uconn basketball head coach history: The Big East Dana O'Neil, 2023-02-28 The definitive, compulsively readable story of the greatest era of the most iconic league in college basketball history—the Big East “This book, full of long-standing rivalries, unmatched moments in the lives of coaches and players, and juicy insider gossip, is, like the game of basketball, a ton of fun.”—Philadelphia magazine The names need no introduction: Thompson and Patrick, Boeheim and the Pearl, and of course Gavitt. And the moments are part of college basketball lore: the Sweater Game, Villanova Beats Georgetown, and Six Overtimes. But this is the story of the Big East Conference that you haven't heard before—of how the Northeast, once an afterthought, became the epicenter of college basketball. Before the league's founding, East Coast basketball had crowned just three national champions in forty years, and none since 1954. But in the Big East's first ten years, five of its teams played for a national championship. The league didn't merely inherit good teams; it created them. But how did this unlikely group of schools come to dominate college basketball so quickly and completely? Including interviews with more than sixty of the key figures in the conference's history, *The Big East* charts the league's daring beginnings and its incredible rise. It transports fans inside packed arenas to epic wars fought between transcendent players, and behind locker-room doors where combustible coaches battled even more fiercely for a leg up. Started on a handshake and a prayer, the Big East carved an improbable arc in sports history, an ensemble of Catholic schools banding together to not only improve their own stations but rewrite the geographic boundaries of basketball. As former UConn coach Jim Calhoun eloquently put it, “It was Camelot. Camelot with bad language.”

uconn basketball head coach history: Dead Coach Walking Tom Penders, Steve Richardson, 2011-03 Renowned college basketball coach Tom Penders revisits his successful, if tumultuous, career in a new autobiography *Dead Coach Walking: Tom Penders Surviving and Thriving in College*

Hoops. One of the winningest head coaches in NCAA Division I basketball history, Penders reflects on four decades steering programs at 7 universities-Tufts, Columbia, Fordham, Rhode Island, Texas, George Washington and Houston. As he lifted them from depths of death row to winning glory, he enhanced his reputation as Turnaround Tom. Penders achieved success with distinction: he has coached more NCAA Division I basketball programs than any coach in history and has taken four different schools to the Division I Men's Basketball Tournament. He also retired in 2010 ranked 4th total among active coaches in games-coached, trailing only Connecticut's Jim Calhoun, Duke's Mike Krzyzewski and Syracuse's Jim Boeheim. In *Dead Coach Walking*, Penders talks about the teams he led and how he dealt with athletic directors, conference commissioners, assistants, AAU coaches, the NABC and the NCAA. The book also goes behind the scenes, revealing game strategies, coaching personalities, locker room stories, and experiences on the recruiting trail. Penders' perspective, while sometimes controversial, is riveting not to mention entertaining. *Dead Coach Walking* is truly as unique, quirky, and remarkable as its subject.

uconn basketball head coach history: *Geno* Geno Auriemma, Jackie MacMullan, 2008-12-14 Controversial, confrontational, and driven, Coach Geno Auriemma is a force to be reckoned with -- and the most accomplished male coach in women's basketball today. In his relentless quest for excellence at the University of Connecticut, he has led the Huskies to five national championships. Yet his soul never rests. For Auriemma, life affords only the briefest moments of happiness -- a good round of golf, forty minutes of great basketball, a day at the beach with his family, a nice glass of wine -- while disaster is seemingly always waiting to strike. It's a fatalistic philosophy, a remnant of his hardscrabble early years, but it's an outlook that has driven him to unparalleled success. In this deeply personal memoir, Geno Auriemma reveals for the first time the man behind the legend. He talks candidly about his coaching style, famed for being one of the most demanding in all the sports world. He spills the beans about his stormy dealings with other coaches such as his archrival, Pat Summitt, of the University of Tennessee. And with warmth and a genuine love for his champions, he writes openly about Diana Taurasi, Sue Bird, Nykesha Sales, Rebecca Lobo, Swin Cash, and all of his other UConn stars who have gone on to stellar WNBA careers. You get a courtside seat to all of the action -- including an epilogue on the 2004-05 season, as well as interviews with the team's most celebrated players. A rare look inside the soul of a true competitor, GENO is the story of how one passionate man overcame his own fears to achieve an extraordinary record of success.

