

# **Tucker Carlson Trump Ratings**

## **Tucker Carlson, Trump, and Ratings: A Deep Dive into the Symbiotic Relationship**

### Introduction:

The intersection of Tucker Carlson, Donald Trump, and television ratings is a fascinating and complex one. For years, Carlson's show on Fox News has been a ratings powerhouse, often fueled by discussions surrounding Trump and his political activities. This post delves into the symbiotic relationship between these three elements, exploring how Trump's influence impacts Carlson's viewership, how Carlson's coverage shapes public perception of Trump, and the broader implications for the media landscape. We'll examine the data, analyze the rhetoric, and consider the future of this powerful dynamic. This isn't just about numbers; it's about understanding the power of personality-driven news and its impact on American politics.

### 1. The Trump Effect on Tucker Carlson's Ratings:

Donald Trump's presence, or even the mere mention of his name, has demonstrably boosted Tucker Carlson's ratings. When Trump is in the news, whether for a policy announcement, a controversial tweet, or a legal battle, viewership for Carlson's show tends to spike. This isn't simply correlation; Carlson often uses Trump as a focal point for discussions on culture war issues, immigration, and the perceived failings of the "establishment." This creates a feedback loop: Trump's actions generate news, which drives viewers to Carlson, who then further amplifies Trump's message, creating a cycle of heightened engagement and increased viewership. Analyzing specific instances - for example, comparing ratings surrounding major Trump-related events versus periods of lower Trump-related news - would reveal the quantitative strength of this effect.

### 2. Carlson's Coverage and its Impact on Public Perception of Trump:

Carlson's coverage of Trump is not always overtly supportive, but it consistently positions Trump as a victim of the "liberal media" and the "deep state." This framing, while arguably biased, resonates with a significant segment of the population who already distrust mainstream media narratives. By consistently giving voice to Trump's grievances and arguments, regardless of factual accuracy, Carlson reinforces a particular perception of Trump amongst his viewers. This subtle but powerful influence shapes how a considerable portion of the population understands Trump's actions and motivations, potentially softening criticism and building support. A detailed analysis of Carlson's rhetoric and its framing of Trump would highlight this manipulative power.

### 3. The Broader Media Landscape and the Carlson-Trump Dynamic:

The success of the Carlson-Trump dynamic highlights a broader trend in media consumption: the rise of partisan news and the decline of objective journalism. Viewers increasingly seek out news sources that confirm their pre-existing beliefs, creating echo chambers where alternative perspectives are marginalized. The Carlson-Trump partnership perfectly embodies this phenomenon, catering to a specific audience with a targeted message. This raises concerns about the erosion of

shared reality and the potential for increased political polarization. Examining the ratings of other similarly partisan news programs would help contextualize Carlson's success within this broader media trend.

#### 4. The Financial Incentives and Business Model:

The high ratings directly translate to substantial revenue for Fox News. Advertising revenue is tied to viewership, and Carlson's consistent high ratings make his show a valuable asset for the network. This financial incentive creates a strong motivation to maintain the status quo - continuing to cover Trump in a way that keeps viewers engaged and, consequently, advertisers happy. Investigating Fox News' financial reports alongside Carlson's ratings data would expose the clear financial benefits of this relationship.

#### 5. The Future of the Tucker Carlson-Trump Relationship:

The future of this dynamic remains uncertain. Trump's political future, his relationship with Fox News, and even Carlson's own career trajectory all hold significant implications for their continued symbiotic relationship. However, the established pattern suggests that as long as both men remain prominent figures in the political landscape, their intertwined fates will continue to influence television ratings and shape political discourse. Speculation on potential future scenarios, including Trump's potential re-election bid and the impact of various political events on their relationship, would offer valuable insight.

#### Article Outline:

Name: Understanding the Tucker Carlson-Trump-Ratings Nexus

Introduction: Defining the scope of the analysis and its importance.

Chapter 1: The quantifiable impact of Trump-related news on Carlson's ratings.

Chapter 2: Analyzing Carlson's rhetorical strategies and their effect on viewer perception of Trump.

Chapter 3: Positioning the Carlson-Trump dynamic within the larger context of the media landscape.

Chapter 4: The financial implications of high ratings for Fox News and the incentive to maintain the relationship.

Chapter 5: Speculation on the future of the Carlson-Trump relationship and its potential implications.

Conclusion: Summarizing key findings and their broader significance.

(Detailed explanation of each chapter would follow, expanding on the points outlined above. This would involve specific examples, data analysis where available, and expert opinions to support the claims.)

#### 9 Unique FAQs:

1. Does Tucker Carlson always support Donald Trump?
2. How do Trump's legal battles affect Carlson's ratings?
3. What are the ethical implications of Carlson's coverage of Trump?
4. How does Carlson's show compare to other news programs in terms of ratings?
5. Has the Carlson-Trump relationship changed over time?

6. What role does social media play in amplifying the Carlson-Trump narrative?
7. How does the Carlson-Trump dynamic affect political polarization?
8. What are the potential consequences of relying on partisan news sources like Carlson's show?
9. Could the relationship between Carlson and Trump ever end, and what would be the impact?

**tucker carlson trump ratings: Hoax** Brian Stelter, 2020-08-25 INSTANT NEW YORK TIMES BESTSELLER An NPR Best Book of the Year “A thorough and damning exploration of the incestuous relationship between Trump and his favorite channel.” —The New York Times “A Rosetta Stone for stuff about this presidency that doesn’t otherwise make sense to normal humans.” —Rachel Maddow, MSNBC “Stelter’s critique goes beyond salacious tidbits about extramarital affairs (though there are plenty of those) to expose a collusion that threatens the pillars of our democracy.” —The Washington Post The urgent and untold story of the collusion between Fox News and Donald Trump from the New York Times bestselling author of Top of the Morning. While other leaders were marshaling resources to combat the greatest pandemic in modern history, President Donald Trump was watching TV. Trump watches over six hours of Fox News a day, a habit his staff refers to as “executive time.” In January 2020, when Fox News began to downplay COVID-19, the President was quick to agree. In March, as the deadly virus spiraled out of control, Sean Hannity mocked “coronavirus hysteria” as a “new hoax” from the left. Millions of Americans took Hannity and Trump's words as truth—until some of them started to get sick. In *Hoax*, CNN anchor and chief media correspondent Brian Stelter tells the twisted story of the relationship between Donald Trump and Fox News. From the moment Trump glided down the golden escalator to announce his candidacy in the 2016 presidential election to his acquittal on two articles of impeachment in early 2020, Fox hosts spread his lies and smeared his enemies. Over the course of two years, Stelter spoke with over 250 current and former Fox insiders in an effort to understand the inner workings of Rupert Murdoch's multibillion-dollar media empire. Some of the confessions are alarming. “We don't really believe all this stuff,” a producer says. “We just tell other people to believe it.” At the center of the story lies Sean Hannity, a college dropout who, following the death of Fox News mastermind Roger Ailes, reigns supreme at the network that pays him \$30 million a year. Stelter describes the

raging tensions inside Fox between the Trump loyalists and the few remaining journalists. He reveals why former chief news anchor Shep Smith resigned in disgust in 2019; why a former anchor said “if I stay here I’ll get cancer;” and how Trump has exploited the leadership vacuum at the top to effectively seize control of the network. Including never before reported details, Hoax exposes the media personalities who, though morally bankrupt, profit outrageously by promoting the President’s propaganda and radicalizing the American right. It is a book for anyone who reads the news and wonders: How did this happen?

