

Buzzfeed Which Divergent Faction Are You

BuzzFeed: Which Divergent Faction Are You? Uncover Your Inner Self

Ever wondered which faction you'd belong to in Veronica Roth's thrilling Divergent series? BuzzFeed's popular quiz has captivated countless fans, offering a fun and insightful glimpse into personality types. But beyond the playful clickbait, the quiz taps into something deeper: our core values and how we navigate the world. This comprehensive guide goes beyond the BuzzFeed quiz, delving into the nuances of each faction—Abnegation, Amity, Candor, Dauntless, and Erudite—helping you understand not just which faction fits you, but why. We'll explore the personality traits associated with each, analyze the potential pitfalls of each faction's ideology, and ultimately empower you to embrace your own unique blend of characteristics. Get ready to discover your true Divergent faction!

Understanding the Divergent Factions: More Than Just a Quiz

BuzzFeed's "Which Divergent Faction Are You?" quiz is engaging, but it's just a starting point. To truly understand your alignment, we need to delve deeper into the core philosophies of each faction:

1. Abnegation: The Selfless Servants

Abnegation values selflessness, humility, and putting the needs of others before their own. They are the leaders of the dystopian Chicago society, responsible for the welfare of its citizens. Abnegation members often suppress their own desires and emotions, prioritizing the collective good. While their dedication to service is admirable, this can lead to self-neglect and a suppression of personal growth. The quiz often highlights traits like empathy, compassion, and a tendency to prioritize the needs of others. However, it's crucial to recognize that extreme self-sacrifice can be detrimental to one's own well-being. A healthy balance between selflessness and self-care is essential.

2. Amity: The Peaceful Harmonizers

Amity prioritizes peace, kindness, and harmony above all else. They are known for their welcoming nature, love of nature, and commitment to resolving conflicts peacefully. Amity members often value cooperation and understanding, fostering a strong sense of community. However, this can sometimes lead to a reluctance to confront injustice or stand up for themselves. The BuzzFeed quiz might identify you as an Amity member if you score high on traits like agreeableness, cooperation, and a desire for peaceful resolutions. But remember, avoiding conflict entirely can sometimes be detrimental, as it can allow injustice to fester.

3. Candor: The Honest Truth-Tellers

Candor values honesty and truth above all else, even if it's uncomfortable. They believe in

transparency and direct communication, often to the point of bluntness. Candor members are known for their integrity and unwavering commitment to truth. However, their directness can sometimes be perceived as harsh or insensitive, leading to strained relationships. The quiz might categorize you as Candor if you appreciate direct communication, value truthfulness above all else, and find it difficult to tolerate dishonesty. But remember, honesty without tact can be just as damaging as a lie.

4. Dauntless: The Brave and Reckless

Dauntless embraces bravery, courage, and recklessness. They are the protectors of the city, known for their daring feats and willingness to take risks. Dauntless members often value loyalty and camaraderie, forming strong bonds within their faction. However, their impulsiveness and disregard for safety can sometimes lead to dangerous situations. The BuzzFeed quiz might suggest Dauntless if you identify with boldness, bravery, and a willingness to take risks. However, true bravery isn't just about reckless abandon; it's about calculated risk-taking and responsible action.

5. Erudite: The Intellectual Scholars

Erudite values intelligence, knowledge, and intellectual pursuits. They are the scholars and thinkers of the society, dedicated to expanding their knowledge and understanding of the world. Erudite members often value logic and reason, using their intelligence to solve problems and improve society. However, their pursuit of knowledge can sometimes lead to arrogance and a disregard for emotions and personal feelings. The quiz might place you in Erudite if you demonstrate a love for learning, strong analytical skills, and a preference for logical reasoning. But it's crucial to remember that knowledge without empathy can be a dangerous weapon.

Beyond the BuzzFeed Quiz: Understanding Your Divergent Nature

While the BuzzFeed quiz provides a fun and engaging way to explore your potential faction alignment, it's important to remember that it's a simplification of a complex system. Most individuals possess traits from multiple factions. True "Divergents," as depicted in the books, possess traits from more than one faction, making them uniquely adaptable and resilient. Instead of solely relying on the quiz result, consider reflecting on your own values, strengths, weaknesses, and how you navigate social situations. Which aspects of each faction resonate most with you? Which do you find yourself rejecting? This self-reflection will offer a much richer and more nuanced understanding of your own "Divergent" nature.

Article Outline: BuzzFeed: Which Divergent Faction Are You?

I. Introduction: Hook the reader with the popularity of the BuzzFeed quiz and its connection to personality types. Offer an overview of what the article will cover.

II. Understanding the Divergent Factions: Deep dive into each faction (Abnegation, Amity, Candor, Dauntless, Erudite), exploring core values, traits, potential pitfalls, and how they relate to the BuzzFeed quiz.

