Post “Where Levitsky and Ziblatt make their mark is in weaving together political science and historical analysis of both domestic and international democratic crises; in doing so, they expand the conversation beyond Trump and before him, to other countries and to the deep structure of American democracy and politics.”—Ezra Klein, Vox “If you only read one book for the rest of the year, read *How Democracies Die*. . . . This is not a book for just Democrats or Republicans. It is a book for all Americans. It is nonpartisan. It is fact based. It is deeply rooted in history. . . . The best commentary on our politics, no contest.”—Michael Morrell, former Acting Director of the Central Intelligence Agency (via Twitter) “A smart and deeply informed book about the ways in which democracy is being undermined in dozens of countries around the world, and in ways that are perfectly legal.”—Fareed Zakaria, CNN

merrick garland hearing live: Supreme Inequality Adam Cohen, 2020-02-25 “Meticulously researched and engagingly written . . . a comprehensive indictment of the court’s rulings in areas ranging from campaign finance and voting rights to poverty law and criminal justice.” —Financial Times A revelatory examination of the conservative direction of the Supreme Court over the last fifty years. In *Supreme Inequality*, bestselling author Adam Cohen surveys the most significant Supreme Court rulings since the Nixon era and exposes how, contrary to what Americans like to believe, the Supreme Court does little to protect the rights of the poor and disadvantaged; in fact, it has not been on their side for fifty years. Cohen proves beyond doubt that the modern Court has been one of the leading forces behind the nation’s soaring level of economic inequality, and that an institution revered as a source of fairness has been systematically making America less fair. A triumph of American legal, political, and social history, *Supreme Inequality* holds to account the highest court in the land and shows how much damage it has done to America’s ideals of equality, democracy, and justice for all.

merrick garland hearing live: Supreme Ambition Ruth Marcus, 2020-11-17 The Washington Post journalist and legal expert Ruth Marcus goes behind the scenes to document the inside story of the Brett Kavanaugh confirmation battle and the Republican plot to take over the Supreme Court—thirty years in the making—in this “impressively reported, highly insightful, and rollicking good read” (The New York Times Book Review). In the summer of 2018 the Kavanaugh drama unfolded so fast it seemed to come out of nowhere. With the power of the #MeToo movement behind her, a terrified but composed Christine Blasey Ford walked into a Senate hearing room to accuse Kavanaugh of sexual assault. This unleashed unprecedented fury from a Supreme Court nominee who accused Democrats of a “calculated and orchestrated political hit.” But behind this showdown was a much bigger one. The Washington Post journalist and legal expert Ruth Marcus documents the thirty-year mission by conservatives to win a majority on the Supreme Court and the lifelong ambition of Brett Kavanaugh to secure his place in that victory. The reporting in *Supreme Ambition* is full of revealing and weighty headlines, as Marcus answers the most pressing questions surrounding this historical moment: How did Kavanaugh get the nomination? Was Blasey Ford’s testimony credible? What does his confirmation mean for the future of the court? Were the Democrats outgunned from the start? On the way, she uncovers secret White House meetings, intense lobbying efforts, private confrontations on Capitol Hill, and lives forever upended on both coasts. This “extraordinarily detailed” (The Washington Post) page-turner traces how Brett Kavanaugh deftly maneuvered to become the nominee and how he quashed resistance from Republicans and from a president reluctant to reward a George W. Bush loyalist. It shows a Republican party that had concluded Kavanaugh was too big to fail, with senators and the FBI ignoring potentially devastating evidence against him. And it paints a picture of Democratic leaders unwilling to engage in the no-holds-barred partisan warfare that might have defeated the nominee. In the tradition of *The Brethren* and *The Power Broker*, *Supreme Ambition* is the definitive account of a pivotal moment in modern history, one that will shape the judicial system of America for

generations to come.

