**miles munroe: *The Purpose and Power of Authority*** Myles Munroe, 2010-12-03 In *Understanding the Purpose and Power of Authority*, best-selling author Dr. Myles Munroe turns the widely accepted but counterfeit concept of authority upside down. Then, he reveals God's original intent, showing us how to live in the freedom of our own personal authority in God's great design and to respond positively to the inherent authority of others. Many people view authority as something oppressive, stifling, and even fearful. All of us hate to be controlled or manipulated. Our

negative concepts and experiences of authority produce life-draining emotions—fear, distrust, suspicion, friction, defensiveness, antagonism, stress, worry, and dread. Others have a limited perspective of what authority means, believing that only people who reach a certain “level” in life can exercise it. They don’t believe they could ever be called to a place of authority. The truth is, we were all created for authority, and we are all answerable to the authority of others. Authority is what we’re authorized to do by our inherent purposes. You have a God-given calling to develop your own personal authority to carry out your unique purpose in life.

**miles munroe: The Spirit of Leadership** Myles Munroe, 2005-01-01 You were born to lead. Now it's time to become a leader. Leaders may be found in boardrooms, but they may also be found in families, schools, and organizations of all kinds—anywhere people interact, nurture, create, or build. Contrary to popular opinion, leadership is not meant for an elite group of people who, by fate or accident, become leaders while everyone else is consigned to being a lifelong follower. After personally training thousands of leaders from around the world, best-selling author Dr. Myles Munroe reports that while every person possesses the potential of leadership, many do not understand how to cultivate the leadership nature and how to apply it to their lives. **miles munroe: The Power of Character in Leadership** Myles Munroe, 2014-01-01 How to Protect Your Leadership Influence and Power You’ve worked hard to achieve your dreams and goals. Many others have done the same—only to lose it all in the end. Every day, we read about successful people in various walks of life who have lost their power and influence. They’ve been fired, forced to resign, or shamed out of public life. They no longer have a market for their gifts, and they may even face criminal proceedings. These leaders have lost the trust of their companies, constituents, nations, followers, and families. Many were surprised to discover that their talents alone were not enough to prevent their downfall. Why did they fail in the end? Because they lacked the one quality that would have protected their leadership and given them enduring influence. Ironically, this quality is seldom taught to leaders today, either formally or informally. It is the quality of moral force, or character. Every human being is a leader over some domain as he or she exercises gifts and

influence. That domain might be the halls of government, the boardroom, the classroom, the community, or the home. In *The Power of Character in Leadership: How Values, Morals, Ethics, and Principles Affect Leaders*, you will discover what character is, what it means to develop moral force, and how to preserve your leadership influence so that it is both effective and enduring.

Prayer is the most misunderstood and neglected aspect of the Christian life. It has been estimated that most Christians pray three to five minutes a day. Compare that to the time many spend complaining, and you'll gain insight into the spiritual and emotional condition of our day. Yet God has constructed the world in such a way that there is much He won't do in a Christian's life apart from prayer. Prayer, when combined with faith, can accomplish great things. In this practical and comprehensive overview of prayer, Tony Evans covers a variety of topics, including: Principles of productive prayer The power of prayer and praise Fasting and prayer Prayer and God's purposes Tony's expositions of various passages on prayer will help you realize its critical importance and encourage you to make it a dominant mark of your life.
