

Hmp Strangeways

HMP Strangeways: A Deep Dive into Manchester's Notorious Prison

Introduction:

Stepping inside the imposing walls of HMP Strangeways is like stepping into a chapter of British history – a chapter filled with infamous riots, complex social issues, and ongoing debates about prison reform. More than just a place of confinement, Strangeways reflects the broader societal challenges of crime, punishment, and rehabilitation. This comprehensive blog post delves into the history, current state, and ongoing controversies surrounding HMP Strangeways, providing a nuanced understanding of this notorious Manchester institution. We'll explore its architectural history, the infamous 1990 riot, the challenges faced by staff and inmates, and the ongoing efforts towards reform and rehabilitation. Prepare to unravel the layers of this complex and often controversial prison.

1. A History Etched in Stone: The Architectural Evolution of Strangeways

HMP Strangeways, officially known as Manchester Prison, wasn't always the imposing structure we know today. Its origins trace back to the 19th century, a time of rapid industrialisation and social upheaval in Manchester. The original design reflected the Victorian era's punitive approach to incarceration, prioritizing security and punishment over rehabilitation. The architecture itself – the high walls, imposing gates, and cell block layouts – served as a potent symbol of societal control. Over the years, extensions and renovations have altered the prison's physical layout, but its core structure retains elements of its Victorian origins, a stark reminder of its long and turbulent history. Examining the architectural changes over time reveals the evolving philosophies surrounding imprisonment and the ongoing struggle to balance security with humane treatment.

2. The 1990 Riot: A Defining Moment in British Prison History

The 1990 Strangeways riot stands as a watershed moment in British penal history. Fueled by overcrowding, poor conditions, and simmering tensions between inmates and staff, the riot lasted for 25 days, leaving a trail of destruction and raising profound questions about the prison system. The scale of the violence and the length of the disturbance shocked the nation, leading to widespread calls for reform and highlighting the crucial need for improved living conditions, increased staffing levels, and a more humane approach to prisoner management. Analyzing the events of 1990 and their aftermath provides crucial insights into the systemic issues that plague many prisons, not just HMP Strangeways.

3. Life Inside: Daily Routine, Challenges, and Opportunities within HMP Strangeways

The daily reality of life within HMP Strangeways is multifaceted and complex. This section explores the routine aspects of prison life – from meal times and work assignments to access to education and

healthcare - while also addressing the immense challenges faced by both inmates and staff. We'll examine the impact of overcrowding, the prevalence of mental health issues amongst the prison population, and the crucial role played by prison officers in maintaining order and providing support. Additionally, we'll investigate the opportunities for rehabilitation and personal development available within the prison, such as educational programs, vocational training, and access to counseling services. Understanding these aspects paints a comprehensive picture of life within the prison walls.

4. Rehabilitation and Reform: The Ongoing Struggle for Change at HMP Strangeways

HMP Strangeways, like many prisons globally, is grappling with the ongoing challenge of balancing security with rehabilitation. This section explores the various initiatives implemented to improve the prison environment, promote rehabilitation, and reduce reoffending rates. We'll look at the types of rehabilitation programs offered, the effectiveness of these programs, and the challenges encountered in their implementation. The focus will be on the ongoing efforts to create a more humane and rehabilitative prison environment, acknowledging the complexities of this task and the long-term commitment required for meaningful change.

5. Controversies and Ongoing Debates: The Future of HMP Strangeways

Despite reforms, HMP Strangeways remains a subject of ongoing debate and controversy. This section examines the persistent challenges facing the prison, including issues of overcrowding, staff shortages, drug use, and the high rate of recidivism amongst former inmates. We'll also delve into the broader societal discussions surrounding prison reform, exploring differing viewpoints on punishment versus rehabilitation, and the effectiveness of current policies. By exploring these controversies, we can gain a better understanding of the complex issues that continue to shape the future of HMP Strangeways and the broader prison system.

Article Outline: HMP Strangeways - A Deeper Look

Author: Dr. Anya Sharma, Criminology Expert

Introduction: Hooking the reader with a compelling anecdote or statistic about HMP Strangeways.

Chapter 1: Historical Context: Tracing the prison's history from its Victorian origins to the present day, including architectural details and social changes.

Chapter 2: The 1990 Riot: A detailed account of the riot, its causes, consequences, and lasting impact.

Chapter 3: Life Inside: Exploring daily life, challenges faced by inmates and staff, and available rehabilitation programs.

Chapter 4: Reform Efforts: Analyzing the effectiveness of recent reforms and ongoing challenges.

Chapter 5: Future Directions: Discussing ongoing debates, controversies, and potential solutions for improving the prison.

Conclusion: Summarizing key findings and offering insights into the future of HMP Strangeways.

(Detailed explanation of each chapter would follow here, mirroring the content already outlined in the blog post above. This would expand on each point, adding more depth and detail, potentially

including specific examples, statistics, and quotes from relevant sources. Due to the length constraint, this detailed expansion is omitted here.)

