

Pay In The French Foreign Legion

Pay in the French Foreign Legion: A Comprehensive Guide to Compensation and Benefits

Introduction:

Dreaming of adventure, discipline, and a life less ordinary? The French Foreign Legion (Légion étrangère) might be calling your name. But before you pack your bags and head to Aubagne, a crucial question demands an answer: what's the pay like in the French Foreign Legion? This comprehensive guide delves deep into the financial aspects of Legionnaire life, exploring salary, allowances, benefits, and the overall financial picture. We'll dispel common myths, provide accurate information, and equip you with the knowledge you need to make an informed decision.

1. Base Salary: The Foundation of Legionnaire Compensation

The base salary of a French Foreign Legionnaire is surprisingly competitive, especially considering the unique nature of the job. It's structured based on rank, experience, and specialization. A newly recruited Legionnaire starts at a significantly higher salary than many entry-level positions in civilian life. This base pay forms the core of your financial compensation and increases steadily with promotions and time served. While the exact figures fluctuate with currency exchange rates, it's safe to say a Legionnaire can expect a comfortable living wage, allowing for savings and remittances to family back home. Remember, this is just the starting point.

2. Allowances: Supplementing the Base Pay

Beyond the base salary, several allowances significantly boost a Legionnaire's income. These allowances vary based on location, role, and specific circumstances. Some key allowances include:

Housing Allowance: Covers the cost of accommodation, which is usually provided on base.

Operational Allowance: This is crucial for deployments and operational duties in high-risk areas. It's a significant addition to the base salary.

Family Allowance: For Legionnaires with dependents, a family allowance helps support their families.

Risk Allowance: Added compensation for high-risk assignments and deployments.

Food Allowance: A portion of the costs associated with food is often covered.

These allowances can represent a considerable percentage of a Legionnaire's total earnings, making the overall compensation package much more attractive than the base salary alone suggests.

3. Promotions and Career Progression: Earning Potential

The French Foreign Legion rewards dedication and performance. Promotions within the ranks lead to substantial salary increases. The Legion actively encourages its members to develop their skills and advance within the organization. This structured promotion system ensures that long-term commitment translates to increased financial rewards, allowing Legionnaires to significantly

improve their earning potential over their career.

4. Benefits Beyond Salary: Healthcare and Retirement

The French Foreign Legion provides comprehensive benefits packages that go beyond simple salary. These include:

Healthcare: Access to top-notch medical care is a fundamental benefit for all Legionnaires.

Retirement Plan: A robust retirement plan contributes towards a secure financial future after service. The terms and conditions of this plan are exceptionally favorable compared to many private sector plans.

Educational Opportunities: The Legion invests in its personnel by providing training and educational opportunities during and after service, which can improve future earning capacity.

Vacation Time: Legionnaires are entitled to annual leave, providing an opportunity for rest and recuperation.

These benefits are invaluable and significantly contribute to the overall attractiveness of service in the Legion.

5. Debunking Myths about Legionnaire Pay:

Several myths surrounding pay in the French Foreign Legion persist. It's important to address these misconceptions:

Myth: Legionnaires are poorly paid and barely survive. **Reality:** This is simply inaccurate. The compensation package, including base salary and allowances, provides a comfortable standard of living.

Myth: All the money is taken by the Legion. **Reality:** Legionnaires retain a significant portion of their earnings, allowing for savings and remittances.

Myth: The pay is significantly less than in civilian jobs. **Reality:** For many, especially those with limited prior experience, the Legion's pay package is comparable to or even exceeds what they could earn in their home countries.

Understanding the reality dispels these common misconceptions and paints a clearer picture of the financial realities of Legionnaire life.

6. Financial Planning for Legionnaires:

Effective financial planning is crucial for Legionnaires. It's essential to:

Budgeting: Develop a realistic budget that accounts for all expenses and savings goals.

Savings: Maximize savings opportunities to build a financial safety net for the future.

Remittances: Establish a system for sending money to family and dependents back home.

Long-Term Financial Goals: Plan for long-term financial security, including retirement.

Proactive financial planning ensures Legionnaires can make the most of their compensation and build a secure financial future.

