Crafting the Perfect Graduation Speech: A Teacher's Guide

Introduction:

So, you've been tasked with delivering the graduation speech – a momentous occasion requiring both heartfelt sentiment and polished delivery. As a teacher, you're uniquely positioned to offer invaluable wisdom and inspiration to your graduating class. This comprehensive guide will equip you with the tools and strategies to craft a graduation speech that resonates deeply, leaving a lasting impression on your students and their families. We'll cover everything from brainstorming and structuring your speech to mastering delivery techniques and incorporating memorable anecdotes. Prepare to transform a daunting task into a rewarding and memorable experience.

I. Finding Your Focus: Brainstorming and Theme Selection

The key to a powerful graduation speech lies in identifying a central theme that speaks to the graduating class's unique journey. Avoid generic platitudes; instead, personalize your message by reflecting on specific shared experiences, inside jokes, or challenges overcome together during their time under your tutelage. Consider:

Shared Achievements: Did the class achieve something remarkable together – a fundraising success, a winning sports season, a significant community project? Highlight these collective triumphs.

Overcoming Adversity: Did they face any significant hurdles, be it academic challenges, personal setbacks, or external factors like a pandemic? Acknowledging these struggles and celebrating their resilience creates a powerful bond.

Lessons Learned: What are the most important life lessons you've witnessed them learn? Share these insights, framing them as valuable takeaways that will serve them well in the future.

Future Aspirations: Instead of focusing solely on the past, inspire them to look forward. What are their hopes and dreams? How can they contribute positively to the world?

Brainstorming techniques like mind-mapping or freewriting can help you uncover the most resonant theme.

II. Structuring Your Speech for Maximum Impact

A well-structured speech is crucial for clarity and engagement. Consider this framework:

Opening (1-2 minutes): Grab the audience's attention with a compelling anecdote, a thought-provoking question, or a humorous observation related to your theme. Establish a connection with the graduates immediately.

Body (5-7 minutes): This is where you develop your central theme. Use anecdotes, examples, and insightful observations to illustrate your points. Vary your sentence structure and tone to keep the audience engaged. Remember to weave in personal experiences relevant to the graduates' journey.

Call to Action (1-2 minutes): This section isn't just about inspiring hope; it's about prompting action. Encourage your students to embrace challenges, pursue their passions, and make a positive impact on the world. Leave them with a clear and memorable takeaway message.

Closing (1 minute): End with a powerful statement that leaves a lasting impression. This could be a

quote, a wish for their future success, or a heartfelt expression of pride in their accomplishments.

III. Crafting Compelling Content: Anecdotes, Quotes, and Storytelling

The best graduation speeches aren't just lectures; they're engaging stories. Use anecdotes from your time with the students, showcasing their individual strengths, humorous moments, or pivotal learning experiences. Remember to:

Show, don't tell: Instead of simply stating a lesson, illustrate it through a compelling story.

Use vivid language: Paint a picture with your words, engaging the audience's senses.

Incorporate quotes: Strategic use of inspiring quotes from renowned figures can add depth and resonance to your message. However, ensure they align seamlessly with your overall theme and don't feel forced.

Maintain a positive tone: Even when addressing challenges, focus on resilience, growth, and hope.

IV. Mastering Delivery: Confidence and Connection

Even the most brilliant speech can fall flat without strong delivery. Practice your speech multiple times, paying attention to:

Pace and rhythm: Vary your pace to maintain audience engagement. Pause strategically for emphasis.

Tone and inflection: Modulate your voice to convey emotion and authenticity.

Eye contact: Connect with individual members of the audience to create a personal connection.

Body language: Use natural gestures to enhance your message, but avoid distracting mannerisms.

Memorization vs. Reading: While using notes is acceptable, aim for a balance between reading and speaking naturally. Over-reliance on notes can detract from your connection with the audience.