uconn basketball head coach history: *Reach for the Summit* Pat Summitt, 1999-04-13 I'm someone who will push you beyond all reasonable limits. Someone who will ask you not to just fulfill your potential but to exceed it. Someone who will expect more from you than you may believe you are capable of. So if you aren't ready to go to work, shut this book. --Pat Summitt Pat Summitt, head coach of the University of Tennessee Lady Vols, was a phenomenon in women's basketball. Her ferociously competitive teams won the NCAA championship in 1996 and 1997 and made her the winningest coach in NCAA Division 1 women's history. Summitt wrote the first motivational book by a high-achieving female coach. In *Reach for the Summit*, she presented her formula for success, which she called the Definite Dozen System. In each of the book's twelve chapters, Summitt talked about one of the system's principles--such as responsibility, discipline, and loyalty--and showed how to apply it to your own situation. Pat Summitt used her own remarkable story as a vehicle for explaining how anyone can transform herself through ambition. Through many amusing anecdotes and a few very painful memories, she revealed her mistakes and triumphs as a beginning basketball player, as an Olympic athlete, as a Division 1 coach, and as a mother. Although Summitt was not born to the easy life--she was born into a hard-working farm family in a remote corner of Tennessee--she became one of the most successful and highest-paid coaches in the country. She candidly talked about how she turned her losses into wins and then showed how you can do the same. Wonderfully entertaining and brilliantly instructive, *Reach for the Summit* discloses the winning secret to building a principled system and making it to the top at whatever you do. Pat Summitt's story will motivate you to achieve in sports, business, and the most important game of all--life.

uconn basketball head coach history: *Sum It Up* Pat Head Summitt, Sally Jenkins, 2014-03-04 Pat Summitt, the all-time winningest coach in NCAA basketball history and bestselling author of *Reach for the Summit* and *Raise The Roof*, tells for the first time her remarkable story of victory and resilience as well as facing down her greatest challenge: early-onset Alzheimer's disease. Pat Summitt was only 21 when she became head coach of the Tennessee Vols women's basketball team. For 38 years, she broke records, winning more games than any NCAA team in basketball history. She coached an undefeated season, co-captained the first women's Olympic team, was inducted into the Basketball Hall of Fame, and was named *Sports Illustrated* 'Sportswoman of the Year'. She owed her coaching success to her personal struggles and triumphs. She learned to be tough from her strict, demanding father. Motherhood taught her to balance that rigidity with communication and kindness. She was a role model for the many women she coached; 74 of her players have become coaches. Pat's life took a shocking turn in 2011, when she was diagnosed with early-onset Alzheimer's disease, an irreversible brain condition that affects 5 million Americans. Despite her devastating diagnosis, she led the Vols to win their sixteenth SEC championship in March 2012. Pat continued to be a fighter, facing this new challenge the way she's faced every other--with hard work, perseverance, and a sense of humor.

uconn basketball head coach history: *Bleeding Orange* Jim Boeheim, Jack McCallum, 2015-11-10 New York Times Bestseller In this candid autobiography, Syracuse head coach and long time college basketball fixture Jim Boeheim reflects on his life, his teachers, and the game he loves. Jim Boeheim walked onto the Syracuse campus as a freshman in 1963 . . . and never walked off. A man who has been written off at various stages of his career and criticized for being disagreeable, Boeheim has experienced it all--triumph, despair, redemption; controversy, heartbreak, and scandal; championships, epic disappointments, colorful personalities, NCAA investigations. His combative personality helped ignite what was arguably the most competitive college basketball conference ever: the Big East of the 1980s, when he and Syracuse battled with Big John Thompson of Georgetown, roly-poly Rollie Massimino of Villanova, feisty Jim Calhoun of Connecticut, and beloved Looie Carnesecca of St. John's, turning the Big East into a Coaches Conference and the Best Show in College Basketball. Boeheim talks about those days and the coming battles with

powerhouses North Carolina and Duke, now that Syracuse has joined the Atlantic Coast Conference. From his association with Syracuse greats Dave Bing (a college teammate), Pearl Washington, and Derrick Coleman, to the Olympics—where he coached players such as LeBron James, Kobe Bryant, and Kevin Durant—Boeheim has learned many lessons that have helped his team and continue to encourage him now as he nears seventy. His unprecedented fifty-year career as a player, assistant, head coach and icon has given him unique insight into coaching and the college game, knowledge he now shares.