Article Outline: "Pay in the French Foreign Legion: A Comprehensive Guide to Compensation and Benefits"

By: Captain Jean-Luc Picard

- I. Introduction: Hooking the reader and overview of the article's contents.
- II. Base Salary: Details on the base salary structure for different ranks and experience levels.
- III. Allowances: A breakdown of various allowances and their value.
- IV. Promotions and Career Progression: How promotions affect earnings.
- V. Benefits Beyond Salary: Healthcare, retirement, and other perks.
- VI. Debunking Myths: Addressing common misconceptions about Legionnaire pay.
- VII. Financial Planning: Tips for budgeting, saving, and long-term financial security.
- VIII. Conclusion: Summarizing key points and emphasizing the overall financial picture.
- IX. FAQ Section: Answering frequently asked questions regarding Legionnaire pay.

(The body of this outline corresponds to the sections already written above.)

9 Unique FAQs:

- 1. Q: What currency is the salary paid in? A: Primarily Euros.
- 2. Q: Can I send money home to my family? A: Yes, there are established systems for remitting money internationally.
- 3. Q: Are taxes deducted from my salary? A: Yes, taxes are deducted in accordance with French law.
- 4. Q: What if I'm injured during service? A: Comprehensive healthcare coverage is provided.
- 5. Q: What kind of retirement benefits are offered? A: A substantial pension plan contributes towards a secure retirement.
- 6. Q: Can I open a bank account while serving in the Legion? A: Yes, banking facilities are available.
- 7. Q: Are there opportunities for additional income? A: Limited opportunities may exist, depending on the role and location.
- 8. Q: How often is the salary paid? A: Usually monthly.
- 9. Q: Does the pay reflect the risk involved? A: Risk allowances significantly supplement base pay in high-risk assignments.

pay in the french foreign legion: *The French Foreign Legion* Jean-Denis G.G. Lepage, 2016-04-18 This book gives the reader a straightforward and continuous survey of the history of the French Foreign Legion. By outlining the Legion's vicissitudes, victorious campaigns, epic marches, heroic and sometimes hopeless stands, dirtiest combats and dramatic defeats, but also by briefly placing the Legion back in the historical background of France, and by describing its development, organization, uniforms, equipments and weapons, the author hopes to dispel myths, and try to give a true and accurate picture of what the French Foreign Legion has been from 1831 until today. There are well-researched, detailed line drawings throughout.

pay in the french foreign legion: Life in the French Foreign Legion Evan McGorman, 2010 Forget all your preconceptions about the French Foreign Legion. Many of the legends you grew up with no longer apply, so whatever you've heard probably does not reflect the reality of service today. Evan McGorman explains in detail how to apply to get into this elite corps, what to expect if accepted, and how to make the most of the experience.

pay in the french foreign legion: Legionnaire Simon Murray, 2007-12-18 "A pleasure to read and nearly impossible to put down." -Army Times "Embodies an experience that many have enjoyed in fantasy-few in reality." -The Washington Post The French Foreign Legion-mysterious, romantic, deadly-is filled with men of dubious character, and hardly the place for a proper Englishman just nineteen years of age. Yet in 1960, Simon Murray traveled alone to Paris, Marseilles, and ultimately Algeria to fulfill the toughest contract of his life: a five-year stint in the Legion. Along the way, he kept a diary. *Legionnaire* is a compelling, firsthand account of Murray's experience with this legendary band of soldiers. This gripping journal offers stark evidence that the Legion's reputation for pushing men to their breaking points and beyond is well deserved. In the fierce, sun-baked North African desert, strong men cracked under brutal officers, merciless training methods, and barbarous punishments. Yet Murray survived, even thrived. For he shared one trait with these hard men from all nations and backgrounds: a determination never to surrender. "The drama, excitement, and color of a good guts-and-glory thriller." -Dr. Henry Kissinger

pay in the french foreign legion: Appel Joel Adam Struthers, 2019-03-29 *Appel: A Canadian in the French Foreign Legion* is the first-hand account of the author's six years as a professional soldier during the 1990s, and his experience in the Legion's elite Groupe des Commandos Parachutistes (GCP). Joel Struthers recounts the dangers and demands of military life, from the rigours of recruitment and operational training in the rugged mountains of France, to face-to-face combat in the grasslands of some of Africa's most troubled nations. Told through the eyes of a soldier, and interspersed with humorous anecdotes, *Appel* is a fascinating story that debunks myths about the French Foreign Legion and shows it more accurately as a professional arm of the French military. Struthers provides insight into the rigorous discipline that the Legion instills in its young recruits, - who trade their identities as individuals for a life of adventure and a role in a unified fighting force whose motto is "Honour and Loyalty." Foreword by Col. Benoit Desmeulles, former commanding officer of the Legions 2e Régiment Étranger Parachutistes.