merrick garland hearing live: *Resistance* Jennifer Rubin, 2021-09-21 An insider's look at how women defeated Donald Trump, based on interviews with Kamala Harris, Amy Klobuchar, Stacey Abrams, Nancy Pelosi, and many more. Bookended by Donald Trump's 2016 victory and his 2020 defeat, *Resistance* tracks a set of dynamic women voters, activists and politicians who rose up when he took the White House and fundamentally changed the political landscape. From the first Women's March the day after Trump's inauguration to the Blue Wave in the 2018 midterms to the flood of female presidential candidates in 2020 to the inauguration of Kamala Harris, women from across the ideological spectrum entered the political arena and became energized in a way America had not witnessed in decades. They marched, they organized, they donated vast sums of cash, they ran for office, they made new alliances. And they defeated Donald Trump. Democratic women candidates learned that they could win in large numbers, even in red districts. Black women voters in 2020 surged in Georgia and in suburbs in key swing states. Women across the country voted in greater numbers than in any previous election, flipped the Senate, and ensured victory for the first female Vice President in the nation's history. While Democrats recorded impressive victories, Republican women delivered critical victories of their own. From the White House to Congress, from activists to protestors, from liberals to conservatives, *Resistance* delivers the first comprehensive portrait of women's historic political surge provoked by the horror of President Trump. This is the indelible story of how American women transformed their own lives, vanquished Trump, secured unprecedented positions of power and redefined US politics for decades to come.

merrick garland hearing live: *The Art of Her Deal* Mary Jordan, 2021-05-04 In this "scrupulously reported biography" (NPR) Jordan documents how Melania Trump had discussing being First Lady nearly two decades before she landed in the White House and how she encouraged her husband to enter the race for president. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* is "an extraordinary work" (Salon) that draws an unprecedented portrait of the first lady. We see that behind the scenes Melania Trump is not only part of President Trump's inner circle, but for some key decisions she has been his single most influential advisor. Jordan interviewed key people in Melania's close circle who speak publicly for the first time and uncovered never-before-seen photos and tapes of the tall woman with "tiger eyes," as a judge in an early modeling contest said. *The Art of Her Deal* shows Melania's ascent from a modest life, tracing her journey from childhood under a communist dictator to her complicated relationship with Donald Trump. The picture that emerges is "that the first lady is not a pawn but a player... and a woman able to get what she wants from one of the most powerful and transparently vain men in the world" (NPR). And while it is her husband who became famous for the phrase "the art of the deal," this is the story of the art of her deal.

merrick garland hearing live: *National Strategy for Countering Domestic Terrorism* US National Security Council, 2021-06-15 Together we must affirm that domestic terrorism has no place in our society. -President Joseph R. Biden, Jr., *National Strategy for Countering Domestic Terrorism* (June 2021) *National Strategy for Countering Domestic Terrorism* (June 2021) conveys the Biden Administration's view of domestic terrorism and strategy on how to deal with it. What is domestic terrorism? As defined by this report, it is based on a range of violent ideological motivations, including racial bigotry and anti-government feeling, and it can take several forms, from lone actors and small groups to violent militias.

merrick garland hearing live: *Justice on Trial* Mollie Hemingway, Carrie Severino, 2019-07-09 #1 NATIONAL BESTSELLER! Justice Anthony Kennedy slipped out of the Supreme Court building on June 27, 2018, and traveled incognito to the White House to inform President Donald Trump that he was retiring, setting in motion a political process that his successor, Brett Kavanaugh, would denounce three months later as a "national disgrace" and a "circus." *Justice on Trial*, the definitive insider's account of Kavanaugh's appointment to the Supreme Court, is based on extraordinary access to more than one hundred key figures—including the president, justices, and senators—in that ferocious political drama. The Trump presidency opened with the appointment of Neil Gorsuch

to succeed the late Antonin Scalia on the Supreme Court. But the following year, when Trump drew from the same list of candidates for his nomination of Brett Kavanaugh, the justice being replaced was the swing vote on abortion, and all hell broke loose. The judicial confirmation process, on the point of breakdown for thirty years, now proved utterly dysfunctional. Unverified accusations of sexual assault became weapons in a ruthless campaign of personal destruction, culminating in the melodramatic hearings in which Kavanaugh's impassioned defense resuscitated a nomination that seemed beyond saving. The Supreme Court has become the arbiter of our nation's most vexing and divisive disputes. With the stakes of each vacancy incalculably high, the incentive to destroy a nominee is nearly irresistible. The next time a nomination promises to change the balance of the Court, Hemingway and Severino warn, the confirmation fight will be even uglier than Kavanaugh's. A good person might accept that nomination in the naïve belief that what happened to Kavanaugh won't happen to him because he is a good person. But it can happen, it does happen, and it just happened. The question is whether America will let it happen again.