FAQs:

1. What is the current capacity of HMP Strangeways? (Answer would detail current inmate numbers and capacity issues)
2. What types of crimes are inmates at HMP Strangeways incarcerated for? (Answer would provide a breakdown of common offenses)
3. Are there any successful rehabilitation programs at HMP Strangeways? (Answer would discuss specific examples and their success rates)
4. What are the main challenges faced by staff working at HMP Strangeways? (Answer would cover issues like safety, staffing levels, and workload)
5. How has the 1990 riot shaped the prison system in the UK? (Answer would highlight policy changes and reforms implemented in response)
6. What role does education play in rehabilitation at HMP Strangeways? (Answer would explain available educational programs and their goals)
7. What are the recidivism rates for inmates released from HMP Strangeways? (Answer would provide statistics and discuss contributing factors)
8. What are the ongoing controversies surrounding HMP Strangeways? (Answer would address current debates about overcrowding, staffing, and conditions)
9. What are the long-term plans for HMP Strangeways? (Answer would discuss any planned renovations, expansions, or changes in management)

hmp strangeways: Strangeways Neil Samworth, 2018-06-14 This Sunday Times bestseller is a shocking and at times darkly funny account of life as a prison officer in HMP Manchester. 'Authentic,

tough, horrifying in some places and hilarious in others . . . the author's honesty and decency shine through' - Jonathan Aitken _____ Neil 'Sam' Samworth spent eleven years working as a prison officer in HMP Manchester, aka Strangeways. A tough Yorkshireman with a soft heart, Sam had to deal with it all - gangsters and gangbangers, terrorists and psychopaths, addicts and the mentally ill. Men who should not be locked up and men who should never be let out. He tackles cell fires and self-harmers, and goes head to head with some of the most dangerous men in the country. He describes being attacked by prisoners, and reveals the problems caused by radicalization and the drugs flooding our prisons. As staffing cuts saw Britain's prison system descend into crisis, the stress of the job - the suicides, the inhumanity of the system, and one assault too many - left Sam suffering from PTSD. *Strangeways* by Neil Samworth is a raw, searingly honest memoir that is a testament to the men and women of the prison service and the incredibly difficult job we ask them to do. _____ 'A frequently shocking read' - Daily Express

hmp strangeways: Life in Strangeways - From Riots to Redemption, My 32 Years Behind Bars Alan Lord and Anita Armstrong, 2015-04-23 A key player in the worst prison riot in British history at Strangeways Prison in April 1990, Alan Lord was always in the wrong place at the wrong time. He was drawn to trouble like water to a sponge. After experiencing a troubled childhood during which Alan was in and out of children's homes - after being put into care at the tender age of eighteen months old - Alan was a teenager in 1981 when he was sentenced to life in prison for murder during a robbery that had gone badly wrong. He served thirty-two years in various prisons throughout the United Kingdom. This book tells the truth of what goes on behind prison walls and exposes the level of inhumane treatment and brutality that Alan had to endure throughout his thirty-two year journey, during which he never stopped standing up for human rights. Fighting against the degrading prison system of the late twentieth century, Alan helped change the historical humiliating slop out and weekly shower that hundreds of thousands of prisoners had to adhere to throughout the centuries. The battle came at a cost though as it meant more time behind bars, time spent mainly in the segregation unit. Powerfully detailing the way prisoners are treated on a daily basis, *Life in Strangeways* is a gripping tale that will change the perception of Alan Lord: convicted murderer and riot leader.

hmp strangeways: *Strangeways 1990* Nicki Jameson, Eric Allison, 1995

hmp strangeways: The Rise and Fall of the Rehabilitative Ideal, 1895-1970 Victor Bailey, 2019-04-09 Spanning almost a century of penal policy and practice in England and Wales, this book is a study of the long arc of the rehabilitative ideal, beginning in 1895, the year of the Gladstone Committee on Prisons, and ending in 1970, when the policy of treating and training criminals was very much on the defensive. Drawing on a plethora of source material, such as the official papers of mandarins, ministers, and magistrates, measures of public opinion, prisoner memoirs, publications of penal reform groups and prison officers, the reports of Royal Commissions and Departmental Committees, political opinion in both Houses of Parliament and the research of the first cadre of criminologists, this book comprehensively examines a number of aspects of the British penal system, including judicial sentencing, law-making, and the administration of legal penalties. In doing so, Victor Bailey expertly weaves a complex and nuanced picture of punishment in twentieth-century England and Wales, one that incorporates the enduring influence of the death penalty, and will force historians to revise their interpretation of twentieth-century social and penal policy. This detailed and ground-breaking account of the rise and fall of the rehabilitative ideal will be essential reading for scholars and students of the history of crime and justice and historical criminology, as well as those interested in social and legal history.

hmp strangeways: Strangeways Unlocked Neil Samworth, 2022-03-31 A darkly funny, harrowing and heartbreaking look at the reality of prison life, with first-hand accounts from men who found themselves on the wrong side of the cell doors. Neil 'Sam' Samworth spent eleven years as a prison officer at HMP Manchester, better known as Strangeways. He has seen it all: from notorious criminals, dangerous gangsters and repeat offenders to those who simply made the wrong decisions. In this shocking page-turner, he tracks down former prisoners and staff, and uncovers the

inside story of what life is really like in one of the UK's most infamous high-security prisons. We'll see a prisoner whose unwanted feud with an inmate ends in a fight and the loss of his eye, another who is convicted for theft but leaves addicted to spice, and many who become victims of the Imprisonment for Public Protection system where they find themselves serving indefinite sentences for petty crimes. We'll see the dark underworld of the prison system, where riots can occur at any time, where the worlds of gangbangers suddenly collide, where class A drugs and contrabands roam. On the other side, we'll see staff grappling with a failing prison system, while dealing with an inmate who records the highest ever psychopath rating and caring fully for men with mental health issues. In brutally raw and gripping detail, *Strangeways Unlocked* gives voice to the people behind the bars and exposes a prison system that is failing them, providing an unforgettable account of a life that many can only imagine.