pay in the french foreign legion: French Foreign Legion 1831-71 Martin Windrow, 2016-12-15 Concluding his bestselling series on the French Foreign Legion, Martin Windrow explores the formation and development of the Legion during its 'first generation'. Raised in 1831, the Legion's formative years would see it fight continuous and savage campaigns in Algeria, aid the Spanish government in the Carlist War, join the British in the Crimean campaign and fight alongside the Swiss in the bloody battles of Magenta and Solferino. With the ever-changing combat environments they found themselves in, the Legion had to constantly adapt in order to survive. Taking advantage of the latest research, this lavishly illustrated study explores the evolution of the uniforms and kit of the French Foreign Legion, from their early campaigns in Algeria through to their iconic Battle of Camerone in Mexico and their role in the Franco-Prussian war.

pay in the french foreign legion: *The French Foreign Legion* Douglas Porch, 2010-11-01 The French Foreign Legion is a complete, captivating study of the famed fighting force, from its inception in 1831 to modern times. Historian Douglas Porch chronicles the Legion's involvement in Spain, Mexico, Indochina, Madagascar, WWI, Vietnam, and Algiers (to name a few) and delves into the inner workings of legionnaires and their captains. Known for draconian discipline and shrouded in mystery, the secrets of the Legion are guarded by those who have gained admittance into its elite society. In this thoroughly researched and impressive account, Porch reveals the mysteries surrounding a Legion of "unparalleled exoticism, pathos, and drama."

pay in the french foreign legion: The French Foreign Legion Douglas Boyd, 2010-01 The French Foreign Legion is an extraordinary and unique army, specifically created for foreign nationals wishing to serve in the French Armed Forces, but commanded by French officers. For nearly two centuries, adventure seekers or men on the run from all around the globe have found a home in the Foreign Legion and shed blood for France. In this book, author Douglas Boyd has been given unrivalled access to the Legion to tell its story from its inception in the 1830s, when it was primarily used to protect and expand the French colonial empire during the nineteenth century, but it has also fought in almost all French wars including the Franco-Prussian War and both World Wars. The Legion is today known as an elite military unit whose training focuses not only on traditional military skills, but also on its strong esprit de corps.

pay in the french foreign legion: Fighting for the French Foreign Legion Alex Lochrie, 2009-11-19 A soldier's true story of danger and adventure as a modern-day legionnaire in Kuwait, Bosnia, and beyond. With no French language ability, Alex Lochrie approached recruiters for the French Foreign Legion in Paris and embarked on the demanding selection process that followed. When he was accepted, he and other prospective legionnaires were sent to Southern France to begin the harsh recruit training course. The mix of nationalities and backgrounds among his fellows was enormous. New members are traditionally allowed to change their identities—and Lochrie chose to alter his age, becoming twenty-eight instead of thirty-eight. Elite paratrooper training followed in Corsica before Lochrie earned his wings. The FFL is never far from the front line, and in this book he tells of challenging active service in former French colonies in Africa as well as during the first Gulf War, evicting Saddam Hussein from Kuwait, and operations in Bosnia and Sarajevo. This gripping account lifts the veil of mystery and myth, pulling you into the action—and revealing much about the realities of service in the Foreign Legion.

pay in the french foreign legion: French Foreign Legion 1872-1914 Martin Windrow, 2011-12-20 This volume covers the classic 'Beau Geste' period, of the French Foreign Legion when the corps was expanded during the most dynamic years of French imperial expansion. Legion battalions fought in the deserts and mountains of southern Algeria and Morocco, as well as in the jungles of North Vietnam, West Africa and Madagascar. Their varied uniforms and equipments for each period and theatre are illustrated and examined. Written by a leading expert on the French Foreign Legion, this is a colourful introduction to the period when the Legion forged their legendary fighting reputation.

pay in the french foreign legion: Beau Geste Percival Christopher Wren, 2010-02-26 The first in Percival Christopher Wren's series, Beau Geste, Beau Sabreur and Beau Ideal.