**tucker carlson trump ratings: Live Free Or Die** Sean Hannity, 2020-08-04 #1 NEW YORK TIMES BESTSELLER America’s top-rated cable news host offers his first book in over ten years: a look at America’s fight against those who would reverse our tradition of freedom. America is great for a reason. Built on principles of freedom, rugged individualism, and self-sufficiency, no country has ever accumulated more power and wealth, abused it less, or used that power more to advance the human condition. And yet, as America blossomed, leftwing radicalism and resentment festered beneath the surface, threatening to undermine democracy in the form of social justice warriors, the deep state, and compromised institutions like academia and the mainstream media. With the Democratic victory in 2020, we are now at risk for a big step toward full-blown socialism along with the economic dysfunction and social strife that are its hallmarks. With radical Democrats demanding the Green New Deal, socialized medicine, abortion on demand, open borders, abolishing the Electoral College, packing the Supreme Court, and an end to free speech, our great nation will be fundamentally transformed beyond recognition. Ronald Reagan once said, “Freedom is but one generation away from extinction,” and his words have never rung truer. In *Live Free or Die*, Sean demonstrates why now is an All Hands on Deck moment to save the Republic.

**tucker carlson trump ratings: The Long Slide** Tucker Carlson, 2021-08-10 From the host of *Tucker Carlson Tonight* on Fox News and the New York Times best-selling author of *Ship of Fools*, a collection of nostalgic writings that underscore America’s long slide from innocence to orthodoxy.

**tucker carlson trump ratings: Ship of Fools** Tucker Carlson, 2019-10-01 The #1 New York Times bestseller from FOX News star of *Tucker Carlson Tonight* offers “a targeted snipe at the Democrats and Republicans and their elite enablers” (New York Journal of Books) in a funny political commentary on how America’s ruling class has failed everyday Americans. “Informal and often humorous...an entertainingly told narrative of elite malfeasance” (Publishers Weekly), Tucker Carlson’s *Ship of Fools* tells the truth about the new American elites, a group whose power and wealth has grown beyond imagination even as the rest of the country has withered. The people who run America now barely interact with it. They fly on their own planes, ski on their own mountains, watch sporting events far from the stands in sky boxes. They have total contempt for you. In *Ship of Fools*, Tucker Carlson offers a blistering critique of our new overlords and answers the all-important question: How do we put the country back on course? Traditional liberals are gone, he writes. The patchouli-scented hand-wringers who worried about whales and defended free speech have been replaced by globalists who hide their hard-edged economic agenda behind the smokescreen of identity politics. They’ll outsource your job while lecturing you about transgender bathrooms. Left and right, Carlson says, are no longer meaningful categories in America. “The rift is between those who benefit from the status quo, and those who don’t.” Our leaders are fools, Carlson concludes, “unaware that they are captains of a sinking ship.” But in the signature and witty style that viewers of *Tucker Carlson Tonight* enjoy so much, *Ship of Fools* is “bulging with big and interesting ideas, presented succinctly with wit and precision, each chapter a potential book in itself” (The Washington Times).

**tucker carlson trump ratings: Stone's Rules** Roger Stone, 2018-05-08 Rules to live by from the master of political dark arts, as seen in the award-winning documentary *Get Me Roger Stone* At long last, America’s most notorious political operative has released his operating manual! A freedom fighter to his admirers, a dirty trickster to his detractors, the flamboyant, outrageous, articulate, and extraordinarily well-dressed Roger Stone lays out Stone’s Rules—the maxims that have governed his legendary career as a campaign operative for four American presidents, from Richard Nixon and

Ronald Reagan to Donald Trump. As a raconteur, pundit, prognosticator, and battle-scarred veteran of America's political wars, Roger Stone shares his lessons on punking liberals and playing the media, gives an inside look at his push to legalize marijuana, details how much linen to show at the cuff of an impeccably-cut suit, lays out how and why LBJ orchestrated the murder of JFK, and reveals how to make the truly great marinara sauce that is the foundation of Stone's legendary Sunday Gravy. Along the way, Stone dishes on the cloak and dagger nitty-gritty that has guided his own successes and occasional defeats, culminating in the election of the candidate he first pushed for the presidency in 1988, Donald J. Trump. First revealed in the Weekly Standard by Matt Labash and commemorated by CNN's Jeffrey Toobin, the blunt, pointed, and real-world practical Stone's Rules were immortalized in the Netflix smash hit documentary Get Me Roger Stone—part Machiavelli's The Prince, part Sun Tzu's The Art of War, all brought together with a highly-entertaining blend of culinary and sartorial advice from the Jedi Master of political dark arts. From Attack, attack, attack! inspired by Winston Churchill, to Three can keep a secret, if two are dead," taken from the wall of mob boss Carlos Marcello's headquarters, to Stone's own "It is better to be infamous than to never have been famous at all," Roger Stone shares with the world all that he's learned from his decades of political jujitsu and life as a maven of high-style. From Stone's Rules for campaign management to the how-to's of an internet mobilization campaign to advice on custom tailoring to the ingredients for the perfect martini from Dick Nixon's (no-longer) secret recipe, Stone has fashioned the truest operating manual for anyone navigating the rough-and-tumble of business, finance, politics, social engagement, family affairs, and life itself.

**tucker carlson trump ratings: Attack from Within** Barbara McQuade, 2024-02-27 A NEW YORK TIMES BESTSELLER An urgent, comprehensive explanation of the ways disinformation is impacting democracy, and practical solutions that can be pursued to strengthen the public, media, and truth-based politics MSNBC's legal expert breaks down the ways disinformation has become a tool to drive voters to extremes, disempower our legal structures, and consolidate power in the hands of the few. One of the most acute observers of our time shares . . . a compelling work about a challenge that—left unexamined and left unchecked—could undermine our democracy. —Eric H. Holder Jr, 82nd Attorney General of the United States American society is more polarized than ever before. We are strategically being pushed apart by disinformation—the deliberate spreading of lies disguised as truth—and it comes at us from all sides: opportunists on the far right, Russian misinformed social media influencers, among others. It's endangering our democracy and causing havoc in our electoral system, schools, hospitals, workplaces, and in our Capitol. Advances in technology including rapid developments in artificial intelligence threaten to make the problems even worse by amplifying false claims and manufacturing credibility. In Attack from Within, legal scholar and analyst Barbara McQuade, shows us how to identify the ways disinformation is seeping into all facets of our society and how we can fight against it. The book includes: The authoritarian playbook: a brief history of disinformation from Mussolini and Hitler to Bolsonaro and Trump, chronicles the ways in which authoritarians have used disinformation to seize and retain power. Disinformation tactics—like demonizing the other, seducing with nostalgia, silencing critics, muzzling the media, condemning the courts; stoking violence—and reasons why they work. An explanation of why America is particularly vulnerable to disinformation and how it exploits our First Amendment Freedoms, sparks threats and violence, and destabilizes social structures. Real, accessible solutions for countering disinformation and maintaining the rule of law such as making domestic terrorism a federal crime, increasing media literacy in schools, criminalizing doxxing, and much more. Disinformation is designed to evoke a strong emotional response to push us toward more extreme views, unable to find common ground with others. The false claims that led to the breathtaking attack on our Capitol in 2021 may have been only a dress rehearsal. Attack from Within shows us how to prevent it from happening again, thus preserving our country's hard-won democracy.

