**philly chinese lantern festival tickets: Busted** Wendy Ruderman, Barbara Laker, 2014-03-11 In the vein of Erin Brockovich, The Departed, and T. J. English's Savage City comes Busted, the shocking true story of the biggest police corruption scandal in Philadelphia history, a tale of drugs, power, and abuse involving a rogue narcotics squad, a confidential informant, and two veteran journalists whose reporting drove a full-scale FBI probe, rocked the City of Brotherly Love, and earned a Pulitzer Prize . In 2003, Benny Martinez became a Confidential Informant for a member of the Philadelphia Police Department's narcotics squad, helping arrest nearly 200 drug and gun dealers over seven years. But that success masked a dark and dangerous reality: the cops were as corrupt as the criminals they targeted. In addition to fabricating busts, the squad systematically looted mom-and-pop stores, terrorizing hardworking immigrant owners. One squad member also sexually assaulted three women during raids. Frightened for his life, Martinez turned to Philadelphia Daily News reporters Wendy Ruderman and Barbara Laker. Busted chronicles how these two journalists—both middle-class working mothers—formed an unlikely bond with a convicted street dealer to uncover the secrets of ruthless kingpins and dirty cops. Professionals in an industry shrinking from severe financial cutbacks, Ruderman and Laker had few resources—besides their own grit and tenacity—to break a dangerous, complex story that would expose the rotten underbelly of a modern American city and earn them a Pulitzer Prize. A page-turning thriller based on superb reportage, illustrated with eight pages of photos, Busted is modern true crime at its finest.

**philly chinese lantern festival tickets: Some Wear Leather, Some Wear Lace** Andrea Harriman, Marloes Bontje, 2014-08-15 It was a scene that had many names: some original members referred to themselves as punks, others, new romantics, new wavers, the bats or the morbids. 'Goth' did not gain lexical currency until the late 1980s. But no matter what term was used, 'postpunk' encompasses all the incarnations of the 1980s alternative movement. Some Wear Leather, Some Wear Lace is a visual and oral history of the first decade of the scene. Featuring interviews with both the performers and the audience to capture the community on and off stage, the book places personal snapshots alongside professional photography to reveal a unique range of fashions, bands and scenes. A book about the music, the individual and the creativity of a worldwide community rather than theoretical definitions of a subculture, Some Wear Leather, Some Wear Lace considers a subject not often covered by academic books. Whether you were part of the scene or are just fascinated by different modes of expression, this book will transport you to another time and place.