pay in the french foreign legion: Legion of the Lost Jaime Salazar, 2016-01-19 Revised edition, with a new foreword and afterword from the author. 'From an air-conditioned Chicago office, Mr. Salazar took the express elevator straight to hell. Legion of the Lost is his story, the improbable, very funny tale of a sensitive, bookish child of Mexican immigrants who walked away from a promising career and, for romantic reasons, threw in his lot with a motley assortment of thugs, drunks, drug abusers and desperate refugees from the far corners of the earth. And those are the ones giving orders.' New York Times 'A story of horrifying institutionalised cruelty and incredible suffering, tempered with extraordinary camaraderie and mind-boggling fortitude. Legion of the Lost lays to rest romantic myths about the French Foreign Legion forever.' Google Books 'After about a year in corporate America, Jaime Salazar realized he wanted more in life. He wanted more than a

big paycheck and a BMW. Salazar is a born adventurer and romantic and was not content with his job with Siemens in Chicago, where he was part of the technical sales teams. His ideals led him to the French Foreign Legion.' The Purdue Exponent 'A colorful, detailed, and brisk account of the blood, beatings, binge drinking, racism, and occasional satisfaction and pride from his time with the Legion. Salazar's prose marches along like a fit Legionnaire, largely un-ornamented yet getting the job done quickly and effectively, with all the dirt, swearing, and gunpowder one would expect from a military memoir. Legion of the Lost should prompt serious reflection about commitment, discipline, meaning, and purpose in life.' Good Reads No army is more surrounded by mystery, romance, and admiration than the French Foreign Legion. King Louis Philippe II created the Foreign Legion in 1831 as a way to rid France of penniless immigrants and others considered a liability to the French establishment. The Foreign Legion still exists today as an elite army of modern mercenaries from around the world, in the service of la France. Considered a haven for the dregs of society, joining the Foreign Legion was rumoured to be simple, but it wasn't. Getting out of the Foreign Legion, as Salazar soon realised, proved impossible. So what was an engineering professional doing in the Legion of the Damned? For those Dostoevsky calls the insulted and the injured, men of character who seek adventure in the most obscure places, the Legion offers refuge. After surrendering his passport, and with it, any human rights, the Legion gave Salazar a new name and life. Even after finishing four months of what the Legion calls instruction, Salazar realized that his existence wasn't like that of Gary Cooper in Beau Geste. It was more a primitive life of beatings, marches, fanatical discipline, and sadistic NCOs. Idealists looking for a new beginning come to the Legion, but only the toughest, and cruelest are left to wear the Legion headdress, the kepi blanc. Once enlisted, there are three ways to leave the Legion: finishing one's five-year contract, disability, or leaving in a box. While serving a term in Legion prison, Salazar came up with a fourth solution - escape.

pay in the french foreign legion: French Foreign Legion Martin Windrow, 2013-08-20 Men of action and elite soldiers with a young and dynamic spirit, the French Foreign Legion are capable of doing their duty anywhere anytime. Martin Windrow's superb text examines the history of this famous force from the end of the Second World War onward. This first class addition to the Men-at-Arms series not only contains the usual wealth of accompanying photographs and illustrations, including eight full page colour plates by Mike Chappell, but is extended by a further 16 pages, allowing the author to display the full range of his expert knowledge, including 11 pages devoted to uniforms.

pay in the french foreign legion: Marching with the Devil David Mason, 2011-09-27 `Since its creation in 1831, the French Foreign Legion has become the stuff of myth, fiction and dreams... Anyone thinking of joining up would be well advised to read this book first? - The Sun Herald A real-life boy's own adventure, Marching With The Devil is an account of David Mason's five years in the infamous French Foreign Legion. David Mason graduated from the Australian National University with a law degree and an honours degree. Like those around him, he could easily have settled for a life of share portfolios, good suits, new cars and big houses. But David wanted more ? he wanted a challenge, an adventure, something beyond the ordinary that would test him physically and mentally. He looked around to see what he could do. Working in an open-cut mine . . . done that. Running a marathon . . . hmm, not hard enough. Climbing Everest . . . maybe? Joining the French Foreign Legion . . . perfect! Marching With The Devil is the gripping true story of what happened when an Australian lawyer left his comfortable existence and joined the legendary French Foreign Legion. He stayed for five years and served time in the elite Parachute Regiments. With the motto 'March or Die', the legion has a history of pain, grief and glory. David Mason takes us behind the myth to reveal exactly what happens: the adventure, the danger, the drinking, the fighting and the lies that sustain the legend. fore the final choice must be made. `Remarkable... It's hard not to think it a shame that a man of such obvious gifts should have wasted them on the legion, just so as not to have to feel like a quitter, even if this book was the result? - The Age `Marching with the Devil quickly turns into an insightful and honest account of an unpretentious Aussie's experiences in one of the most ramshackle and soul-destroying military organisations on Earth? - Courier Mail `A