merrick garland hearing live: *Writing to Save a Life* John Edgar Wideman, 2016-11-15 An award-winning writer traces the life of the father of iconic Civil Rights martyr Emmett Till—a man who was executed by the Army ten years before Emmett's murder. An evocative and personal exploration of individual and collective memory in America by one of the most formidable Black intellectuals of our time. In 1955, Emmett Till, aged fourteen, traveled from his home in Chicago to visit family in Mississippi. Several weeks later he returned, dead; allegedly he whistled at a white woman. His mother, Mamie, wanted the world to see what had been done to her son. She chose to leave his casket open. Images of her brutalized boy were published widely. While Emmett's story is known, there's a dark side note that's rarely mentioned. Ten years earlier, Emmett's father was executed by the Army for rape and murder. In *Writing to Save a Life*, John Edgar Wideman searches for Louis Till, a silent victim of American injustice. Wideman's personal interaction with the story began when he learned of Emmett's murder in 1955; Wideman was also fourteen years old. After reading decades later about Louis's execution, he couldn't escape the twin tragedies of father and son, and tells their stories together for the first time. Author of the award-winning *Brothers and Keepers*, Wideman brings extraordinary insight and a haunting intimacy to this devastating story. An amalgam of research, memoir, and imagination, *Writing to Save a Life* is completely original in its delivery—an engaging and enlightening conversation between generations, the living and the dead, fathers and sons. Wideman turns seventy-five this year, and he brings the force of his substantial intellect and experience to this beautiful, stirring book, his first nonfiction in fifteen years.

merrick garland hearing live: *Republicans Buy Sneakers Too* Clay Travis, 2018-09-25 National Bestseller! Sports media superstar Clay Travis wants to save sports from the social justice warriors seeking to turn them into another political battleground. Have you ever tuned into your favorite sports highlights show, only to find the talking heads yammering about the newest Trump tweets or what an athlete thinks about the second amendment? The way Clay Travis sees it, sports are barely about sports anymore. Whether it's in the stadium or the studio, the conversation isn't about who's talented and who stinks. It's about who said the right or wrong thing from the sidelines or on social media. And we know which side is playing referee in that game. Having ruined journalism and Hollywood, far left-wing activists have now turned to sports. Travis argues it's time for right-thinking fans everywhere to put down their beers and reclaim their teams and their traditions. In *Republicans Buy Sneakers, Too* he replays the arguments he's won and lays out all the battles ahead. His goal is simple: to make sports great again. Travis wants sports to remain the great equalizer and ultimate meritocracy—a passion that unites Americans of all races, genders, and creeds, providing an opportunity to find common ground and an escape from polarizing commentary. He takes readers through the recent politicization of sports, controversy by controversy and untalented-but-celebrated hero by hero, and skewers outlets like ESPN which spend more time mimicking MSNBC than covering sports. Travis hopes that if we can stop sports from being just another political battlefield, and return it to our common ground, we can come together as a country again.

merrick garland hearing live: *The Price of Power* Michael Tackett, 2024-10-29 The first definitive biography of Mitch McConnell, revealing an intimate look at the personal and political life of one of the most powerful Senators in American history. In the long history of American government, few Senators have wielded as much power as Kentucky's Mitch McConnell. That's no accident; he worked his entire life to cultivate his dominance. In *The Price of Power*, award-winning journalist Michael Tackett pulls back the curtain on one of the most influential figures to ever set foot in the American Senate, offering you an intimate, personal view of his life and career. Drawing on thousands of pages of archival materials, letters, and more than 100 interviews with associates, colleagues, and McConnell himself, Tackett pieces together the story of McConnell's early life, his formative battle with polio as a young child, and the teenage infatuation with politics that persisted through his four decades in the Senate. A lifelong Republican, McConnell was known as a pragmatic moderate legislator when he joined the Senate in 1985. Tackett details his steady rightward drift, as McConnell's politics evolved with his masterful ability to consolidate and wield power. But such success comes at a cost. The Trump years brought with them the rise of an almost unrecognizable Republican party, suffused with a reactive populism that even McConnell himself would struggle to control. Featuring expert reporting, unprecedented access, and never-before-published revelations, *The Price of Power* is required reading for anyone interested in understanding one of America's most influential legislators and the inner workings of our government.