The narrative covers the original excavations and archaeological history of the Sphinx, how it came to Philadelphia, and the unexpected ways in which the Sphinx's story intersects with the history of Philadelphia, the University of Pennsylvania, and the Museum just before World War I. The book features ample illustrations—photographs, letters, newspaper stories, postcards, maps, and drawings—drawn largely from the extensive materials in the Museum Archives. Images of related artifacts in the Penn Museum's Egyptian collection and other objects from the Egyptian, Near East, and Mediterranean Sections (many not on view and some never before published), as well as pieces in museums in the United States, Europe, and Egypt, place the story of the Penn Museum Sphinx in a wider context. **philly chinese lantern festival tickets: Styling the Stars** Angela Cartwright, Tom McLaren, 2017-04-04 A stunning collection of behind-the-scenes hair, makeup, and wardrobe continuity photographs from the Twentieth Century Fox archive, *Styling the Stars* features images of more than 150 actors—such as Marilyn Monroe, Audrey Hepburn, Julie Andrews, Cary Grant, Clark Gable, and Paul Newman—from more than 100 Fox classics, including *Miracle on 34th Street*, *The Sound of Music*, *Cleopatra*, and *Butch Cassidy and the Sundance Kid*. In 1997 Twentieth Century Fox established an archive of all-but-forgotten production stills taken during the filming of some of their most memorable movies. Published here for the first time, this archive includes hundreds of riveting portraits of Hollywood's most treasured leading men and women as they were prepped for the camera. Revered for their indisputable sense of style, the carefully crafted characters portrayed by the likes of Clark Gable, Julie Andrews, and Audrey Hepburn came as the result of meticulous hairstyling, makeup artistry, and lavish costume design. In Hollywood's trendsetting word of glamour and glitz, continuity photographs ensured that these wardrobe elements remained consistent throughout the filming process. Once fully styled, stars posed for camera-ready continuity shots, which now, decades later, provide a striking record of the evolution of Hollywood fashion and stardom from the 1930s to the early 1970s. Through these long-lost photographs, which were never intended for the public eye, *Styling the Stars* takes fans of film, fashion, and photography inside the Twentieth Century Fox archive to deliver an intimate look at Hollywood's Golden Age and beyond. Written by Angela Cartwright (*The Sound of Music*, *Lost in Space*) and Tom McLaren, with a foreword by Maureen O'Hara (*Miracle on 34th Street*), this collection of candid rarities offers a glimpse into the details of prepping Hollywood's most iconic personalities, as well as revelatory stories about Twentieth Century Fox classics, such as *Planet of the Apes*, *Cleopatra*, *Butch Cassidy and the Sundance Kid*, *The Young Lions*, and more. Here you'll find images of Shirley Temple as she runs a brush through her trademark curls, Marilyn Monroe as she's styled for her role in *Let's Make It Legal*, Cary Grant as he suits up for a swim, and Paul Newman donning a six-shooter, among hundreds of rare, never-before-published photographs. The result is a stunning collector's volume of film and fashion photography, as well as an invaluable compendium of movie history. *Styling the Stars* is now available in paperback for the first time.

**philly chinese lantern festival tickets:** Want Not Jonathan Miles, 2013-11-05 A "shrewd, funny, and sometimes devastating" novel about the things we desire and the things we throw away (Entertainment Weekly). A New York Times Notable Book A highly inventive, corrosively funny story of our times, *Want Not* exposes three different worlds in various states of disrepair—a young freegan couple living off the grid in New York City; a once-prominent linguist, sacked at midlife by the dissolution of his marriage and his father's losing battle with Alzheimer's; and a self-made debt-collecting magnate, whose brute talent for squeezing money out of unlikely places has yielded him a royal existence, trophy wife included. Want and desire propel these characters forward toward something, anything, more, until their worlds collide, briefly, randomly, yet irrevocably, in a shattering ending that will haunt readers long after the last page is turned. "Its pleasures are endless.—Joshua Ferris, author of *Then We Came to the End* "Terrific...The novel may begin with prickly satire, it may dig deep into America's disposable lifestyle, but it ultimately pivots to scenes of surprising tenderness...a novel to hoard."—The Washington Post "Leaps nimbly from topic to topic...from freeganism to conspicuous consumption; from Manhattan's Alphabet City to residential New Jersey to the backwoods of Tennessee; and from neighbors with nothing but geographical location in common to sisters who share nothing but blood....Sitting down with *Want Not* is like finding yourself opposite the most interesting person at a dinner party. It pulls you in immediately; makes you shake your head in wonder and delight at your new companion's wit, originality, and compelling turns of phrase; and, best of all, surprises you into laughter."—Pittsburgh Post-Gazette "For readers who relish extravagant language, scathing wit and philosophical heft, *Want Not* wastes nothing."—Kirkus Reviews (starred review)