hmp strangeways: Prison Patter Angela Devlin, 1996 Rita Hayworth dancing by candlelight in a small Mexican village; Elizabeth Taylor devouring homemade pasta and tenderly wrapping him in her pashmina scarf; streaking for Sir Laurence Olivier in a drafty English castle; terrifying a dozing Jackie Onassis; carrying an unconscious Montgomery Clift to safety on a dark New York City street. Captured forever in a unique memoir, Frank Langella's myriad encounters with some of the past century's most famous human beings are profoundly affecting, funny, wicked, sometimes shocking, and utterly irresistible. With sharp wit and a perceptive eye, Mr. Langella takes us with him into the private worlds and privileged lives of movie stars, presidents, royalty, literary lions, the social elite, and the greats of the Broadway stage. What, for instance, was Jack Kennedy doing on that coffee table? Why did the Queen Mother need Mr. Langella's help? When was Paul Mellon going to pay him money owed? How did Brooke Astor lose her virginity? Why was Robert Mitchum singing Gilbert & Sullivan patter songs at top volume, and what did Marilyn Monroe say to him that helped change the course of his life? Through these shared experiences, we learn something, too, of Mr. Langella's personal journey from the age of fifteen to the present day. *Dropped Names* is, like its subjects, riveting and unforgettable.

hmp strangeways: Doing Prison Work Elaine Crawley, 2013-01-11 Based on extensive ethnographic fieldwork in different types of prisons (and drawing from interviews with prison officers' partners and children as well as prison officers themselves), this book will be essential reading for all those with an interest in prisons and the day-to-day interactions and relationship that take place behind their walls.--Jacket.

hmp strangeways: Danger by Association Heather Burnside, 2018-07-14 Five years after the traumatic events witnessed by Rita and Yansis in Manchester, the couple finally agree to return with their young son, Daniel, to attend her brother John's wedding to the beautiful Paula. But memories are long on the Riverhill Estate, and when Daniel goes missing, Rita realises she has many enemies with a motive for taking her child. Once more she faces a race against the clock to unmask the perpetrators, but this time she has help in the shape of her Special Task Force brother, John. John has his own - very personal - reasons for being so deeply affected by Daniel's disappearance; a scene he witnessed in the war in Iraq means he is prepared to risk everything he holds dear, including his reputation, to track down his sister's son.

hmp strangeways: Prison Gangs Behind Bars and Beyond Dev Rup Maitra, 2023-06-19 This book draws on a four-year ethnographic study conducted in the prisons and on the streets of Greater Manchester, England, to examine gangs and organised crime in the North of England. It includes the personal testimonies of active prison gang members and major organised crime figures, many of whom are behind bars, and some active street gang members. It presents an holistic account by exploring the linkages that exist between prisons and the streets, including the lines of continuity between gangs on both sides of the prison walls and how gang affiliation straddles this divide. It offers data on the region's drug market (specifically Class A drugs) as this market is the lynchpin of the underworld, both within and without prison. It also includes the perspectives and insights of prison officers, police detectives, youth workers, active and former street gang members and the parents of deceased gang members. This is a ground-breaking, contemporary study, analysing

English gang compositions and activities, with its findings and results based on qualitative interviews and ethnographic research.

hmp strangeways: Prisons After Woolf Elaine Player, Michael Jenkins, 2002-09-11 For the past few years prisons have attracted much media attention, due to substantial increases in the prison population and the deteriorating conditions in which prisoners are held. In addition, there has been industrial action by prison officers and a series of disturbances and riots by prisoners. Following the riot at Strangeways prison in Manchester in 1990 Lord Justice Woolf was called to conduct an inquiry into the riots and their causes. *Prisons After Woolf* serves as a basic source of information on prison issues and reviews them in the light of the Woolf proposals. In so doing, its contributors, drawn from all areas of the legal and prison system, present an important broad perspective on the major questions in penology today.

hmp strangeways: A Guide to Prisons and Penal Policy Rachel Vipond, 2023-04 Understanding prisons and the policies surrounding them is of fundamental importance to students and practitioners of criminology and related fields. This concise and accessible guide offers a compendium of key information, theories, concepts, research and policy, presenting a rounded and critical overview of the prison system in England and Wales. Covering the historical and contemporary context of prisons, the text guides the reader through the work of prison officers, a tour of international prisons and how prison life is experienced by different groups, such as women. Focusing on the experiences of stakeholder groups and the themes of power, legitimacy and rehabilitation, the book concludes with an overview of the future challenges for prisons. Each chapter includes key learning features: - end of chapter questions; - definitions of key terms and concepts; - examples and illustrative case studies; - learning outcomes; - summary boxes of major research studies and further reading.

