

# Continental Airlines Home Page

## Decoding the Continental Airlines Home Page: A Comprehensive Guide

### Introduction:

Remember the days of Continental Airlines? While the airline itself merged with United in 2012, its legacy remains. Understanding the nuances of what a Continental Airlines homepage would look like today, given modern web design and airline industry trends, is crucial for both travel enthusiasts and anyone interested in the evolution of airline websites. This in-depth guide will dissect the key components of a hypothetical, modern Continental Airlines home page, examining its functionality, design, and SEO optimization. We'll explore the essential elements that would drive user engagement and ensure a high ranking in search engine results for the keyword phrase "Continental Airlines home page," even though the official page no longer exists.

### Understanding the "Ghost" of the Continental Airlines Home Page:

While we can't access the actual Continental Airlines homepage, we can leverage our knowledge of current best practices and the airline's historical brand identity to reconstruct a powerful digital presence. This hypothetical reconstruction offers valuable insights into effective website design, SEO strategies, and the user experience in the airline industry.

#### I. Visual Identity and Brand Consistency:

A modern Continental Airlines homepage would prioritize a consistent visual identity reflecting its former brand. This includes:

**Color Palette:** Employing the classic Continental colors (previously featuring a rich burgundy and gold) strategically throughout the website would evoke nostalgia and brand recognition among former customers. The color scheme would be carefully chosen for accessibility and visual appeal across devices.

**Logo and Typography:** The iconic Continental logo, potentially with a subtle modern update, would be prominently displayed. The typography would complement the logo and maintain a professional yet approachable feel, ensuring readability on all screens.

**High-Quality Imagery:** Stunning images showcasing destinations, comfortable aircraft cabins, and happy travelers would create a positive user experience and enhance brand perception. This visual storytelling would be crucial in capturing the attention of potential customers.

#### II. User-Friendly Navigation and Functionality:

A seamless user experience is paramount. A hypothetical Continental Airlines homepage would include:

**Intuitive Menu Structure:** A clear and concise menu would allow users to easily navigate to different sections, such as "Book Flights," "Manage Bookings," "Destinations," "About Us," and "Help." Mega-

menus might be used to categorize destinations geographically or by travel type (business, leisure).  
**Robust Search Functionality:** A powerful flight search engine would be centrally located and allow for flexible search parameters (dates, destinations, class of service, number of passengers). Advanced filters would cater to the diverse needs of travelers.  
**Mobile Responsiveness:** The homepage must be fully responsive and adapt seamlessly to different screen sizes (desktops, tablets, smartphones). A mobile-first approach would ensure optimal user experience across all devices.

### III. SEO Optimization for "Continental Airlines Home Page":

While the official site is gone, optimizing a hypothetical site for the keyword phrase is instructive. Key SEO strategies would include:

**Keyword Integration:** Strategic placement of "Continental Airlines home page" and related keywords (e.g., "Continental Airlines flights," "Continental Airlines booking," "Continental Airlines customer service") within page titles, headings (H1-H6), meta descriptions, image alt text, and body content.

**Schema Markup:** Implementing schema markup would provide search engines with rich data about the website's content, improving its visibility in search results. This includes structured data for flights, destinations, and customer reviews.

**Link Building:** Building high-quality backlinks from reputable travel websites, blogs, and forums would enhance the site's authority and ranking. This could involve guest posting or collaborating with travel influencers.

**Technical SEO:** Ensuring the website is technically sound (fast loading speed, mobile-friendly, secure HTTPS connection) is critical for good search engine rankings. Regular site audits would identify and address any technical issues.

### IV. Content Marketing and Engagement:

Beyond basic functionality, a successful homepage requires compelling content:

**Blog and News Section:** A regularly updated blog featuring travel tips, destination guides, and airline news would attract organic traffic and engage users. This content would incorporate relevant keywords naturally.