III. Beyond the BuzzFeed Quiz: Discuss the limitations of the quiz and encourage self-reflection to gain a more comprehensive understanding of one's personality.

IV. Embracing Your Divergent Nature: Emphasize the importance of embracing your unique blend of traits and avoiding strict categorization.

V. Conclusion: Reiterate the key takeaways and encourage readers to continue exploring their personality and values.

Frequently Asked Questions (FAQs)

1. Is the BuzzFeed quiz accurate? The BuzzFeed quiz offers a fun and engaging starting point but shouldn't be taken as a definitive personality assessment.

2. Can I be more than one faction? Absolutely! Many individuals possess traits from multiple factions, mirroring the concept of Divergents in the books.

3. What if the quiz results don't feel right? Trust your intuition. Reflect on your own values and experiences to determine which faction resonates most with you.

4. How can I learn more about the Divergent series? Read the books! They provide a far more in-depth understanding of each faction and the complexities of the Divergent world.

5. Are the factions inherently good or bad? Each faction has its strengths and weaknesses. Their ideologies, when taken to extremes, can be both beneficial and detrimental.

6. What is the significance of being a Divergent? Divergents possess a unique adaptability that allows them to navigate the challenges of their world, often defying societal expectations.

7. Is there a scientific basis for the faction system? While the factions are fictional, they offer a thought-provoking framework for exploring different personality types and values.

8. Can I retake the BuzzFeed quiz? Yes, you can retake the quiz multiple times, but remember your results might vary slightly due to the nature of the questions.

9. Where can I find more Divergent content online? Fan forums, social media groups, and online communities dedicated to the Divergent series are excellent resources.

buzzfeed which divergent faction are you: Divergent (Divergent Trilogy, Book 1)

Veronica Roth, 2013-11-07 The explosive debut by No. 1 New York Times bestselling author Veronica Roth. DIVERGENT - a major motion picture series.

buzzfeed which divergent faction are you: *The Hungry Brain* Stephan J. Guyenet, Ph.D., 2017-02-07 A Publishers Weekly Best Book of the Year From an obesity and neuroscience researcher with a knack for engaging, humorous storytelling, *The Hungry Brain* uses cutting-edge science to answer the questions: why do we overeat, and what can we do about it? No one wants to overeat. And certainly no one wants to overeat for years, become overweight, and end up with a high risk of diabetes or heart disease--yet two thirds of Americans do precisely that. Even though we know better, we often eat too much. Why does our behavior betray our own intentions to be lean and healthy? The problem, argues obesity and neuroscience researcher Stephan J. Guyenet, is not necessarily a lack of willpower or an incorrect understanding of what to eat. Rather, our appetites and food choices are led astray by ancient, instinctive brain circuits that play by the rules of a survival game that no longer exists. And these circuits don't care about how you look in a bathing suit next summer. To make the case, *The Hungry Brain* takes readers on an eye-opening journey through cutting-edge neuroscience that has never before been available to a general audience. *The Hungry Brain* delivers profound insights into why the brain undermines our weight goals and transforms these insights into practical guidelines for eating well and staying slim. Along the way, it explores how the human brain works, revealing how this mysterious organ makes us who we are.

buzzfeed which divergent faction are you: *Aru Shah and the End of Time* Roshani Chokshi, 2018-05-03 When twelve-year-old Aru Shah's schoolmates dare her to prove that the museum's Lamp of Bharata is cursed, she doesn't think there's any harm in lighting it. Little does Aru know that lighting the lamp has dire consequences. She unwittingly frees an ancient demon who freezes her mother in time - and it's up to Aru to save her.

buzzfeed which divergent faction are you: *Surrounded by Setbacks* Thomas Erikson, 2021-11-02 Part of the bestselling *Surrounded by Idiots* series! In *Surrounded by Setbacks*, internationally bestselling author Thomas Erikson turns his attention to a universal problem: what to

do when things go wrong. Too often it seems like our dreams and ambitions—whether it's finally getting that corner office, lacing up your running shoes again, or building a flourishing relationship with your partner—are derailed by one roadblock or another. So how do we learn to take setbacks in stride and still achieve our goals? In *Surrounded by Setbacks*, Erikson answers that question. Using simple, actionable steps, Erikson helps readers identify the “why” behind their goal, create a concrete plan towards achieving it, and—most importantly—avoid many of the most common pitfalls that derail us when we attempt something new. The simple 4-color behavior system that made *Surrounded by Idiots* revolutionary now helps readers reflect on how they respond to adversity, giving them the self-awareness to negotiate the inevitable obstacles of life with confidence.