**philly chinese lantern festival tickets:** **In Defense of Looting** Vicky Osterweil, 2020-08-25 A fresh argument for rioting and looting as our most powerful tools for dismantling white supremacy. Looting -- a crowd of people publicly, openly, and directly seizing goods -- is one of the more extreme actions that can take place in the midst of social unrest. Even self-identified radicals distance themselves from looters, fearing that violent tactics reflect badly on the broader movement. But Vicky Osterweil argues that stealing goods and destroying property are direct, pragmatic strategies of wealth redistribution and improving life for the working class -- not to mention the brazen messages these methods send to the police and the state. All our beliefs about the innate righteousness of property and ownership, Osterweil explains, are built on the history of anti-Black, anti-Indigenous oppression. From slave revolts to labor strikes to the modern-day movements for climate change, Black lives, and police abolition, Osterweil makes a convincing case for rioting and looting as weapons that bludgeon the status quo while uplifting the poor and marginalized. In *Defense of Looting* is a history of violent protest sparking social change, a compelling reframing of revolutionary activism, and a practical vision for a dramatically restructured society.

**philly chinese lantern festival tickets: Our Enemies in Blue** Kristian Williams, 2015-08-03  
Let's begin with the basics: violence is an inherent part of policing. The police represent the most direct means by which the state imposes its will on the citizenry. They are armed, trained, and authorized to use force. Like the possibility of arrest, the threat of violence is implicit in every police encounter. Violence, as well as the law, is what they represent. Using media reports alone, the Cato Institute's last annual study listed nearly seven thousand victims of police misconduct in the United States. But such stories of police brutality only scratch the surface of a national epidemic. Every year, tens of thousands are framed, blackmailed, beaten, sexually assaulted, or killed by cops. Hundreds of millions of dollars are spent on civil judgments and settlements annually. Individual lives, families, and communities are destroyed. In this extensively revised and updated edition of his seminal study of policing in the United States, Kristian Williams shows that police brutality isn't an anomaly, but is built into the very meaning of law enforcement in the United States. From antebellum slave patrols to today's unarmed youth being gunned down in the streets, peace keepers have always used force to shape behavior, repress dissent, and defend the powerful. *Our Enemies in Blue* is a well-researched page-turner that both makes historical sense of this legalized social pathology and maps out possible alternatives.

**philly chinese lantern festival tickets: Cuisine and Culture** Linda Civitello, 2011-03-29  
*Cuisine and Culture* presents a multicultural and multiethnic approach that draws connections between major historical events and how and why these events affected and defined the culinary traditions of different societies. Witty and engaging, Civitello shows how history has shaped our diet—and how food has affected history. Prehistoric societies are explored all the way to present day issues such as genetically modified foods and the rise of celebrity chefs. Civitello's humorous tone and deep knowledge are the perfect antidote to the usual scholarly and academic treatment of this universally important subject.

**philly chinese lantern festival tickets: And Then I Danced** Mark Segal, 2015-09-14 A gay-rights pioneer shares his stories, from Stonewall to dancing with his husband at the White House, in a memoir full of “funny anecdotes and heart” (Publishers Weekly). On December 11, 1973, Mark Segal disrupted a live broadcast of the CBS Evening News when he sat on the desk directly between the camera and news anchor Walter Cronkite, yelling, “Gays protest CBS prejudice!” He was wrestled to the studio floor by the stagehands on live national television, thus ending LGBT invisibility. But this one victory left many more battles to fight, and creativity was required to find a way to challenge stereotypes. Mark Segal's job, as he saw it, was to show the nation who gay people are: our sons, daughters, fathers, and mothers. This is a memoir of one man's role in modern LGBT history, from being on the scene of the Stonewall riots, to getting kicked off a 1970s TV show for dancing with another man—and then, decades later, dancing with his husband at a White House event for Gay Pride. “[Segal] vividly describes his firsthand experience as a teenager inside the Stonewall bar during the historic riots, his participation with the Gay Liberation Front, and amusing encounters with Elton John and Patti LaBelle....A jovial yet passionately delivered self-portrait inspiring awareness about LGBT history from one of the movement's true pioneers.”—Kirkus Reviews “The stories are interesting, unexpected, and witty.”—Library Journal “Much this book focuses on his work, but the more telling pages are filled with love gained and lost, raising other people's children, finding himself, and aging in the gay community. A must-read.”—The Advocate

