### I. The Power of Poetry in Long-Distance Relationships:

Long-distance relationships present unique challenges. The lack of physical intimacy and constant companionship can lead to feelings of loneliness and isolation. However, the emotional connection can be strengthened through thoughtful gestures, and poetry offers a powerful tool for conveying deep emotions. A heartfelt poem transcends the physical distance, offering a personal and intimate connection that a simple text message cannot replicate. It demonstrates thoughtfulness, creativity, and a deeper level of commitment, reminding your loved one of your unwavering affection. The act of writing and receiving a poem fosters a sense of intimacy and shared experience, fostering a stronger emotional bond despite the geographical separation.

### IV. Writing Your Own Personalized Good Night Poem:

Don't be afraid to express your unique feelings through your own words. Consider incorporating details specific to your relationship, inside jokes, shared memories, or dreams for the future. Use vivid imagery and sensory details to create a richer and more personal experience for your loved one. Focus on expressing your emotions honestly and authentically. Even a few heartfelt lines can be incredibly powerful.

### V. Beyond the Poem: Enhancing Your Good Night Message:

While a poem is a beautiful gesture, consider enhancing your message with additional elements. A personalized photo, a short voice recording, or a cherished memory shared within the message will create a more complete and intimate experience.

## VI. Conclusion:

The distance may separate your bodies, but it cannot diminish the power of your love. A heartfelt good night poem is a tangible expression of your affection, a bridge across the miles. By crafting a personal and meaningful message, you can nurture your connection and strengthen your bond, reminding your loved one of your unwavering devotion even when you're apart.

**good night poem for him long distance: Poetry and Revelation** Kevin Hart, 2017-04-20 Religious poetry has often been regarded as minor poetry and dismissed in large part because poetry is taken to require direct experience; whereas religious poetry is taken to be based on faith, that is, on second or third hand experience. The best methods of thinking about experience are given to us by phenomenology. *Poetry and Revelation* is the first study of religious poetry through a phenomenological lens, one that works with the distinction between manifestation (in which everything is made manifest) and revelation (in which the mystery is re-veiled as well as revealed). Providing a phenomenological investigation of a wide range of “religious poems”, some medieval, some modern; some written in English, others written in European languages; some from America, some from Britain, and some from Australia, Kevin Hart provides a unique new way of thinking about religious poetry and the nature of revelation itself.

**good night poem for him long distance: Gone to Soldiers** Marge Piercy, 2016-04-12 This sweeping New York Times bestseller is “the most thorough and most captivating, most engrossing novel ever written about World War II” (*Los Angeles Times*). Epic in scope, Marge Piercy’s sweeping novel encompasses the wide range of people and places marked by the Second World War. Each of her ten narrators has a unique and compelling story that powerfully depicts his or her personality, desires, and fears. Special attention is given to the women of the war effort, like Bernice, who rebels against her domineering father to become a fighter pilot, and Naomi, a Parisian Jew sent to live with relatives in Detroit, whose twin sister, Jacqueline—still in France—joins the resistance against Nazi rule. The horrors of the concentration camps; the heroism of soldiers on the beaches of Okinawa, the skies above London, and the seas of the Mediterranean; the brilliance of code breakers; and the resilience of families waiting for the return of sons, brothers, and fathers are all conveyed through powerful, poignant prose that resonates beyond the page. *Gone to Soldiers* is a testament to the ordinary people, with their flaws and inner strife, who rose to defend liberty during the most extraordinary times.

**good night poem for him long distance: Translation and Modernism** Emily O. Wittman, 2023-12-01 This innovative volume extends existing conversations on translation and modernism with an eye toward bringing renewed attention to its ethically complex, appropriative nature and the subsequent ways in which modernist translators become co-creators of the materials they translate. Wittman builds on existing work at the intersection of the two fields to offer a more dynamic, nuanced, and wider lens on translation and modernism. The book draws on scholarship from descriptive translation studies, polysystems theory, and literary translation to explore modernist translators' appropriation of source texts and their continuous recalibrations of equivalence between source text and translation. Chapters focus on translation projects from a range of writers, including Beckett, Garnett, Lawrence, Mansfield, and Rhys, with a particular spotlight on how women's translations and women translators' innovations were judged more critically than those of their male counterparts. Taken together, the volume puts forth a fresh perspective on translation and modernism and of the role of the modernist translator as co-creator in the translation process. This book will be of particular interest to scholars in translation studies, modernism, reception theory, and gender studies.