V. Refining Your Speech: Feedback and Revision

Before delivering your speech, seek feedback from trusted colleagues or mentors. Their perspectives can identify areas for improvement in both content and delivery. Don't be afraid to revise and refine your speech based on this feedback. A polished, well-rehearsed speech will significantly enhance its impact.

Sample Graduation Speech Outline: "Embracing the Unexpected Journey"

Introduction: Start with a humorous anecdote about an unexpected event during the students' time at school, connecting it to the theme of embracing the unexpected.

Chapter 1: The Uncharted Territory: Discuss the challenges and uncertainties faced by the graduating class, perhaps referencing specific difficulties they overcame collectively.

Chapter 2: Navigating the Course: Highlight the skills and resilience they developed while navigating these challenges, emphasizing collaborative efforts and individual growth.

Chapter 3: Charting Your Course: Encourage the students to embrace the unknown future, focusing on their unique strengths and talents. Provide inspiring examples of individuals who thrived in unexpected circumstances.

Conclusion: End with a powerful message of hope, encouraging the students to embrace their individual journeys and celebrate the unexpected twists and turns that lie ahead.

Detailed Explanation of Outline Points:

Introduction: The opening anecdote should be relatable and engaging, immediately capturing the audience's attention and setting the tone for a positive and encouraging speech. This sets the stage for the theme of embracing unexpected journeys.

Chapter 1: The Uncharted Territory: This section should delve into the specific challenges the graduating class faced, such as academic pressure, personal setbacks, or global events that impacted their lives. Use specific examples, but focus on the collective experience and shared struggles.

Chapter 2: Navigating the Course: This part highlights the skills and resilience demonstrated by the students in overcoming these challenges. Showcase their perseverance, teamwork, and problem-solving abilities. This should be a celebration of their collective and individual growth.

Chapter 3: Charting Your Course: Here, the focus shifts to the future. Encourage the graduates to embrace uncertainty and to view unexpected events as opportunities for growth and learning. Inspire them to leverage their unique talents and experiences to shape their own paths. Provide inspiring stories of successful people who navigated unexpected turns in their careers.

Conclusion: The concluding remarks should reiterate the central theme of embracing the unexpected journey. End with a powerful and hopeful message, encouraging the graduates to confidently embark on their future endeavors.

graduation speech teacher: *You Are Not Special* David McCullough Jr, 2014-09-11 An inspirational reflection on the way we bring up children that will resonate with all parents. David McCullough, Jr's high-school graduation address, dubbed *You Are Not Special* when it went viral on YouTube, was a tonic for parents, students, and educators alike. Now he expands on that speech with wit and a perspective earned from raising four children and teaching high-school students for nearly 30 years. In this humorous and insightful book, McCullough takes a hard look at helicopter parents, questionable educational goals, professional university coaching, electronic distractions, and more — and advocates for a life of passionate engagement.

graduation speech teacher: *Hello World!* Kelly Corrigan, 2021-04-20 From New York Times bestselling author Kelly Corrigan comes a book that celebrates the people in our lives and the meaningful connections we make that come from asking each other questions. *Hello World!* is the perfect reminder that the journeys we take through life are all about the people we will meet along the way--people who will make us smarter, stronger, and more amazing than we ever thought possible. With her trademark inspirational wisdom, Kelly Corrigan writes the perfect book for anyone about to embark on a new adventure.

graduation speech teacher: *The Last Lecture* Randy Pausch, Jeffrey Zaslow, 2010 The author, a computer science professor diagnosed with terminal cancer, explores his life, the lessons that he has learned, how he has worked to achieve his childhood dreams, and the effect of his diagnosis on him and his family.

