## **Clara Barton Biography for Kids: The Angel of the Battlefield**

### **Introduction:**

Ever heard of a real-life superhero who wasn't afraid to rush into danger to help others? Meet Clara Barton, a woman who bravely tended to wounded soldiers during the Civil War and became known as the "Angel of the Battlefield." This isn't just any biography; it's a kid-friendly adventure filled with exciting stories of courage, compassion, and the founding of the American Red Cross! Get ready to discover the incredible life of Clara Barton and learn how one person can make a world of difference.

### **Chapter 1: A Childhood of Kindness**

Clara Barton wasn't born into a life of luxury. Born in North Oxford, Massachusetts, in 1821, she experienced a relatively humble upbringing. However, from a young age, Clara showed a remarkable empathy and a deep desire to help those in need. She was a shy child, but her compassion shone through. Stories abound of her caring for injured animals and neighbours, foreshadowing her future role as a caregiver on a much larger scale. She was fiercely independent and determined, traits that served her exceptionally well throughout her life. These early experiences instilled in her a strong sense of social justice and a lifelong commitment to alleviating suffering.

### **Chapter 2: The Teacher and the Civil War**

Clara's early career involved teaching, a profession she embraced with her usual passion and dedication. She established several successful schools, demonstrating her organizational skills and her commitment to education. But the outbreak of the Civil War drastically changed the course of her life. Deeply moved by the plight of the wounded soldiers, Clara volunteered her services, initially providing supplies and comfort to troops. She soon found herself on the battlefields, braving the dangers of war to tend to the injured and dying, often under intense fire. This period cemented her reputation as the "Angel of the Battlefield," a title earned through her unwavering courage and tireless dedication. Her actions became legendary, showing incredible bravery in bringing supplies and aid directly to the front lines.

### **Chapter 3: Beyond the Battlefield: The American Red Cross**

After the Civil War, Clara Barton's work wasn't over. She was deeply affected by the suffering she witnessed and resolved to find a lasting way to provide relief to those in need. Inspired by the International Red Cross, she tirelessly advocated for the establishment of a similar organization in the United States. Facing considerable obstacles and skepticism, she relentlessly pursued her goal, ultimately succeeding in founding the American Red Cross in 1881. This monumental achievement secured her legacy and ensured that her compassionate work would continue to impact generations. The American Red Cross, under her leadership, provided crucial assistance during numerous natural disasters and humanitarian crises, solidifying its place as a vital organization dedicated to alleviating human suffering.

## **Chapter 4: A Legacy of Compassion**

Clara Barton's life was a testament to the power of compassion and determination. She wasn't just a nurse; she was a tireless advocate for humanitarian aid and a pioneer in the field of disaster relief. She dedicated her life to helping others, regardless of their background or circumstances. Her legacy extends far beyond the Civil War battlefields; it encompasses the enduring impact of the American Red Cross and the inspiration she provided to countless individuals who followed in her footsteps. Her life teaches us the importance of empathy, courage, and unwavering commitment to a cause greater than oneself. Clara Barton's story reminds us that one person can truly make a difference in the world.

## **Clara Barton Biography for Kids: A Detailed Outline**

### **I. Introduction:**

Hook: Introducing Clara Barton as a real-life superhero.

**clara barton biography for kids:** *Clara and Davie* Patricia Polacco, 2017-02-28 From the bestselling author, the true story of young Clara Barton and the big brother who supported and encouraged her in the face of adversity. Animals and flowers were Clara's best friends. She had a special way with critters and found joy in the beauty that sprang from the soil. But whenever Clara talked, her words didn't come out right. As hard as she tried, she could not get over her lisp. Clara's

older brother Davie understood that his sister was gifted. When folks made fun of Clara's stilted words, Davie was always at her side reminding her that she had a talent for healing creatures. Davie told his sister, "Some day you are going to be a very great lady." And that's exactly what happened. Clara Barton became one of the most famous medical practitioners of all time and founded the American Red Cross. Praise for Clara and Davie "Drawing once again on her family history, Polacco shares the story of a distant relative . . . Polacco's characteristic mixed-media illustrations are lively and evocative, and the winter scenes are especially appealing. This heartwarming story of sibling devotion and overcoming obstacles will whet readers' interest and lead them to further study."