strangely compulsive read about one man's quest for self knowledge? - Men's Health Magazine
`Mason left a comfortable life in Australia to test himself in the crucible of the legion, and he writes about it 20 years after his service time necessary to give himself the distance and context he needed to write about an extraordinary and painful experience? - Sunday Mail Brisbane

pay in the french foreign legion: Voices of the Foreign Legion Adrian D. Gilbert, 2010-04-06 The French Foreign Legion has established a reputation as the most formidable of military forces. Created as a means of protecting French interests abroad, the legion spearheaded French colonialism in North Africa during the nineteenth century. Accepting volunteers from all parts of the world, the legion acquired an aura of mystery—and a less than enviable reputation for brutality within its ranks. Attracting recruits from all over the world, these new soldiers explain in their own words why they submitted themselves to such brutal training. Voices of the Foreign Legion looks at how the legion selects its recruits, where they come from, and why they seek a life of incredible hardship and danger. It also analyzes the legion's strict attitude toward discipline, questions why desertion is a perennial problem, and assesses the legion's military achievements since its formation in 1831. Its scope ranges from the conquest of the colonies in Africa and the Far East, through the horrors of the two World Wars, to the bitter but ultimately hopeless battles to maintain France's imperial possessions.

pay in the french foreign legion: The French Foreign Legion Douglas Porch, 2010 The French Foreign Legion is a complete, captivating study of the famed fighting force, from its inception in 1831 to modern times. Historian Douglas Porch chronicles the Legion's involvement in Spain, Mexico, Indochina, Madagascar, WWI, Vietnam, and Algiers (to name a few) and delves into the inner workings of legionnaires and their captains. Known for draconian discipline and shrouded in mystery, the secrets of the Legion are guarded by those who have gained admittance into its elite society. In this thoroughly researched and impressive account, Porch reveals the mysteries surrounding a Legion of unparalleled exoticism, pathos, and drama. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

pay in the french foreign legion: Diary of a Legionnaire Gareth Carins, 2007-10-01 After finishing university but not ready to settle down, Gareth Carins joined the French Foreign Legion in 1996 and served for five years in their elite Parachute Regiment. He experienced at first hand the extremes of human nature, witnessing both the brutal cruelty shown by some Legionnaires in the name of tradition, to the personal sacrifices shown by others. Along the way he met many of the fascinating characters that come from all corners of the world to serve in the ranks of the Foreign Legion. Diary of a Legionnaire is a candid and eye opening insight into this mysterious army, told through Gareth's exciting and at times humorous adventures during the first eighteen months of his service, as we follow him from the brutality of basic training, to the realities of combat in the jungles of West Africa

pay in the french foreign legion: Devil's Guard George R. Elford, 2008-12-18 Condemned to death for the bloodbaths of World War II, they served their sentence—on the killing fields of Vietnam. The fascinating, true story of the French Foreign Legion's Nazi battalion WHAT THEY DID IN WORLD WAR II WAS HISTORY'S BLOODIEST NIGHTMARE. The ashes of World War II were still cooling when France went to war in the jungles of Southeast Asia. In that struggle, its frontline troops were the misfits, criminals, and mercenaries of the French Foreign Legion. And among that international army of the desperate and the damned, none were so bloodstained as the fugitive veterans of the German S.S. WHAT THEY DID IN VIETNAM WAS ITS UGLIEST SECRET—UNTIL NOW. Loathed by the French, feared and hated by the Vietnamese, the Germans fought not for patriotism of glory but because fighting for France was better than hanging from its gallows. Here

now is the untold story of the killer elite whose discipline, ferocity, and suicidal courage made them the weapon of last resort.