graduation speech teacher: *Why Read?* Mark Edmundson, 2008-12-01 In this important book, acclaimed author Mark Edmundson reconceives the value and promise of reading. He enjoins educators to stop offering up literature as facile entertainment and instead teach students to read in a way that can change their lives for the better. At once controversial and inspiring, this is a groundbreaking book written with the elegance and power to change the way we teach and read. *Why Read* was a PSLA Young Adult Top 40 non-fiction title 2004

graduation speech teacher: *Lift Off* Donovan Livingston, 2017-04-04 An inspirational rallying call about education, race, and the true nature of equality—the Harvard Graduate School of Education convocation speech praised as “powerful” by Hillary Rodham Clinton in *Teen Vogue* and “inspired” by Justin Timberlake. In emotionally charged spoken-word poetry, Livingston shares a message of hope and hard truths, declaring that education can become an equalizer only if we first acknowledge the inequality and racial divides holding back America’s future. Livingston is dedicated to helping young people reach their celestial potential, and in his galvanizing commencement address, now adapted for the first time to the page, he calls on us to raise our voices on behalf of all children, as their brighter futures can light up our own. Together, we can lift off! Praise for Donovan Livingston “Donovan Livingston gave a powerful speech at the Harvard Graduate School of Education’s convocation. In a spoken-word poem, he shared his struggles in life and urged his fellow graduates to fight inequality and inspire students. . . . Donovan’s message hit home. . . . [He is] part of a rising generation that’s . . . standing up to some of the biggest challenges in the world

today.”—Hillary Rodham Clinton, *Teen Vogue* “These are the words, and Donovan Livingston’s voice and spirit are the music, but in any form, this rare graduation speech tells us that learning is full of bias yet can lead us to the stars.”—Gloria Steinem “Donovan Livingston’s *Lift Off* is our youth’s gift to us. In this joyous young man’s voice is the promise of tomorrow.”—James McBride

graduation speech teacher: Assume the Worst Carl Hiaasen, 2018-04-10 This is Oh, the Places You'll Never Go--the ultimate hilarious, cynical, but absolutely realistic view of a college graduate's future. And what he or she can or can't do about it. This commencement address will never be given, because graduation speakers are supposed to offer encouragement and inspiration. That's not what you need. You need a warning. So begins Carl Hiaasen's attempt to prepare young men and women for their future. And who better to warn them about their precarious paths forward than Carl Hiaasen? The answer, after reading *Assume the Worst*, is: Nobody. And who better to illustrate--and with those illustrations, expand upon and cement Hiaasen's cynical point of view--than Roz Chast, best-selling author/illustrator and National Book Award winner? The answer again is easy: Nobody. Following the format of Anna Quindlen's commencement address (*Being Perfect*) and George Saunders's commencement address (*Congratulations, by the way*), the collaboration of Hiaasen and Chast might look typical from the outside, but inside it is anything but. This book is bound to be a classic, sold year after year come graduation time. Although it's also a good gift for anyone starting a job, getting married, or recently released from prison. Because it is not just funny. It is, in its own Hiaasen way, extremely wise and even hopeful. Well, it might not be full of hope, but there are certainly enough slivers of the stuff in there to more than keep us all going.

graduation speech teacher: Why School? Mike Rose, 2014-02-04 *Why School?* is a little book driven by big questions. What does it mean to be educated? What is intelligence? How should we think about intelligence, education, and opportunity in an open society? Drawing on forty years of teaching and research and a profound understanding of the opportunities, both intellectual and economic, that come from education (Booklist), award-winning author Mike Rose reflects on these and other questions related to public schooling in America. He answers them in beautifully written chapters that are both rich in detail and informed by an extensive knowledge of history, the psychology of learning, and the politics of education. This paperback edition includes three new chapters showing how cognitive science actually narrows our understanding of learning, how to increase college graduation rates, and how to value the teaching of basic skills. An updated introduction by Rose, who has been hailed as a superb writer and an even better storyteller (TLN Teachers Network), reflects on recent developments in school reform. Lauded as a beautifully written work of literary nonfiction (The Christian Science Monitor) and called stunning by the New Educator Journal, *Why School?* offers an eloquent call for a bountiful democratic vision of the purpose of schooling.