—School Library Journal

**clara barton biography for kids: Brave Clara Barton** Frank Murphy, 2018-02-27 A Step 3 beginning-reader biography of Civil War nurse and founder of the American Red Cross Clara Barton! **clara barton biography for kids: The Red Cross in Peace and War** Clara Harlowe Barton, 1999-01-01 This Elibron Classics title is a reprint of the original edition published by American Historical Press in Washington, 1904. This book contains color illustrations.

**clara barton biography for kids: Who Was Clara Barton?** Stephanie Spinner, Who HQ, 2014-07-24 Clarissa "Clara" Barton was a shy girl who grew up to become a teacher, nurse, and humanitarian. At a time when few women worked outside the home, she became the first woman to hold a government job, as a patent clerk in Washington, DC. In 1864, she was appointed "lady in charge" of the hospitals at the front lines of the Union Army, where she became known as the "Angel of the Battlefield." Clara Barton built a career helping others. She went on to found the American Red Cross, one of her greatest accomplishments, and one of the most recognized organizations in the world.

**clara barton biography for kids: Woman of Valor** Stephen B. Oates, 1995-05-01 A stunning biography of Clara Barton—a woman who determined to serve her country during the Civil War—from acclaimed author Stephen B. Oates. When the Civil War broke out, Clara Barton wanted more than anything to be a Union soldier, an impossible dream for a thirty-nine-year-old woman, who stood a slender five feet tall. Determined to serve, she became a veritable soldier, a nurse, and a one-woman relief agency operating in the heart of the conflict. Now, award-winning author Stephen B. Oates, drawing on archival materials not used by her previous biographers, has written the first complete account of Clara Barton's active engagement in the Civil War. By the summer of 1862, with no institutional affiliation or official government appointment, but impelled by a sense of duty and a need to heal, she made her way to the front lines and the heat of battle. Oates tells the dramatic story of this woman who gave the world a new definition of courage, supplying medical relief to the wounded at some of the most famous battles of the war—including Second Bull Run, Antietam, Fredericksburg, Battery Wagner, the Wilderness, Spotsylvania, and Petersburg. Under fire with only her will as a shield, she worked while ankle deep in gore, in hellish makeshift battlefield hospitals—a bullet-riddled farmhouse, a crumbling mansion, a windblown tent. Committed to healing soldiers' spirits as well as their bodies, she served not only as nurse and relief worker, but as surrogate mother, sister, wife, or sweetheart to thousands of sick, wounded, and dying men. Her contribution to the Union was incalculable and unique. It also became the defining event in Barton's life, giving her the opportunity as a woman to reach out for a new role and to define a new profession. Nursing, regarded as a menial service before the war, became a trained, paid occupation after the conflict. Although Barton went on to become the founder and first president of the Red

Cross, the accomplishment for which she is best known, *A Woman of Valor* convinces us that her experience on the killing fields of the Civil War was her most extraordinary achievement.

**clara barton biography for kids: Clara Barton, Angel of the Battlefield** Rae Bains, 1982 A childhood biography of the girl who became known as a fearless battlefield nurse during the Civil War and the founder of the American Red Cross.