**tucker carlson trump ratings: Summary of The Fall by Michael Wolff: The End of Fox News and the Murdoch Dynasty** GP SUMMARY, 2023-09-28 DISCLAIMER This book does not in any

capacity mean to replace the original book but to serve as a vast summary of the original book. Summary of The Fall by Michael Wolff: The End of Fox News and the Murdoch Dynasty IN THIS SUMMARIZED BOOK, YOU WILL GET: Chapter astute outline of the main contents. Fast & simple understanding of the content analysis. Exceptionally summarized content that you may skip in the original book Michael Wolff's Succession explores the dysfunctional family of Fox News, which has formed the most powerful media and political force in the US for almost three decades. The family's empire is cracking up and crashing down, with Rupert Murdoch, his contentious progeny, star anchor Tucker Carlson, and Sean Hannity all competing for power. The book follows the final days of Fox News, as lawsuits and lawsuits threaten the network's financial stability and reputation. The heirs, including the infamous Roys of TV's Succession, make the Roys of TV's Succession seem downright Brady Bunch. Wolff's book provides an unforgettable glimpse into the complexities of the Murdoch family's empire and the political landscape of the United States.

**tucker carlson trump ratings: Enemies** Peter D'Abrosca, 2019-07-16 President Donald J. Trump drives liberals and the mainstream press berserk by labeling them the enemy of the American people. While the testy talking heads and petulant penmen in D.C. might disagree, all relevant evidence supports Trump's claim. Hilariously told, Enemies: The Press vs. The American People is a knee-slapping account of the follies of the corporate press freak show. It highlights the media's fact-free and for-profit deception of unsuspecting Americans while delivering the press the proverbial beat down it so richly deserves.

**tucker carlson trump ratings: The Presidency of Donald J. Trump** Julian E. Zelizer, 2022-04-12 Leading historians provide perspective on Trump's four turbulent years in the White House The Presidency of Donald J. Trump presents a first draft of history by offering needed perspective on one of the nation's most divisive presidencies. Acclaimed political historian Julian Zelizer brings together many of today's top scholars to provide balanced and strikingly original assessments of the major issues that shaped the Trump presidency. When Trump took office in 2017, he quickly carved out a loyal base within an increasingly radicalized Republican Party, dominated the news cycle with an endless stream of controversies, and presided over one of the most contentious one-term presidencies in American history. These essays cover the crucial aspects of Trump's time in office, including his administration's close relationship with conservative media, his war on feminism, the solidification of a conservative women's movement, his response to COVID-19, the border wall, growing tensions with China and NATO allies, white nationalism in an era of Black Lives Matter, and how the high-tech sector flourished. The Presidency of Donald J. Trump reveals how Trump was not the cause of the political divisions that defined his term in office but rather was a product of long-term trends in Republican politics and American polarization more broadly. With contributions by Kathleen Belew, Angus Burgin, Geraldo Cadava, Merlin Chowkwanyun, Bathsheba Demuth, Gregory Downs, Jeffrey Engel, Beverly Gage, Nicole Hemmer, Michael Kazin, Daniel C. Kurtzer, James Mann, Mae Ngai, Margaret O'Mara, Jason Scott Smith, Keeanga-Yamahtta Taylor, and Leandra Zarnow.

**tucker carlson trump ratings: American Kompromat** Craig Unger, 2021-01-26 \*\*THE INSTANT NEW YORK TIMES BESTSELLER\*\* Kompromat n.—Russian for compromising information This is a story about the dirty secrets of the most powerful people in the world—including Donald Trump. It is based on exclusive interviews with dozens of high-level sources—intelligence officers in the CIA, FBI, and the KGB, thousands of pages of FBI investigations, police investigations, and news articles in English, Russian, and Ukrainian. American Kompromat shows that from Trump to Jeffrey Epstein, kompromat was used in operations far more sinister than the public could ever imagine. Among them, the book addresses what may be the single most important unanswered question of the entire Trump era: Is Donald Trump a Russian asset? The answer, American Kompromat says, is yes, and it supports that conclusion backs with the first richly detailed narrative on how the KGB allegedly first “spotted” Trump as a potential asset, how they cultivated him as an asset, arranged his first trip to Moscow, and pumped him full of KGB talking points that were published in three of America's most prestigious newspapers. Among its many revelations, American Kompromat reports

for the first time that: • According to Yuri Shvets, a former major in the KGB, Trump first did business over forty years ago with a Manhattan electronics store co-owned by a Soviet émigré who Shvets believes was working with the KGB. Trump's decision to do business there triggered protocols through which the Soviet spy agency began efforts to cultivate Trump as an asset, thus launching a decades-long "relationship" of mutual benefit to Russia and Trump, from real estate to real power. • Trump's invitation to Moscow in 1987 was billed as a preliminary scouting trip for a hotel, but according to Shvets, was actually initiated by a high-level KGB official, General Ivan Gromakov. These sorts of trips were usually arranged for 'deep development,' recruitment, or for a meeting with the KGB handlers, even if the potential asset was unaware of it. . • Before Trump's first trip to Moscow, he met with Natalia Dubinina, who worked at the United Nations library in a vital position usually reserved as a cover for KGB operatives. And many more...

**tucker carlson trump ratings:** *The Fixers* Joe Palazzolo, Michael Rothfeld, 2020-01-14 The shocking, definitive account of the lawyers and media tycoons who enabled the rise of Donald Trump, featuring new revelations from a Pulitzer Prize-winning Wall Street Journal team With his blunt-force fame and the myths he's propagated about himself, Donald Trump has always moved in a world of gossip barons, crooked lawyers, and porn stars. But when he became the Republican nominee for the presidency in 2016, all of these characters crawled out from the underbelly of Trump's stardom and stumbled onto the global stage with him. In *The Fixers*, Joe Palazzolo and Michael Rothfeld have produced a deeply reported and exquisitely drawn portrait of that world, full of secret phone calls, hidden texts, and desperate deals, unearthing the practice of "catch and kill" by which Trump surrogates paid hush money to cover up his affairs, and detailing Trump's historic relationship with his fixers—from his early, influential relationship with Roy Cohn to his reliance on Michael Cohen, National Enquirer publisher David Pecker, and former New York mayor Rudy Giuliani. It traces the arc of their interactions from the 1970s through the 2016 campaign and beyond. It is a distinctly American saga that navigates the worlds of reality TV, cash-for-trash tabloids, single-shingle law shops, celebrity bashes, high-end real estate, pornography, and politics. The characters and settings of this book are part of a vulgar circus that crisscrosses the country, from New York to L.A. to D.C. Terrifying, darkly comic, and compulsively readable, *The Fixers* is an epic political adventure in which greed, corruption, lust, and ambition collide, and that leads, ultimately, to the White House. Advance praise for *The Fixers* "Of the dozens of books chronicling Donald Trump's presidency, *The Fixers* is destined to sit atop the pile. It has everything you look for in a political page-turner: Colorful characters, intrigue, sex, corruption and—unlike much of the Trump canon—meticulous, factual reporting by two ace reporters. What a read!"—John Carreyrou, New York Times bestselling author of *Bad Blood*

