craneway pickleball pavilion: [Sea Trials](#) Wendy Hinman, 2017-03-15 A shipwreck might end a dream of circumnavigating the globe. Not for the Wilcox family. A timeless true story of resilience and determination as they face wild weather, threats from pirates, gun boats, mines and thieves, a broken rig, scurvy and starvation in a journey that tests them to their limits.

craneway pickleball pavilion: [Tightwads on the Loose](#) Wendy Hinman, 2012-03-31 Everyone dreams of tropical escape. But what happens when you escape for too long? Imagine spending 24 hours a day with your spouse in 31 not-so-square feet . . . for years; crossing the Pacific Ocean on two gallons of fuel; and tossing spaghetti marinara around your living room, then cleaning it up while bouncing like ice in a martini shaker. Tightwads on the Loose tells the story of Wendy and Garth, lured to sea by the promise of adventure. They buy a 31-foot boat that fits their budget better than it fits Garth's large frame and set sail for an open-ended voyage, never imagining they'd be gone seven years, or cover 34,000 miles at the pace of a fast walk. They live without most necessities and learn that teamwork and a sense of humor matter most as they face endless character-building opportunities. They make a long-anticipated visit to the island where Garth had been shipwrecked as a teenager, only to find it had become a penal colony. An electronic catastrophe in the Solomon Islands leaves them without navigation equipment, which forces them to trade their free-wheeling lifestyle for one that seems straight out of a '60s sitcom: jobs at a U.S. Army base in the Marshall Islands. In Asia, they dodge typhoons and ships that threaten to turn their home into kindling. Finally they endure a grueling 49-day nonstop ocean crossing. None of this prepares them for their arrival home to a post-9/11 America which leaves them wondering what had changed more, them or the world. Tightwads on the Loose offers a fun read to the armchair adventurer -- or anyone afflicted

with wanderlust.