**Customer Testimonials and Reviews:** Showcasing positive customer reviews and testimonials would build trust and credibility. These reviews could be integrated directly onto the homepage or linked from the "About Us" section.

**Social Media Integration:** Integrating social media feeds on the homepage would create a sense of community and encourage user interaction. This would also help in brand promotion and customer service.

### V. Call to Action (CTA):

The ultimate goal of a homepage is to convert visitors into customers. A clear and compelling call to action (CTA) is essential:

**Prominent "Book Now" Button:** A large, visually appealing "Book Now" button, strategically placed on the homepage, would encourage users to start their flight search.

**Special Offers and Promotions:** Highlighting special offers and promotions would incentivize users to

book flights immediately. This could be achieved through visually engaging banners or dedicated sections on the homepage.

Personalized Recommendations: Utilizing user data (with appropriate privacy measures) to recommend relevant flight options would enhance the user experience and potentially increase conversion rates.

## Article Outline:

Title: Decoding the Continental Airlines Home Page: A Comprehensive Guide

Introduction: Hook, overview of the article's content.

Chapter 1: Visual Identity and Brand Consistency: Color palette, logo, typography, imagery.

Chapter 2: User-Friendly Navigation and Functionality: Menu structure, search engine, mobile responsiveness.

Chapter 3: SEO Optimization: Keyword integration, schema markup, link building, technical SEO.

Chapter 4: Content Marketing and Engagement: Blog, news, reviews, social media.

Chapter 5: Call to Action (CTA): "Book Now" button, special offers, personalized recommendations.

Conclusion: Summary of key takeaways and future implications.

(The detailed explanation of each chapter is provided above in the body of the article.)

## FAQs:

1. What happened to Continental Airlines? Continental Airlines merged with United Airlines in 2012.
2. Can I still find old Continental Airlines flight records? You might find some information through United Airlines or archival websites.
3. What was Continental Airlines known for? Continental was known for its extensive route network and its hub in Houston.
4. What was the Continental Airlines logo? It featured a globe with a stylized "CO" intertwined.
5. What made Continental Airlines different from other airlines? It had a strong presence in the international market and a reputation for certain service features.
6. Is there a way to recreate a Continental Airlines website? Building a website based on the former brand guidelines and modern web design principles is possible.
7. What SEO strategies are relevant for airline websites? Keyword research, schema markup, link building, and technical SEO are all crucial.
8. How important is mobile responsiveness for airline websites? It is extremely important as a significant portion of bookings happen through mobile devices.
9. How can I improve the user experience on an airline website? Focus on intuitive navigation, fast loading speeds, clear information, and robust customer service options.

**continental airlines home page: Signal** , 2007

**continental airlines home page: We Never Learn** Eric Davidson, 2010-06-01 Nirvana, the White Stripes, Hole, the Hives—all sprang from an underground music scene where similarly raw bands, enjoying various degrees of success and luck, played for throngs of fans in venues ranging from dive bars to massive festivals, but were mostly ignored by a music industry focused on mega-bands and shiny pop stars. *We Never Learn: The Gunk Punk Undergut, 1988-2001* tracks the inspiration and beautiful destruction of this largely undocumented movement. What they took, they fought for, every night. They reveled in '50s rock 'n' roll, '60s garage rock, and '70s punk while creating their own wave of gut-busting riffs and rhythm. The majority of bands that populate this book—the Gories, the Supersuckers, the Dwarves, the Mummies, Rocket from the Crypt, Jon Spencer Blues Explosion, and the Muffs among them—gained little long-term reward from their nonstop touring and brain-slapping records. What they did have was free liquor, cheap drugs, chaotic romances, and a crazy good time, all the while building a dedicated fan base that extends across the world. Truly, this is the last great wave of down-and-dirty rock 'n' roll. In this expanded edition, Eric Davidson reveals more about the punk undergut with a new preface, postscript, and even more photos. Includes free twenty-song download!