hmp strangeways: The Criminal Classes Barry Godfrey, Alexandra Godfrey, 2024-03-30 We explore why the idea of the criminal class came into being. Starting with garroters lurking in dark Victorian alleyways, the fiend Jack the Ripper stalking London's streets to the menace of violent gangs, the "Scuttlers", Peaky Blinders, and Liverpool's High Rip, all the way through to 1970s joyriders, 1990s ravers, and the modern drug trade that brings guns and knives to our streets. It describes the actions taken to control the hard-core group - increasingly harsh punishments, executions, floggings, long prison sentences and the ways that society learns about crime, dangerous areas, and the people who habitually offend against society. How do we know what dangers apparently lurk in the inner cities? What part did the newspapers, authors and social investigators play in sensationalising some crimes, and were they right to do so? The book compares real-life criminals (and their lives) with fictional accounts, such as the Artful Dodger, Pinkie in *Brighton Rock*, and the scenes that social investigators such as Henry Mayhew dragged back from the criminal rookeries to entertain and frighten respectable people. Perhaps most importantly, the book shows which groups have been targeted as the criminal classes, particularly the young, as well as ethnic and racial minorities, and concludes by asking, "Who are the new criminal classes likely to be?"

hmp strangeways: Druglord Graham Johnson, 2011-03-04 When ruthless drug baron John Haase was sentenced to 18 years' imprisonment for heroin-trafficking in 1995, it was a major victory for Customs and the police. But in a shock move, after Haase and his partner Paul Bennett had served only 11 months, then Home Secretary Michael Howard signed a Royal Pardon for their release. Howard defended his decision by revealing that Haase and Bennett had become invaluable informants. But Haase had in fact duped the authorities, and far from being forced into hiding as a supergrass, he gained new kudos among the criminal underworld for beating the system so audaciously. Graham Johnson interviewed Haase at Whitemoor prison and has obtained a copy of his sworn affidavit revealing the truth behind the Royal Pardon scandal. Allegations of huge bribes, mass fabrication of evidence and dark powers at the heart of the justice system make this an explosive exposé of Britain's number-one drug kingpin.

hmp strangeways: The History of Britain and Ireland Kenneth L. Campbell, 2023-09-07 The

History of Britain and Ireland: Prehistory to Today is a balanced and integrated political, social, cultural, and religious history of the British Isles. Kenneth Campbell explores the constantly evolving dialogue and relationship between the past and the present. Written in the aftermath of the Black Lives Matter and Rhodes Must Fall demonstrations, The History of Britain and Ireland examines the history of Britain and Ireland at a time when it asks difficult questions of its past and looks to the future. Campbell places Black history at the forefront of his analysis and offers a voice to marginalised communities, to craft a complete and comprehensive history of Britain and Ireland from Prehistory to Today. This book is unique in that it integrates the histories of England, Ireland, Scotland and Wales, to provide a balanced view of British history. Building on the successful foundations laid by the first edition, the book has been updated to include: · COVID-19 and earlier diseases in history · LGBT History · A fresh appraisal of Winston Churchill · Brexit and the subsequent negotiations · 45 illustrations Richly illustrated and focusing on the major turning points in British history, this book helps students engage with British history and think critically about the topic.

hmp strangeways: A History of the British Isles Kenneth L. Campbell, 2017-01-26 CHOICE Outstanding Academic Title 2017 A History of the British Isles is a balanced and integrated political, social, cultural and religious history of the British Isles in all its complexity, exploring the constantly evolving dialogue and relationship between the past and the present. A wide range of topics and questions are addressed for each period and territory discussed, including England's Wars of the Roses of the 15th century and their influence on court politics during the 16th century; Ireland's Rebellion of 1798, the Potato Famine of the 1840s and the Easter Rising of 1916; the two World Wars and the Great Depression; British cultural and social change during the 1960s; and the history and future of the British Isles in the present day. Kenneth Campbell integrates the histories of England, Ireland, Scotland, and Wales by exploring common themes and drawing on comparative examples, while also demonstrating how those histories are different, making this a genuinely integrated text. Campbell's approach allows readers to appreciate the history of the British Isles not just for its own sake, but for the purposes of understanding our current political divisions, our world and ourselves.

hmp strangeways: An Introduction to Criminal Justice Jamie Harding, Pamela Davies, George Mair, 2017-01-13 A contemporary guide to the criminal justice process, the broad scope of this book means it will be a trusted companion throughout a Criminology and/or Criminal Justice degree. The contents of An Introduction to Criminal Justice include: 23 chapters spanning all that's involved with, and fully contextualising, the criminal justice process: the agencies, institutions and processes and procedures that deal with victims, offenders and offending A detailed timeline of criminal justice since 1945 Consideration of victims and witnesses, complaints and misconduct A comprehensive review of policing, prosecution, the courts, imprisonment and community sanctions A focus on community safety, crime prevention and youth justice A review of the effectiveness of the criminal justice process Exploration of global and international dimensions as well as the futures of criminal justice Lots of helpful extras including further reading suggestions, case studies, self-study questions and a glossary of terms. The accompanying website to An Introduction to Criminal Justice has: A podcast interview with a police officer Practice essay questions Multiple choice questions Suggested website resources to explore Videos.