**philly chinese lantern festival tickets: Pocket Kings** Ted Heller, 2012-03-27 A “highly entertaining” story of a frustrated novelist who finds fame, fortune—and trouble—in the world of online poker (The New York Times Book Review). When Frank Dixon, a writer who has seen his career crash and burn, decides to dabble in online poker, he discovers he has a knack for winning. In this newfound realm, populated by alluring characters—each of them elusive, mysterious, and glamorous—he becomes a smash success: popular, rich, and loved. Going by the name Chip Zero, he

sees his fortunes and romantic liaisons thrive in cyberspace while he remains blind to the fact that his real life is sinking. His online success, however, does not come without complications, as he comes to realize that his "virtual" friends and lovers are, in fact, made of flesh and blood—and one rival player is not at all happy that Mr. Zero has taken all his money. "Brazen, often hilarious . . . an illuminating and fully realized story about identity and reputation in the digital age." —The Washington Post "[A] recklessly funny, sparky satire of our obsession with the virtual world." —Vanity Fair "Laugh-out-loud . . . There is a certain Everyman quality to Frank . . . whose self-deprecating humor helps carry him through his midlife angst and denial of addiction; you want to wish him well." —Booklist

**philly chinese lantern festival tickets:** Anger is an Energy: My Life Uncensored John Lydon, 2014-10-09 John Lydon has secured prime position as one of the most recognizable icons in the annals of music history. As Johnny Rotten, he was the lead singer of the Sex Pistols - the world's most notorious band, who shot to fame in the mid-1970s with singles such as 'Anarchy in the UK' and 'God Save the Queen'. So revolutionary was his influence, he was even discussed in the Houses of Parliament, under the Traitors and Treasons Act, which still carries the death penalty. Via his music and invective he spearheaded a generation of young people across the world who were clamouring for change - and found it in the style and attitude of this most unlikely figurehead. With his next band, Public Image Ltd (PiL) Lydon expressed an equally urgent impulse in his make-up - the constant need to reinvent himself, to keep moving. From their beginnings in 1978 he set the groundbreaking template for a band that continues to challenge and thrive in the 2010s. He also found time for making innovative new dance records with the likes of Afrika Baambaata and Leftfield. Following the release of a solo record in 1997, John took a sabbatical from his music career into other media, most memorably his own Rotten TV show for VH1 and as the most outrageous contestant ever on I'm a Celebrity.... Get Me Out of Here! He then fronted the Megabugsseries and one-off nature documentaries and even turned his hand to a series of much loved TV advertisements for Country Life butter. Lydon has remained a compelling and dynamic figure - both as a musician, and, thanks to his outspoken, controversial, yet always heartfelt and honest statements, as a cultural commentator. The book a fresh and mature look back on a life full of incident from his beginnings as a sickly child of immigrant Irish parents who grew up in post-war London, to his present status as a vibrant, alternative national hero.

**philly chinese lantern festival tickets: True Biz** Sara Novic, 2023-02-28 NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • A "tender, beautiful and radiantly outraged" (The New York Times Book Review) novel that follows a year of seismic romantic, political, and familial shifts for a teacher and her students at a boarding school for the deaf, from the acclaimed author of *Girl at War* "For those who loved the Oscar-winning film CODA, a boarding school for deaf students is the setting for a kaleidoscope of experiences."—The Washington Post ONE OF THE BEST BOOKS OF THE YEAR: NPR, The Washington Post, Publishers Weekly, Booklist True biz (adj./exclamation; American Sign Language): really, seriously, definitely, real-talk True biz? The students at the River Valley School for the Deaf just want to hook up, pass their history finals, and have politicians, doctors, and their parents stop telling them what to do with their bodies. This revelatory novel plunges readers into the halls of a residential school for the deaf, where they'll meet Charlie, a rebellious transfer student who's never met another deaf person before; Austin, the school's golden boy, whose world is rocked when his baby sister is born hearing; and February, the hearing headmistress, a CODA (child of deaf adult(s)) who is fighting to keep her school open and her marriage intact, but might not be able to do both. As a series of crises both personal and political threaten to unravel each of them, Charlie, Austin, and February find their lives inextricable from one another—and changed forever. This is a story of sign language and lip-reading, disability and civil rights, isolation and injustice, first love and loss, and, above all, great persistence, daring, and joy. Absorbing and assured, idiosyncratic and relatable, this is an unforgettable journey into the Deaf community and a universal celebration of human connection.