**tucker carlson trump ratings:** *Thou Shalt Not Be a Jerk* Eugene Cho, 2020-03-01 According to Eugene Cho, Christians should never profess blind loyalty to a party. Any party. But they should engage with politics, because politics inform policies which impact people. In *Thou Shalt Not Be a Jerk: A Christian's Guide to Engaging Politics*, Cho encourages readers to remember that hope arrived—not in a politician, system, or great nation—but in the person of Jesus Christ. With determination and heart, Cho urges readers to stop vilifying those they disagree with—especially the vulnerable—and asks Christians to follow Jesus and reflect His teachings. In this book that integrates the pastoral, prophetic, practical, and personal, readers will be inspired to stay engaged, have integrity, listen to the hurting, and vote their convictions. "When we stay in the Scriptures, pray for wisdom, and advocate for the vulnerable, our love for politics, ideology, philosophy, or even theology, stop superseding our love for God and neighbor."

**tucker carlson trump ratings:** *The Steal* Mark Bowden, Matthew Teague, 2022-01-04 "A gripping ground-level narrative...a marvel of reporting: tightly wound... but also panoramic."—Washington Post "A lean, fast-paced and important account of the chaotic final weeks."—New York Times In *The Steal*, veteran journalists Mark Bowden and Matthew Teague offer a week-by-week, state-by-state account of the effort to overturn the 2020 presidential election. In the sixty-four days between November 3 and January 6, President Donald Trump and his allies fought to

reverse the outcome of the vote. Focusing on six states—Arizona, Georgia, Michigan, Nevada, Pennsylvania, and Wisconsin—Trump’s supporters claimed widespread voter fraud. Caught up in this effort were scores of activists, lawyers, judges, and state and local officials. Working with a team of researchers and reporters, Bowden and Teague uncover never-before-told accounts from the election officials fighting to do their jobs amid outlandish claims and threats to themselves, their colleagues, and their families. *The Steal* is an engaging, in-depth report on what happened during those crucial nine weeks and a portrait of the dedicated individuals who did their duty and stood firm against the unprecedented, sustained attack on our election system and ensured that every legal vote was counted and that the will of the people prevailed.

**tucker carlson trump ratings: *Wrong*** Dannagal Goldthwaite Young, 2023-10-17 In this book, the author offers a new model that identifies social and cultural identity—who we are and who we want to be—as the most important factor driving the American phenomena of being wrong--

**tucker carlson trump ratings: *Hoax*** Brian Stelter, 2020-08-25 The instant New York Times bestseller that reveals the collusion between Fox News and Donald Trump—with explosive new reporting covering the election and the January 6 riot. As the nation recovers from the Trump presidency, many questions remain: Why was the COVID-19 pandemic so grossly mishandled? How did we get so politically polarized? What caused white nationalist groups to come out of the shadows, and are they here to stay? The answers lie in the twisted story of the relationship between Donald Trump and Fox News. Through firsthand accounts from over 250 current and former Fox insiders, CNN anchor and chief media correspondent Brian Stelter unlocks the inner workings of Rupert Murdoch’s multibillion-dollar media empire. The confessions are shocking: “We don’t really believe all this stuff,” a producer says. “We just tell other people to believe it.” Stelter completes the story of the Trump years and looks toward the future of the network that made him. *Hoax* is a book for anyone who reads the news and wonders how we got here, and what happens next.

**tucker carlson trump ratings: *Positive Populism*** Steve Hilton, 2018-09-04 The elites still can't believe Donald Trump won or that Britain voted for Brexit. But what's next for the populist revolution and for the people who believe in it? Fox News host and former government insider Steve Hilton shows how populism can be a positive force for improving lives, with revolutionary ideas to restore the economic security that working Americans once took for granted, and rebuild the ties of family, community and nation that have been ripped apart by decades of policies that favored big government, big business, and the powerful. Recounting his own journey from immigrant roots to the heart of power - and his deeply personal battles with the permanent bureaucracy once there - Hilton vividly describes the scale of change that's needed if the true promise of the populist revolution is to be delivered, including:

- An unprecedented assault on centralized government and the administrative state to make sure “Drain The Swamp” is not just a slogan
- A completely fresh approach to jobs, schools and skills so every working American can live on what they earn
- Practical steps to reverse the disaster of family breakdown so that every child can be raised in a stable, loving home
- Ideas to revitalize our communities by giving citizens real control

Whether by challenging the excess power of corporations in our economy or the corrupt influence of donors and lobbyists in our government, the ideas in this book echo the intent of America’s founders by taking power from the ruling class and putting it in the hands of the people. For too long, populism has been defined by those who despise it. By focusing on what populism is for, and not just what it’s against, Hilton provides a coherent philosophy and practical blueprint for how the movement can have an impact beyond one election cycle, and in people's everyday lives. That’s *Positive Populism*.

**tucker carlson trump ratings: *How Propaganda Works*** Jason Stanley, 2015-05-26 How propaganda undermines democracy and why we need to pay attention Our democracy today is fraught with political campaigns, lobbyists, liberal media, and Fox News commentators, all using language to influence the way we think and reason about public issues. Even so, many of us believe that propaganda and manipulation aren't problems for us—not in the way they were for the totalitarian societies of the mid-twentieth century. In *How Propaganda Works*, Jason Stanley demonstrates that more attention needs to be paid. He examines how propaganda operates subtly,

how it undermines democracy—particularly the ideals of democratic deliberation and equality—and how it has damaged democracies of the past. Focusing on the shortcomings of liberal democratic states, Stanley provides a historically grounded introduction to democratic political theory as a window into the misuse of democratic vocabulary for propaganda's selfish purposes. He lays out historical examples, such as the restructuring of the US public school system at the turn of the twentieth century, to explore how the language of democracy is sometimes used to mask an undemocratic reality. Drawing from a range of sources, including feminist theory, critical race theory, epistemology, formal semantics, educational theory, and social and cognitive psychology, he explains how the manipulative and hypocritical declaration of flawed beliefs and ideologies arises from and perpetuates inequalities in society, such as the racial injustices that commonly occur in the United States. *How Propaganda Works* shows that an understanding of propaganda and its mechanisms is essential for the preservation and protection of liberal democracies everywhere.

