rick steves books 2022: The Temporary European Cameron Hewitt, 2022-02-01 Write guidebooks, make travel TV, lead bus tours? Cameron Hewitt has been Rick Steves' right hand for more than 20 years, doing just that. The Temporary European is a collection of vivid, entertaining travel tales from across Europe. Cameron zips you into his backpack for engaging and inspiring experiences: sampling spleen sandwiches at a Palermo street market; hiking alone with the cows high in the Swiss Alps; simmering in Budapest's thermal baths; trekking across an English moor to a stone circle; hand-rolling pasta at a Tuscan agriturismo; shivering through Highland games in a soggy Scottish village; and much more. Along the way, Cameron introduces us to his favorite Europeans. In Mostar, Alma demonstrates how Bosnian coffee isn't just a drink, but a social ritual. In France, Mathilde explains that the true mastery of a fromager isn't making cheese, but aging it. In Spain, Fran proudly eats acorns, but never corn on the cob. While personal, the stories also tap into the universal joy of travel. Cameron's travel motto (inspired by a globetrotting auntie) is Jams Are Fun—the fondest memories arrive when your best-laid plans go sideways. And he encourages travelers to stow their phones and guidebooks, slow down, and savor those magic moments that arrive between stops on a busy itinerary. The stories are packed with inspiration and insights for your next trip, including how to find the best gelato in Italy, how to select the best produce at a Provençal market, how to navigate Spain's confusing tapas scene, and how to survive the experience of driving in Sicily (hint: just go numb). And you'll get a reality check for every traveler's dream job: researching and writing guidebooks; guiding busloads of Americans on tours around Europe; scouting and producing a travel TV show; and working with Rick Steves and his merry band of travelers. It's a candid account of how the sausage gets made in the travel business—told with warts-and-all honesty and a sense of humor. For Rick Steves fans, or anyone who loves Europe, The Temporary European is inspiring, insightful, and fun.

rick steves books 2022: *The Long Field* Pamela Petro, 2023-08-15 For readers of *H Is for Hawk*, an intimate memoir of belonging and loss and a mesmerizing travelogue through the landscapes and language of Wales *Hiraeth* is a Welsh word that's famously hard to translate. Literally, it can mean long field but generally translates into English, inadequately, as homesickness. At heart, *hiraeth* suggests something like a bone-deep longing for an irretrievable place, person, or time—an acute awareness of the presence of absence. In *The Long Field*, Pamela Petro braids essential *hiraeth* stories of Wales with tales from her own life—as an American who found an ancient home in Wales, as a gay woman, as the survivor of a terrible AMTRAK train crash, and as the daughter of a parent with dementia. Through the pull and tangle of these stories and her travels throughout Wales, *hiraeth* takes on radical new meanings. There is traditional *hiraeth* of place and home, but also queer *hiraeth*; and *hiraeth* triggered by technology, immigration, ecological crises, and our new divisive politics. On this journey, the notion begins to morph from a uniquely Welsh experience to a universal human condition, from deep longing to the creative responses to loss that Petro sees as the genius of Welsh culture. It becomes a tool to understand ourselves in our time. A finalist for the Wales Book of the Year Award and named to the Telegraph's and Financial Times's Top 10 lists for travel writing, *The Long Field* is an unforgettable exploration of “the hidden contours of the human heart.”