graduation speech teacher: This Is Water Kenyon College, 2014-05-22 Only once did David Foster Wallace give a public talk on his views on life, during a commencement address given in 2005 at Kenyon College. The speech is reprinted for the first time in book form in *THIS IS WATER*. How does one keep from going through their comfortable, prosperous adult life unconsciously? How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in *The Wall Street Journal* and the *London Times*, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

graduation speech teacher: Lessons from a Third Grade Dropout Rick Rigsby, 2019-02-05 A USA TODAY and Wall Street Journal bestseller! Learn how to live a life of character and integrity—by following the simple advice of a third grade dropout. Be inspired by the book behind Dr. Rick Rigsby’s viral graduation speech. After his wife died, Rick Rigsby was ready to give up. The bare minimum was good enough. Rigsby was content to go through the motions, living out his life as a shell of himself. But then he remembered the lessons his father taught him years before—

incredibly simple, yet incredibly profound. These lessons weren't about advanced mathematics or the secrets of the stock market. They were quite straightforward, in fact, as Rigsby's father never made it through third grade. But if this man's instructions were powerful enough to inspire one of his children to earn a Ph.D. and another to become a judge—imagine what they can do for you. While Rick Rigsby's father was a third-grade dropout, he was a man who never hid behind any excuse. A man who never allowed his problems or lack of a formal education to determine his present or affect his future. A man who realized that destiny was a choice and not a chance. In *Lessons from a Third Grade Dropout*, Rigsby shares the simple lessons from his father that will transform your mindset, including: Remain true to yourself Think the best at all times Give your best regardless of the circumstances Keep standing no matter what Join Rigsby as he dusts off time-tested beliefs and shares his father's impactful, far-reaching story—of how a life can be enhanced, of how a corporate culture can be changed, of how a family can be united—by living the simple lessons of a third-grade dropout.

graduation speech teacher: *Very Good Lives* J. K. Rowling, 2015-04-14 J.K. Rowling, one of the world's most inspiring writers, shares her wisdom and advice. In 2008, J.K. Rowling delivered a deeply affecting commencement speech at Harvard University. Now published for the first time in book form, *VERY GOOD LIVES* presents J.K. Rowling's words of wisdom for anyone at a turning point in life. How can we embrace failure? And how can we use our imagination to better both ourselves and others? Drawing from stories of her own post-graduate years, the world famous author addresses some of life's most important questions with acuity and emotional force.

graduation speech teacher: *Oh, the Places You'll Go!* Dr. Seuss, 2013-09-24 Dr. Seuss's wonderfully wise *Oh, the Places You'll Go!* celebrates all of our special milestones—from graduations to birthdays and beyond! “[A] book that has proved to be popular for graduates of all ages since it was first published.”—The New York Times From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite for anyone starting a new phase in their life!

graduation speech teacher: *The Grammar Graduate's Parts of Speech* Laurie Boyd, 2016-01-17 The Student Book version of *The Grammar Graduate's Parts of Speech* resource is a consumable workbook. Buy one Teacher's Key with Student Book and enough Student Books for your class or home-schooled children. Teach your child. Teach your class.