pay in the french foreign legion: The White Kepi Walter Kanitz, 2017-06-28 Heroic figures galloping across the loose sands of the Sahara, their flowing white kepis a symbol of the highest romance and adventure...or murderers and human derelicts, rejected by society and hunted by the police, seeking escape from prison in the ranks of the Légion Étrangère? Neither picture—so commonly held by the general public—is even partially accurate, writes Walter Kanitz. During World War II, Walter Kanitz fought with the Foreign Legion in Africa. He has done a vast amount of research and reading about the Legion, and has made every possible effort to check his facts. His book represents the first comprehensive and objective history of the French Foreign Legion since its inception in 1831 by the royal decree of Louis Philippe. For the better part of its history, the Foreign Legion, remote, fascinating, somewhat sinister, has been shrouded in mystery. It has been called everything from “Desert Carrion” to the “Legion of Beggars.” It was often said that “dogs bark when the Legion passes.” Yet, in battle, the Légionnaires are famed for a courage and heroism that knows no fear of death. They are considered by most professional soldiers to be, as a unit, the best fighting force in the world. When a new recruit applies for enlistment, he is made to wait 24 hours to reconsider his decision. The ranks are made up of men of all nationalities—Germans, Poles, Czechs, Slavs, Spaniards, Americans. It is the only army in existence today made up of mercenaries who have voluntarily signed to serve five years for the government of France. The discipline is harsh and the pay meager. The call to battle has taken Legion units from Mexico to Norway, from China to Morocco. Outside of battle, life consists of infinite boredom broken only by alcohol and an occasional woman. And yet, says ex-Légionnaire Kanitz, “Qu’importe, quand la Légion passe, que les chiens viennent aboyer après d’elle! Vive la Légion!”

pay in the french foreign legion: French Foreign Légionnaire 1890-1914 Martin Windrow, 2011-08-20 As France emerged from the Franco-Prussian War she embarked on a period of active colonialism, acquiring territories in South-East Asia and Africa. By the turn of the century much of north, west and central Africa was under French control. In order to police all of these territories, the French needed an army and so the French Foreign Legion was born. In this book, world-renowned Legion expert Martin Windrow analyses what it would have been like to be a member of the French Foreign Legion and how the experience, equipment, tactics and training of the Legion developed in the 80 years between their foundation and the outbreak of the First World War. He investigates their glory years in North Africa and Indochina, and draws extensively on memoirs from two British legionnaires, peppering the text with extraordinary first-hand accounts of the French Foreign Legion.

pay in the french foreign legion: Survive in the Desert with the French Foreign Legion Chris McNab, 2003 This book teaches how these elite troops cope with extreme deprivation in some of the world's hottest and most barren climates.

pay in the french foreign legion: Nationalizing France's Army Christopher J. Tozzi, 2016-05-30 Before the French Revolution, tens of thousands of foreigners served in France's army. They included troops from not only all parts of Europe but also places as far away as Madagascar, West Africa, and New York City. Beginning in 1789, the French revolutionaries, driven by a new political ideology that placed the nation at the center of sovereignty, began aggressively purging the army of men they did not consider French, even if those troops supported the new regime. Such efforts proved much more difficult than the revolutionaries anticipated, however, owing to both their need for soldiers as France waged war against much of the rest of Europe and the difficulty of defining nationality cleanly at the dawn of the modern era. Napoleon later faced the same conundrums as he vacillated between policies favoring and rejecting foreigners from his army. It was not until the Bourbon Restoration, when the modern French Foreign Legion appeared, that the French state established an enduring policy on the place of foreigners within its armed forces. By telling the story of France's noncitizen soldiers—who included men born abroad as well as Jews and blacks whose citizenship rights were subject to contestation—Christopher Tozzi sheds new light on

the roots of revolutionary France's inability to integrate its national community despite the inclusionary promise of French republicanism. Drawing on a range of original, unpublished archival sources, Tozzi also highlights the linguistic, religious, cultural, and racial differences that France's experiments with noncitizen soldiers introduced to eighteenth- and nineteenth-century French society. Winner of the Walker Cowen Memorial Prize for an Outstanding Work of Scholarship in Eighteenth-Century Studies

pay in the french foreign legion: Mouthful of Rocks Christian Jennings, 1991

pay in the french foreign legion: The Legion of the Damned Bennett J. Doty, 2017-07-31 The Legion of the Damned tells the story of Bennett Jeffries Doty, an American soldier and adventurer who enlisted in the Foreign Legion, fought in Syria, deserted, and was captured and then sentenced to death. Fate intervened in the form of an American foreign correspondent covering the fighting in Syria, whom Doty met just days before deserting, and it was no doubt owing to this meeting and the ensuing publicity that Doty managed to escape his plight, with his sentence reduced to an eight-year prison term in a French military prison. He eventually received a full pardon and ticket out of the Legion. Shortly after his release from prison and his return back to the United States in December of 1927, he published this book. An exciting and action-packed Foreign Legion memoir!

