Persona 5 Royal: How to Start Yusuke Kitagawa's Confidant (A Complete Guide)

Introduction:

So, you've plunged into the vibrant, stylish world of Persona 5 Royal, navigating Mementos and forging bonds with a captivating cast of characters. But amongst the colorful personalities, one might feel a bit... elusive. We're talking about Yusuke Kitagawa, the enigmatic artist with a heart of gold (and a penchant for bizarre fashion choices). Unlocking his Confidant, the "Fool" arcana, isn't as straightforward as some others. This comprehensive guide will walk you through every step, ensuring you don't miss a single opportunity to deepen your friendship with this talented, yet somewhat troubled, confidant. We'll cover everything from the initial encounter to maximizing your relationship, leaving no artistic detail unexplored.

Chapter 1: The First Brush with Genius – Initiating Yusuke's Confidant

Unlike some Confidants that begin automatically through the main storyline, unlocking Yusuke's requires a specific action. You need to actively seek him out. This occurs relatively early in the game, though the exact timing depends on your progress through the main story. Keep an eye out for the following:

Location: Yusuke is usually found in the Shibuya area, specifically near his art studio. The studio itself is not immediately accessible. Your first encounter will be outside.

Trigger: The trigger is simply speaking to him. You'll likely encounter him naturally as you progress through the early game exploration of Shibuya.

Dialogue Options: Don't worry about selecting perfectly optimal dialogue options initially. Simply talking to him will initiate the Confidant. Your early interactions will be focused on building rapport and understanding his artistic vision.

Chapter 2: Navigating the Path of the Artist – Yusuke's Confidant Ranks

Yusuke's Confidant ranks, like others, progress through a series of requests and interactions. These tasks often involve solving puzzles, offering artistic opinions (sometimes unconventional ones!), and even assisting him in personal matters that delve deeper into his unique background and personality.

Rank Progression: Progress through the ranks requires spending time with Yusuke, completing his requests, and choosing dialogue options that reflect understanding and support. Remember that your choices impact his perception of you and, consequently, the speed of your Confidant rank advancement.

Request Variety: Yusuke's requests range from simple tasks like finding specific items to assisting him with his artistic creations. Some requests will involve venturing into Mementos, testing your

combat skills and strategic thinking.

Crucial Choices: While not every choice significantly impacts the progression, some decisions will be more impactful. Pay attention to Yusuke's reactions and sentiments; understanding his motivations will be key to maximizing your progress.

Chapter 3: Unlocking Yusuke's Potential – Maximizing Confidant Rank Advancement

Successfully navigating Yusuke's Confidant requires a mindful approach. Here are some strategies to ensure smooth and efficient progression:

Time Management: Similar to other Confidants, effectively managing your time is crucial. Prioritize your social links based on your in-game schedule and available time.

Building Rapport: Pay close attention to the dialogue options. Choosing responses that reflect your understanding of his artistic mindset and personal struggles will foster a stronger bond.

Completing Requests Promptly: Don't procrastinate on Yusuke's requests; complete them as soon as possible to maintain momentum in your Confidant progression.

Understanding his Personality: Yusuke's unique artistic perspective and somewhat detached demeanor require a different approach than other Confidants. Observe his interactions and learn to appreciate his nuanced communication style.

Chapter 4: The Rewards of Friendship – Benefits of Maxing Out Yusuke's Confidant

Reaching the maximum rank with Yusuke unlocks significant benefits, both in terms of gameplay and the narrative experience:

Powerful Persona: Unlocking the maximum rank provides access to incredibly powerful Personas, significantly enhancing your combat capabilities.

Enhanced Story Progression: A deeper understanding of Yusuke's backstory and motivations enriches the overall narrative, adding depth and emotional resonance to the game's plot.

Unlocking New Abilities: Certain abilities, skills, and support features might become available after reaching a certain Confidant rank.

Game Mechanics: Improved stats and abilities related to your social stats or combat can also stem from maximizing your Confidant rank.

Completionist Satisfaction: Completing all Confidants is a major achievement in itself, a testament to your dedication to navigating the Persona 5 Royal world completely.