buzzfeed which divergent faction are you: *The Fever Code* (*Maze Runner*, Book Five; *Prequel*) James Dashner, 2016-09-27 All your questions are answered in the fifth book in James Dashner's #1 New York Times bestselling *Maze Runner* series. The story that fans all over the world have been waiting for — the story of how Thomas and WICKED built the Maze — is finally here. You do not want to miss it. Once there was a world's end. The forests burned, the lakes and rivers dried up, and the oceans swelled. Then came a plague, and fever spread across the globe. Families died, violence reigned, and man killed man. Next came WICKED, who were looking for an answer. And then they found the perfect boy. The boy's name was Thomas, and Thomas built a maze. Now there are secrets. There are lies. And there are loyalties history could never have foreseen. This is the story of that boy, Thomas, and how he built a maze that only he could tear down. All will be revealed. A prequel to the worldwide *Maze Runner* phenomenon, *The Fever Code* is the book that holds all the answers. How did WICKED find the Gladers? Who are Group B? And what side are Thomas and Teresa really on? Lies will be exposed. Secrets will be uncovered. Loyalties will be proven. Fans will never see the truth coming. Before there was the Maze, there was *The Fever Code*. Don't miss *The Maze Runner*, *Maze Runner: The Scorch Trials*, and *Maze Runner: The Death Cure* all now major motion pictures from Twentieth Century Fox, starring Dylan O'Brien, Kaya Scodelario, Thomas Brodie-Sangster, Rosa Salazar, Giancarlo Esposito, and Aidan Gillen. It also contains ten enticing teasers from *Allegiant*, the final book in the *Divergent* series.

buzzfeed which divergent faction are you: Penile Augmentation Nam Cheol Park, Sae Woong Kim, Du Geon Moon, 2016-03-21 This book presents state of the art knowledge on penile augmentation with a view to providing a guide that will be highly relevant to clinical practice. The coverage is wide ranging, with clear descriptions of penile anatomy, patient selection and counselling, preoperative preparation, girth enhancement and penile lengthening techniques, postoperative care, and the approach to the pediatric patient. Experienced surgeons describe operative procedures from traditional fat transfer to the penile disassembly technique and reconstruction of the amputated penis, while the newest tissue engineering techniques are presented by leading researchers with reference to high-quality data. In addition, the role of auxiliary medical devices is explained. The text is supported by numerous full-color illustrations. Only recently have the requisite medical skills and techniques been developed to allow safe and reliable penile augmentation, and now the procedure is considered comparable to the use of mammoplasty for breast augmentation in women for cosmetic and psychological reasons. Penile Augmentation will be of value for all who are involved or interested in the procedure.

buzzfeed which divergent faction are you: *Victories Greater Than Death* Charlie Jane Anders, 2021-04-13 Outsmart Your Enemies. Outrun the Galaxy. "Just please, remember what I told you. Run. Don't stop running for anything." Tina never worries about being 'ordinary'--she doesn't have to, since she's known practically forever that she's not just Tina Mains, average teenager and beloved daughter. She's also the keeper of an interplanetary rescue beacon, and one day soon, it's going to activate, and then her dreams of saving all the worlds and adventuring among the stars will finally be possible. Tina's legacy, after all, is intergalactic--she is the hidden clone of a famed alien hero, left on Earth disguised as a human to give the universe another chance to defeat a terrible evil. But when the beacon activates, it turns out that Tina's destiny isn't quite what she expected. Things are far more dangerous than she ever assumed--and everyone in the galaxy is expecting her to actually be the brilliant tactician and legendary savior Captain Thaoh Argentian, but Tina....is just Tina. And the Royal Fleet is losing the war, badly--the starship that found her is on the run and they barely manage to escape Earth with the planet still intact. Luckily, Tina is surrounded by a crew she can trust, and her best friend Rachel, and she is still determined to save all the worlds. But first she'll have to save herself. Buckle up your seatbelt for this thrilling YA sci-fi adventure set against an intergalactic war from internationally bestselling author Charlie Jane Anders. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

buzzfeed which divergent faction are you: *Free Four* Veronica Roth, 2012-08-07 #1 New York Times bestselling author Veronica Roth retells a pivotal Divergent scene (chapter 13) from Tobias's point of view. This thirteen-page scene reveals unknown facts and fascinating details about Four's character, his past, his own initiation, and his thoughts about new Dauntless initiate Tris Prior. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark*!

buzzfeed which divergent faction are you: *Everyday Use* Alice Walker, 1994 Presents the text of Alice Walker's story *Everyday Use*; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

buzzfeed which divergent faction are you: *Don't Be Evil* Rana Foroohar, 2019-11-05 A penetrating indictment of how today's largest tech companies are hijacking our data, our livelihoods, our social fabric, and our minds—from an acclaimed Financial Times columnist and CNN analyst WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FOREIGN AFFAIRS AND EVENING STANDARD "Don't be evil" was enshrined as Google's original corporate mantra back in its early days, when the company's cheerful logo still conveyed the utopian vision for a future in which technology would inevitably make the world better, safer, and more prosperous. Unfortunately, it's been quite a while since Google, or the majority of the Big Tech companies, lived up to this founding philosophy. Today, the utopia they sought to create is looking more dystopian than ever: from digital surveillance and the loss of privacy to the