pay in the french foreign legion: French Foreign Légionnaire vs Viet Minh Insurgent Martin Windrow, 2018-09-20 The French Indochina War (1946-54) was the largest of the first generation of post-World War II wars of decolonization as Vietminh insurgents sought to topple their French colonial masters. It was also unique in that the insurgency evolved from low-level guerrilla activity to mobile operations by a large conventional army which finally defeated a large European-led expeditionary force, supported by artillery, armour and airpower. The war's progress was almost entirely dictated by the extreme terrain, and by the Chinese support enjoyed by the Vietnamese insurgents. The actions explored in this study cover three contrasting phases of the war in Tonkin during 1948-52, setting both sides on the path that would lead to the conflict's climactic encounter at Dien Bien Phu in 1954. Featuring specially commissioned artwork and drawing upon a range of sources, this meticulously researched study casts new light on the troops who fought on both sides in this evolving and momentous conflict.

pay in the french foreign legion: French Foreign Legion Paratroops Martin Windrow, Wayne Braby, 2013-05-20 The decision, in Spring 1948, to form two battalions of Foreign Legion paratroopers was prompted by the requirement for enlarged airborne forces in Indochina, and the healthy recruitment then employed by the Legion. There were some initial doubts. The Legion were known to be magnificent heavy infantry, but were felt by some to lack the flexibility and agility demanded by independent airborne operations. In the Legion itself there were some misgivings over the possible clash between the self-consciously exclusive 'para mentality', and the Legion's own very marked *esprit de corps*. Over time, however, all these doubts evaporated with experience.

pay in the french foreign legion: The Tigers of Tonkin Andrew Mitchell, 2019-07-04 Told here for the first time in English is the story of the French Foreign Legion and the part they played in the colonial campaigns in Tonkin in Indochina between the years 1883 and 1945. The book weaves the complexities of the initial colonization campaigns of the late 19th century, the battles against the Black Flags and Chinese before moving into the early 20th century which saw the legion involved in actions against pirates, rebels, nationalists and communists. The book goes on to cover the daily life for the Legionnaires as well as their restructuring and enlargement. Also, covered are the building works undertaken by the Legionnaires including roads, summer stations and barracks. The 1941 war with Thailand and the Lang Son incident are told in great detail as is the Japanese coup in March 1945, the subsequent battles involved which virtually destroyed the 5th Regiment and finally their retreat into China. Packed with over 70 unpublished photographs.

pay in the french foreign legion: Kolchak, Jews, and the American Intervention in Northern Russia and Siberia, 1918-20 Zosa Szajkowski, 1977

pay in the french foreign legion: The French Army and Its African Soldiers Ruth Ginio, 2017-01-01 7 Adjusting to a New Reality: The Army and the Imminent Independence -- Conclusion --

pay in the french foreign legion: French Foreign Legion Handbook: Strategic and Practical Information IBP USA, 2009-03-03

pay in the french foreign legion: *Transnational Soldiers* N. Arielli, B. Collins, 2012-11-28 Warfare in the modern era has often been described in terms of national armies fighting national wars. This volume challenges the view by examining transnational aspects of military mobilization from the eighteenth century to the present. Truly global in scope, it offers an alternative way of reading the military history of the last 250 years.

pay in the french foreign legion: *Pictorial History of the French Foreign Legion in Indochina, 1927-1945* Andrew J. Mitchell, 2020-09-29 A Pictorial History of the French Foreign Legion in Indochina offers a rare insight into the Legion in Indochina, and with captions, captures the seldom seen way of life of the Legionnaire in Tonkin. The photos cover the companies, maneuvers, the support units which help the battalion function, the barracks and finally, colour plates of the insignia and uniforms worn by the Legionnaires in Indochina.

pay in the french foreign legion: *Hidden Soldier* Padraig O'Keeffe, Ralph Riegel, 2013-08-16 Pádraig O'Keeffe joined the elite and secretive French Foreign Legion at the age of twenty, seeking a challenge that would absorb his interests and intensity. He served with the Legion in Cambodia and Bosnia, then returned to civilian life, but military habits would not allow him to settle. His need for intense excitement and extreme danger drove him back to the lifestyle he knew and loved, and using his Legion training, he became a 'hidden soldier' by opting for security missions in Iraq and Haiti. In Iraq he was the sole survivor of an ambush in no man's land between Abu Ghraib and Fallujah, the most dangerous place on earth. An intense, exciting and vivid account of extraordinary and sometimes horrific events, *Hidden Soldier* lifts the veil on the dark and shadowy world of security contractors and what the situation is really like in Iraq as well as other trouble spots. This bestseller also includes photographs taken by Padraig O'Keeffe while he was a Legionnaire and when he was in Iraq.