uconn basketball head coach history: Rebound! David Borges, 2015-02-27 In September 2012, legendary University of Connecticut men's basketball coach Jim Calhoun—who had won three national championships, the last in 2011—abruptly retired. His handpicked replacement was Kevin Ollie, a former UConn player and longtime NBA journeyman who had returned two years earlier to be Calhoun's assistant. Ollie was widely praised as a "basketball savant" and respected by virtually everyone who knew him. But he had no head coaching experience—at any level—before taking the UConn job. He was also inheriting a mess. Due to past academic problems, UConn was barred from postseason play in 2013, and largely because of this, several top players left the program, either for the NBA draft or for other schools. On top of that were the uncertainties of a greatly changed conference, as well as difficulties on the recruiting trail. Despite it all, a dedicated core of players stayed and won twenty hard-fought games, even with no tournament chances to hope for. The following season, expectations for the team were modest, and the odds of a championship were slim to none. But with the tournament ban lifted, a talented group of players, led by Shabazz Napier, emerged and went on to upset Michigan State to advance to the Final Four, causing millions of college hoops fans across the country to rip up their carefully constructed brackets. When they beat preseason no. 1 Kentucky, with its "Fab 5" NBA-bound starters and celebrity coach John Calipari, to win the 2014 title, theirs became one of the great comeback stories in all of sports, a rags-to-riches triumph for a storied program and its new head coach.

uconn basketball head coach history: Miller Time David A. Burhenn, 2018-03-20 Arizona. Kentucky. Indiana. It's astounding to think that three elite college basketball programs can trace their success back to one small-town high school coach, Blackhawk High's legendary John Miller. Coach John Miller was just following his heart's passion and channeling his unbreakable spirit when in the early 1970s he began to use basketball as a platform for developing young players and future leaders. Little could he have known that his two sons, Sean and Archie Miller, and their cousin, John Calipari, would grow up to lead historic basketball programs to national prominence. And over his career, he also inspired countless other young players, who would grow up to become doctors, lawyers, and prominent CEOs. At his retirement in 2005, Coach Miller's record stood at 657-280 over his thirty-five-year career, making him one of the winningest coaches in high school basketball history. Today, Coach Miller's legacy extends from the tiny hamlet of Beaver Falls, Pennsylvania, to some of the most famous sporting venues in America. He is a legend in the sport, praised by greats such as Kobe Bryant, Thad Matta, Bucky Waters, and Jamie Dixon. Filled with original photos and behind-the-scenes stories, *Miller Time* is for every hardwood aficionado.

Unlike purely historical encyclopedias on sports, the contributions within these volumes cover related subject matter such as poetry, novels, music, films, plays, television shows, art and artists, mythologies, artifacts, and people. While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment, the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture. Each entry provides a number of both print and online resources for further investigation of the topic.

uconn basketball head coach history: In These Girls, Hope Is a Muscle Madeleine Blais, 2017-07-11 "Beautifully written . . . A celebration of girls and athletics." The national bestselling sports classic from a Pulitzer Prize-winning journalist (USA Today). Expanded and updated with a new epilogue, Madeleine Blais' book tells the story of a season in the life of the Amherst Lady Hurricanes, a girls' high school basketball team from the Western Massachusetts college town. The Hurricanes were a talented team with a near-perfect record, but for five straight years, when it came to the crunch of the playoffs, they somehow lacked the desire to go all the way. Now, led by senior guards Jen Pariseau, a three-point specialist, and Jamila Wideman, an All-American phenom, this was the year to prove themselves. It was a season to test their passion for the sport and their loyalty to each other, and a chance to discover who they really were. As an off-season of summer jobs and basketball camps turns to fall, as students arrive and the games begin, Blais charts the ups and downs of the team and paints a portrait of the wider Amherst community, which comes to revel in the athletic exploits of their girls. Finally, a women's team was getting the attention they deserve. And the Hurricanes were richly deserving; these teenage girls are fierce and funny, smart and ambitious, and they are the heart of this gripping book. "Extraordinary." —The Baltimore Sun "A picture of a changing period in American sports history, when a town rallied around its female athletes in a way that had previously been reserved for males." —Publishers Weekly

