**umass dartmouth financial aid number:** When Grit Isn't Enough Linda F. Nathan, 2017-10-17 Examines major myths informing American education and explores how educators can better serve students, increase college retention rates, and develop alternatives to college that don't disadvantage students on the basis of race or income Each year, as the founding headmaster of the Boston Arts Academy (BAA), an urban high school that boasts a 94 percent college acceptance rate, Linda Nathan made a promise to the incoming freshmen: "All of you will graduate from high school and go on to college or a career." After fourteen years at the helm, Nathan stepped down and took stock of her alumni: of those who went to college, a third dropped out. Feeling like she failed to fulfill her promise, Nathan reflected on ideas she and others have perpetuated about education: that college is for all, that hard work and determination are enough to get you through, that America is a land of equality. In *When Grit Isn't Enough*, Nathan investigates five assumptions that inform our ideas about education today, revealing how these beliefs mask systemic inequity. Seeing a rift between these false promises and the lived experiences of her students, she argues that it is time for educators to face these uncomfortable issues head-on and explores how educators can better serve all students, increase college retention rates, and develop alternatives to college that don't disadvantage students on the basis of race or income. Drawing on the voices of BAA alumni whose stories provide a window through which to view urban education today, *When Grit Isn't Enough* helps imagine greater purposes for schooling.

front door to walk the beaches of Cape Cod. Over a century and a half later, Ben Shattuck does the same. With little more than a loaf of bread, brick of cheese, and a notebook, Shattuck sets out to retrace Thoreau's path through the Cape's outer beaches, from the elbow to Provincetown's fingertip. This is the first of six journeys taken by Shattuck, each one inspired by a walk once taken by Henry David Thoreau. After the Cape, Shattuck goes up Mount Katahdin and Mount Wachusett, down the coastline of his hometown, and then through the Allagash. Along the way, Shattuck encounters unexpected characters, landscapes, and stories, seeing for himself the restorative effects that walking can have on a dampened spirit. Over years of following Thoreau, Shattuck finds himself uncovering new insights about family, love, friendship, and fatherhood, and understanding more deeply the lessons walking can offer through life's changing seasons. Intimate, entertaining, and beautifully crafted, *Six Walks* is a resounding tribute to the ways walking in nature can inspire us all.