**philly chinese lantern festival tickets: Girl at War** Sara Novic, 2016-03-22 For readers of *The Tiger's Wife* and *All the Light We Cannot See* comes a powerful debut novel about a girl's coming of age—and how her sense of family, friendship, love, and belonging is profoundly shaped by war. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE, BOOKLIST, AND ELECTRIC LITERATURE • ALEX AWARD WINNER • LOS ANGELES TIMES BOOK PRIZE FINALIST • LONGLISTED FOR THE BAILEYS WOMEN'S PRIZE FOR FICTION Zagreb, 1991. Ana Jurić is a carefree ten-year-old, living with her family in a small apartment in Croatia's capital. But that year, civil war breaks out across Yugoslavia, splintering Ana's idyllic childhood. Daily life is altered by food rations and air raid drills, and soccer matches are replaced by sniper fire. Neighbors grow suspicious of one another, and Ana's sense of safety starts to fray. When the war arrives at her doorstep, Ana must find her way in a dangerous world. New York, 2001. Ana is now a college student in Manhattan. Though she's tried to move on from her past, she can't escape her memories of war—secrets she keeps even from those closest to her. Haunted by the events that forever changed her family, Ana returns to Croatia after a decade away, hoping to make peace with the place she once called home. As she faces her ghosts, she must come to terms with her country's difficult history and the events that interrupted her childhood years before. Moving back and forth through time, *Girl at War* is an honest, generous, brilliantly written novel that illuminates how

history shapes the individual. Sara Nović fearlessly shows the impact of war on one young girl—and its legacy on all of us. It's a debut by a writer who has stared into recent history to find a story that continues to resonate today. Praise for *Girl at War* "Outstanding . . . *Girl at War* performs the miracle of making the stories of broken lives in a distant country feel as large and universal as myth."—The New York Times Book Review (Editor's Choice) "[An] old-fashioned page-turner that will demand all of the reader's attention, happily given. A debut novel that astonishes."—Vanity Fair "Shattering . . . The book begins with what deserves to become one of contemporary literature's more memorable opening lines. The sentences that follow are equally as lyrical as a folk lament and as taut as metal wire wrapped through an electrified fence."—USA Today

**philly chinese lantern festival tickets:** *Is There Still Sex in the City?* Candace Bushnell, 2019-08-06 Twenty years after her sharp, seminal first book *Sex and the City* reshaped the landscape of pop culture and dating with its fly-on-the-wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the highs and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, *Is There Still Sex in the City?* gathers Bushnell's signature short, sharp, satirical commentaries on the love and dating habits of middle-aged men and women as they continue to navigate the ever-modernizing world of relationships. Throughout, Bushnell documents twenty-first century dating phenomena, such as the "Unintended Cub Situation" in which a sensible older woman suddenly becomes the love interest of a much younger man, the "Mona Lisa" Treatment — a vaginal restorative surgery often recommended to middle-aged women — and what it's really like to go on Tinder dates as a fifty-something divorcée. Bushnell also updates one of her most celebrated stories from *Sex and the City*, about "Bicycle Boys," a breed of New York man who is always trying to bring his bike up to women's apartments. Once an anomaly, Bushnell charts their new ubiquitousness, in addition to where, and how, to do your own man stalking via bicycle (and whether or not it's worth it).
