**tim pool ye: Contested Transparencies, Social Movements and the Public Sphere** Stefan Berger, Dimitrij Owetschkin, 2019-10-18 This edited collection examines the multi-faceted phenomenon of transparency, especially in its relation to social movements, from a range of multi-disciplinary viewpoints. Over the past few decades, transparency has become an omnipresent catch phrase in public and scientific debates. The volume tracks developments of ideas and practices of transparency from the eighteenth century to the current day, as well as their semantic, cultural and social preconditions. It connects analyses of the ideological implications of transparency concepts and transparency claims with their impact on the public sphere in general and on social movements in particular. In doing so, the book contributes to a better understanding of social conflicts and power relations in modern societies. The chapters are organized into four parts, covering the concept and ideology of transparency, historical and recent developments of the public sphere and media, the role of the state as an agent of surveillance, and conflicts over transparency and participation connected to social movements.

Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

**tim pool ye:** Alinka Zyrmont, 2005-04-01 A passion prohibited by the Roman Catholic Church. When Mara Neill, married to a commercial pilot, falls in love with her parish priest, the handsome Fr. O'Dell, her husband, an ex-Navy pilot, threatens to kill the passionate priest. In order to avoid a catastrophe, Mara convinces her husband to sue him instead. The priest, torn by his love for Mara, a beautiful actress, and his love for the church, anguishes over whether to leave the church and marry her or attempt again to be true to his broken vow of celibacy. When somebody discloses the sordid details of the lawsuit to the parishioners, they demand the bishop return the disgraced priest back to the flock or they will withhold their tithings. The media embarks upon a barrage of publicity, and when the bishop returns the priest to his parish, Mara, outraged, fights back by hiring a private detective, who uncovers some of the church's dark secrets. This novel full of sin runs the gamut of human emotions: joy, of meeting the beautiful actress; love, with the wrong man; fear, of being caught; worry, that the priest will be laicized; jealousy, between the pilot and the priest; greed, of which they accused her; frustration, of their lawyers; embarrassment, of the bishop; shame, of the victim; sin, they were all full of it; remorse, nobody had any of it!