**tucker carlson trump ratings:** *An Independent View of the Donald J. Trump Presidency* William Smith, 2023-04-26 This book continues the chronological look at the inner workings of our government in the last two years of Donald Trump's administration and the resulting insurrection. He has lost the investigative power of the House of Representatives in the midterm election, but still controls the Senate under the compliant leadership of Mitch McConnell. Now he needs to find a willing Attorney General in order to control the Judiciary Branch. He finds that in William Barr. President Trump has been emboldened by newly appointed A.G. Barr with his dismissal of the Special Counsel Robert Mueller investigation. With the help of compliant Republicans in Congress, he believes that he can do no wrong. Unfortunately, our deep division in American thinking has been created by individuals and organizations that are using our beloved internet for their own selfish purposes. Across this communication highway, we have mainstream, conservative, and social media all vying for our attention. Good intentions seem to be overwrought by predatory ambitions. This constant stream of sensationalized misinformation has created a storm of hateful division. Wayward focus groups are urged to gather together and fight for the causes that they have been directed to believe in, the truth be damned. What is most frightening about this change in American lifestyle is that the President of the United States is primarily responsible for this deep division. Donald Trump is a master manipulator. He will do whatever is necessary to obtain control, using whomever he can to succeed and punishing all who oppose his ambitions. Trump has forever made elaborate and baseless claims about election fraud, even after the Electoral College confirmed Joe Biden's victory on December 14. Five days later, he tweeted, Big protest in DC on January 6th. Be there, will be wild! He then tweeted seven more times calling attention to the event, including one on January 1 that included the phrase Stop the Steal! In this book, I continue my conversations with die hard Trump supporters. Unlike his bigoted and brutal MAGA insurrectionists, these people are our everyday friends and family. What I have learned with these debates is that their beliefs and expressive language mimic those of the numerous hosts of Fox News programming. They steadfastly cling to outrageously unbelievable conspiracy theories that are promoted by guests on Fox News and other far-right conservative media. Read what they have to say and my response, then decide for yourself where and why this misinformation is so destructive.

**tucker carlson trump ratings:** *The Case Against Impeaching Trump* Alan Dershowitz, 2018-07-09 A brilliant lawyer...A new and very important book. I would encourage all people...to read!—President Donald J. Trump “Absolutely amazing.... If you care about justice...read this book.”—Sean Hannity “Maybe the question isn’t what happened to Alan Dershowitz. Maybe it’s what happened to everyone else.”—Politico Alan Dershowitz has been called “one of the most prominent and consistent defenders of civil liberties in America” by Politico and “the nation’s most peripatetic civil liberties lawyer and one of its most distinguished defenders of individual rights” by Newsweek. Yet he has come under partisan fire for applying those same principles to Donald Trump during the course of his many appearances in national media outlets as an expert resource on civil liberties and constitutional law. *The Case Against Removing Trump* seeks to reorient the debate over impeachment to the same standard that Dershowitz has continued to uphold for decades: the law of

the United States of America, as established by the Constitution. In the author's own words: "In the fervor to impeach President Trump, his political enemies have ignored the text of the Constitution. As a civil libertarian who voted against Trump, I remind those who would impeach him not to run roughshod over a document that has protected us all for two and a quarter centuries. In this case against impeachment, I make arguments similar to those I made against the impeachment of President Bill Clinton (and that I would be making had Hillary Clinton been elected and Republicans were seeking to impeach her). Impeachment and removal of a president are not entirely political decisions by Congress. Every member takes an oath to uphold the Constitution of the United States, and the Constitution sets out specific substantive criteria that MUST be met. I am thrilled to contribute to this important debate and especially that my book will be so quickly available to readers so they can make up their own minds."

**tucker carlson trump ratings:** *Let them Eat Tweets: How the Right Rules in an Age of Extreme Inequality* Jacob S. Hacker, Paul Pierson, 2020-07-07 A New York Times Editors' Choice An "essential" (Jane Mayer) account of the dangerous marriage of plutocratic economic priorities and right-wing populist appeals — and how it threatens the pillars of American democracy. In *Let Them Eat Tweets*, best-selling political scientists Jacob S. Hacker and Paul Pierson argue that despite the rhetoric of Donald Trump, Josh Hawley, and other right-wing "populists," the Republican Party came to serve its plutocratic masters to a degree without precedent in modern global history. To maintain power while serving the 0.1 percent, the GOP has relied on increasingly incendiary racial and cultural appeals to its almost entirely white base. Calling this dangerous hybrid "plutocratic populism," Hacker and Pierson show how, over the last forty years, reactionary plutocrats and right-wing populists have become the two faces of a party that now actively undermines democracy to achieve its goals against the will of the majority of Americans. Based on decades of research and featuring a new epilogue about the intensification of GOP radicalism after the 2020 election, *Let Them Eat Tweets* authoritatively explains the doom loop of tax cutting and fearmongering that defines the Republican Party—and reveals how the rest of us can fight back.

**tucker carlson trump ratings:** *Insurrection* John Rennie Short, 2024-05-06 A profound analysis of the factors underlying the 2021 invasion of the US Capitol, arriving as the nation looks ahead to another tumultuous presidential election in 2024. *Insurrection* offers a profound and incisive analysis of the underlying factors that culminated in the assault on Washington, DC's Capitol Building on that fateful day: January 6th, 2021. Going far beyond mere journalistic accounts, the book delves into structural trends within the United States, providing a broader and deeper context for comprehending the magnitude of the uprising. It explores the crisis of democracy, escalating violence, widening inequality, and the prominence of conspiratorial discourse within American politics. By examining both long-term issues as well as the tumultuous events of 2020, including the pandemic, policing challenges, and the fiercely contested presidential election, this book uncovers the catalysts behind conspiracy theories and the politics of outrage. This compelling narrative is essential reading for all those interested in the contemporary face of the United States.

**tucker carlson trump ratings:** *News After Trump* Matt Carlson, Sue Robinson, Seth C. Lewis, 2021 Donald Trump's rapid - and seemingly improbable - ascension from reality show star to polarizing president threw into question many assumptions about how our media and political worlds work. His habit of lying, history of racist statements, and disdain for conventions upended traditional journalist-elite relations. Taking an expansive view of the contemporary media and political environment during the Trump years, *News After Trump* portrays a media culture in transition. As journalism's very relevance comes to be increasingly questioned, we focus on how different actors - from Trump to small-town newspaper editors - use their cultural power to define journalism, assess its value, and question what the news should look like. The chapters chronicle how Trump and his allies turned attacks on journalists into a central component of a rightwing populist formula, with journalists positioned as just one more self-interested, out-of-touch elite. Over time, this anti-press rhetoric escalated, with Trump regularly debasing journalists as the enemy of the people. While journalists responded by falling back on cherished norms of objectivity and

neutrality to trumpet their democratic role, many among their ranks questioned whether past commitments still had value in a changed media culture and if their reporting practices did more harm than good. To move forward, *News After Trump* does not advocate for a nostalgic return to the past, but instead argues for a journalism that is more assertive in speaking in a moral voice on behalf of communities, more comfortable in rendering judgments, and more self-aware of its shortcomings--

**tucker carlson trump ratings:** *Trump and Us* Roderick P. Hart, 2020-02-14 Trump won the presidency not because of partisanship, policy, or economic factors but because of how he makes people feel.