hmp strangeways: Loonyology Charles Bronson, 2011-11-09 Lifer Charlie Bronson's reputation precedes him - 'Britain's most violent prisoner' - or does it? Do we really know the true Charlie, or are our impressions the result of media hype? Well, what is in no doubt is that Loonyology is 200% Bronson and will transport the reader on the dizziest no-holds-barred roller-coaster ride of their lives, from suspense and shock to laughter and tears, and from Bronson the 'Solitary King' to Bronson the Philosopher, the Poet, the Artist, the Author, the Joker, the Walking Scar and the Freedom Fighter. Now 55 years old, and having spent most of his last 34 years as a maximum security 'Bronco Zoo' inmate, he's a much wiser man as he looks back on his crazy journey of unpredictable behaviour, his ever-alert mind darting from reminiscences of his teenage years to

memories of fellow-cons, the screws, the cranks, letters and news reports, prison life and procedures, and the overall madness ('loonyology') of the legal and penal systems, peppering his stories with diary entries, true gems of information, sound advice and hilarious one-liners. Together with his many supporters and with the aid of a top lawyer, Charlie is campaigning for the parole board to finally allow him his freedom, but begging is not his style: he calls a spade a spade and is determined to win with dignity, fighting with his pen and his brain to achieve his aim of a life outside 'the cage'. In his words: "I chose to be a villain. I'm not proud of it, nor am I ashamed of it. I have paid my debt to society and it's time to go home."

hmp strangeways: The Globalization of Supermax Prisons Jeffrey Ian Ross, 2013-02-10 "Supermax" prisons, conceived by the United States in the early 1980s, are typically reserved for convicted political criminals such as terrorists and spies and for other inmates who are considered to pose a serious ongoing threat to the wider community, to the security of correctional institutions, or to the safety of other inmates. Prisoners are usually restricted to their cells for up to twenty-three hours a day and typically have minimal contact with other inmates and correctional staff. Not only does the Federal Bureau of Prisons operate one of these facilities, but almost every state has either a supermax wing or stand-alone supermax prison. The Globalization of Supermax Prisons examines why nine advanced industrialized countries have adopted the supermax prototype, paying particular attention to the economic, social, and political processes that have affected each state. Featuring essays that look at the U.S.-run prisons of Abu Ghraib and Guantanamo, this collection seeks to determine if the American model is the basis for the establishment of these facilities and considers such issues as the support or opposition to the building of a supermax and why opposition efforts failed; the allegation of human rights abuses within these prisons; and the extent to which the decision to build a supermax was influenced by developments in the United States. Additionally, contributors address such domestic matters as the role of crime rates, media sensationalism, and terrorism in each country's decision to build a supermax prison.

hmp strangeways: Insanity - My Mad Life Charles Bronson, 2014-03-31 Charles Bronson is the most feared and the most notorious convict in the prison system. Renowned for serial hostage taking and his rooftop sieges, he is a legend in his own lifetime. Yet behind the crime and the craziness, there is a great deal more to Charlie. He is a man of great warmth and humour; a man of great artistic talent who exhibits his drawings around the country; and a man with an overpowering urge not to let the system get him down. *Insanity* is a look into the mind of a true individual - a wild, inspired, single-minded, fascinating man, oppressed not only by the workings of his singular mind, but also by the system that confines him.

hmp strangeways: The Prisoner Society Ben Crewe, 2012-01-19 While the use of imprisonment continues to rise in developed nations, we have little sociological knowledge of the prison's inner world. Based on extensive fieldwork in a medium-security prison, *The Prisoner Society: Power, Adaptation and Social Life in an English Prison* provides an in-depth analysis of the prison's social anatomy. It explains how power is exercised by the institution, individualizing the prisoner community and demanding particular forms of compliance and engagement. Drawing on prisoners' life stories, it supplies a detailed typology of adaptive styles, showing how different prisoners experience and respond to the new range of penal practices and frustrations. It then explains how the prisoner society - its norms, hierarchy and social relationships - is shaped both by these conditions of confinement and by the different backgrounds, values and identities that prisoners bring into the prison environment. Through this analysis, this meticulously researched book aims to revive and update the dormant tradition of prison ethnography. It provides an empirical snapshot of a modern prison, documenting the aims and techniques of contemporary imprisonment and illuminating the social structures and behaviours that they generate. Through a penetrating account of power relations throughout the institution, the author documents the pains of modern imprisonment, the new techniques of survival, and the prison's distinctive forms of trade, friendship and everyday culture.

hmp strangeways: Murderers and Life Imprisonment Eric Cullen, Tim Newell, 1999 All

about life imprisonment, the most severe sentence that can be passed in the UK and the ways in which the system tries to deal with dangerous and high-risk offenders - by a prison governor and psychologist with long experience of working with such people.

hmp strangeways: Strangeways' Veterinary Anatomy Thomas Strangeways, 1888

hmp strangeways: Criminal Justice and Neoliberalism E. Bell, 2011-01-19 This book explores the origins of the so-called 'punitive turn' in penal policy across Western nations over the past two decades. It demonstrates how the context of neoliberalism has informed penal policy-making and argues that it is ultimately neoliberalism which has led to the recent intensification of punishment.

hmp strangeways: Grendon Tales Ursula Smartt, 2001-04-30 A definitive account of the UK's first - and until recently only - therapeutic community prison that deals with some of the most serious violent and sexual offenders in the UK - based upon unprecedented access to the prison that was granted to Waterside Press and Professor Ursula Smartt of Thames Valley University UK. An innovative and acclaimed account based on one-to-one interviews with staff and inmates - and 'living with' prisoners through their daily lives.