graduation speech teacher: *Wait, What?* James E. Ryan, 2017-04-04 New York Times Bestseller “What, What? is a welcome—and joyful—reminder that true wisdom comes from asking the right questions. Should you read this book? Absolutely.” —Clayton Christensen, bestselling author of *How Will You Measure Your Life?* Based on the wildly popular commencement address, the art of asking (and answering) good questions by the Dean of Harvard University's Graduate School of Education. Whether we're in the boardroom or the classroom, we spend far too much time and energy looking for the right answer. But the truth is that questions are just as important as answers, often more so. If you ask the wrong question, for instance, you're guaranteed to get the wrong answer. A good question, on the other hand, inspires a good answer and, in the process, invites deeper understanding and more meaningful connections between people. Asking a good question requires us to move beyond what we think we know about an issue or a person to explore the difficult and the unknown, the awkward, and even the unpleasant. In *Wait, What?*, Jim Ryan, dean of Harvard University's Graduate School of Education, celebrates the art of asking—and answering—good questions. Five questions in particular: Wait, what?; I wonder...? Couldn't we at least...?; How can I help?; and What truly matters? Using examples from politics, history, popular culture, and social movements, as well as his own personal life, Ryan demonstrates how these essential inquiries generate understanding, spark curiosity, initiate progress, fortify relationships, and draw our attention to the important things in life—from the Supreme Court to Fenway Park. By regularly asking these five essential questions, Ryan promises, we will be better able to answer life's

most important question: "And did you get what you wanted out of life, even so?" At once hilarious and illuminating, poignant and surprising, *Wait, What?* is an inspiring book of wisdom that will forever change the way you think about questions.

graduation speech teacher: You Can Do Anything George Anders, 2017-08-08 In a tech-dominated world, the most needed degrees are the most surprising: the liberal arts. Did you take the right classes in college? Will your major help you get the right job offers? For more than a decade, the national spotlight has focused on science and engineering as the only reliable choice for finding a successful post-grad career. Our destinies have been reduced to a caricature: learn to write computer code or end up behind a counter, pouring coffee. Quietly, though, a different path to success has been taking shape. In *You Can Do Anything*, George Anders explains the remarkable power of a liberal arts education - and the ways it can open the door to thousands of cutting-edge jobs every week. The key insight: curiosity, creativity, and empathy aren't unruly traits that must be reined in. You can be yourself, as an English major, and thrive in sales. You can segue from anthropology into the booming new field of user research; from classics into management consulting, and from philosophy into high-stakes investing. At any stage of your career, you can bring a humanist's grace to our rapidly evolving high-tech future. And if you know how to attack the job market, your opportunities will be vast. In this book, you will learn why resume-writing is fading in importance and why telling your story is taking its place. You will learn how to create jobs that don't exist yet, and to translate your campus achievements into a new style of expression that will make employers' eyes light up. You will discover why people who start in eccentric first jobs - and then make their own luck - so often race ahead of peers whose post-college hunt focuses only on security and starting pay. You will be ready for anything.

graduation speech teacher: What Now? Ann Patchett, 2009-10-13 "A wise, generous and compact primer for life that could well become a touchstone, readers will return to this book, and probably find something new each time they do; deserves to be given often and enthusiastically." — Publishers Weekly Based on her lauded commencement address at Sarah Lawrence College, this stirring essay by bestselling author Ann Patchett offers hope and inspiration for anyone at a crossroads, whether graduating, changing careers, or transitioning from one life stage to another. With wit and candor, Patchett tells her own story of attending college, graduating, and struggling with the inevitable question, What now? From student to line cook to teacher to waitress and eventually to award-winning author, Patchett's own life has taken many twists and turns that make her exploration genuine and resonant. As Patchett writes, 'What now?' represents our excitement and our future, the very vitality of life. She highlights the possibilities the unknown offers and reminds us that there is as much joy in the journey as there is in reaching the destination.

graduation speech teacher: Make Good Art Neil Gaiman, 2013-05-14 THIS BOOK IS FOR EVERYONE LOOKING AROUND AND THINKING, NOW WHAT?" Neil Gaiman's acclaimed commencement address, *Make Good Art*, thoughtfully and aesthetically designed by renowned graphic artist Chip Kidd. This keepsake volume is the perfect gift for graduates, aspiring creators, or anyone who needs a reminder to run toward what gives them joy. When Neil Gaiman delivered his *Make Good Art* commencement address at Philadelphia's University of the Arts, he shared his thoughts about creativity, bravery, and strength. He encouraged the fledgling painters, musicians, writers, and dreamers to break rules and think outside the box. Most of all, he encouraged them to make good art. The speech resonated far beyond that art school audience and immediately went viral on YouTube and has now been viewed more than a million times. Acclaimed designer Chip Kidd brings his unique sensibility to this seminal address in this gorgeous edition that commemorates Gaiman's inspiring message.