**continental airlines home page: Internet Bible** Brian Underdahl, Keith Underdahl, 2000-05-18 Revised and updated with new information on broadband options, instant messaging, e-commerce, security, connection sharing, gaming, and more, this excellent resource and guide (Sys Admin magazine) is truly the bible for anyone who wants to use the Internet more fully. Inside, discover Internet gospel truths: The lowdown on service providers and high-speed access How to customize and enhance browsers The Web's best software, audio, chat rooms, and more Design software that works for Windows, Macs, or Linux The CD-ROM features the Opera Web browser, antis spam tools, and a directory with live links.

**continental airlines home page: Freedom and Information** Eric Landree, Christopher Paul, Beth Grill, Aruna Balakrishnan, Bradley Wilson, 2007-08-07 Describes a framework to guide assessments of the availability of data regarding U.S. anti- and counterterrorism systems, countermeasures, and defenses for planning attacks on the U.S. air, rail, and sea transportation infrastructure. Overall, the framework is useful for assessing what kind of information would be easy or hard for potential attackers to find.

**continental airlines home page: Billboard** , 1997-11-15 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**continental airlines home page: Electronic Commerce** Ronald J. Mann, 2014-11-12 The only casebook dealing with e-commerce, *Electronic Commerce, Fourth Edition*, utilizes problems to expound a transactional approach to electronic commerce. Written by Ronald J. Mann, a preeminent and prolific Commercial Law scholar, this system-oriented text is structured around the hypothetical

representation of a technology company. The new edition has been meticulously updated with the latest cases and problems that reflect those cases and current issues. This concise casebook offers:

Distinguished authorship: Ronald Mann is a leading scholar in Commercial Law and recently served as Reporter for revisions to UCC Articles 3, 4, and 4A. Lucid and concise reading assignments that use non-technical language whenever possible. Need-to-know technology is explained clearly and accessibly. Exercises that clearly illustrate current issues in e-commerce practice. Dozens of separate assignments so that professors can easily concentrate on their own areas of interest. Coverage of important commercial law topics, including: Click-through contracts Cybersquatting Web site development Software licensing Electronic payments New to the Fourth Edition: Updated problems based on recent case law and current issues. New cases, including: *Rescuecom Corp. v. Google & Second Circuit decision permitting lawsuit against Google for selling ads based on trademarked name Jacobsen v. Katzer & First appellate decision validating licenses for open-source software Jaynes v. Commonwealth of Virginia & Virginia Supreme Court case invalidating Virginia anti-spam law under First Amendment Fair Housing Council v. Roommates.com & Ninth Circuit en banc decision on liability of Web site for discriminatory postings seeking roommates Chicago Lawyers & Committee for Civil Rights Under Law, Inc. v. Gray Loon Outdoor Marketing Group, Inc. & Indiana Supreme Court case interpreting contract for design of Web site*

**continental airlines home page:** *Web Bloopers* Jeff Johnson, 2003-05-27 The dot.com crash of 2000 was a wake-up call, and told us that the Web has far to go before achieving the acceptance predicted for it in '95. A large part of what is missing is quality; a primary component of the missing quality is usability. The Web is not nearly as easy to use as it needs to be for the average person to rely on it for everyday information, commerce, and entertainment. In response to strong feedback from readers of GUI BLOOPERS calling for a book devoted exclusively to Web design bloopers, Jeff Johnson calls attention to the most frequently occurring and annoying design bloopers from real web sites he has worked on or researched. Not just a critique of these bloopers and their sites, this book shows how to correct or avoid the blooper and gives a detailed analysis of each design problem. Hear Jeff Johnson's interview podcast on software and website usability at the University of Canterbury (25 min.) - Discusses in detail 60 of the most common and critical web design mistakes, along with the solutions, challenges, and tradeoffs associated with them. - Covers important subject areas such as: content, task-support, navigation, forms, searches, writing, link appearance, and graphic design and layout. - Organized and formatted based on the results of its own usability test performed by web designers themselves. - Features its own web site ([www.web-bloopers.com](http://www.web-bloopers.com)) with new and emerging web design no-no's (because new bloopers are born every day) along with a much requested printable blooper checklist for web designers and developers to use.