hmp strangeways: The Penal Crisis and the Clapham Omnibus David J. Cornwell, 2009

Designed for a wide readership, this book looks at the problems that have led to the penal crisis in the UK. It argues that informed media and public opinion - including much chatter on the Clapham omnibus - has finally 'turned the corner' and that the time is ripe for a concerted pragmatic U-turn in criminal justice policy-making based increasingly on well understood restorative justice principles. The Penal Crisis and the Clapham Omnibus poses questions and tries to give straightforward answers to matters that commonly arise in discussions about restorative justice and argues that the idea of resistance from the public to more enlightened approaches to 'doing justice' is misplaced.

hmp strangeways: Privatising Public Prisons Amy Ludlow, 2015-03-26 Successive UK governments have pursued ambitious programmes of private sector competition in public services that they promise will deliver cheaper, higher quality services, but not at the expense of public sector workers. The public procurement rules (most significantly Directive 2004/18/EC) often provide the legal framework within which the Government must deliver on its promises. This book goes behind the operation of these rules and explores their interaction with the Transfer of Undertakings (Protection of Employment) Regulations 2006 (TUPE); regulations that were intended to offer workers protection when their employer is restructuring his business. The practical effectiveness of both sources of regulation is critiqued from a social protection perspective by reference to empirical findings from a case study of the competitive tendering exercise for management of HMP Birmingham that was held by the National Offender Management Service (NOMS) between 2009 and 2011. Overall, the book challenges the Government's portrayal of competition policies as self-evident sources of improvement for public services. It highlights the damage that can be caused by competitive processes to social capital and the organisational, cultural and employment strengths of public services. Its main conclusions are that prison privatisation processes are driven by procedure rather than aims and outcomes and that the complexity of the public procurement rules, coupled with inadequate commissioning expertise and organisational planning, can result in the production of contracts that lack aspiration and are insufficiently focused upon improvement or social sustainability. In sum, the book casts doubt upon the desirability and suitability of using competition as a policy mechanism to improve public services.

hmp strangeways: Living with Desistance David Honeywell, 2023-09-08 In this new and distinctive contribution to the desistance literature, Dr David Honeywell draws on his own lived experience to consider his route through youth delinquency and prison to a life away from crime through education, and ultimately towards academia. Drawing on perspectives from criminology, sociology and psychology, this autoethnography offers a unique perspective to the desistance process and to social identity. Honeywell considers possible convergences as well as marked differences between the desistance and the convict criminology literatures. While desistance

scholars have often emphasised the need for ex-offenders to cast off their criminal identities, Honeywell demonstrates how his own trajectory has involved him embracing this identity to develop an academic career. In doing so, this book emphasises the complexity of the desistance process, and the role of stigma, and also of hope. An accessible and compelling read, this book will appeal to students and scholars of criminology, sociology, psychology and those interested in the lived experience of desistance.

hmp strangeways: Villains Danny Brown, Paul Brittle, 2008-02-10 Aston Villa is one of the biggest and best-supported football clubs in Britain, the giant from England's second city with a long and distinguished history, culminating in an unforgettable European Cup victory in 1982. The story of their terrace army, however, has never been told - until now. Like all major clubs, Villa have had their hooligans and hardmen, and have been involved in some of the fiercest battles of the past four decades. VILLAINS traces their gangs from the 1960's up to the present day. Through first-person testimony, it reveals for the first time the antics of the Steamers, who achieved nationwide infamy, led by a band of colourful and fearless characters such as Pete the Greek, who famously once headbutted a police horse and took on the Millwall leader in a one-on-one brawl. Eventually they were superseded by the C Crew, a multi-racial gang who brought together youths from different areas of Birmingham during the 2-Tone era. This was the heyday of hooliganism, and the Villa Park faithful clashed with the toughest and most violent mobs around, often led into battle by co-authors Paul Brittle and Black Danny Brown, who was jailed in 1981 for one of the most infamous football-related attacks. They went on riotous trips to Europe, fought at service stations and in nightclubs, and conducted bitter rivalries against foes from across the Midlands and beyond. The story is brought up to date with tales of the Villa Youth and accounts of the notorious Battle of McDonalds Island against their Birmingham City rivals the Zulus.

hmp strangeways: Remote Control V. Knight, 2017-01-25 In-cell television is now a permanent feature of prisons in England and Wales, and a key part of the experience of modern incarceration. This sociological exploration of prisoners' use of television offers an engaging and thought provoking insight into the domestic and everyday lives of people in prison - with television close at hand. Victoria Knight explores how television contributes to imprisonment by normalising the prison cell. In doing so it legitimates this space to hold prisoners for long periods of time, typically without structured activity. As a consequence, television's place in the modern prison has also come to represent an unanticipated resource in the package of care for prisoners. This book uncovers the complex and rich emotive responses to prison life. Dimensions of boredom, anger, frustration, pleasure and happiness appear through the rich narratives of both prisoners and staff, indicating the ways institutions and individuals deal with their emotions. It also offers an insight into the unfolding future of the digital world in prisons and begins to consider how the prisoner can benefit from engagement with digital technologies. It will be of great interest to practitioners and scholars of prisons and penology, as well as those interested in the impact of television on society.

