In the spirit of Hollywood’s blockbuster comedies, screenwriter-turned-YA-novelist Don Calame unleashes a true ode to the adolescent male: characters who are side-splittingly funny, sometimes crude, yet always full of heart.

what spongebob character are you quiz: *Don't Break My Rice Bowl* Robert H. Dodd, Patricia Rykiel, Beth Jackson, 2023-04-13 Feeling life is slipping him by, an American agriculturalist heads to Vietnam to try and make a difference in the lives of the people as part of President Johnson's 'Hearts and Minds' campaign. There is just one big problem - there's a war going on. Eddie joins a small group of civilian advisors chosen to work with local farmers to help make Vietnam once again self-sufficient in rice. He is drawn to the adventure, the challenge, and the opportunity to make a difference, but he is leaving some problems behind. His story follows the ups and downs of cultural and tropical agriculture training in Washington DC and the Philippines, and then his assignment in the Gia Dinh province just outside Saigon. The stakes increase as the war intensifies and Eddie's connections in the country deepen, providing the backdrop for the cultural, political and personal struggles that unfold. This fictional memoir shines a light on a relatively unknown part of Vietnam War history as elements of Asian history and culture, including the introduction of 'miracle rice', are woven into the challenges of being a civilian trying to work - and live - in a war zone. The poignant Foreword by his daughter, the Afterword by his second wife, the Appendix, and 25 hand painted illustrations by his granddaughter provide added layers to the story. The fragility of life was the late author's parting lesson; however, these words left behind were his ultimate gift.

what spongebob character are you quiz: *You Can't Be Serious* Kal Penn, 2021-11-02 The star of the Harold and Kumar franchise, *House*, and *Designated Survivor* recounts why he rejected the advice of his aunts and guidance counselors and, instead of becoming a doctor or "something practical," embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this "incredibly joyful and insightful" (Kiefer Sutherland) memoir. *You Can't Be Serious* is a series of funny, consequential, awkward, and ridiculous stories from Kal Penn's idiosyncratic life. It's about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie *Van Wilder*...or getting a phone call from Air Force One as Kal flew with the country's first Black president. "By turns hilarious, poignant, and inspiring" (David Axelrod, New York Times bestselling author), Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, *You Can't Be Serious* shows that everyone can have more than one life story. The book "is insightful, funny, and instructive for anyone who's ever grappled with how they fit into the American dream" (Ronan Farrow, New York Times bestselling author), and demonstrates

that no matter who you are and where you come from, you have many more choices than those presented to you. And okay, yes, it's also about how Kal accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let's be honest, that's the kind of stuff you really want to hear about.