spreading of misinformation and hate speech to predatory algorithms targeting the weak and vulnerable to products that have been engineered to manipulate our desires. How did we get here? How did these once-scrappy and idealistic enterprises become rapacious monopolies with the power to corrupt our elections, co-opt all our data, and control the largest single chunk of corporate wealth—while evading all semblance of regulation and taxes? In *Don't Be Evil*, Financial Times global business columnist Rana Foroohar tells the story of how Big Tech lost its soul—and ate our lunch. Through her skilled reporting and unparalleled access—won through nearly thirty years covering business and technology—she shows the true extent to which behemoths like Google, Facebook, Apple, and Amazon are monetizing both our data and our attention, without us seeing a penny of those exorbitant profits. Finally, Foroohar lays out a plan for how we can resist, by creating a framework that fosters innovation while also protecting us from the dark side of digital technology. Praise for *Don't Be Evil* “At first sight, *Don't Be Evil* looks like it's doing for Google what muckraking journalist Ida Tarbell did for Standard Oil over a century ago. But this whip-smart, highly readable book's scope turns out to be much broader. Worried about the monopolistic tendencies of big tech? The addictive apps on your iPhone? The role Facebook played in Donald Trump's election? Foroohar will leave you even more worried, but a lot better informed.”—Niall Ferguson, Milbank Family Senior Fellow at the Hoover Institution, Stanford, and author of *The Square and the Tower*

buzzfeed which divergent faction are you: Without Apology Shannon Stettner, 2016-08-26 Until the late 1960s, the authorities on abortion were for the most part men—politicians, clergy, lawyers, physicians, all of whom had an interest in regulating women's bodies. Even today, when we hear women speak publicly about abortion, the voices are usually those of the leaders of women's and abortion rights organizations, women who hold political office, and, on occasion, female physicians. We also hear quite frequently from spokeswomen for anti-abortion groups. Rarely, however, do we hear the voices of ordinary women—women whose lives have been in some way touched by abortion. Their thoughts typically owe more to human circumstance than to ideology, and without them, we run the risk of thinking and talking about the issue of abortion only in the abstract. *Without Apology* seeks to address this issue by gathering the voices of activists, feminists, and scholars as well as abortion providers and clinic support staff alongside the stories of women whose experience with abortion is more personal. With the particular aim of moving beyond the polarizing rhetoric that has characterized the issue of abortion and reproductive justice for so long, *Without Apology* is an engrossing and arresting account that will promote both reflection and discussion.

buzzfeed which divergent faction are you: The Useful Idiot S. V. Date, 2021-02-19 He is gone.... For now. America, we got lucky. On the laundry list of things Donald Trump has been terrible at in his life, transforming our country into a fascist autocracy was only the latest. After four years of constant chaos, endless lying, the near daily horrors like an official policy to rip children from the arms of their parents to discourage illegal border crossings, we need to keep in mind that it could have been worse. As bad as it was, Donald Trump had zero capacity for strategic thinking, no interest in learning from his mistakes, a non-existent attention span. So, yes, he absolutely admired and praised murderous dictators and had authoritarian tendencies himself, including, of course, his repeated attempts to steal the election he could not win, capped off with the deadly QAnon Coup attempt of January 6. But he was inept, and terrible at implementing his impulses. What happens, though, next time, when the fascism-curious president is smarter and more competent? Donald Trump has blazed the trail and shown, with the help of a pliant Republican Party, that there is no consequence for trying to thwart the will of the voters. There will be others.

buzzfeed which divergent faction are you: Trick Mirror Jia Tolentino, 2019-08-06 NEW YORK TIMES BESTSELLER • “From The New Yorker's beloved cultural critic comes a bold, unflinching collection of essays about self-deception, examining everything from scammer culture to reality television.”—Esquire Book Club Pick for Now Read This, from PBS NewsHour and The New York Times • “A whip-smart, challenging book.”—Zadie Smith • “Jia Tolentino could be the Joan Didion of our time.”—Vulture FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE'S JOHN LEONARD

PRIZE FOR BEST FIRST BOOK • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY AND HARVARD CRIMSON AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • Chicago Tribune • The Washington Post • NPR • Variety • Esquire • Vox • Elle • Glamour • GQ • Good Housekeeping • The Paris Review • Paste • Town & Country • BookPage • Kirkus Reviews • BookRiot • Shelf Awareness Jia Tolentino is a peerless voice of her generation, tackling the conflicts, contradictions, and sea changes that define us and our time. Now, in this dazzling collection of nine entirely original essays, written with a rare combination of give and sharpness, wit and fearlessness, she delves into the forces that warp our vision, demonstrating an unparalleled stylistic potency and critical dexterity. *Trick Mirror* is an enlightening, unforgettable trip through the river of self-delusion that surges just beneath the surface of our lives. This is a book about the incentives that shape us, and about how hard it is to see ourselves clearly through a culture that revolves around the self. In each essay, Tolentino writes about a cultural prism: the rise of the nightmare social internet; the advent of scamming as the definitive millennial ethos; the literary heroine's journey from brave to blank to bitter; the punitive dream of optimization, which insists that everything, including our bodies, should become more efficient and beautiful until we die. Gleaming with Tolentino's sense of humor and capacity to elucidate the impossibly complex in an instant, and marked by her desire to treat the reader with profound honesty, *Trick Mirror* is an instant classic of the worst decade yet. FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY

buzzfeed which divergent faction are you: Super Mad at Everything All the Time Alison Dagnes, 2019-03-11 *Super Mad at Everything All the Time* explores the polarization of American politics through the collapse of the space between politics and culture, as bolstered by omnipresent media. It seeks to explain this perfect storm of money, technology, and partisanship that has created two entirely separate news spheres: a small, enclosed circle for the right wing and a sprawling expanse for everyone else. This leads to two sets of facts, two narratives, and two loudly divergent political sides with extraordinary anger all around. Based on extensive interviews with leading media figures and politicians, this book traces the development of the media machine, giving suggestions on how to restore our national dialogue while defending our right to disagree agreeably.

buzzfeed which divergent faction are you: Players Making Decisions Zack Hiwiler, 2015-12-09 Game designers today are expected to have an arsenal of multi-disciplinary skills at their disposal in the fields of art and design, computer programming, psychology, economics, composition, education, mythology—and the list goes on. How do you distill a vast universe down to a few salient points? *Players Making Decisions* brings together the wide range of topics that are most often taught in modern game design courses and focuses on the core concepts that will be useful for students for years to come. A common theme to many of these concepts is the art and craft of creating games in which players are engaged by making meaningful decisions. It is the decision to move right or left, to pass versus shoot, or to develop one's own strategy that makes the game enjoyable to the player. As a game designer, you are never entirely certain of who your audience will be, but you can enter their world and offer a state of focus and concentration on a task that is intrinsically rewarding. This detailed and easy-to-follow guide to game design is for both digital and analog game designers alike and some of its features include: A clear introduction to the discipline of game design, how game development teams work, and the game development process Full details on prototyping and playtesting, from paper prototypes to intellectual property protection issues A detailed discussion of cognitive biases and human decision making as it pertains to games Thorough coverage of key game elements, with practical discussions of game mechanics, dynamics, and aesthetics Practical coverage of using simulation tools to decode the magic of game balance A full section on the game design business, and how to create a sustainable lifestyle within it

buzzfeed which divergent faction are you: Digital Citizenship and Political Engagement Ariadne Vromen, 2016-11-25 This book considers the radical effects the emergence of social media and digital politics have had on the way that advocacy organisations mobilise and organise citizens into political participation. It argues that these changes are due not only to technological

advancement but are also underpinned by hybrid media systems, new political narratives, and a new networked generation of political actors. The author empirically analyses the emergence and consolidation within advanced democracies of online campaigning organisations, such as MoveOn, 38 Degrees, Getup and AVAAZ. Vromen shows that they have become leading political advocates, and influential on both national and international level governance. The book critically engages with this digital disruption of traditional patterns of political mobilisation and organisation, and highlights the challenges in embracing new ideas such as entrepreneurialism and issue-driven politics. It will be of interest to advanced students and scholars in political participation and citizen politics, interest groups, civil society organisations, e-government and politics and social media.

buzzfeed which divergent faction are you: *Nappily Ever After* Trisha R. Thomas, 2001-12-26
NOW A NETFLIX ORIGINAL FILM STARRING SANAA LATHAN What happens when you toss tradition out the window and really start living for yourself? Venus Johnston has a great job, a beautiful home, and a loving live-in boyfriend named Clint, who happens to be a drop-dead gorgeous doctor. She also has a weekly beauty-parlor date with Tina, who keeps Venus's long, processed hair slick and straight. But when Clint--who's been reluctant to commit over the past four years--brings home a puppy instead of an engagement ring, Venus decides to give it all up. She trades in her long hair for a dramatically short, natural cut and sends Clint packing. It's a bold declaration of independence--one that has effects she never could have imagined. Reactions from friends and coworkers range from concern to contempt to outright condemnation. And when Clint moves on and starts dating a voluptuous, long-haired beauty, Venus is forced to question what she really wants out of life. With wit, resilience, and a lot of determination, she finally learns what true happiness is--on her own terms. Told with style, savvy, and humor, *Nappily Ever After* is a novel that marks the debut of a fresh new voice in fiction.