After his death, it became a treasured piece of writing reprinted in *The Wall Street Journal* and the *London Times*, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

graduation speech teacher: The Teacher Wars Dana Goldstein, 2015-08-04 NEW YORK TIMES BESTSELLER • A groundbreaking history of 175 years of American education that brings the lessons of the past to bear on the dilemmas we face today—and brilliantly illuminates the path forward for public schools. “[A] lively account. —New York Times Book Review In *The Teacher Wars*, a rich, lively, and unprecedented history of public school teaching, Dana Goldstein reveals that teachers have been embattled for nearly two centuries. She uncovers the surprising roots of hot button issues, from teacher tenure to charter schools, and finds that recent popular ideas to improve schools—instituting merit pay, evaluating teachers by student test scores, ranking and firing veteran teachers, and recruiting “elite” graduates to teach—are all approaches that have been tried in the past without producing widespread change.

graduation speech teacher: If God Gave Your Graduation Speech Jay Payleitner, 2013-03-01 With refreshing honesty, winsome humor and a keen understanding of human nature, Payleitner delivers a surprising and thought-provoking commencement address from God's point of view. Every remark is a fresh and relevant restatement of truths found in Scripture, which are shown in subtle, yet profound footnotes at the bottom of each page. Graduates are reminded of God's love, faithfulness and trustworthy plan for their lives. In the final pages, Psalm 37:4 yields a surprise ending for those who trust God. -An inspired gift for high school and college grads. -Vividly Imagined from God's eternal perspective. -Content is a retelling of specific Bible verses revealed in footnotes right on the same page. -In its first year, Jay's book *52 Things Kids Need from a Dad* sold more than 90,000 copies through Choice Books. The success of that title launched a new 52 Things franchise for the publisher, for which Jay continues to write. -Stunning full-color interior design. Deluxe cover finishes.

graduation speech teacher: Certain Trumpets Garry Wills, 2013-05-28 This “beautifully written and reasoned” (Booklist) narrative by Pulitzer Prize-winning author Garry Wills examines what constitutes meaningful leadership, and why it is so essential to society. What makes a leader? How do we identify effective leadership, and how should—and shouldn't—that power be used? In *Certain Trumpets*, Garry Wills presents portraits of eminent leaders including FDR to Ross Perot, King David, Martha Graham, and many others, offering an illuminating lens for studying society and ourselves. Dividing these portraits into sixteen leadership categories ranging from military to charismatic, intellectual, rhetorical, and elected, Wills highlights what makes each of his subjects unique, crafting along the way a distinct and incisive definition of leadership as a reciprocal engagement between two contrasting wills that serves to mobilize us toward a common good, and explaining why leadership is so often a contentious and emotionally charged subject. “A stunningly literate and thoughtful examination of what makes a leader...[and] a welcome antidote to some of the more egregious ‘management style’ drivel,” (Kirkus Reviews), *Certain Trumpets* is an inspiring

and edifying tour through the history of an indispensable social art.

graduation speech teacher: The Shooting Star Shivya Nath, 2018-09-14 Shivya Nath quit her corporate job at age twenty-three to travel the world. She gave up her home and the need for a permanent address, sold most of her possessions and embarked on a nomadic journey that has taken her everywhere from remote Himalayan villages to the Amazon rainforests of Ecuador. Along the way, she lived with an indigenous Mayan community in Guatemala, hiked alone in the Ecuadorian Andes, got mugged in Costa Rica, swam across the border from Costa Rica to Panama, slept under a meteor shower in the cracked salt desert of Gujarat and learnt to conquer her deepest fears. With its vivid descriptions, cinematic landscapes, moving encounters and uplifting adventures, The Shooting Star is a travel memoir that maps not just the world but the human spirit.