uconn basketball head coach history: The iPINIONS Journal Anthony Livingston Hall, 2018-04-14 ANTHONY L. HALL takes aim at the global events of 2017 with a unique and refreshing perspective. Some of the topics in this volume include: President Trump telling pathological lies "He's continually challenging us to believe the lie we hear instead of the truth we see." Instagram mainstreaming strippergrams "Instagram has normalized twits sharing, for all the world to see, not just their family albums but intimate pictures that should be for a lover's eyes only. It is little more than a platform for hard-core narcissists and soft-porn exhibitionists to show off." President Putin waiting in vain for payoff from hacking US election "America's ingenious system of checks and balances has so circumscribed Trump's Putinesque impulses that all Putin has to show for his hacking is Russia suffering even worse economic sanctions and irreparable reputational damage." White supremacists rampaging in Charlottesville over Confederate statue "I can think of 99 things that bother me about racism in America today, but a Confederate statue ain't one." Justin Gatlin spoiling Usain Bolt's swan song in 100m "The look of anguish on Bolt's face—when it struck him that he was going to lose—rivals that look in 'The Scream,' Edvard Munch's most famous painting. #Priceless!" Fox News reckoning with scourge of sexual harassment "Fox News markets itself as a Christian sanctuary in a wasteland of moral degeneracy. But these scandals expose it as just a proverbial Peyton Place." Athletes and CEOs snubbing Trump "He is so unpopular that being invited to this White House is tantamount to being invited to a garden party by that proverbial skunk."

uconn basketball head coach history: Lady Vols and UConn Richard Kent, 2008 UConn was a fledgling women's basketball program that had been to one Final Four as of 1995. Tennessee was the king of the hill having won 7 National Championships and having produced some of the greatest women's players of all time. Pat Summitt was and is the head coach and is widely considered to be one of the top coaches in women's or men's college basketball history. In fact, she turned down the Tennessee head men's coaching job. She agreed to play Geno Auriemma and UConn in 1995 in an epic battle in Storrs, CT. UConn won that game and won the National Championship that year and off and running was the series. It has produced as much if not more drama than Red Sox-Yankees, Cowboys-Giants and Knicks-Celtics. It has been compared to Carolina-Duke on the men's side. It is certainly produced more National Championships than both of those schools. What Duke and North Carolina represent in men's college basketball, UConn and Tennessee represent in women's college basketball, the greatest rivalry in the game. Two teams that when pinned against one another in 1995 for the National Championship changed the sport of women's college basketball forever. The cast of characters from the polarized Hall of Fame coaches to the all-American icons have raised the bar, the talent and the media awareness at the national level. Although the characters change from year to year, the national fever of this matchup continues to grow. It is an ongoing saga that defines

women's basketball and encapsulates all that is good and possible about athletic competition. Any young player should read this book and understand that without these teams, these coaches, these players, we would be watching women's basketball exclusively in March at the Final Four. Colleen Healey, former UConn women's basketball player.

uconn basketball head coach history: What's the Score? Bonnie J. Morris, 2022-06-07 Who is the first female athlete you admired? Were male and female athletes treated differently in your high school? Is there a natural limit to women's athletic ability? How has Title IX opened up opportunities for women athletes? Every semester since 1996, Bonnie Morris has encouraged students to confront questions like these in one of the most provocative college courses in America: Athletics and Gender, A History of Women's Sports. What's the Score?, Morris's energetic teaching memoir, is a peek inside that class and features a decades-long dialogue with student athletes about the greater opportunities for women—on the playing field, as coaches, and in sports media. From corsets to segregated schoolyards to the WNBA, we find women athletes the world over conquering unique barriers to success. What's the Score? is not only an insider's look at sports education but also an engaging guide to turning points in women's sports history that everyone should know.

uconn basketball head coach history: Hoops Thomas Aiello, 2022-02-25 From its early days as a sport to build "muscular Christianity" among young men flooding nineteenth-century cities to its position today as a global symbol of American culture, basketball has been a force in American society. It grew through high school gymnasiums, college pep rallies, and the fits and starts of professionalization. It was a playground game, an urban game, tied to all of the caricatures that were associated with urban culture. It struggled with integration and representations of race. Today, basketball's influence seeps into film, music, dance, and fashion. Hoops tells the story of the reciprocal relationship between the sport and the society that received it. While many books have celebrated specific aspects of the game, Thomas Aiello presents the only contemporary cultural history of the sport from the street to the highest levels of professional mens and womens competition. He argues that the game has existed in a reciprocal relationship with the broader culture, both embodying conflicts over race, class, and gender and serving a s public theater for them. Aiello places cultural icons like Bill Russell, Michael Jordan, and Kobe Bryant in the context of their times and explores how the sport negotiated controversies and scandals. Hoops belongs on the bookshelf of every reader interested in the history of basketball, sports, race, urban life, and pop culture in America.