buzzfeed which divergent faction are you: *Democracy and Fake News* Serena Giusti, Elisa Piras, 2020-12-30 This book explores the challenges that disinformation, fake news, and post-truth politics pose to democracy from a multidisciplinary perspective. The authors analyse and interpret how the use of technology and social media as well as the emergence of new political narratives has been progressively changing the information landscape, undermining some of the pillars of democracy. The volume sheds light on some topical questions connected to fake news, thereby contributing to a fuller understanding of its impact on democracy. In the Introduction, the editors offer some orientating definitions of post-truth politics, building a theoretical framework where various different aspects of fake news can be understood. The book is then divided into three parts: Part I helps to contextualise the phenomena investigated, offering definitions and discussing key concepts as well as aspects linked to the manipulation of information systems, especially considering its reverberation on democracy. Part II considers the phenomena of disinformation, fake news, and post-truth politics in the context of Russia, which emerges as a laboratory where the phases of creation and diffusion of fake news can be broken down and analysed; consequently, Part II also reflects on the ways to counteract disinformation and fake news. Part III moves from case studies in Western and Central Europe to reflect on the methodological difficulty of investigating disinformation, as well as tackling the very delicate question of detection, combat, and prevention of fake news. This book will be of great interest to students and scholars of political science, law, political philosophy, journalism, media studies, and computer science, since it provides a multidisciplinary approach to the analysis of post-truth politics.

buzzfeed which divergent faction are you: *Elections and Voters in Britain* D. T. Denver, 2003 This title is a revised and extended replacement for the same author's text on Elections and Voting Behaviour in Britain in the same series. The book provides comprehensive coverage of all aspects of electoral politics today and of its evolution in the post war period. Two entirely new chapters focus on electoral reform and on the main theoretical approaches to the study of elections and voting.

buzzfeed which divergent faction are you: *Four: The Initiate* Veronica Roth, 2014-07-08
Complete your Divergent library with the Four stories! Fans of the Divergent series by #1 New York

Times bestselling author Veronica Roth will be delighted by *Four: The Initiate*, the second of four stories, each between fifty and seventy-five pages long, set in the world of *Divergent* and told from Tobias's point of view. The *Initiate* provides readers with a glimpse into Tobias's Dauntless initiation experience, including an epic game of late-night Dare; his first tattoo; the beginning of his passion for training new initiates; and his nascent understanding of the danger of being *Divergent*. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark*!

buzzfeed which divergent faction are you: *Hindsight, Insight, Foresight: Thinking About Security in the Indo-Pacific* Alexander L. Vuving, 2020-09-30 *Hindsight, Insight, Foresight* is a tour d'horizon of security issues in the Indo-Pacific. Written by 20 current and former members of the faculty at the Daniel K. buzzfeed which divergent faction are you: *Social Informatics* Samin Aref, Kalina Bontcheva, Marco Braghieri, Frank Dignum, Fosca Giannotti, Francesco Grisolia, Dino Pedreschi, 2020-10-08 This volume constitutes the proceedings of the 12th International Conference on Social Informatics, SocInfo 2020, held in Pisa, Italy, in October 2020. The 30 full and 3 short papers presented in these proceedings were carefully reviewed and selected from 99 submissions. The papers presented in this volume cover a broad range of topics, ranging from works that ground information-system design on social concepts, to papers that analyze complex social systems using computational methods, or explore socio-technical systems using social sciences methods.

buzzfeed which divergent faction are you: *Policy Implications of Virtual Work* Pamela Meil, Vassil Kirov, 2017-04-18 This collection presents an array of policy debates and implications emerging from virtual work. The authors cover a range of areas, including: conceptual debates, measuring virtual work; discourses and levels of policy intervention; the role of the sharing and collaborative economy; and resultant challenges for organized labour, law and regulation. The authors of the chapters analyse the ways in which processes of digitalization leading to virtual work impact so many aspects of our lives: the way we buy, sell, network, communicate, participate, create, consume, and, of course, the way we work. In turn they focus on the subsequent implications for the future of work as well as the viability of existing social protection systems. The developments examined here are salient for both policy stakeholders and for the academic community in areas such as labour sociology, industrial relations, gender studies, political economy, and economic geography.

buzzfeed which divergent faction are you: *The Lost Soul of the American Presidency* Stephen F. Knott, 2020-07-14 The American presidency is not what it once was. Nor, Stephen F. Knott contends, what it was meant to be. Taking on an issue as timely as Donald Trump's latest tweet and old as the American republic, the distinguished presidential scholar documents the devolution of the American presidency from the neutral, unifying office envisioned by the framers of the Constitution into the demagogic, partisan entity of our day. The presidency of popular consent, or the majoritarian presidency that we have today, far predates its current incarnation. The executive office as James Madison, George Washington, and Alexander Hamilton conceived it would be a source of national pride and unity, a check on the tyranny of the majority, and a neutral guarantor of the nation's laws. *The Lost Soul of the American Presidency* shows how Thomas Jefferson's "Revolution of 1800" remade the presidency, paving the way for Andrew Jackson to elevate "majority rule" into an unofficial constitutional principle—and contributing to the disenfranchisement, and worse, of African Americans and Native Americans. In Woodrow Wilson, Knott finds a worthy successor to Jefferson and Jackson. More than any of his predecessors, Wilson altered the nation's expectations of what a president could be expected to achieve, putting in place the political machinery to support a "presidential government." As difficult as it might be to recover

the lost soul of the American presidency, Knott reminds us of presidents who resisted pandering to public opinion and appealed to our better angels—George Washington, John Quincy Adams, Abraham Lincoln, and William Howard Taft, among others—whose presidencies suggest an alternative and offer hope for the future of the nation's highest office.