**clara barton biography for kids: The American Red Cross** Marian Moser Jones, 2013-01-07 The iconic relief organization's activities over a half century of history, through wars, epidemics, and other disasters: "Well-researched . . . fascinating." —Julia F. Irwin, *Bulletin of the History of Medicine* In dark skirts and bloodied boots, Clara Barton fearlessly ventured onto Civil War battlefields to tend to wounded soldiers. She later worked with civilians in Europe during the Franco-Prussian War, lobbied legislators to ratify the Geneva conventions, and founded and ran the American Red Cross. *The American Red Cross from Clara Barton to the New Deal* tells the story of the charitable organization from its start in 1881, through its humanitarian aid during wars, natural disasters, and the Depression, to its relief efforts of the 1930s. Marian Moser Jones illustrates the tension between the organization's founding principles of humanity and neutrality and the political, economic, and moral pressures that sometimes caused it to favor one group at the expense of another. This book tells the stories of: • U.S. natural disasters such as the Jacksonville yellow fever epidemic of 1888, the Sea Islands hurricane of 1893, and the 1906 San Francisco earthquake • crises abroad, including the 1892 Russian famine and the Armenian massacres of 1895-96 • efforts to help civilians affected by the civil war in Cuba • power struggles within the American Red Cross leadership and subsequent alliances with the American government • the organization's expansion during World War I • race riots and massacres in East St. Louis, Chicago, and Tulsa between 1917 and 1921 • help for African American and white Southerners after the Mississippi flood of 1927 • relief projects during the Dust Bowl and after the New Deal An epilogue relates the history of the American Red Cross since the beginning of World War II and illuminates the organization's current practices and international reputation.

**clara barton biography for kids: Clara Barton** Elizabeth Brown Pryor, 1987 In *Clara Barton, Professional Angel*, Elizabeth Brown Pryor presents a biography of Barton that strips away the heroic exterior and reveals a complex and often trying woman.

**clara barton biography for kids: Clara Barton** Nancy Whitelaw, 1997 Called the angel of the battlefield, Clara Barton's compassion for others led her to caring for wounded soldiers during the Civil War. Barton's role as founder of the American Red Cross and her leadership as its first president, earned her a place in history.

**clara barton biography for kids: To the Front!** Claudia Friddell, 2022-03-01 This powerful tribute to Civil War nurse Clara Barton and her heroic efforts during the Battle of Antietam reveals

how she earned the name The Angel of the Battlefield, and shows the beginnings of her journey as one of our country's greatest humanitarians and the founder of the American Red Cross. During the Civil War, Clara Barton—one of the first women to receive permission to serve on a battlefield—snuck her supply wagon to the head of a ten-mile wagon train to deliver provisions to the Antietam Battlefield. On the bloodiest day in American history, Clara and her team of helpers sprang into action as they nursed the wounded and dying, cooked meals for soldiers, and provided doctors with desperately needed medical supplies and lanterns so they could operate through the night. Author Claudia Friddell blends her words with Clara Barton's firsthand account to capture the nurse's brave actions, while Christopher Cyr's dramatically accurate illustrations portray one of the most heroic women in history.

**clara barton biography for kids: Time For Kids: Clara Barton** Editors of TIME For Kids, 2008-01-08 Take a close-up look at Clara Barton, who bravely nursed soldiers during the Civil War. Interviews with experts and lively writing deliver the accurate reporting you expect from Time For Kids®. Historical and contemporary photographs capture the life of this caring woman and show how her legacy—the American Red Cross—assists people today.

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**clara barton biography for kids: Florence Nightingale: The Crimean War** Lynn McDonald, 2011-02-01 Florence Nightingale is famous as the “lady with the lamp” in the Crimean War, 1854–56. There is a massive amount of literature on this work, but, as editor Lynn McDonald shows, it is often erroneous, and films and press reporting on it have been even less accurate. The Crimean War reports on Nightingale’s correspondence from the war hospitals and on the staggering amount of work she did post-war to ensure that the appalling death rate from disease (higher than that from bullets) did not recur. This volume contains much on Nightingale’s efforts to achieve real reforms. Her well-known, and relatively “sanitized”, evidence to the royal commission on the war is compared with her confidential, much franker, and very thorough Notes on the Health of the British Army, where the full horrors of disease and neglect are laid out, with the names of those responsible.

**clara barton biography for kids: Kinship to Kingship** Christine Ward Gailey, 1987-12-01 Have women always been subordinated? If not, why and how did women’s subordination develop? Kinship to Kingship was the first book to examine in detail how and why gender relations become skewed when classes and the state emerge in a society. Using a Marxist-feminist approach, Christine Ward Gailey analyzes women’s status in one society over three hundred years, from a period when kinship relations organized property, work, distribution, consumption, and reproduction to a class-based state society. Although this study focuses on one group of islands, Tonga, in the South Pacific, the author discusses processes that can be seen through the neocolonial world. This ethnohistorical study argues that evolution from a kin-based society to one organized along class lines necessarily entails the subordination of women. And the opposite is also held to be true: state and class formation cannot be understood without analyzing gender and the status of women. Of interest to students of anthropology, political science, sociology, and women’s studies, this work is a major contribution to social history.

