Straightforward Clues: These clues directly define the answer. For example, "Large body of water" might clue "OCEAN".

Strategies for Solving the Buffalo News Crossword

Here are some effective strategies to improve your Buffalo News crossword puzzle solving skills:

Start with the Easy Clues: Begin by tackling the clues you find the easiest. This will give you some letters to work with and help you identify potential cross-references.

Use the Process of Elimination: If you're unsure of an answer, try eliminating the options that don't fit the clue or the intersecting letters.

Look for Patterns: Notice any patterns in the clues or answers. This can often reveal a theme or help you identify the types of words the puzzle contains.

Don't Be Afraid to Guess (Intelligently): If you're stuck, make an educated guess based on your knowledge and the intersecting letters. If it doesn't fit, erase it and try again.

Take Breaks: If you're getting frustrated, step away from the puzzle for a while. A fresh perspective can often help you see the solution.

Utilize Online Resources: While it's best to solve the puzzle independently, if you are completely stumped, there are online resources that can provide hints or even the answers. However, try to avoid using these until you have exhausted all other options.