graduation speech teacher: Ain't Burned All the Bright Jason Reynolds, 2022-01-11 A Caldecott Honor winner! Prepare yourself for something unlike anything: A smash-up of art and text for teens that viscerally captures what it is to be Black. In America. Right Now. Written by #1 New York Times bestselling and award-winning author Jason Reynolds. Jason Reynolds and his best bud, Jason Griffin, had a mind-meld. And they decided to tackle it, in one fell swoop, in about ten sentences, and 300 pages of art, this piece, this contemplation-manifesto-fierce-vulnerable-gorgeous-terrifying-WhatIsWrongWithHumans-hope-filled-hopeful-searing-Eye-Poppingly-Illustrated-tender-heartbreaking-how-The-HECK-did-They-Come-UP-with-This project about oxygen. And all of the symbolism attached to that word, especially NOW. And so for anyone who didn't really know what it means to not be able to breathe, REALLY breathe, for generations, now you know. And those who already do, you'll be nodding yep yep, that is exactly how it is.

graduation speech teacher: When I Was the Greatest Jason Reynolds, 2014-01-07 From #1 New York Times bestselling author Jason Reynolds, a "funny and rewarding" (Publishers Weekly) coming-of-age novel about friendship and loyalty across neighborhood lines and the hardship of life for an urban teen. A lot of the stuff that gives my neighborhood a bad name, I don't really mess with. The guns and drugs and all that, not really my thing. Nah, not his thing. Ali's got enough going on, between school and boxing and helping out at home. His best friend Noodles, though. Now there's a dude looking for trouble—and, somehow, it's always Ali around to pick up the pieces. But, hey, a guy's gotta look out for his boys, right? Besides, it's all small potatoes; it's not like anyone's getting hurt. And then there's Needles. Needles is Noodles's brother. He's got a syndrome, and gets these ticks and blurts out the wildest, craziest things. It's cool, though: everyone on their street knows he doesn't mean anything by it. Yeah, it's cool...until Ali and Noodles and Needles find themselves somewhere they never expected to be...somewhere they never should've been—where the people aren't so friendly, and even less forgiving.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator

stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

graduation speech teacher: Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

graduation speech teacher: Drive Daniel H. Pink, 2011-04-05 The New York Times bestseller that gives readers a paradigm-shattering new way to think about motivation from the author of *When: The Scientific Secrets of Perfect Timing* Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of *To Sell Is Human: The Surprising Truth About Motivating Others*). In this provocative and

persuasive new book, he asserts that the secret to high performance and satisfaction-at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

graduation speech teacher: The Secret Lives of Teachers Anonymous, 2015-09-11 Welcome to “East Hudson,” an elite private school in New York where the students are attentive, the colleagues are supportive, and the tuition would make the average person choke on its string of zeroes. You might think a teacher here would have little in common with most other teachers in America, but as this veteran educator—writing anonymously—shows in this refreshingly honest account, all teachers are bound by a common thread. Stripped of most economic obstacles and freed up by anonymity, he is able to tell a deeper story about the universal conditions, anxieties, foibles, generosity, hopes, and complaints that comprise every teacher’s life. The results are sometimes funny, sometimes scandalous, but always recognizable to anyone who has ever walked into a classroom, closed the door, and started their day. This is not a how-to manual. Rather, the author explores the dimensions of teaching that no one else has, those private thoughts few would dare put into a book but that form an important part of the day-to-day experience of a teacher. We see him ponder the clothes that people wear, think frankly about money (and the imbalance of its distribution), get wrangled by parents, provide on-the-fly psychotherapy, drape niceties over conversations that are actually all-out warfare, drop an f-bomb or two, and deal with students who are just plain unlikeable. We also see him envy, admire, fear, and hope; we see him in adulation and uncertainty, and in energy and exhaustion. We see him as teachers really are: human beings with a complex, rewarding, and very important job. There has been no shortage of commentary on the teaching profession over the decades, but none quite like this. Unflinching, wry, and at times laugh-out-loud funny, it’s written for every teacher out there who has ever scrambled, smirked, or sighed—and toughed it out nonetheless.