**clara barton biography for kids: Clara Barton** Allison Lassieur, 2006 Presents the life of Clara Barton, focusing primarily on her work as a nurse during and after the Civil War and her efforts on behalf of the Red Cross.

**clara barton biography for kids: Clara Barton** Augusta Stevenson, 1986-10-31 A story

focusing on the youth of the nurse who organized the American Red Cross in Washington, D.C., in 1881.

**clara barton biography for kids: Women Win the Vote!: 19 for the 19th Amendment**

Nancy B. Kennedy, 2020-02-11 A bold new collection showcasing the trailblazing individuals who fought for women's suffrage, honoring the Nineteenth Amendment's centennial anniversary. On August 18, 1920, women in the United States secured their right to vote with the passage of the Nineteenth Amendment to the Constitution. Their fight for suffrage took decades of campaigning and marching, protesting and picketing, speeches and imprisonments. Millions of women across the country gave their all to achieve victory. From Lucretia Mott, who stoked the first flames of the suffrage movement in the 1800s, to Alice Paul, the militant twentieth-century suffragist who helped clinch ratification, *Women Win the Vote!* maps the road to the Nineteenth Amendment through the lives of nineteen of these fierce and courageous women who paved the way. With vivid profiles of iconic figures like Sojourner Truth and Elizabeth Cady Stanton, as well as those who may be less well-known, like Mary Ann Shadd Cary and Adelina Otero-Warren, this vibrant collection celebrates the one hundredth anniversary of the Nineteenth Amendment and the daring individuals who upended tradition to empower future generations of women.

**clara barton biography for kids: Clara Barton's Civil War** Donald Pfanz, 2018 Most of Clara

Barton's biographers have accepted her statements at face value, but they stand on shaky ground, for Barton was a relentless self-promoter and often embellished her stories in an effort to enhance her accomplishments. Donald Pfanz revisits her claims, comparing the information in her speeches with contemporary documents, including Barton's own wartime diary and letters. In doing so, he provides the first balanced and accurate account of her wartime service--a service that in the end needed no exaggeration.

**clara barton biography for kids: Reading the Man** Elizabeth Brown Pryor, 2007-05-03

"Pryor's biography helps part with a lot of stupid out there about Lee - chiefly, that he was, somehow, 'anti-slavery.'" - Ta-Nehisi Coates, theatlantic.com An "unorthodox, critical, and engaging biography" (Boston Globe) - Winner of The Lincoln Prize Robert E. Lee is remembered by history as a tragic figure, stoic and brave but distant and enigmatic. Using dozens of previously unpublished letters as departure points, Pryor produces a stunning personal account of Lee's military ability, shedding new light on every aspect of the complex and contradictory general's life story. Explained for the first time in the context of the young United States's tumultuous societal developments, Lee's actions reveal a man forced to play a leading role in the formation of the nation at the cost of his private happiness.

**clara barton biography for kids: *The Civil War*** Aaron Rosenberg, 2011 Find out how the key

players influenced and interacted with each other during the Civil War in this entry of a brand-new, full-color biography series. Content includes a complete description of the event along with basic profile and background information about each person. Original.

**clara barton biography for kids: *The Red Cross*** Clara Barton, 1898

**clara barton biography for kids: *Brave Girl*** Michelle Markel, 2013-01-22 The true story of the

young immigrant who led the largest strike of women workers in U.S. history. This picture book biography about Ukrainian immigrant Clara Lemlich tackles topics like activism and the U.S. garment industry. The art, by Caldecott Honor winner Melissa Sweet, beautifully incorporates stitching and fabric. A bibliography and an author's note on the garment industry are included. When Clara arrived in America, she couldn't speak English. She didn't know that young women had to go to work, that they traded an education for long hours of labor, that she was expected to grow up fast. But that didn't stop Clara. She went to night school, spent hours studying English, and helped support her family by sewing in a shirtwaist factory. Clara never quit, and she never accepted that girls should be treated poorly and paid little. Fed up with the mistreatment of her fellow laborers, Clara led the largest walkout of women workers the country had seen. From her short time in America, Clara learned that everyone deserved a fair chance. That you had to stand together and fight for what you wanted. And, most importantly, that you could do anything you put your mind to.