**good night poem for him long distance: Keep the Aspidistra Flying** George Orwell, 2023-11-27 Keep the Aspidistra Flying, first published in 1936, is a socially critical novel by George Orwell. It is set in 1930s London. The main theme is Gordon Comstock's romantic ambition to defy worship of the money-god and status, and the dismal life that results. Orwell wrote the book in 1934 and 1935, when he was living at various locations near Hampstead in London, and drew on his experiences in these and the preceding few years. At the beginning of 1928 he lived in lodgings in Portobello Road from where he started his tramping expeditions, sleeping rough and roaming the poorer parts of London. At this time he wrote a fragment of a play in which the protagonist Stone needs money for a life-saving operation for his child. Stone would prefer to prostitute his wife rather than prostitute his artistic integrity by writing advertising copy. Book Summary: Gordon Comstock has 'declared war' on what he sees as an 'overarching dependence' on money by leaving a promising job as a copywriter for an advertising company called 'New Albion'-at which he shows great dexterity-and taking a low-paying job instead, ostensibly so he can write poetry. Coming from a respectable family background in which the inherited wealth has now become dissipated, Gordon resents having to work for a living. The 'war' (and the poetry), however, aren't going particularly well and, under the stress of his 'self-imposed exile' from affluence, Gordon has become absurd, petty and deeply neurotic. Comstock lives without luxuries in a bedsit in London, which he affords by working in a small bookshop owned by a Scot, McKechnie. He works intermittently at a magnum opus he plans to call 'London Pleasures', describing a day in London; meanwhile, his only published work, a slim volume of poetry entitled *Mice*, collects dust on the remainder shelf. He is simultaneously content with his meagre existence and also disdainful of it. He lives without financial ambition and the need for a 'good job,' but his living conditions are uncomfortable and his job is boring. Comstock is 'obsessed' by what he sees as a pervasion of money (the 'Money God', as he calls it) behind social relationships, feeling sure that women would find him more attractive if he were better off. At the beginning of the novel, he senses that his girlfriend Rosemary Waterlow, whom he met at New Albion and who continues to work there, is dissatisfied with him because of his poverty. An example of his financial embarrassment is when he is desperate for a pint of beer at his local pub, but has run out of pocket money and is ashamed to cadge a drink off his fellow lodger, Flaxman. One of Comstock's last remaining friends, Philip Ravelston, a Marxist who publishes a magazine called *Anti-Christ*, agrees with Comstock in principle, but is comfortably well-off himself and this causes strains when the practical miseries of Comstock's life become apparent. He does, however, endeavour to publish some of Comstock's work and his efforts, unbeknownst to Comstock, had resulted in *Mice* being published via one of his publisher contacts.

**good night poem for him long distance: Firefly Lane** Kristin Hannah, 2008-02-05 From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the coolest girl in the world moves in across the street and wants to be her friend. Tully Hart seems to have it all—beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, Firefly Lane is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have

children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship—jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. *Firefly Lane* is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you—and knows what has the power to hurt you . . . and heal you. *Firefly Lane* is a story you'll never forget . . . one you'll want to pass on to your best friend.

**good night poem for him long distance:** *Stories to Awaken the World* , 2012-09-01 Stories to Awaken the World, the first complete translation of Xingshi hengyan, completes the publication in English of the famous three-volume set of Feng Menglong's popular Chinese-vernacular stories. These tales, which come from a variety of sources (some dating back centuries before their compilation in the seventeenth century), were assembled and circulated by Feng, who not only saved them from oblivion but raised the status of vernacular literature and provided material for authors of the great Ming (1368-1644) and Qing (1644-1911) novels to draw upon. This trilogy has been compared to Boccaccio's Decameron and the stories of A Thousand and One Nights. Peopled with scholars, emperors, ministers, generals, and a gallery of ordinary men and women - merchants and artisans, prostitutes and courtesans, matchmakers and fortune-tellers, monks and nuns, thieves and imposters - the stories provide a vivid panorama of the bustling world of late imperial China. The longest volume in the Sanyan trilogy, *Stories to Awaken the World* is presented in full here, including sexually explicit elements often omitted from Chinese editions. Shuhui Yang and Yunqin Yang have provided a rare treat for English readers: an unparalleled view of the art of traditional Chinese short fiction. As with the first two collections in the trilogy, *Stories Old and New* and *Stories to Caution the World*, their excellent renditions of the forty stories in this collection are eminently readable, accurate, and lively. They have included all of the poetry that is scattered throughout the stories, as well as Feng Menglong's interlinear and marginal comments, which convey the values shared among the Chinese cultural elite, point out what original readers of the collection were being asked to appreciate in the writer's art, and reveal Feng's moral engagement with the social problems of his day. The Yangs's translations rank among the very finest English versions of Chinese fiction from any period. For other titles in the collection go to <http://www.washington.edu/uwpress/books/ming.html>

To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M