hmp strangeways: Acts of Abuse Adam Sampson, 2003-05-20 Sexual crime is a topic of massive public concern. Yet the debate over its causes and the appropriate responses of the criminal justice system is often fuelled by ignorance and prejudice, with little understanding of the reality of sexual crime. Acts of Abuse explores the response of the criminal justice system to this important issue. Its author, Adam Sampson, examines the existing research about the causes of rape and child abuse, the number of offences being committed, and the policy of the courts. He then examines in detail the responses of the probation service and the prison system to the increased number of offenders with which they are being required to deal. Written by a prominent critic of the British penal system, this is the first comprehensive survey of the phenomenon of sexual crime in the British penal context. It will appeal to students and all those with an interest in issues relating to crime and justice.

hmp strangeways: Criminal Justice Peter Joyce, 2017-07-06 This revised and expanded third edition offers a comprehensive and engaging introduction to the criminal justice system of England and Wales. Starting with an overview of the main theories of the causes of crime, this book explores

and discusses the operation of the main criminal justice agencies including the police, probation and prison services and the legal and youth justice systems. This book offers a lively and critical discussion of some of the main themes in criminal justice, from policy-making and crime control to diversity and discrimination to the global dimensions of criminal justice, including organized crime and the role of the EU. Key updates to this new edition include: increased discussion of the measurement, prevention and detection of crime; a revised chapter on the police which discusses the principle of policing by consent, police methods, power and governance as well as the abuse of power; further discussion of pressing contemporary issues in criminal justice, such as privatization, multi-agency working and community-based criminal justice policy; a brand new chapter on victims of crime, key developments in criminal justice policy, and the response of the criminal justice system. This accessible text is essential reading for students taking introductory courses in criminology and criminal justice. A wide range of useful features includes review questions, lists of further reading, timelines of key events and a glossary of key terms.

hmp strangeways: An Introduction to Penology: Punishment, Prisons and Probation

Lawrence Burke, Dr Helena Gosling, 2022-11-23 An Introduction to Penology is a concise, informative, scholarly guide that will speak to a variety of audiences interested in how the notion of punishment plays out in community and custodial settings with people who have broken the law. With a particular focus on prisons and probation, the book provides an opportunity for readers to critically engage with the concept of punishment (in theory and practice) and consider different ways in which we, as a society, can respond to lawbreaking. The text will allow students to pursue a more in-depth study of two of the main criminal justice institutions through the lens of their organisational structures, cultures, service delivery and responses to the needs of minority and vulnerable groups. Throughout the text, students will be encouraged to critically engage with longstanding penological debates taking into consideration the theory, policy and practice of punishment, and will explore ways in which we can rethink penology on an individual and social level and begin to make a case for social justice rather than criminal justice. This innovative and contemporary text is a must read for students studying criminology, criminal justice, penology and those interested in pursuing a career in either the prison or probation services. Lol Burke is Professor in Criminal Justice and Dr Helena Gosling is a Senior Lecturer in Criminal Justice at Liverpool John Moores University.

hmp strangeways: Screwed Ian Acheson, 2024-04-11 When Daniel Khalife escaped from Wandsworth in September 2023, the nation got a glimpse into the heart of the prison system, and what they saw there was chaos. This came as no surprise to Ian Acheson, who had spent years warning of the disasters to come. Screwed is the inside story of the collapse of His Majesty's Prison Service, told by someone who had a front-row seat to it all. Acheson went from officer to Governor in less than a decade, and during that time he witnessed the uniformed organisation he was proud to serve crumble into lethal disarray. This uncompromisingly brutal account exposes the politics and operational decisions that have driven our prisons to a state where rats roam freely, prisoners are forced to use slop buckets, violence and intimidation are normalised and it is easier to get a bag of heroin than a bar of soap. Concluding that the crisis is not unfixable, however, Acheson outlines a new corporate culture and mission that puts its faith in the officers who walk the landings every day: order restored, potential rescued, society safeguarded.

hmp strangeways: MARY BELL Katherine Smith, 2020-12-01 The case of Mary Bell shocked the nation in 1968. In the city of Newcastle, an eleven year-old girl was responsible for the death of two young boys who were not much more than toddlers. The method of death was strangulation (squeezing of the neck) and both tragic incidents took place on derelict land where massive slum housing clearances were under way. The girl responsible for the murders was Mary Flora Bell - a darkly angelic looking child who never seemed to show any sign of emotion. The case of Mary Bell, as it drifts further and further into the past, is like a nightmarish folk memory that refuses to ever completely fade. It is a strange and tragic story that will probably never lose its enduring and morbid fascination.

hmp strangeways: Secure Lives Annie Bartlett, 2016 Though institutional care for people suffering from mental illness was phased out in the last century, mentally disordered offenders remain the exception to this rule. This book is a unique study of life in a high security hospital.

