On his 1987 album, *How Ya Like Me Now*, Kool came up with a 'hip-hop report card': a method of rating MCs (Emcees, Masters of Ceremonies, Master Communicators, or rap vocalists) as a way of separating the premier MCs from their often one-dimensional, overrated counterparts (Sucka MCs). Building on this original list, Kool has put together an extensive rating system to compile the definitive list of the greatest MCs of all time. Kool rates each MC based on seventeen different categories, ranging from the artist's lyricism, vocabulary, and freestyling ability to his longevity, body of work, and social impact. Each artist is given a numerical score from one to ten in each of the seventeen categories, as well as an explanation for how this rating was determined. The book includes a complete discography and full-color photograph for each MC, and will also have supplemental lists, such as the top ten storytellers and top ten rhymers.

welcome to deathrow lil durk: No Greater Love Helen Baylor, 2007 Look at Helen Baylor today and you don't see the anguish of childhood molestation, the isolation resulting from teen-age pregnancy, the desperation of being strung out on drugs, the vulnerability of being homeless, the numbing fear of having witnessed a murder or the pain of being forced to sell her body. You're too caught up in the purity of her singing, the anointing on her voice. You hear the joy of a changed life. As a gospel singer, Helen has few peers. There are many who are better known than she but few who can sing from such depth of conviction -- and with such passion. Her story is raw and compromised. She tells of becoming a teen-age singing sensation, of joining the cast of *Hair*, of hooking up with the Ike and Tina Turner Review, the Captain & Tennille, a Chaka Khan and Rufus. Then she tells of her friendship with cocaine and her promiscuity. She tells of bright highs and dark lows. She tells of the underside of life and of her glorious deliverance through Jesus Christ. For Helen Baylor, there truly is no greater love.

welcome to deathrow lil durk: *Movies (And Other Things)* Shea Serrano, 2019-10-08
INSTANT #1 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER BARNES & NOBLE BESTSELLER AMAZON BESTSELLER Paging through Serrano's *Movies (and Other Things)* is like taking a long drive at night with a friend; there's that warmth and familiarity where the chat is more important than the fastest route from Point A to Point B...It's like a textbook gone right; your attention couldn't wander if it tried. -- Elisabeth Egan, New York Times Book Review
Shea Serrano is back, and his new book, *Movies (And Other Things)*, combines the fury of a John Wick shootout, the sly brilliance of Regina George holding court at a cafeteria table, and the sheer power of a Denzel monologue, all into one. *Movies (And Other Things)* is a book about, quite frankly, movies (and other things). One of the chapters, for example, answers which race Kevin Costner was able to white savior the best, because did you know that he white saviors Mexicans in *McFarland, USA*, and white saviors Native Americans in *Dances with Wolves*, and white saviors Black people in *Black or White*, and white saviors the Cleveland Browns in *Draft Day*? Another of the chapters, for a second example, answers what other high school movie characters would be in Regina George's circle of friends if we opened up the Mean Girls universe to include other movies (Johnny Lawrence is temporarily in, Claire from *The Breakfast Club* is in, Ferris Bueller is out, Isis from *Bring It On* is out...). Another of the chapters, for a third example, creates a special version of the Academy Awards specifically for rom-coms, the most underrated movie genre of all. And another of the chapters, for a final example, is actually a triple chapter that serves as an NBA-style draft of the very best and most memorable moments in gangster movies. Many, many things happen in *Movies (And Other Things)*, some of which funny, others of which are sad, a few of which are insightful, and all of which are handled with the type of care and dedication to the smallest details and pockets of pop culture that only a book by Shea Serrano can provide.

welcome to deathrow lil durk: The Forgotten First Keyshawn Johnson, Bob Glauber, 2021-09-21 The unknown story of the Black pioneers who collectively changed the face of the NFL in 1946. THE FORGOTTEN FIRST chronicles the lives of four incredible men, the racism they experienced as Black players entering a segregated sport, the burden of expectation they carried, and their many achievements, which would go on to affect football for generations to come. More than a year before Jackie Robinson broke the color barrier in Major League Baseball, there was another seismic moment in pro sports history. On March 21, 1946, former UCLA star running back Kenny Washington—a teammate of Robinson's in college—signed a contract with the Los Angeles Rams. This ended one of the most shameful periods in NFL history, when African-American players were banned from league play. Washington would not be alone in serving as a pioneer for NFL integration. Just months after he joined the Rams, thanks to a concerted effort by influential Los Angeles political and civic leaders, the team signed Woody Strode, who played with both Washington and Robinson at UCLA in one of the most celebrated backfields in college sports history. And that same year, a little-known coach named Paul Brown of the fledgling Cleveland Browns signed running back Marion Motley and defensive lineman Bill Willis, thereby integrating a startup league that would eventually merge with the NFL. THE FORGOTTEN FIRST tells the story of one of the most significant cultural shifts in pro football history, as four men opened the door to opportunity and changed the sport forever.