buzzfeed which divergent faction are you: You Shook Me All Campaign Long Eric T. Kasper, Benjamin S. Schoening, 2018-11-15 Music has long played a role in American presidential campaigns as a mode of both expressing candidates' messages and criticizing the opposition. The relevance of music in the 2016 campaign for the White House took various forms in a range of American media: a significant amount of popular music was used by campaigns, many artist endorsements were sought by candidates, ever changing songs were employed at rallies, instances of musicians threatening legal action against candidates burgeoned, and artists and others increasingly used music as a form of political protest before and after Election Day. The 2016 campaign was a game changer, similar to the development of music in the 1840 campaign, when "Tippecanoe and Tyler Too" helped sing William Harrison into the White House. The ten chapters in this collection place music use in 2016 in historical perspective before examining musical messaging, strategy, and parody. The book ultimately explores causality: how do music and musicians affect presidential elections, and how do politicians and campaigns affect music and musicians? The authors explain this interaction from various perspectives, with methodological approaches from several fields, including political science, legal studies, musicology, cultural studies, rhetorical studies, and communications and journalism. These chapters will help the reader understand music in the 2016 election to realize how music will be relevant in 2020 and beyond.

buzzfeed which divergent faction are you: Ethics in Psychology Gerald P. Koocher, Patricia Keith-Spiegel, 1998 Written in a highly readable and accessible style, this new edition retains the key features that have contributed to its popularity, including hundreds of case studies that provide illustrative guidance on a wide variety of topics, including fee setting, advertising for clients, research ethics, sexual attraction, how to confront observed unethical conduct in others, and confidentiality. Ethics in Psychology and the Mental Health Professions will be important reading for practitioners and students in training.--BOOK JACKET.

buzzfeed which divergent faction are you: Labour Under Corbyn Prapimphan Chiengkul, 2020-11-27 This book provides an accessible yet critical analysis of the Labour Party under the leadership of Jeremy Corbyn (2015-2020) in the context of the contemporary British political economy. It analyses structural constraints on left-wing politics and evaluates the transformative potential of Labour's economic and social policies under Corbyn. Drawing from a neo-Marxist and neo-Gramscian framework, the book argues that the material, institutional and ideological conditions before 2015 opened political space for a left-wing Labour Party, although the dominant historical structures severely limited its chance of coming to power. In addition, the book argues that Labour under Corbyn should not be dismissed as 'populist', and that its policies aimed to redress structural economic problems, promote economic democracy and tackle contemporary challenges. The book also highlights the importance of adopting a long-term approach to counter-hegemonic political struggle so as not to shrink the space for progressive politics.

buzzfeed which divergent faction are you: Four Veronica Roth, 2024-04-11 Fans of the Divergent series by No. 1 New York Times bestselling author Veronica Roth will be thrilled by Four: A Divergent Collection, a companion volume that includes four pre-Divergent stories told from Tobias Eaton's point of view. DIVERGENT, INSURGENT and ALLEGIANT were major blockbuster movies in 2014, 2015 and 2016. Readers first encountered Tobias Eaton as Four in Divergent. His voice is an integral part of Allegiant. Readers will find more of this charismatic character's backstory told from his own perspective in Four: A Divergent Collection. When read together, these long narrative pieces illuminate the defining moments in Tobias Eaton's life. The first three pieces in this volume - The Transfer, The Initiate, and The Son - follow Tobias's transfer from Abnegation to Dauntless, his Dauntless initiation, and the first clues that a foul plan is brewing in the leadership of two factions. The fourth story, The Traitor, runs parallel with the events of Divergent, giving readers

a glimpse into the decisions of loyalty - and love - that Tobias makes in the weeks after he meets Tris Prior. Exclusive scenes included!

buzzfeed which divergent faction are you: The Shoebox Project Jaida (ladyjaida), Rave (dorkorific), 2015-02-07 The Shoebox Project is a collection of pictures, notes, letters, and scenes that focuses on the notorious Marauders - Mssrs. Remus Lupin (Moony), Peter Pettigrew (Wormtail), Sirius Black (Padfoot) and James Potter (Prongs). The narrative follows them through two years at Hogwarts School of Witchcraft and Wizardry and beyond, and explores the exploits, friendships, and relationships of an antecedent generation of Hogwarts students. One of the most emotional, witty, and memorable fanfictions ever written, The Shoebox Project is a perennial favorite. Though it was never finished, it is one of the most involved and stunning extracanonial fan-written additions to the Harry Potter series ever written.