pay in the french foreign legion: *My Camp* J. R. Lawrence, 2017-07-14 Follow the story of a young man, who, through a chance encounter in prison, leaves his life of crime and joins the ranks of one of the world's toughest fighting forces. J. R. Lawrence served in the 3rd company of the parachute regiment (2REP) from 2007 - 2011. The author served in the Foreign Legion during the War on Terror period and the book includes a chapter on the war in Afghanistan.

pay in the french foreign legion: *The Things They Carried* Tim O'Brien, 2009-10-13 A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

pay in the french foreign legion: *Camerone* James W. Ryan, 1996

pay in the french foreign legion: *Tomorrow to be Brave* Susan Travers, 2001-09-03 Wherever you go, I will go too. These were the words Susan Travers spoke to General Koenig of the Free French and the Foreign Legion of North Africa, and they were tested to the limit. Surrounded for 15 days by Rommel's Afrika Korps, Susan was awarded the Legion d'Honneur for her heroism.

pay in the french foreign legion: *The RAF's French Foreign Legion* G. H. Bennett, 2011-04-28 This book examines and analyses the relationship between the RAF, the Free French Movement and the French fighter pilots in WWII. A highly significant subject, this has been ignored

by academics on both sides of the Channel. This ground-breaking study will fill a significant gap in the historiography of the War. Bennett's painstaking research has unearthed primary source material in both Britain and France including Squadron records, diaries, oral histories and memoirs. In the post-war period the idea of French pilots serving with the RAF seemed anachronistic to both sides. For the French nation the desire to draw a veil over the war years helped to obscure many aspects of the past, and for the British the idea of French pilots did not accord with the myths of the Few to whom so much was owed. Those French pilots who served had to make daring escapes. Classed as deserters they risked court martial and execution if caught. They would play a vital role on D-Day and the battle for control of the skies which followed.

pay in the french foreign legion: Inside the French Foreign Legion N. J. Valldejuli, 2023-12-19 Unique among the world's fighting forces, the Legion remains one of its most mysterious, as well. Open to volunteers from around the world (men from some 150 countries fill its ranks), the Legion boasts an illustrious and exciting military history stretching from Europe to Africa and Latin America, from Vietnam and Algeria to Afghanistan; features a notoriously difficult selection and training process, accepting only 10 percent of applicants; and has traditionally required soldiers to enlist under assumed names. Soldiers swear allegiance not to France, but to the Legion, which has been romanticized in literature, song, and action movies as a place for men to prove their mettle or start their lives over. In this colorful, highly readable book, a blend of firsthand experience and interviews with former legionnaires, Nick Valldejuli gives an insider's perspective on what it means - and what it takes - to be a Légionnaire. Valldejuli, an English-born American who spent two years in the Legion, lifts the veil on who legionnaires are, what they do, where they serve, why they joined, and why they're willing to die for France, which for most is a foreign country. Stories move from Algeria in the 1960s and the Balkans in the 1990s to more recent French operations in Afghanistan and former colonies in Africa. Drawing on his own experiences as well as those of members from various countries over the past fifty years (including several girlfriends of soldiers), his stories highlight the Legion's intense camaraderie and its members' fierce loyalty to this unique unit, in addition to the extreme mental and physical demands made of them, and the sacrifices of their families back home.

pay in the french foreign legion: The Haitian Revolution Toussaint L'Ouverture, 2019-11-12 Toussaint L'Ouverture was the leader of the Haitian Revolution in the late eighteenth century, in which slaves rebelled against their masters and established the first black republic. In this collection of his writings and speeches, former Haitian politician Jean-Bertrand Aristide demonstrates L'Ouverture's profound contribution to the struggle for equality.

pay in the french foreign legion: French Foreign Legion for Beginners Thomas Gast, 2018-07-30 This book is the perfect guide for anyone interested in joining the French Foreign Legion. Do you meet the entry requirements? What needs special attention? Will you be able to get out of the contract? Do you have to speak French? How fit do you really have to be? Are tattoos or glasses a problem? How can I prepare physically, etc.? All the answers meet the latest standards. - I advise no one to join the French Foreign Legion on the assumption of glamour or glory - the Author says: Destiny is no matter of chance. It is a matter of choice. It is not a thing to be waited for, it is a thing to be achieved. (William Jennings Bryan).

Pay In The French Foreign Legion Introduction