uconn basketball head coach history: Miracles on the Hardwood John Gasaway, 2021-03-16 Discover the David vs. Goliath rise of Catholic college basketball, from Villanova to Georgetown to Gonzaga, where small schools perennially shoot past the big power conference programs. In MIRACLES ON THE HARDWOOD, author John Gasaway traces the rise of Catholic college basketball—from its early days (Villanova made an appearance in the Final Four in the first NCAA tournament in 1939) to the dominance of the San Francisco Dons in the 1950s and the ascendance of powerhouses Georgetown, Villanova, and Gonzaga—through their decades-long

rivalries and championship games. Featuring interviews with notable coaches, players, alums, and fans—including Loyola Chicago's most famous and dedicated fan, 100-year-old Sister Jean—to get at the heart of how these universities have excelled at this sport. Small in number but devout in the game's spirit, these teams have made the miraculous a matter of ritual, and their greatest works may be yet to come.

uconn basketball head coach history: The Encyclopedia of Sports Parenting Dan Doyle, 2013-08-01 For more than a decade, former basketball coach Dan Doyle has been traveling the country, speaking to student-athletes and their parents about their involvement in and dedication to every sport imaginable. As founder and executive director of the Institute of International Sport at the University of Rhode Island, Doyle has attended his fair share of sporting events and has heard countless stories about confrontations taking place on and off the court between coaches, players, parents, and even fans. As the years passed, Doyle gathered everything he'd learned and heard and joined forces with Deborah Doermann Burch, a former schoolteacher and parenting expert, to write *The Encyclopedia of Sports Parenting*. Together, they surveyed more than 500 successful sports figures to gain additional insight into what parents can do to guide their children through the competitive, sometimes disheartening—though oftentimes rewarding—world of sports. In this book, parents will learn how to express themselves in various challenging situations, including learning that their children have been cut from teams; have become victims of team violence, hazing, or bullying; or are not receiving adequate and assumedly deserved playing time.

uconn basketball head coach history: Basketball Jackie MacMullan, Rafe Bartholomew, Dan Klores, 2019-10-15 NEW YORK TIMES BESTSELLER • Inspired by a major ESPN film series, this is an extraordinary oral history of basketball—its eye-opening untold history, its profound deeper meaning, its transformative influence on the world—as told through an unprecedented series of candid conversations with the game's ultimate icons. This is the greatest love story never told. It has passion and heartbreak, triumph and betrayal. It is deeply intimate yet crosses oceans, upends lives and changes nations. This is the true story of basketball. It is the story of a Canadian invention that took over America, and the world. Of a supposed “white man's sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe, LeBron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the defining untold oral history of how basketball came to be, and what it means to those who love it.

uconn basketball head coach history: Women in Sports Adrienne N. Milner, Jomills Henry Braddock II, 2017-07-28 Covering a breadth of topics surrounding the current state of women in sports, this two-volume collection taps current events, sociological and feminist theory, and recent research to contextualize women's experiences in sports within a patriarchal society and highlight areas for improvement. Women are continuing to break barriers in all aspects of sports, and a growing number of people are beginning to recognize sex disparities in sports as a social problem. Additionally, women's inclusion and exclusion in sports—and their equitable and inequitable treatment on the playing field—have large-scale social, legal, health, and economic consequences. *Women in Sports: Breaking Barriers, Facing Obstacles* comprehensively examines the state of women in sports by considering current events, controversies, and trends as well as qualitative and quantitative research. The contributors to this volume take a sociological approach to discussing women in sports by questioning dominant assumptions surrounding notions of women's biological athletic inferiority and by examining other social constructs that affect women's experiences in

sports, such as race and ethnicity, socioeconomic status, and sexual orientation. The book offers a complete and up-to-date account of women's experiences in sports through coverage of the history of women's participation in sports (with a focus on exceptional female athletes) and of the increasing number of women who are competing in traditionally male sports, such as football, baseball, and mixed martial arts. Readers will come away with a greater appreciation for the issues of equity that women face, both within the world of sports and in society in general.