buzzfeed which divergent faction are you: A Series of Unfortunate Events #4: The Miserable Mill Lemony Snicket, 2009-10-13 NOW A NETFLIX ORIGINAL SERIES I hope, for your sake, that you have not chosen to read this book because you are in the mood for a pleasant experience. If this is the case, I advise you to put this book down instantaneously, because of all the books describing the unhappy lives of the Baudelaire orphans, The Miserable Mill might be the unhappiest yet. Violet, Klaus, and Sunny Baudelaire are sent to Paltryville to work in a lumber mill, and they find disaster and misfortune lurking behind every log. The pages of this book, I'm sorry to inform you, contain such unpleasanties as a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident resulting in injury, and coupons. I have promised to write down the entire history of these three poor children, but you haven't, so if you prefer stories that are more heartwarming, please feel free to make another selection. With all due respect, Lemony Snicket

buzzfeed which divergent faction are you: Exploring Science Communication Ulrike Felt, Sarah R. Davies, 2020-01-27 The communication of scientific research raises big questions about the kind of societies we want to live in. Through a range of case studies, from museums to Facebook to public parks, Exploring Science Communication shows you how to understand and analyse the complex and diverse ways science and society relate in today's knowledge intensive environments.

buzzfeed which divergent faction are you: Against the Fascist Creep Alexander Reid Ross, 2017 When Dylann Roof murdered nine black parishioners in a Charleston church, narratives of lone wolves and Confederate flags masked the organizations that inspired Roof and their connections to politicians at local, state and federal levels. Trace the connections further back and you find darker levels of fascism. Fascism is not used simply as an epithet here. A terrifying tour of the history and influence of neo-fascists, Against the Fascist Creep maps the connections and names names, showing how infiltration is a conscious program for nationalist and neo-Nazi groups.

buzzfeed which divergent faction are you: Global Journalism Education in the 21st Century Robyn S. Goodman, Elanie Steyn, 2017-04-21 Global Journalism Education in the 21st Century: Challenges and Innovations sheds light on the present and future of journalism education worldwide and how to best prepare future journalists (and citizens) to cover the news. This one-stop text, reference book is a must-read for everyone interested in quality journalism education and practice.

buzzfeed which divergent faction are you: Modern Political Warfare Linda Robinson, Todd C. Helmus, Raphael S. Cohen, 2018 The United States today faces a number of actors who employ a wide range of political, informational, military, and economic measures to influence, coerce, intimidate, or undermine U.S. interests or those of friends and allies; many of these measures are often collectively referred to as political warfare. This report analyzes political warfare as it is practiced today by both state and nonstate actors, and provides detailed recommendations

regarding the most effective ways that the U.S. government, along with its allies and partners, can respond to or engage in this type of conflict to achieve U.S. ends and protect U.S. interests. The authors examine historical antecedents of political warfare and current-day practices through in-depth case studies of Russia, Iran, and the Islamic State. They use these cases to derive common attributes of modern political warfare. The authors then identify effective means for responding to these challenges. Drawing on documentary and field research as well as extensive semistructured interviews with practitioners in the U.S. government and elsewhere, they determine gaps in practices and capabilities for addressing political warfare threats. The report concludes with recommendations for countering political warfare by creating a more effective, coordinated, and cost-sensitive approach to effective statecraft, including specific measures for the U.S. State Department and the U.S. military, particularly the special operations community.--Publisher's description.

buzzfeed which divergent faction are you: Divergent 10th Anniversary Edition Veronica Roth, 2021-06 Celebrate the 10th anniversary of Divergent with a special edition of the #1 New York Times bestselling series that captured the hearts of millions of readers and inspired a series of major motion pictures starring Shailene Woodley. This edition features exclusive content from Veronica Roth and beautiful reimagined cover art from award-winning illustrator Victo Ngai. Beatrice Prior's society is divided into five factions--Candor (the honest), Abnegation (the selfless), Dauntless (the brave), Amity (the peaceful), and Erudite (the intelligent). Beatrice must choose between staying with her Abnegation family and transferring factions. Her choice will shock her community and herself. But the newly christened Tris also has a secret, one she's determined to keep hidden, because in this world, what makes you different makes you dangerous. A memorable, unpredictable journey from which it is nearly impossible to turn away. --Publishers Weekly (starred review) With brisk pacing and lavish flights of imagination, Divergent clearly has thrills, but it also movingly explores a more common anxiety--the painful realization that coming into one's own sometimes means leaving family behind. --New York Times Book Review EXCLUSIVE EXTRAS The Histories of the Factions: Dauntless, Amity, Abnegation, Candor, and Erudite; What's in a Name? Essay