**tucker carlson trump ratings:** *Network Propaganda* Yochai Benkler, Robert Faris, Hal Roberts, 2018-09-17 This is an open access title available under the terms of a CC BY-NC-ND 4.0 International licence. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. Is social media destroying democracy? Are Russian propaganda or Fake news entrepreneurs on Facebook undermining our sense of a shared reality? A conventional wisdom has emerged since the election of Donald Trump in 2016 that new technologies and their manipulation by foreign actors played a decisive role in his victory and are responsible for the sense of a post-truth moment in which disinformation and propaganda thrives. *Network Propaganda* challenges that received wisdom through the most comprehensive study yet published on media coverage of American presidential politics from the start of the election cycle in April 2015 to the one year anniversary of the Trump presidency. Analysing millions of news stories together with Twitter and Facebook shares, broadcast television and YouTube, the book provides a comprehensive overview of the architecture of contemporary American political communications. Through data analysis and detailed qualitative case studies of coverage of immigration, Clinton scandals, and the Trump Russia investigation, the book finds that the right-wing media ecosystem operates fundamentally differently than the rest of the media environment. The authors argue that longstanding institutional, political, and cultural patterns in American politics interacted with technological change since the 1970s to create a propaganda feedback loop in American conservative media. This dynamic has marginalized centre-right media and politicians, radicalized the right wing ecosystem, and rendered it susceptible to propaganda efforts, foreign and domestic. For readers outside the United States, the book offers a new perspective and methods for diagnosing the sources of, and potential solutions for, the perceived global crisis of democratic politics.

**tucker carlson trump ratings:** *The Oxford Handbook of Illiberalism* Marlène Laruelle, 2024 From the rise of populist leaders and the threat of democratic backsliding to polarizing culture wars and the return of great power competition, the backlash against the political, economic, and social liberalism is increasingly labeled illiberal. Yet, despite the increasing importance of these phenomena, scholars still lack a firm grasp on illiberalism as a conceptual tool for understanding societal transformations. *The Oxford Handbook of Illiberalism* addresses this gap by establishing a theoretical foundation for the study of illiberalism and showcasing state-of-the-art research on this phenomenon in its varied scripts-political, economic, cultural, and geopolitical. Bringing together the expertise of dozens of scholars, the *Oxford Handbook of Illiberalism* offers a thorough overview that characterizes the current state of the field and charts a path forward for future scholarship on this critical and quickly developing concept.

**tucker carlson trump ratings:** *Multicultural Journalism* Margaret E. Thompson, 2024-01-31 This book introduces a more collaborative and reflexive way of producing news that incorporates concepts of cultural identity and cultural positioning of both journalists and sources using a feminist approach to inclusion of all voices and perspectives. This text proposes a feminist collaborative model of journalism that incorporates critical reflexivity, requiring journalists not only to be aware of their own cultural positionality but also that of their sources, as a means of producing more authentic and balanced news coverage. The model is intended for use by journalists as well as journalism education programs to educate future journalists on how to effectively serve audiences with scrupulously investigated, reported, and crafted stories. Chapters explore journalism during the

Obama and Trump years, current journalistic trends, and alternative media, and feature topics such as fake news, racism, sexism in news production and content, and immigration and media. Thompson addresses issues of power and privilege amongst journalists and marginalized groups, and how these implicate power dynamics of journalism practice and reinforce social inequality, particularly relating to race and gender. This book is ideal for advanced undergraduate and graduate students of journalism and media studies, as well as scholars, journalists, and media practitioners.

**tucker carlson trump ratings: Front Row at the Trump Show** Jonathan Karl, 2020-03-31  
\*The Instant New York Times Bestseller\* “A book historians will relish.”—Peggy Noonan, Wall Street Journal Must read. I've read every book about the Trump presidency. This is the best.—Bill Press An account like no other, from the White House reporter who has known President Donald Trump for more than 25 years. We have never seen a president like this...norm-breaking, rule-busting, dangerously reckless to some and an overdue force for change to others. One thing is clear: We are witnessing the reshaping of the presidency. Jonathan Karl brings us into the White House in a powerful book unlike any other on the Trump administration. He's known and covered Donald Trump longer than any other White House reporter. With extraordinary access to Trump during the campaign and at 1600 Pennsylvania Avenue, Karl delivers essential new reporting and surprising insights. These are the behind-the-scenes moments that define Trump's presidency--an extraordinary look at the president, the person, and those closest to him. This is the real story of Trump's unlikely rise; of the struggles and battles of those who work in the administration and those who report on it; of the plots and schemes of a senior staff enduring stunning and unprecedented unpredictability. Karl takes us from a TV set turned campaign office to the strange quiet of Trump's White House on Inauguration Day to a high-powered reelection campaign set to change the country's course. He shows us an administration rewriting the role of the president on the fly and a press corps that has never been more vital. Above all, this book is only possible because of the surprisingly open relationship Donald Trump has had with Jonathan Karl, a reporter he has praised, fought, and branded an enemy of the people. This is Front Row at the Trump Show.

**tucker carlson trump ratings: Network of Lies** Brian Stelter, 2024-09-17 Fox News paid almost a billion dollars in legal settlements to bury the contents of this “essential...grinding, momentum-building” (The New York Times) account of the network's blatant attempts to manipulate the truth, mislead the public, and influence our elections—from the New York Times bestselling author of Hoax. The ongoing criminal trials of Donald Trump are also a trial for the nation he once led. We are undergoing a stress test of American democracy, the rule of law, and the very notion of a shared political reality. Can we achieve accountability for premeditated assaults on democracy and what forms should accountability take? In Network of Lies, New York Times bestselling author Brian Stelter answers these questions by weaving together private texts, unpublished emails, depositions, and other primary sources to tell the chilling story of Trump's alleged conspiracy to steal the 2020 election, and the right-wing media's mission to put him back in office in 2024. Trump couldn't have convinced millions of Americans of the Big Lie without Fox News. From the moment Joe Biden became president-elect in 2020, Fox hosts fueled a fire of misinformation and violence by spreading Trump's tales of election fraud and suppressing the truth. Come January, Sean Hannity insisted Trump needed to stop listening to “crazy people” who swore he could stay in power, but it was too late—thousands of Trump's deluded followers had stormed the Capitol and Trump operatives had breached Dominion Voting Systems' voting machines in Georgia. Now, the 2020 lies are at the center of numerous indictments and his reelection campaign, but Trump is not the only one under fire. The once-untouchable Rupert Murdoch has been held accountable. Dominion's legal war, chronicled in-depth for the first time here, revealed that the ninety-two-year-old Fox chairman knew Trump's lies were dangerous but he allowed the lies to fill Fox's airwaves because, as his “pain sponge” Suzanne Scott admitted, telling the truth was “bad for business.” Network of Lies goes inside the chat rooms, board rooms, and court rooms where the pro-Trump media's greed and selfishness were exposed. Featuring Stelter's “thorough and damning” (The New York Times)

investigative prowess and direct quotations so shocking they read like fiction, *Network of Lies* is the definitive origin story of Trump's attempt to tear down the guardrails of American democracy, and an urgent plea to learn from past mistakes as we head into 2024's pivotal presidential election.

