## **Bridal Shower: Ask the Groom Questions - Fun & Insightful Ideas to Spice Up the Celebration**

### Introduction:

Planning a bridal shower that's both memorable and engaging can be a delightful challenge. This comprehensive guide provides a treasure trove of creative and fun "Ask the Groom" questions for your bridal shower, transforming it from a standard gathering into an interactive and unforgettable event. We'll explore various question categories, from sweet and sentimental to downright silly, ensuring your shower is packed with laughter and heartwarming moments. Get ready to uncover the groom's hidden talents, embarrassing stories, and adorable anecdotes about his soon-to-be wife!

### I. The "Sweet & Sentimental" Section: Showcasing the Groom's Love

This segment focuses on capturing the genuine affection the groom has for his bride. These questions should be heartfelt and encourage him to share touching memories and express his feelings. Avoid anything too intensely personal or potentially embarrassing at this stage.

How did you know she was "the one"? This classic question always yields heartwarming responses. Encourage him to share a specific moment or detail that solidified his feelings.

What's your favorite memory together? This opens the door for a charming story, showcasing the couple's bond.

What's one quality you admire most about the bride? This question highlights the groom's appreciation for his partner's character.

Describe your bride in three words. This concise question can elicit both funny and touching answers.

What are you most looking forward to in married life with [Bride's Name]? This positive question focuses on the future and the couple's hopes and dreams.

### II. The "Hilarious & Hilariously Embarrassing" Section: Laughter is the Best Medicine

Now for the fun part! This section focuses on lighter, humorous questions that will have everyone in stitches. Remember to gauge your audience and ensure the humor is appropriate for the bride and the guests.

What's the most embarrassing thing the bride has ever done? (Be mindful of the bride's comfort level with this one!)

What's the groom's biggest pet peeve about the bride (and vice versa)? (Keep it light and playful!)

What's the funniest thing that's ever happened to you both? This invites a shared memory and plenty of laughs.

What's one thing you're terrible at, but she's amazing at? This highlights the complementary nature

of their relationship.

Share a funny story about your first date. First date stories are always ripe with potential for humorous anecdotes.

### III. The "Future & Expectations" Section: A Glimpse into Their Life Together

This section provides a thoughtful transition into discussing the couple's future. These questions are a bit more serious but still maintain a lighthearted tone.

What's one thing you're most excited about doing as a married couple? Focus on shared activities and plans.

How do you plan on celebrating your first anniversary? This question allows for romantic and imaginative responses.

What's one thing you're both looking forward to in the future? This encourages joint planning and envisioning their future together.

What household chore will you be in charge of? This lighthearted question adds humor and offers a peek into their practical life together.

What is your favourite thing about planning the wedding together? This focuses on their collaboration.

### IV. Interactive Game Ideas: Turning Questions into Games

Instead of just asking the groom questions, incorporate interactive elements to make it more engaging.

"He Said, She Said": Prepare a list of statements or events from the couple's relationship and ask the groom to guess what the bride would say.

"Would He Rather": Prepare a series of "would you rather" questions relevant to the couple's life and have the groom choose.

"Guess the Memory": Show the groom a picture from a past event and ask him to describe the memory.

### V. Conclusion: Making the Groom's Participation a Success

Remember to keep the tone light and fun. The goal is to celebrate the couple and add a unique element to the bridal shower. By carefully selecting questions and tailoring them to the groom's personality, you can ensure his participation is both enjoyable and memorable for everyone involved. Consider prepping the groom beforehand and letting him know the general tone and types of questions to expect.

**bridal shower ask the groom questions: Always a Bridesmaid (For Hire)** Jen Glantz,

2017-02-07 In the tradition of Sloane Crosley, Mindy Kaling, and Katie Heaney, a hilarious and insightful memoir about one New York City millennial's journey to find herself, her dream career, and true love, all while juggling a truly unique job as the world's only professional bridesmaid. After moving to New York City in her mid-twenties to pursue her dream of writing—and not living on the “Upper East Side” of her parents' house anymore—Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with, “Jen, I have something exciting to tell you!” and ended with, “I'd be honored if you would be my bridesmaid.” At first she was delighted, but it wasn't long before she realized two things: all of her assets were tied up in bridesmaid dresses, and she herself was no closer to finding The One. She couldn't do much about the second thing (though her mother would beg to differ), but she could about the first. One (slightly tipsy) night, Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning, it had gone viral. What began as a half-joke suddenly turned into a lifetime of adventure for Jen—and more insight into the meaning of love than she was getting from OKCupid—as she walked down the aisle at stranger after stranger's wedding. Fresh, funny, and surprisingly sweet, *Always a Bridesmaid (For Hire)* is an entertaining reminder that even if you don't have everything together, you can still be a total boss—or, at the very least, a BFF to another girl in need.