Kochan is meek-bodied, and unable to participate in the more athletic activities of his classmates. He begins to notice his growing

attraction to some of the boys in his class, particularly the pubescent body of his friend Omi. To hide his homosexuality, he courts a woman, Sonoko, but this exacerbates his feelings for men. persona 5 royal how to start yusuke confidant: The Masque of the Red Death Edgar Allan Poe, 2020-08-01 *The Masque of the Red Death*, originally published as *The Mask of the Red Death: A Fantasy*, is an 1842 short story by American writer Edgar Allan Poe. The story follows Prince Prospero's attempts to avoid a dangerous plague, known as the Red Death, by hiding in his abbey. He, along with many other wealthy nobles, hosts a masquerade ball within seven rooms of the abbey, each decorated with a different color. In the midst of their revelry, a mysterious figure disguised as a Red Death victim enters and makes his way through each of the rooms. Prospero dies after confronting this stranger, whose costume proves to contain nothing tangible inside it; the guests also die in turn. Poe's story follows many traditions of Gothic fiction and is often analyzed as an allegory about the inevitability of death, though some critics advise against an allegorical reading. Many different interpretations have been presented, as well as attempts to identify the true nature of the titular disease. The story was first published in May 1842 in *Graham's Magazine* and has since been adapted in many different forms, including a 1964 film starring Vincent Price.

persona 5 royal how to start yusuke confidant: *They Were My Heroes* Mohul Bhowmick, 2022-02-24 Knitted by verses indulged with tempo, Mohul Bhowmick's latest offering- *They Were My Heroes*- is a pre-eminent contribution to the domain of Indian poetry in English. Sporadically merged with manoeuvres that carry the enterprise past the realm of common comprehension, it is laced with both joy and pain. The course of a vigorous dalliance, now ended, rears its head and in mitigation, Bhowmick probes into the anguish that he suffers. Like the majority of his work in poetry, this book too is semi-autobiographical; the obsessions, evasions and fixations that it unveils are a sight to behold. Coming a year after his highly acclaimed debut in travel writing, Bhowmick is back to doing what he does best- asking questions of himself with subtle nudges. Arriving a long time after it was first conceived, this collection consists of a hundred poems. It is divided into four sections: Travel Capers, Demons, Romantic Leftovers and Residues of the Heart. Each resists its own intricacies with sophistication, touching the reader with every note and chord. In the process, national-level cricketer Bhowmick finds himself facing a wall that no sunrise can erase or obliterate.

persona 5 royal how to start yusuke confidant: *The Individual, Society and the State* Emma Goldman, 2014-12-11 *The Individual, Society and the State* is as essay by Emma Goldman. Emma Goldman (June 27 1869 - May 14, 1940) was an anarchist known for her political activism, writing, and speeches. She played a pivotal role in the development of anarchist political philosophy in North America and Europe in the first half of the 20th century. Born in Kovno in the Russian Empire (present-day Kaunas, Lithuania), Goldman emigrated to the U.S. in 1885 and lived in New York City, where she joined the burgeoning anarchist movement in 1889. Attracted to anarchism after the Haymarket affair, Goldman became a writer and a renowned lecturer on anarchist philosophy, women's rights, and social issues, attracting crowds of thousands. She and anarchist writer Alexander Berkman, her lover and lifelong friend, planned to assassinate industrialist and financier Henry Clay Frick as an act of propaganda of the deed. Although Frick survived the attempt on his life, Berkman was sentenced to 22 years in prison. Goldman was imprisoned several times in the years that followed, for inciting to riot and illegally distributing information about birth control. In 1906, Goldman founded the anarchist journal *Mother Earth*. In 1917, Goldman and Berkman were sentenced to two years in jail for conspiring to induce persons not to register for the newly instated draft. After their release from prison, they were arrested-along with hundreds of others-and deported to Russia. Initially supportive of that country's Bolshevik revolution, Goldman reversed her opinion in the wake of the Kronstadt rebellion and denounced the Soviet Union for its violent repression of independent voices. In 1923, she published a book about her experiences, *My Disillusionment in Russia*. While living in England, Canada, and France, she wrote an autobiography