**continental airlines home page:** *Marketing* Henry Assael, 1998 The chapters form the core of the book and represent the key areas of product, distribution, promotion and price ... The integration of concepts and applications in a student-friendly manner is the focus of this book. Marketing concepts are introduced in a process approach in which marketing is described as a series of processes, market segmentation, new-product development, promotional decisions, and so forth.-Pref.

**continental airlines home page:** *Right Away & All at Once* Greg Brenneman, 2016-02-09 An expert in business turnaround shares his inspiring approach to problem-solving: "A fascinating read" (Mitt Romney). Visionary leader Greg Brenneman believes that true business success and personal fulfillment are two sides of the same coin. The techniques that will grow your business will also help you achieve a rich, purposeful, and integrated life. Here, Brenneman takes what he's learned from turning around or tuning up many businesses—including Continental Airlines and Burger King—and distills it into a simple, clear, five-step roadmap that anyone can follow. He teaches you how to:

- \*prepare a succinct Go Forward plan
- \*build a fortress balance sheet
- \*grow your sales and profits
- \*choose all-star servant leaders
- \*empower your team

For more than thirty years, Brenneman has

seen these steps foster dramatic results in a variety of business environments. But he also came to realize that he could apply these same principles to improve his life and build a lasting moral legacy. He found he could make better decisions by carefully taking the most important facets of his life—faith, family, friendship, fitness, and finance—into consideration. Brenneman's inspiring examples, from both his business and his life, demonstrate the astounding effects these steps can have when you apply them—right away and all at once.

**continental airlines home page: Get Your Travel On!** Taryn White, 2016-06-15 Time or money should never be considered a barrier to pursuing travel dreams. With a little effort and planning, there are countless ways to see the world. In her comprehensive travel book, seasoned traveler Taryn White shares five easy steps and a multitude of practical tips that will help American travelers develop a personal vacation plan, choose the right, budget-friendly destination, and enjoy peace of mind while visiting exciting sites around the world. White relies on her vast travel experiences to lead future vacationers on a step-by-step process that provides valuable tips on how to: select an ideal seasonal destination; develop a trip wish list; conduct research to find the best deal; pack the right items; compare travel insurance options; and prepare adequately for each trip. *Get Your Travel On!* is a complete guide that shares advice, tools, and tips that will make travel easier for anyone ready to take a break from day-to-day stress and satisfy their wanderlust.

**continental airlines home page: Inside Flyer** , 2010

**continental airlines home page: The Evolution of News Reporting** Tom Robinson, 2010 This title gives readers a balanced look at the evolution of news reporting and the surrounding arguments. Readers will learn the history of journalism and the effects of modern Internet news on the newspaper industry. Color photos and informative sidebars accompany easy-to-follow text. Features include a table of contents, timeline, facts, additional resources, web sites, a glossary, a bibliography, and an index. *Essential Viewpoints* is a series in *Essential Library*, an imprint of ABDO Publishing Company.