This picture book biography about the plight of immigrants in America in the early 1900s and the timeless fight for equality and justice should not be missed.

**clara barton biography for kids: Florence Nightingale and Clara Barton** Charles River Editors, 2020-02-04 \*Includes pictures \*Includes excerpts of contemporary accounts \*Includes a bibliography for further reading I think one's feelings waste themselves in words; they ought all to be distilled into actions which bring results. - Florence Nightingale I may be compelled to face danger, but never fear it, and while our soldiers can stand and fight, I can stand and feed and nurse them. - Clara Barton Today, nursing is one of the most ubiquitous professions in the world, and images of war immediately call to mind nursing the wounded, but it was not long ago that such ideas were relatively primitive. Indeed, schoolchildren are still taught about the revolutionary exploits of Florence Nightingale, the war nurse who is often credited as the founder of modern nursing. As The Times wrote of Nightingale, She is a 'ministering angel' without any exaggeration in these hospitals, and as her slender form glides quietly along each corridor, every poor fellow's face softens with gratitude at the sight of her. When all the medical officers have retired for the night and silence and darkness have settled down upon those miles of prostrate sick, she may be observed alone, with a little lamp in her hand, making her solitary rounds. Florence Nightingale first came to prominence during the Crimean War in the middle of the 19th century when she helped organize efforts to treat wounded soldiers, and the image of her doing rounds among those she treated at night became extremely popular in Europe, but her efforts extended far beyond the scope of battle. In time, she came to found the first secular nursing school, at St Thomas' Hospital in London, and with that she began to transform nursing into an actual profession. Perhaps not surprisingly, in conjunction with nursing, Nightingale was a social reformer who advocated for the advancement of women in all areas of life, from healthcare to poverty, and she bolstered her work with voluminous writings on behalf of her causes. The Civil War is often considered one of the first modern wars, and while technology affected what happened on the battlefield, technology and new methods also improved the way soldiers were cared for away from the front lines. Civil War medicine is understandably (and rightly) considered primitive by 21st century standards, but the ways in which injured and sick soldiers were removed behind the lines and nursed were considered state-of-the-art in the 1860s, and nobody was more responsible for that than Clara Barton, the Florence Nightingale of America. Barton had been an educator and clerk before the Civil War broke out in 1861, but almost immediately, she went to work attempting to nurse injured Union soldiers and ensure army hospitals were properly supplied. By 1862, she was shadowing Union armies near Washington to bring supplies, clean field hospitals, and directly nurse wounded soldiers herself. In short order, she was recognized as the Angel of the Battlefield. In the wake of the war, she gave speeches about her experiences and even went abroad to serve in a similar capacity during the Franco-Prussian War, and eventually she brought back the tenets of the International Red Cross to found the American Red Cross. Under her leadership, the organization would assist not just during wars, but also during natural disasters and other humanitarian crises, roles that the American Red Cross continues to fulfill today. Florence Nightingale and Clara Barton: The Lives and Careers of History's Most Influential Nurses chronicles two of the most famous women of the 19th century. Along with pictures of important people, places, and events, you will learn about Florence Nightingale and Clara Barton like never before.

**clara barton biography for kids: Fall Down Seven Times, Stand Up Eight** Jen Bryant, 2022-01-25

**clara barton biography for kids: Gabbing About GUM** Patricia Nikolina Clark, 2018

## FAQs About Clara Barton Biography For Kids Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Clara Barton Biography For Kids is one of the best book in our library for free trial. We provide copy of Clara Barton Biography For Kids in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Clara Barton Biography For Kids. Where to download Clara Barton Biography For Kids online for free? Are you looking for Clara Barton Biography For Kids PDF? This is definitely going to save you time and cash in something you should think about.