graduation speech teacher: Grit Angela Duckworth, 2016-05-03 In this instant New York Times bestseller, Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls “grit.” “Inspiration for non-geniuses everywhere” (People). The daughter of a scientist who frequently noted her lack of “genius,” Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique combination of passion and long-term perseverance. In *Grit*, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she’s learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle Seahawks Coach Pete Carroll. “Duckworth’s ideas about the cultivation of tenacity have clearly changed some lives for the better” (The New York Times Book Review). Among *Grit*’s most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-changing, *Grit* is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success”

(The Wall Street Journal).

graduation speech teacher: The Leader in Me Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

graduation speech teacher: A Teacher's Guide to Education Law Michael Imber, Tyll van Geel, J.C. Blokhuis, Jonathan Feldman, 2013-10-23 Adapted from its parent volume Education Law, 5th Edition, this accessible text concisely introduces topics in law that are most relevant to teachers. Providing public school teachers with the legal knowledge necessary to do their jobs, A Teacher's Guide to Education Law covers issues of student rights, discipline, negligence, discrimination, special education, teacher rights, hiring and firing, contracts, unions, collective bargaining, and tenure. Special Features: This revised edition includes new content on bullying, privacy, discrimination, school finance, and issues relating to Internet and technology, as well as updated references and case law throughout. To aid comprehension, technical terms are carefully explained and summaries of key topics and principles are provided. Case law is presented within the context of real-world examples, making this text accessible to pre-service teachers who have little background in law. A companion website provides additional resources for students and instructors, such as links to full cases and a glossary of key concepts.

graduation speech teacher: The Teacher Who Couldn't Read John Corcoran, 2017-12-29 The Teacher Who Couldn't Read is John Corcoran's life story of how he struggled through school without the basic skills of how to read or write and went on to become a college graduate and a high school teacher, still without these basic skills. National literacy advocate John Corcoran continues to help bring illiteracy out of the shadows with this autobiography, The Teacher Who Couldn't Read. It is the amazing true story of a man who triumphed over his illiteracy and who has become one of the nation's leading literacy advocates. His shocking and emotionally moving story--from being a child who was failed by the system, to an angry adolescent, a desperate college student, and finally an emerging adult reader--touched audiences of such national television shows as the Oprah Winfrey Show, 20/20, the Phil Donahue Show, and Larry King Live. His story was also featured in national magazines such as Esquire, Biography, Reader's Digest, and People. The Teacher Who Couldn't Read is a gripping tale of triumph over America's national literacy crisis-- a story you'll thoroughly

enjoy while being enlightened to a national tragedy.

graduation speech teacher: *Thank You, Teacher* Holly and Bruce Holbert, 2016-04-03 What do rock stars, Nobel laureates, bestselling novelists, astronauts, and attorneys have in common? A teacher changed their lives. Like them, most of us can name a teacher who gave us not only good instruction but also confidence and drive. But, in the face of teachers being blamed for a variety of social and economic woes, teachers themselves can easily wonder whether they are making a difference in students' lives. When veteran teacher Bruce Holbert asked himself this question, his wife, Holly, responded by sending letters to hundreds of people she had never met and had no reason to believe would respond, asking about teachers who mattered to them. She was overwhelmed by answers. *Thank You, Teacher* presents more than eighty of these up-close-and-personal stories. By a delightfully diverse range of contributors, these essays are wise and witty testaments to the teachers who do what they do every day without expecting recognition, but who so richly deserve it.