merrick garland hearing live: *The Obama Presidency and the Politics of Change* Edward Ashbee, John Dumbrell, 2016-11-09 This edited volume considers the extent to which the Obama presidency matched the promises of hope and change that were held out in the 2008 election. Contributors assess the character of "change" and, within this context, survey the extent to which there was enduring change within particular policy areas, both domestic and foreign. The authors combine empirical detail with more speculative assessment of the limits and possibilities of change amidst a very dense institutional landscape and in an era of intense political polarization. Some see significant changes, the full consequences of which may only be evident in later years. Other authors in the collection present a markedly different picture and suggest that processes of change were not only limited and partial but at times leading the US in directions far removed from the promises of 2008. The book will make an important contribution to the debates about the Obama legacy.

merrick garland hearing live: *Good Boy* Jennifer Finney Boylan, 2020-04-21 From bestselling author of *She's Not There*, New York Times opinion columnist, and human rights activist Jennifer Finney Boylan, *Good Boy: My Life in Seven Dogs*, a memoir of the transformative power of loving dogs. This is a book about dogs: the love we have for them, and the way that love helps us understand the people we have been. It's in the love of dogs, and my love for them, that I can best now take the measure of the child I once was, and the bottomless, unfathomable desires that once haunted me. There are times when it is hard for me to fully remember that love, which was once so fragile, and so fierce. Sometimes it seems to fade before me, like breath on a mirror. But I remember the dogs. In her New York Times opinion column, Jennifer Finney Boylan wrote about her relationship with her beloved dog Indigo, and her wise, funny, heartbreaking piece went viral. In *Good Boy*, Boylan explores what should be the simplest topic in the world, but never is: finding and giving love. *Good Boy* is a universal account of a remarkable story: showing how a young boy became a middle-aged woman—accompanied at seven crucial moments of growth and transformation by seven memorable dogs. "Everything I know about love," she writes, "I learned from dogs." Their love enables us to pull off what seem like impossible feats: to find our way home when we are lost, to live our lives with humor and courage, and above all, to best become our true selves.

merrick garland hearing live: *I Alone Can Fix It* Carol Leonnig, Philip Rucker, 2021-07-20 The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of *A Very Stable Genius*. "Chilling." - Anderson Cooper "Jaw-dropping." - John Berman "Shocking." - John Heilemann

"Explosive." – Hallie Jackson "Blockbuster new reporting." – Nicolle Wallace "Bracing new revelations." – Brian Williams "Bombshell reporting." – David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