**tucker carlson trump ratings: The Ethical Journalist** Gene Foreman, Daniel R. Biddle, Emilie Lounsberry, Richard G. Jones, 2022-05-25 *The Ethical Journalist* Praise for the Third Edition of *The Ethical Journalist* "A riveting examination of journalism ethics, updated for the seismic change that is now an industry constant. *The Ethical Journalist* is written to fortify journalism students, but real-life examples of everything from faked photographs to reporting on presidential lies make it valuable to all of us who care about the news." ANN MARIE LIPINSKI, CURATOR OF THE NIEMAN FOUNDATION AT HARVARD UNIVERSITY AND FORMER EDITOR OF THE CHICAGO TRIBUNE Praise for the Earlier Editions "The book is superb — the definitive work on journalism ethics and practices. It should be a basic text in every school of journalism." GENE ROBERTS, FORMER EXECUTIVE EDITOR OF THE PHILADELPHIA INQUIRER AND FORMER MANAGING EDITOR OF THE NEW YORK TIMES "At a time when the internet has turned journalism inside out and blown up long-held traditions, the need for media ethics is even more critical. This is the book to help guide students and the rest of us through the revolution." ALICIA C. SHEPARD, FORMER NPR OMBUDSMAN The third edition of *The Ethical Journalist* is a comprehensive examination of current issues in the field of journalism ethics, researched and written by four journalists with experience in both the newsroom and the classroom. It gives students and professionals the tools they need to navigate the challenges of journalism today, first explaining the importance of ethics in journalism and then putting a decision-making strategy to work. The text is supplemented by case studies and essays, and two companion websites provide additional materials for educators and a forum for all users to discuss new topics in journalism ethics as they arise.

**tucker carlson trump ratings: Passenger** Alexandra Bracken, 2016-01-05 Violin prodigy Etta Spencer had big plans for her future, but a tragic accident has put her once-bright career at risk. Closely tied to her musical skill, however, is a mysterious power she doesn't even know she has. When her two talents collide during a stressful performance, Etta is drawn back hundreds of years through time. Etta wakes, confused and terrified, in 1776, in the midst of a fierce sea battle. Nicholas Carter, the handsome young prize master of a privateering ship, has been hired to retrieve Etta and deliver her unharmed to the Ironwoods, a powerful family in the Colonies—the very same one that orchestrated her jump back, and one Nicholas himself has mysteries tied to. But discovering she can time travel is nothing compared to the shock of discovering the true reason the Ironwoods have snared her in their web. Another traveler has stolen an object of untold value from them, and, if Etta can find it, they will return her to her own time. Out of options, Etta and Nicholas embark on a perilous journey across centuries and continents, piecing together clues left behind by the mysterious traveler. But as they draw closer to each other and the end of their search, the true nature of the object, and the dangerous game the Ironwoods are playing, comes to light—threatening to separate her not only from Nicholas, but her path home... forever.

**tucker carlson trump ratings: Political Communication in the Time of Coronavirus** Peter Van Aelst, Jay G. Blumler, 2021-09-13 Timely text authored by leading political communication scholars on the effects of COVID-19 on political communication. How governments, journalists, and the public communicate is of interest within the disciplines of political science, media studies, communication studies, and journalism.

**tucker carlson trump ratings: A President's Daily Brief: Years 1-4** Micah Fisher-Kirshner, What was daily life under the Trump presidency really like? An accessible ebook with short, thematic entries showing the corruption of the entire Trump presidency, *A President's Daily Brief, Year 1-4: The Day-by-Day Lurch of Trump's Norm-Breaking Presidency* is the full volume of Micah Fisher-Kirshner's series, representing the four years of Trump's time in power and the subversion that occurred. More than a compiled list of significant events that portray Trump as the most corrupt American president, this digestible and scannable read of in-the-moment posts pulled from news outlets and credible sources provides an intimate look at how the administration went about

breaking the presidential norms on a daily basis. Readers also will have access to citations to fact-check claims. This quick read on a Trump presidency that started off with outrage and graduated to righteous indignation is a must-have for those who enjoy history, politics, and government or simply want to read about the most notorious presidency in history.

**tucker carlson trump ratings: *Taking Back Trump's America*** Peter Navarro, 2022-09-20 As seen on Tucker Carlson As heard on Mark Levin In this follow-up to the breakout bestseller *In Trump Time*, Peter Navarro explains why Trump lost the White House in 2020 and how he will win it back in 2024—and none too soon. Steve Bannon, the chief architect of Trump's 2016 win, describes *Taking Back Trump's America* as “a brass-knuckled insider's account of the merciless 2020 fall and miraculous 2024 rise of the White House of Trump.” In Peter Navarro's telling—he was in all of the rooms where it happened—Trump's fall may be laid squarely at the feet of a coterie of incompetent and disloyal “bad personnel” inside the White House. They continually sought to undermine the commander in chief they putatively served and included everyone from Attorney General Bill Barr, Treasury Secretary Steve Mnuchin, and National Economic Council Directors Gary Cohn and Larry Kudlow, to National Security Advisors H.R. McMaster and John “Dr. Strangelove” Bolton, Jared “Rasputin” Kushner, the Four-Star Traitors in Generals John Kelly and Jim Mattis, and four of the worst chiefs of staff in White House history. This confederacy of predatory globalists, Never-Trump Republicans, wild-eyed Freedom Caucus nut jobs, and self-absorbed Wall Street transactionalists would constantly delay, disrupt, and deter a set of populist, economic, nationalist, and “tough on China” actions and policies that would have otherwise carried Donald Trump to a landslide victory.

**tucker carlson trump ratings: *Messengers of the Right*** Nicole Hemmer, 2016-09-22 *Messengers of the Right* tells the story of the media activists who built the American conservative movement and transformed it into one of the most significant and successful movements of the twentieth century—and in the process remade the Republican Party and the American media landscape.

**tucker carlson trump ratings: *Woke, Inc.*** Vivek Ramaswamy, 2021-08-17 AN INSTANT NEW YORK TIMES BESTSELLER! A young entrepreneur makes the case that politics has no place in business, and sets out a new vision for the future of American capitalism. There's a new invisible force at work in our economic and cultural lives. It affects every advertisement we see and every product we buy, from our morning coffee to a new pair of shoes. “Stakeholder capitalism” makes rosy promises of a better, more diverse, environmentally-friendly world, but in reality this ideology championed by America's business and political leaders robs us of our money, our voice, and our identity. Vivek Ramaswamy is a traitor to his class. He's founded multibillion-dollar enterprises, led a biotech company as CEO, he became a hedge fund partner in his 20s, trained as a scientist at Harvard and a lawyer at Yale, and grew up the child of immigrants in a small town in Ohio. Now he takes us behind the scenes into corporate boardrooms and five-star conferences, into Ivy League classrooms and secretive nonprofits, to reveal the defining scam of our century. The modern woke-industrial complex divides us as a people. By mixing morality with consumerism, America's elites prey on our innermost insecurities about who we really are. They sell us cheap social causes and skin-deep identities to satisfy our hunger for a cause and our search for meaning, at a moment when we as Americans lack both. This book not only rips back the curtain on the new corporatist agenda, it offers a better way forward. America's elites may want to sort us into demographic boxes, but we don't have to stay there. *Woke, Inc.* begins as a critique of stakeholder capitalism and ends with an exploration of what it means to be an American in 2021—a journey that begins with cynicism and ends with hope.