called *Living My Life*. After the outbreak of the Spanish Civil War, she traveled to Spain to support the anarchist revolution there. She died in Toronto on May 14, 1940, aged 70. During her life, Goldman was lionized as a free-thinking rebel woman by admirers, and denounced by critics as an advocate of politically motivated murder and violent revolution. Her writing and lectures spanned a wide variety of issues, including prisons, atheism, freedom of speech, militarism, capitalism, marriage, free love, and homosexuality. Although she distanced herself from first-wave feminism and its efforts toward women's suffrage, she developed new ways of incorporating gender politics into anarchism. After decades of obscurity, Goldman's iconic status was revived in the 1970s, when feminist and anarchist scholars rekindled popular interest in her life.

persona 5 royal how to start yusuke confidant: The Spanish Love Deception Elena Armas, 2022-02-08
A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic—from NYC and all the way to Spain—for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, *que dios nos pille confesados*. *The Spanish Love Deception* is an enemies-to-lovers, fake-dating.

persona 5 royal how to start yusuke confidant: The Music Thief Peni R. Griffin, 2015-08-04
In a harsh and noisy time, a young girl's key to her dreams -- music -- may be closer than she thinks. There was a new song playing in the back of Alma's head. An angry song, for Jovita and her killer, and Eddie, and everybody whose family did things that everybody had to live with. She could feel it, thumping in her brain, but couldn't hear it well enough to even hum it. Not in this house. She needed quiet, and a guitar. She needed Mrs. B's house. Alma misses many things. She misses her grandmother; her big brother Eddie back when he didn't deal drugs; the freedom she had before her baby niece Silvita was born; and now, worst of all, she misses Jovita, the singer she idolized who was recently killed in a drive-by shooting. Just when things seem hopeless, Alma discovers the cat door in her neighbor's often-empty home, and an unintended window opens into a better world, full of music. And what could be the harm in Alma's stealing (borrowing, really) a little peace and quiet, maybe even a ticket to her future? Peni R. Griffin has created a character at once bitter and optimistic. She has succeeded, even more impressively, in making the dark world surrounding Alma

shine with small -- but life-changing -- possibility.

persona 5 royal how to start yusuke confidant: Comics and Videogames Andreas Rauscher, Daniel Stein, Jan-Noël Thon, 2020-10-18 This book offers the first comprehensive study of the many interfaces shaping the relationship between comics and videogames. It combines in-depth conceptual reflection with a rich selection of paradigmatic case studies from contemporary media culture. The editors have gathered a distinguished group of international scholars working at the interstices of comics studies and game studies to explore two interrelated areas of inquiry: The first part of the book focuses on hybrid medialities and experimental aesthetics between comics and videogames; the second part zooms in on how comics and videogames function as transmedia expansions within an increasingly convergent and participatory media culture. The individual chapters address synergies and intersections between comics and videogames via a diverse set of case studies ranging from independent and experimental projects via popular franchises from the corporate worlds of DC and Marvel to the more playful forms of media mix prominent in Japan. Offering an innovative intervention into a number of salient issues in current media culture, *Comics and Videogames* will be of interest to scholars and students of comics studies, game studies, popular culture studies, transmedia studies, and visual culture studies.

persona 5 royal how to start yusuke confidant: *Her Only Crime* Robin Mahle, 2022-01-19 It's a case unlike anything the FBI's Behavioral Analysis Unit has faced before and profiler, Supervisory Special Agent Kate Reid, must lead the charge. When a gruesome discovery rocks a small suburban town outside San Antonio, Texas, local FBI Agent Victor Romero calls on the expert BAU team to offer insight. As lead profiler, it is Special Agent Kate Reid who answers the call, alongside colleague, Special Agent Jonathan Surrey. While Agent Romero has his own theory as to who dismembered and buried several unidentified bodies around town, Kate Reid isn't so sure. And Surrey pushes back on her provocative suspicion. After exhausting what few leads they have, Reid, with the full force of the BAU team behind her, works to prove her theory. When she presents fresh evidence, Surrey relents and offers his full support. Now, they fear if what she believes turns out to be true, then nothing in this small town will ever be the same.