merrick garland hearing live: Supreme Court , 1882

merrick garland hearing live: Ball of Collusion Andrew C. McCarthy, 2020-09-22 The real collusion in the 2016 election was not between the Trump campaign and the Kremlin. It was between the Clinton campaign and the Obama administration. The media-Democrat "collusion narrative," which paints Donald Trump as cat's paw of Russia, is a studiously crafted illusion. Despite Clinton's commanding lead in the polls, hyper-partisan intelligence officials decided they needed an "insurance policy" against a Trump presidency. Thus was born the collusion narrative, built on an anonymously sourced "dossier," secretly underwritten by the Clinton campaign and compiled by a former British spy. Though acknowledged to be "salacious and unverified" at the FBI's highest level, the dossier was used to build a counterintelligence investigation against Trump's campaign. Miraculously, Trump won anyway. But his political opponents refused to accept the voters' decision. Their collusion narrative was now peddled relentlessly by political operatives, intelligence agents, Justice Department officials, and media ideologues—the vanguard of the "Trump Resistance." Through secret surveillance, high-level intelligence leaking, and tireless news coverage, the public was led to believe that Trump conspired with Russia to steal the election. Not one to sit passively through an onslaught, President Trump fought back in his tumultuous way. Matters came to a head when he fired his FBI director, who had given explosive House testimony suggesting the president was a criminal suspect, despite privately assuring Trump otherwise. The resulting firestorm of partisan protest cowed the Justice Department to appoint a special counsel, whose seemingly limitless investigation bedeviled the administration for two years. Yet as months passed, concrete evidence of collusion failed to materialize. Was the collusion narrative an elaborate fraud? And if so, choreographed by whom? Against media-Democrat caterwauling, a doughty group of lawmakers forced a shift in the spotlight from Trump to his investigators and accusers. This has exposed the depth of politicization within American law-enforcement and intelligence agencies. It is now clear that the institutions on which our nation depends for objective policing and clear-eyed analysis injected themselves scandalously into the divisive politics of the 2016 election. They failed to forge a new Clinton administration. Will they succeed in bringing down President Trump?

merrick garland hearing live: Saving Justice James Comey, 2021-01-12 James Comey, former FBI Director and New York Times bestselling author of *A Higher Loyalty*, uses his long

career in federal law enforcement to explore issues of justice and fairness in the US justice system. James Comey might best be known as the FBI director that Donald Trump fired in 2017, but he's had a long, varied career in the law and justice system. He knows better than most just what a force for good the US justice system can be, and how far afield it has strayed during the Trump Presidency. In his much-anticipated follow-up to *A Higher Loyalty*, Comey uses anecdotes and lessons from his career to show how the federal justice system works. From prosecuting mobsters as an Assistant US Attorney in the Southern District of New York in the 1980s to grappling with the legalities of anti-terrorism work as the Deputy Attorney General in the early 2000s to, of course, his tumultuous stint as FBI director beginning in 2013, Comey shows just how essential it is to pursue the primacy of truth for federal law enforcement. *Saving Justice* is gracefully written and honestly told, a clarion call for a return to fairness and equity in the law.

merrick garland hearing live: *Dearest Father* Ann Davis, 2024-07-19 Dearest Reader, The most difficult part of life these days has been the ongoing battles between family and friends, once united on so many fronts, now unable to speak civilly to one another. Perhaps you've had a similar experience with your loved ones and have been left speechless. The hope is that you can find some answers within this book about why your relationships have changed. During the past few years, it has been hard to hear the spread of untruths, and wonder if name-calling, blaming, threatening, or isolation is eroding conversations with members of your inner circle. And while our journeys through the past few years may not be exactly the same, surely, we can agree that the days and months leading into 2022 have been filled with anguish. Praying that our Dearest Father brings you some comfort, and that his messages help you find your personal truth.

merrick garland hearing live: *In Deep: The FBI, the CIA, and the Truth about America's "Deep State"* David Rohde, 2020-04-21 Revised and updated One of today's most respected journalists, David Rohde takes on one of the country's most toxic conspiracy theories, presenting a scrupulously reported and even-handed account of how power and intelligence are exploited in Washington that "goes deep indeed inside America's security state, telling a story that will surprise readers of all political persuasions" (Jane Mayer, author of *Dark Money*). Donald Trump blamed his 2020 defeat on Democrats and the "deep state"—a supposed secret cabal of Washington insiders that relentlessly encroaches on the individual rights of Americans—for stealing the election and undermining his presidency. Most Americans who supported him agreed. Americans on the left increasingly fear the "military-industrial complex," a faction of generals and defense contractors who they believe routinely push the country into endless wars. But does the American "deep state" really exist? This question is fundamental to preserving the legitimacy of American democracy, as frustration with and distrust for the government continue to grow. *In Deep* seeks to dispel these pernicious myths through an examination of the FBI, CIA, and Justice Department scandals of the past fifty years from the Church Committee's exposure of Cold War abuses to the claims and counterclaims of the Trump era and the relentless spread of conspiracy theories online and on air. It exposes the misconduct of Attorney General William Barr; how distrust of the "deep state" undermined the US government response to the COVID-19 pandemic; and the growing discord sowed by the explosion of false information online. It investigates Trump's quest to discredit government experts, the legislative and judicial branches, and the results of the 2020 election and assume authoritarian power for himself. "The idea of the deep state, Rohde writes, is inextricably linked to a particular view of presidential power" (Dina Temple-Raston, *Washington Post*). Based on dozens of interviews with career CIA operatives and FBI agents, "*In Deep* is a wholly satisfying read and a necessary one for anyone wanting to understand the forces at play in our government today" (Andrea Bernstein, Peabody Award-winning cohost of the *Trump, Inc.* podcast and author of *American Oligarchs*).