hmp strangeways: Coalition Government Penal Policy 2010-2015 David Skinns, 2016-07-12 This book shows how the overall impact of the penal policy agenda of the Coalition Government 2010-2015 has not led to the intended 'rehabilitation revolution', but austerity, outsourcing and punishment, designated here as 'punitive managerialism'. The policy of austerity has led to significant budget cuts in legal aid and court services which threaten justice. It has also led to staffing reductions and overcrowding in the prison system which threaten order and have undermined more positive work with prisoners. The outsourcing of prison and community-based offender services is based on untried method with uncertain results. The shift in orientation towards punishment is regrettable because it is essentially negative. The book notes that this move to punitive managerialism is located in the broader trend towards neo-liberalism. It concludes by attempting to articulate the parameters of an affordable and emotionally satisfying yet humane and rational penal policy.>

hmp strangeways: *Serial Killers and the Phenomenon of Serial Murder* David Wilson, Elizabeth Yardley, Adam Lynes, 2015-07-28 A superbly targeted resource for those learning about serial killings. *Serial Killers and the Phenomenon of Serial Murder* examines and analyses some of the best known (as well as lesser) cases from English criminal history, ancient and modern. It looks at the lifestyles, backgrounds and activities of those who become serial killers and identifies clear categories of individuals into which most serial killers fall. Led by Professor David Wilson the authors are all experts and teachers concerning the ever-intriguing subject of serial killing: why, when and how it happens and whether it can be predicted. Taking some of the leading cases from English law and abroad they demonstrate the patterns that emerge in the lives and backgrounds of those who kill a number of times over a period. The book is designed for those studying the topic at advanced level, whether as an academic discipline on one of the many courses now run by universities and colleges or as a private quest for understanding. It contains notes on key terms and explanations of topics such as co-activation, Munchausen syndrome, cooling-off period, psychopathy checklist, social construction, case linkage, family annihilation, activity space, rational choice theory, medicalisation and rendezvous discipline. As the first textbook of its kind it will be an invaluable resource for teachers and students of serious crime.

hmp strangeways: *Leading Works in Law and Social Justice* Faith Gordon, Daniel Newman, 2021-03-23 This book assesses the role of social justice in legal scholarship and its potential future development by focusing upon the 'leading works' of the discipline. The rise of socio-legal studies over recent decades has led to a more interdisciplinary approach to the study of law, which prioritises placing law into its wider social context. Recognising the role that culture, economics and politics play in the development of law is important in order to fully understand the position and impact of law in society. Innovative and written in an engaging way, this collection includes leading and emerging scholars from across the world. Each contributor has been invited to select and analyse a 'leading work', a publication which has for them shed light on the way that law and social justice are interlinked and has influenced their own understanding, scholarship, advocacy, and, in some instances, activism. The book also includes a specially written foreword and afterword, which critically reflect upon the contributions of the 'leading works' to consider the role that social justice has played in law and legal education and the likely future path for social justice in legal scholarship. This book will be an essential resource for all those working in the areas of social justice, socio-legal studies and legal philosophy. It will be of wider interest to the social sciences more generally.

hmp strangeways: *Wayne Barker: Born to Fight* Bernard O'Mahoney, 2013-07-04 From Salford to St Louis, former professional boxer Wayne Barker fought every man who ever challenged him. In this brutally honest account of his eventful life, Wayne recounts how his parents left him in the care of the travelling community, where he learned to fight and journeyed throughout Britain and Ireland to take on opponents for cash. After being charged with attempting to murder a child

killer, Wayne fled to America, where he found work in the gymnasiums of New York sparring with the likes of world champion Wilfred Benítez. His ability in the ring was noticed by promoter Bobby Gleason, whose gym had been graced by legendary boxers such as Jake LaMotta. Gleason set up a fight in Caracas between Wayne and former super middleweight world champion Fulgencio Obelmejias ('Fully Obel'). Wayne's past eventually caught up with him and he was deported to Britain, where he served time in prison. He returned to the streets to earn a living from bare-knuckle fighting, before becoming a trainer and running a gym. Cancer claimed his life in 2012.

hmp strangeways: Routledge International Handbook of Visual Criminology Michelle Brown, Eamonn Carrabine, 2017-07-06 Dynamically written and richly illustrated, the Routledge International Handbook of Visual Criminology offers the first foundational primer on visual criminology. Spanning a variety of media and visual modes, this volume assembles established researchers whose work is essential to understanding the role of the visual in criminology and emergent thinkers whose work is taking visual criminology in new directions. This book is divided into five parts that each highlight a key aspect of visual criminology, exploring the diversity of methods, techniques and theoretical approaches currently shaping the field: • Part I introduces formative positions in the developments of visual criminology and explores the different disciplines that have contributed to analysing images. • Part II explores visual representations of crime across film, graphic art, documentary, police photography, press coverage and graffiti and urban aesthetics. • Part III discusses the relationship of visual criminology to criminal justice institutions like policing, punishment and law. • Part IV focuses on the distinctive ethical problems posed by the image, reflecting on the historical development, theoretical disputes and methodological issues involved. • Part V identifies new frameworks and emergent perspectives and reflects upon the distinctive challenges and limits that can be seen in this emerging field. This book includes a vibrant colour plate section and over a hundred black and white images, breaking down the barriers between original photography and artwork, historic paintings and illustrations and modern comics and films. This interdisciplinary book will be of interest to criminologists, sociologists, visual ethnographers, art historians and those engaged with media studies.

Hmp Strangeways Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Hmp Strangeways free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Hmp Strangeways free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Hmp Strangeways free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Hmp Strangeways. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Hmp Strangeways any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Hmp Strangeways Books

What is a Hmp Strangeways PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Hmp Strangeways PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Hmp Strangeways PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Hmp Strangeways PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Hmp Strangeways PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives

to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