**tucker carlson trump ratings: *In Trump's Shadow*** David M. Drucker, 2021-10-19 Based on extensive reporting, a *Game of Thrones*-like telling of what comes next for the factions and families within the Republican Party as they plot for supremacy in the post-Trump era. With Trump's four years in the White House now in the rearview, an unprecedented period in American political history is concluded. The transition, however, has set off a mad scramble for control of a Republican Party that for so long has reflected the domineering image of one man—and might even still in the years

ahead. Who emerges from the warring factions and familial rivalries that proliferated and quietly festered during Trump's presidency could determine the fate of the GOP for a generation, and the first hint of what's to come begins with the 2024 campaign to crown the first Republican nominee, and national party leader, of the post-Trump era. With Trump's exit, a singular era in American political history has ended—and the Republican Party, whose identity had for so long been centered around one man, will be forced to redefine itself for the future. Featuring profiles of everyone from Mike Pence, Mike Pompeo, and Nikki Haley to Marco Rubio, Ted Cruz, and those in the Trump family, *In Trump's Shadow* tells the story of a GOP under—and after—the forty-fifth president, and all of those jousting for influence over the party's direction in the wake of Donald Trump.

**tucker carlson trump ratings:** *The Death of Politics* Peter Wehner, 2019-06-04 The New York Times opinion writer, media commentator, outspoken Republican and Christian critic of the Trump presidency offers a spirited defense of politics and its virtuous and critical role in maintaining our democracy and what we must do to save it before it is too late. "Any nation that elects Donald Trump to be its president has a remarkably low view of politics." Frustrated and feeling betrayed, Americans have come to loathe politics with disastrous results, argues Peter Wehner. In this timely manifesto, the veteran of three Republican administrations and man of faith offers a reasoned and persuasive argument for restoring "politics" as a worthy calling to a cynical and disillusioned generation of Americans. Wehner has long been one of the leading conservative critics of Donald Trump and his effect on the Republican Party. In this impassioned book, he makes clear that unless we overcome the despair that has caused citizens to abandon hope in the primary means for improving our world—the political process—we will not only fall victim to despots but hasten the decline of what has truly made America great. Drawing on history and experience, he reminds us of the hard lessons we have learned about how we rule ourselves—why we have checks and balances, why no one is above the law, why we defend the rights of even those we disagree with. Wehner believes we can turn the country around, but only if we abandon our hatred and learn to appreciate and honor the unique and noble American tradition of doing "politics." If we want the great American experiment to continue and to once again prosper, we must once more take up the responsibility each and every one of us as citizens share.

**tucker carlson trump ratings:** *The Fall* Michael Wolff, 2023-09-26 New York Times Bestseller "All happy families are alike; each unhappy family is unhappy in its own way." —Leo Tolstoy, Anna Karenina "Michael Wolff's books were my foundation and port of entry for working on Succession." —Jeremy Strong ("Kendall Roy") Meet the Murdochs and the disastrously dysfunctional family of Fox News. Until recently, they formed the most powerful media and political force in the land, for better or worse. Now their empire is cracking up and crashing down. For almost three decades, Fox News has not only made political careers (see: President Donald J. Trump) but also fundamentally altered the political landscape of the United States. It is a truism: as Fox goes, so goes the nation—into further divisiveness and awash in fake news, a gleefully polarizing company. But just as Fox has pushed America apart, now it too is coming apart. As is the family dynasty behind it. In his irresistible trilogy on the chaotic presidency of Donald Trump—*Fire and Fury*, *Siege*, and *Landslide*—the gadfly journalist Michael Wolff led readers deep into the twisted corridors of the White House. Now, drawing on years of unprecedented access to the Murdoch family and key players in the world of Fox, he plunges us behind the scenes of another empire of influence, and the result is astonishing and unforgettable. Here is Rupert Murdoch, the ninety-two-year-old Australian billionaire—a fading titan, concerned about his legacy but more concerned about profits. Here are his contentious progeny, jockeying to take over when the old man is gone. Here is star anchor Tucker Carlson, hiding out in his island homes, considering a run for the presidency while his bosses have other plans for him. Sean Hannity, the richest man in television, has his own plans: to put the former POTUS back in office, against the bosses' wishes. Meanwhile, Laura Ingraham is just trying to survive in the last man's man's world. Empires fall. Kingdoms come to an end. As lawsuits pummel the financial bedrock and reputation of the network, anchors scramble, and the battling Murdoch heirs make the *Roys* of TV's *Succession* seem downright Brady Bunch, Michael Wolff

documents, in riveting and revelatory real time, the final days of Fox News.

**tucker carlson trump ratings: The Gap in God's Country** Laurie M. Johnson, 2024-10-18

Laurie M. Johnson argues that America's culture wars may seem to have erupted in the past couple of decades, but they go back centuries. For those who think that Christian nationalism (or right-wing populism) is the problem to be solved, that some people simply need to understand Christianity or politics better and become reasonable, read on. Christian nationalism and other ideological extremes are symptoms of major economic, technological, spiritual, and psychological shifts that have left too many people uprooted, disenchanted, and precarious. There are no easy answers, but Johnson tries to show a path out that enlists not only individuals, but also church and state. Without leadership and structure provided at the levels of the church and state, Christians, and those impacted by them, will remain part of the problem and not the solution. Johnson says to Christians: change is not talk, it's action, and Christian action can only happen with leadership that creates a context where we can work together, rather than wasting our time in culture wars.

**tucker carlson trump ratings: Summary of Brian Stelter's Network of Lies** Milkyway Media, 2024-01-30 Get the Summary of Brian Stelter's Network of Lies in 20 minutes. Please note: This is a summary & not the original book. In *Network of Lies*, Brian Stelter chronicles the tumultuous events at Fox News, focusing on host Tucker Carlson's role in the network's internal and external conflicts. Carlson, known for his radical views and influence on political narratives, faced personal lawsuits and network challenges, including a significant legal battle with Dominion Voting Systems. Despite settling with Dominion for \$787.5 million, Fox News continued to grapple with legal issues and the spread of misinformation...

## Tucker Carlson Trump Ratings Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Tucker Carlson Trump Ratings free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Tucker Carlson Trump Ratings free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Tucker Carlson Trump Ratings free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Tucker Carlson Trump Ratings. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Tucker Carlson Trump Ratings any PDF files. With these platforms, the world of PDF downloads is just a click away.

## **FAQs About Tucker Carlson Trump Ratings Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tucker Carlson Trump Ratings is one of the best book in our library for free trial. We provide copy of Tucker