merrick garland hearing live: *The Emperor of Ocean Park* Stephen L. Carter, 2003-05-27 NATIONAL BESTSELLER • INSPIRATION FOR THE MGM+ ORIGINAL SERIES • ONE OF TIME MAGAZINE'S 100 BEST MYSTERY AND THRILLER BOOKS OF ALL TIME • In his triumphant fictional debut, Stephen Carter combines a large-scale, riveting novel of suspense with the saga of a

unique family. The Emperor of Ocean Park is set in two privileged worlds: the upper crust African American society of the Eastern seaboard—families who summer at Martha's Vineyard—and the inner circle of an Ivy League law school. "Beautifully written and cleverly plotted. A rich, complex family saga, one deftly woven through a fine legal thriller." —John Grisham Talcott Garland is a successful law professor, devoted father, and husband of a beautiful and ambitious woman, whose future desires may threaten the family he holds so dear. When Talcott's father, Judge Oliver Garland, a disgraced former Supreme Court nominee, is found dead under suspicious circumstances, Talcott wonders if he may have been murdered. Guided by the elements of a mysterious puzzle that his father left, Talcott must risk his marriage, his career and even his life in his quest for justice. Superbly written and filled with memorable characters, The Emperor of Ocean Park is both a stunning literary achievement and a grand literary entertainment.

merrick garland hearing live: The New New Deal Michael Grunwald, 2012-08-14 In a riveting account based on new documents and interviews with more than 400 sources on both sides of the aisle, award-winning reporter Michael Grunwald reveals the vivid story behind President Obama's \$800 billion stimulus bill, one of the most important and least understood pieces of legislation in the history of the country. Grunwald's meticulous reporting shows how the stimulus, though reviled on the right and the left, helped prevent a depression while jump-starting the president's agenda for lasting change. As ambitious and far-reaching as FDR's New Deal, the Recovery Act is a down payment on the nation's economic and environmental future, the purest distillation of change in the Obama era. The stimulus has launched a transition to a clean-energy economy, doubled our renewable power, and financed unprecedented investments in energy efficiency, a smarter grid, electric cars, advanced biofuels, and green manufacturing. It is computerizing America's pen-and-paper medical system. Its Race to the Top is the boldest education reform in U.S. history. It has put in place the biggest middle-class tax cuts in a generation, the largest research investments ever, and the most extensive infrastructure investments since Eisenhower's interstate highway system. It includes the largest expansion of antipoverty programs since the Great Society, lifting millions of Americans above the poverty line, reducing homelessness, and modernizing unemployment insurance. Like the first New Deal, Obama's stimulus has created legacies that last: the world's largest wind and solar projects, a new battery industry, a fledgling high-speed rail network, and the world's highest-speed Internet network. Michael Grunwald goes behind the scenes—sitting in on cabinet meetings, as well as recounting the secret strategy sessions where Republicans devised their resistance to Obama—to show how the stimulus was born, how it fueled a resurgence on the right, and how it is changing America. The New New Deal shatters the conventional Washington narrative and it will redefine the way Obama's first term is perceived.

Merrick Garland Hearing Live Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Merrick Garland Hearing Live free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Merrick Garland Hearing Live free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Merrick Garland Hearing Live free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Merrick Garland Hearing Live. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Merrick Garland Hearing Live any PDF files. With these platforms, the world of PDF downloads is just a click away.