**continental airlines home page: Forms that Work** Caroline Jarrett, Gerry Gaffney, 2009-03-02 *Forms that Work: Designing Web Forms for Usability* clearly explains exactly how to design great forms for the web. The book provides proven and practical advice that will help you avoid pitfalls, and produce forms that are aesthetically pleasing, efficient and cost-effective. It features invaluable design methods, tips, and tricks to help ensure accurate data and satisfied customers. It includes dozens of examples - from nitty-gritty details (label alignment, mandatory fields) to visual designs (creating good grids, use of color). This book isn't just about colons and choosing the right widgets. It's about the whole process of making good forms, which has a lot more to do with making sure you're asking the right questions in a way that your users can answer than it does with whether you use a drop-down list or radio buttons. In an easy-to-read format with lots of examples, the authors present their three-layer model - relationship, conversation, appearance. You need all three for a successful form - a form that looks good, flows well, asks the right questions in the right way, and, most important of all, gets people to fill it out. Liberally illustrated with full-color examples, this book guides readers on how to define requirements, how to write questions that users will understand and want to answer, and how to deal with instructions, progress indicators and errors. This book is essential reading for HCI professionals, web designers, software developers, user interface designers, HCI academics and students, market research professionals, and financial professionals. \*Provides proven and practical advice that will help you avoid pitfalls, and produce forms that are aesthetically pleasing, efficient and cost-effective. \*Features invaluable design methods, tips, and tricks to help ensure accurate data and satisfied customers. \*Includes dozens of examples -- from nitty-gritty details (label alignment, mandatory fields) to visual designs (creating good grids, use of color). \*Foreword by Steve Krug, author of the best selling *Don't Make Me Think!*

global IT media network.

**continental airlines home page: Air Passenger Rights** Michal Bobek, Jeremias Adams-Prassl, 2016-01-28 Regulation 261/2004 on Air Passengers' Rights has been amongst the most high-profile pieces of EU secondary legislation of the past years, generating controversial judgments of the Court of Justice, from C-344/04 ex parte IATA to C-402/07 Sturgeon. The Regulation has led to equally challenging decisions across the Member States, ranging from judicial enthusiasm for passenger rights to domestic courts holding that a Regulation could not be relied upon by an individual claimant or even threatening outright to refuse to apply its provisions. The economic stakes are significant for passengers and airlines alike, and despite the European Commission's recent publication of reform proposals, controversies appear far from settled. At the same time the Regulation should, according to the Treaty, have uniform, direct and general application in all the Member States of the Union. How, then, can this diversity be explained? What implications do the diverging national interpretations have for the EU's regulatory strategy at large? This book brings together leading experts in the field to present a series of case studies from 15 different Member States as well as the extra-territorial application of Regulation 261, combined with high-level analysis from the perspectives of Aviation law and EU law.

**continental airlines home page: Curacao Travel Adventures** Lynne M. Sullivan, 2011-04-15 We travel to grow a€ our Adventure Guides show you how. Experience the places you visit more directly, freshly, intensely than you would otherwise a€ sometimes best done on foot, in a canoe, or through cultural adventures like art courses, cooking classes, learning the language, meeting the people, joining in the festivals and celebrations. This can make your trip life-changing, unforgettable. All of the detailed information you need is here about the hotels, restaurants, shopping, sightseeing. But we also lead you to new discoveries, turning corners you haven't turned before, helping you to interact with the world in new ways. That's what makes our Travel Adventure Guides unique. The author is fascinated with these islands and her passion comes across in the text, which is lively, revealing and a pleasure to read. Detailed town and regional maps make planning day-trips or city tours easy. Adventures covered range from town sightseeing tours and nature watching to sea kayaking and mountain climbing excursions. Travelers looking for a more relaxed vacation may want to sign up for dance lessons and take part in the local Carnaval or join a local cycling club and tackle some of the most scenic areas - these cultural adventures will introduce you to the people and afford you a truly unique travel experience. This guide focuses on CuraAao primarily and is based on material found in our larger book, Aruba, Bonaire & Curacao Pocket Adventures.

## Continental Airlines Home Page Introduction

Continental Airlines Home Page Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Continental Airlines Home Page Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Continental Airlines Home Page : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Continental Airlines Home Page : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Continental Airlines Home Page Offers a diverse range of free eBooks across various genres. Continental Airlines Home Page Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Continental Airlines Home Page Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Continental Airlines Home Page, especially related to Continental Airlines Home Page, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Continental Airlines Home Page, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Continental Airlines Home Page books or magazines might include. Look for these in online stores or libraries. Remember that while Continental Airlines Home Page, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Continental Airlines Home Page eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Continental Airlines Home Page full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Continental Airlines Home Page eBooks, including some popular titles.
